My Baby's First Years

Can you learn to be lucky? Self-made millionaire Denise Duffield-Thomas not only believes this is possible, she knows it's possible. From being broke, hating her office job and generally having a life that made her completely miserable, Denise went on to travel the world and make all of her dreams come true within the space of a few years. She attracted more than half a million dollars- worth of free travel, scholarships, prizes and bank errors in her favour, and in this book she reveals how you can do the same. Whether you're already lucky and want to attract even more into your life, or you feel like your luck is just about to run out, Lucky Bitch will show you how to take action in areas of your life that are lacking in magic. With her trademark humour and encouragement, Denise gives clear and effective instructions based on the principles of the Law of Attraction to get you closer to living your dream life. You'll also learn the 'Ten Lucky Bitch Commandments' and how to use them to create luck in all areas of life, including business and money. This book has already changed the lives of tens of thousands of women. Now it has the potential to change yours. If you've been asking for an answer or a miracle, this book is it!

The Man Who Invented the Calendar

"Your life isn't over." My dad says this. "I mean, YOUR life isn't over. Beyond the kids. You'll go on living, doing things. This isn't it." I know, I assure him. I have the kids. They need me. They're my life now. "OK," he replies, then grunts—more of a brief hum. He only hums when he thinks I'm full of shit. Shockingly single. Amy Biancolli's life went off script more dramatically than most after her husband of twenty years jumped off the roof of a parking garage. Left with three children, a three-story house, and a pile of knotty

psychological complications, Amy realizes the flooding dishwasher, dead car battery, rapidly growing lawn, basement sump pump, and broken doorknob aren't going to fix themselves. She also realizes that "figuring shit out" means accepting the horrors that came her way, rolling with them, slogging through them, helping others through theirs, and working her way through life with love and laughter. Amy Biancolli is an author and journalist whose column appears in the Albany Times Union. Before that, Amy served as film critic for the Houston Chronicle where her reviews, published around the country, won her the 2007 Comment and Criticism Award from the Texas Associated Press Managing Editors Association. Biancolli is the author of *House of Holy Fools: A Family Portrait in Six Cracked Parts*, which earned her Albany Author of the Year. Amy lives in Albany, New York, with her three children.

The Adventures of Little Nutbrown Hare

Always Love You— Book Five in the MacLarens of Fire Mountain Contemporary Romance series. "Romance, adventure, motorcycles, cowboys, suspense—everything you want in a contemporary western romance novel." Eric Sinclair loves his bachelor status. His work at MacLaren Enterprises leaves him with plenty of time to ride his horse as well as his Harley...and date beautiful women without a thought to commitment. Amber Anderson is the new person at MacLaren Enterprises. Her passion for marketing landed her what she believes to be the perfect job—until she steps into her first meeting to find the man she left, but still loves, sitting at the management table—his disdain for her clear. Eric won't allow the past to taint his professional behavior, nor will he repeat his mistakes with Amber, even though love for her pulses through him as strong as ever. As they strive to mold a working relationship, unexpected danger confronts those close to them, pitting the MacLarens and Sinclairs against an evil who stalks one member but threatens them all. Eric can't get the memories of their passionate past out of his mind, while Amber wrestles with feelings she thought long buried. Will they be able to put the past behind them to reclaim the love lost years before? Read, Always Love You, book five in the MacLarens of Fire Mountain Contemporary Romance series is a full-length novel with an HEA and no cliffhanger. How Far Do You Love Me?

Meeting someone online is fine until you run into someone full of lies and deception. Before you run off and marry someone from a foreign country read my true story first, it might make you think twice.

Lucky Bitch

This book is not a how-to-guide. It won't tell you how to get your baby to sleep, how to deal with toddler tantrums, how to be a good parent, a cool parent or even a renegade parent. It is a book about parenting that contains absolutely no useful advice whatsoever. Instead it shares beautifully honest anecdotes and illustrations from the parenting frontline that demonstrate it is perfectly possible to love your children with the whole of your heart whilst finding them incredibly irritating at the same time. From pregnancy to starting school, Hurrah For Gin takes you through the exciting, frustrating, infuriating and wonderful whirlwind of parenthood, offering solidarity and a friendly hug after a tough day. Best served with gin.

