A Problem in Dragon Kingdom

Imagine if you were a dragon residing in the ancient West Kingdom when the rain stopped falling; or when it did fall, it drew in endless torrents? Lightling, a dragon resident of West Kingdom sensed there was a better way for dragons to live. He made preparations and set off for a pilgrimage to the East. After facing many elemental trials, Lightling made it to East Kingdom. There, he met with marvelous dragons. They imparted a great secret to Lightling. Can you guess what it might be? What Lightling learned vastly improved conditions in West Kingdom. He discovered the miracle upon his return. Why not follow Lightling's adventures to learn the truth for yourself.

Who Am I : I'm the Prince of Dragon Kingdom (English)

Certain Names, Characters, Stories or Events are purely the imagination of the Author.

The Thunder Dragon Kingdom

This compact and elegant work (equally fitting for both academic as well as the trade audiences) provides a readily accessible and highly readable overview of Bhutan's unique opportunities and challenges; all her prominent environmental legislation, regulatory statutes, ecological customs and

practices, both in historic and contemporary terms. At the same time, Bionomics places the ecological context, including a section on animal rights in Bhutan, within the nation's Buddhist spiritual and ethical setting. Historic contextualization accents the book's rich accounting of every national park and scientific reserve, as well as providing up-to-the-minute climate-change related hurdles for the country. Merging the interdisciplinary sciences, engineering and humanities data in a compelling up-to-date portrait of the country, the authors have presented this dramatic compendium against the backdrop of an urgent, global ecological time-frame. It thus becomes clear that the articulated stakes for Bhutan, like her neighboring Himalayan and Indian sub-continental countries (China, India, Bangladesh and Myanmar) are immense, as the Anthropocene epoch unfolds, affecting every living being across the planet. Because Bhutan's two most rewarding revenue streams derive from the sale of hydro-electric power and from tourism, the complexities of modern pressures facing a nation that prides herself on maintaining traditional customs in what has been a uniquely isolated nation are acute.

Bionomics in the Dragon Kingdom

Is your kingdom bothered by a pesky dragon problem? Need any giant monsters slain? Are your own knights in shining armor unreliable or—worse—cowards? Young Cullin, wanting to see the world, joins a band of renowned knights errant who will slay your dragon for a price. Satisfaction guaranteed! The only problem is, it's all a scam. The “dragon” is no more than rumors and tall tales spread by Cullin and his gang, giant three-toed footprints stomped into the ground near strategically burned-down huts and charred skeletons (procured from the local graveyard). It's a great con job, so long as Cullin and company can take the money and run, move on to the next kingdom before anyone catches on. But even con men can be caught in their own game. Clever, spunky Princess Affonyl doesn't want any part of the arranged marriage to an evil duke from a neighboring kingdom. And she realizes that a fearsome dragon, even an imaginary one, is the perfect cover for her escape. It's one caper after another as these medieval dirty, rotten scoundrels try to outsmart one another. And they discover that the dragon business is more than just a game...especially if a real dragon might be involved.

The Dragon Business

The cousins from the Ruby Dragon Kingdom have been sent on a mission: Find the missing parents, and find out why the dragons have taken them.

Ruby Dragon Kingdom

When Kaida meets the enigmatic Brenton, Dragon king of Idranor, for the first time, she is utterly unimpressed! However, her drunken human friend Phillipe is another story. Follow Kaida the dragon on her journey as she finds the truth about her past and her path to the future.

Promised to the Dragon King

In a serene Kingdom...from out of the fog...An old threat has returned. Marl and his friends drove Aldrei the dragon away six years before. It cost him the life he loved and after six years, he has unfinished business. Can Marl find the peace he needs? Will his friends step up for one more quest? Getting the party back together, though, is harder than he planned. With the clock ticking, will he be able to track down the people he needs? There's just one problem.....this dragon is not the wyrmling they battled before. He's old, stronger, and bent on vengeance. You'll love this heroes journey because everyone enjoys a battle for what's right. Read it now!

The Dragon Kingdom

In the second book in the Dragon Kingdom of Wrenly graphic novel series, Ruskin, Cinder, and Groth are back for another exciting quest, this time to save a group of cursed shadow dragons! A royal errand brings Ruskin, Cinder, and Groth to Shadow Hills, home to the most mysterious creatures in all of Wrenly—the shadow dragons. Legend says that shadow dragons are hostile to outsiders and cannot be trusted. But that's not how it seems to Ruskin and his friends. In fact, nothing is quite as it seems in Shadow Hills. The young dragons have been sent there by sinister forces that believe Ruskin is destined to rule over all of Wrenly. These same forces will do anything to prevent that from happening...even if it means putting the entire kingdom at risk. Will Ruskin and his friends see through the deception and learn who they can really trust before it's too late?