Figuring Shit Out

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

NEW YORK TIMES BESTSELLER • Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."—Jenna Fischer, actor and cohost of the Office Ladies podcast The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including: • Decide once • Start small • Ask the Magic Question • Go in the right order • Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else's "shoulds." Do what matters, skip the rest, and be a person again.

Facebook Marriage

It's an adventure story about a young Hero who comes from a far country to win back his lost treasure. It's a love story about a brave Prince who leaves his palace, his throne—everything—to rescue the one he loves. The best thing about this Story is—it's true! And at the center of the Story, there is a baby. The Child upon whom everything would depend. All the stars, mountains, oceans, and galaxies were nothing compared to how much God loved his children. He would move heaven and earth to be near them. Always. Whatever happened, whatever it cost him, he would always love them. And so it was that the wonderful love story began. The Story of God's Love for You: Is for teenagers and adults who want to read and learn about the story of God's love for them Includes 44 short chapters that lead you through the beautiful story of the Bible—Genesis to Revelation Masterfully shows how all the individual Bible stories fit together into one cohesive narrative that points to Jesus Makes the big picture of Scripture clear to new believers, and helps seasoned believers fall in love with the Bible all over again Features text from bestselling author Sally Lloyd-Jones that brings the truths of the Bible into a new light for today's world The beauty and peace that only God's love can provide pulses through every page. Just as The Jesus Storybook Bible is an essential book for the library of every child, The Story of God's Love for You is an essential book for the library of every adolescent and adult.

Enthralling children's fiction for everyone who loves Robin Steven's Murder Most Unladylike Mysteries and Frances Hardinge's The Lie Tree. Twelve mysteries. Twelve authors. One challenge: can YOU solve the crimes before the heroes of the stories? These are twelve brand-new short stories from twelve of the best children's crime writers writing today. These creepy, hilarious, brain-boggling, heart-pounding mysteries feature daring, brilliant young detectives, and this anthology is a must for fans of crime fiction and detection, especially the Murder Most Unladylike Mysteries, The Roman Mysteries and The Mystery of the Clockwork Sparrow. The Crime Club are twelve UK-based authors who are mad about crime fiction. Clementine Beauvais, Elen Caldecott, Susie Day, Julia Golding, Frances Hardinge, Caroline Lawrence, Helen Moss, Sally Nicholls, Kate Pankhurst, Robin Stevens, Harriet Whitehorn and

Katherine Woodfine can be found anywhere there is a mystery to be solved, a puzzle to be cracked or a bun to be eaten, and they are always ready for the next puzzling case.

The Christian Union

A real book for real parents, this title offers a unique and hysterical way to commemorate those decidedly "non"-Kodak moments that compose the better part of the newborn experience.

The Christian Union

"There's so much to learn and so much to know. It's good to keep moving forward. And yet whatever we have is, in a very profound way, absolutely complete and always enough."—Kyogen Carlson Kyogen Carlson (1948–2014) was a Soto Zen priest whose writings, teachings, and commitment to interfaith dialogue supported and inspired countless Buddhist, Christian, and other spiritual practitioners. Set to the rhythm of the seasons, *You Are Still Here* is the first published collection of Carlson's dharma talks. It illuminates key elements of contemporary Zen practice, such as the experience of zazen meditation, the pitfalls and intimacies of the teacher-student relationship and of sangha life, the role of community in personal practice, and the importance of interfaith dialogue reaching across political lines. Carlson's teachings also underscore his commitment to lay Buddhist practice and women's lineages, both significant contributions to American Buddhism. The beautifully distilled talks have been carefully edited and introduced by Sallie Jiko Tisdale, a respected writer, teacher, and Dharma heir to Carlson. Her masterful presentation highlights the significance of these illuminating teachings, while preserving Carlson's distinct style of authenticity, humor, and conviction on the Zen path.