Dragon's Fury

The Dragon Masters are still reeling from the desertion of Rori and her fire dragon Vulcan, when Mina, a Dragon Master from the far north, arrives with a problem--King Lars needs a fire dragon to defeat the Ice Giant who has frozen his kingdom; and so the Dragon Masters set out to find Rori and convince her to help.

Shadow Hills

The book is designed as a user-friendly textbook/manual for mental health professionals. It teaches a trauma-informed treatment approach as an organizing framework for a series of empirically supported interventions including motivational interviewing, cognitive-behavioral skills training, trauma resolution, and relapse prevention. Although it notes the importance of a systemic treatment approach, the focus is on the individual component of treatment.

Chill of the Ice Dragon

The Great Tiger Kingdom of Haan has defeated the Gran Chaos Empire and grown to become the most powerful of all mankind's nations—splitting the world in two between themselves and the Maritime Alliance, headed by the Kingdom of Friedonia. Souma receives a request from King Fuuga of the Great Tiger Kingdom to join him in the “complete liberation of the Demon Lord's Domain.” As risky as this endeavor is, Souma recognizes the need to liberate the demon front and accepts Fuuga's offer. He gathers information on the mysterious demons in earnest, but when their forces go on the march, the demons seem to possess power beyond anything Souma imagined! Here comes volume seventeen of the revolutionary administrative fantasy series!

Treating Problem Behaviors

It is 1992, and the Burmese government's current war on its indigenous people runs into its fourth year. In neighboring Thailand, a small band of Buddhist monks harbors refugees from Burma inside their modest temple in the slums of Bangkok. The monks and refugees are all natives of the Burmese Mon State. All have the same residential status in Thailand: illegal. Under surveillance, and overwhelmed by the needs of their charges, the monks reach out to international aid agencies in Bangkok for help in ministering to the tortured, the wounded, the diseased, and the orphaned. *Singing to the Dead* recalls a Catholic lay missionary's work alongside the Mon Buddhist monks of Bangkok. For more than two years, Victoria Armour-Hileman was a go-between for the monks, interceding with the world outside their temple walls for everything from a cornea transplant for a land mine victim to money to buy shoes for barefoot orphans. At the same time, *Singing to the Dead* details an aid worker's ongoing education: how to weave through an embassy bureaucracy, how to stave off burnout, how to pull money out of thin air at the eleventh hour, when to trust and when to be cautious, when to kowtow, when to pray. As the centuries-old conflict between Burma and its Mon people worsens, police raids on the temple in Bangkok increase. Refugees have never been safe, but now even the monks' unofficial immunity seems tenuous. When one of the monks is threatened with repatriation to Burma and possible imprisonment and torture, Armour-Hileman begins the desperate race to secure a new home country for him. She knows that these final efforts are as selfish as they are humanitarian, for what kind of God, and what kind of universe, will she believe in if she fails?

How a Realist Hero Rebuilt the Kingdom: Volume 17

Fans of Dragon Shifters will sink their talons into this Steamy, Paranormal Romance. "If we want to fully experience love and belonging, we must BELIEVE that we are worthy of love and belonging." - Brené Brown The loner King will need to fight his own demons to win the day, and the love of his fated mate. I, Damon, the King of the Northern clan, am busy rebuilding my kingdom which fell into the pit of destruction under the rule of my father. I am determined to be a better, stronger, kinder King. But stepping out of the shadow of a tyrant is harder than I imagined. Cass is a starry-eyed 'royal' who can't wait to meet the infamous King Damon. When my cousin King Stavrok takes me to the North, it's a dream come true. But finding out my fated mate is the loner King whose re-building a kingdom from the stone floor up? Not exactly the happily ever after I pictured for myself. Damon's world is dangerous and Cass struggles to cope. Will these fated mates fight to be together? Or will the world around them tear them apart forever?

Singing to the Dead

Almine probes further into the nature and meaning of existence, introducing the Goddess mysteries as they apply not only to individual human lives, but to the cycles of the cosmos.

Rebuilding his Dragon Kingdom

Grandpa has a pressing story to tell his twin granddaughters, but is it real or imaginary? He tells of an ancient Kingdom deep within the Patagonian ice fields, which is completely inaccessible and hidden from the rest of the world. This is as intended as it happens to be the home of all the surviving dragons. The fabled creatures now have only two purposes; to protect the people of the kingdom and keep the climate temperate with their fiery breath. Unfortunately, the survival of the Kingdom and the dragons are now seriously threatened – Grandpa is the only one who can restore the Kingdom to its former glory.

Secrets of the Hidden Realms

Comprehension is the ultimate aim of reading and listening. How do children develop the ability to comprehend written and spoken language, and what can be done to help those who are having difficulties? This book presents cutting-edge research on comprehension problems experienced by children without any formal diagnosis as well as those with specific language impairment, autism, ADHD, learning disabilities, hearing impairment, head injuries, and spina bifida. Providing in-depth information to guide research and practice, chapters describe innovative assessment strategies and identify important implications for intervention and classroom instruction. The book also sheds light on typical development and the key cognitive skills and processes that underlie successful comprehension.

Kingdom of Queens

KINGDOM OF THE DRAGONS LIGHTS, Book 1, is the first of eight books telling the captivating legend about the exciting trials through which a group of bold adventurers have to go in their pursuit of the greatest treasure in the universe. Loads of gold, precious stones, jewelry and all the secret knowledge of the world would seem like plain, cheap dust, compared to the superbly bright and amazing, absolute treasure of the dragons. The dragons themselves are majestic creatures whose shine, magnificence, glory and brutal power are so colossal that those creatures that the earthly legends call dragons are only an apology for the real ones.

Children's Comprehension Problems in Oral and Written Language

Operation Revolution Tolls has finally begun, signaling the start of the Liberators' final battle with the church. As Miledi and her comrades fight their way up to the peak of the Divine Mountain where Ehit awaits, the true nature of the world is finally revealed to them. What choices will she make when she finally confronts Ehit...and what consequences will that have for the world of Tortus? Find out in the thrilling conclusion to the Arifureta Zero series!

Aadorn Kingdom of the Dragons' Light

Volume 3 of this series "India-Tibet Relation" looks into the consequences of the Chinese presence on the Tibetan plateau. Ironically, the period 1954-1957 saw the first Chinese intrusions into Indian territory, particularly in Barahoti, a small flat grazing ground in today's Uttarakhand. On the diplomatic front, it starts with the Chinese Premier Zhou Enlai's visit to Delhi in June 1954, followed by Jawaharlal Nehru's trip to Beijing in October; at the end of 1956. It culminates with the visit of the Dalai Lama and the Panchen Lama, accompanied by Zhou, to Delhi for the 2500th anniversary of the birth of the Buddha. We witness the slow erosion of the Tibetan control over the Land of Snow's administration and the rapid building of roads towards the Indian borders...including through the Aksai Chin of Ladakh.

Arifureta Zero: Volume 6

Rex is no hero, he's just a Hartford bartender with a painfully empty social calendar. But when he meets a strange, sword-wielding woman who asks him to help her with a dragon problem, he ignores his better judgment and offers whatever assistance he can. Now, he's beginning to wonder if he'll ever see his home again. Or if he even wants to.

Tibet

The final book in an action-packed epic fantasy series set in a world with dragon-fuelled magic where master con artist Ardor Benn takes a job to steal a living dragon Ardor Benn has takes his lies to a new level, infiltrating high society so he can steal a priceless resource. But now that he's on the inside, he finds himself poring over ancient texts, searching for answers to his deepest questions. He discovers something is coming. Something world-ending. Now, an old enemy is extorting him for one last job. Steal a live dragon. He doesn't know how, and he doesn't know why. But he's got a feeling that it's a job he has to take. Only problem is, Ard's running short on time and shorter on lies. And his personal ambitions are alienating all of his allies. With no one else to rely on, he'll have to trust the one person nobody else does: himself. Praise for the series: 'Mission Impossible, but with magic . . . a fun, terrific read' David Dalglish 'Ardor is a rogue with a heart of gold and his team is incredibly fun to follow' B&N Sci-Fi and Fantasy Blog 'If you enjoy The Lies of Locke Lamora . . . then I can confidently predict that The Thousand Deaths of Ardor Benn is the book for you . . . Highly recommended' The Eloquent Page 'I cannot recommend this book highly enough. It is easily the best fantasy-heist book I have ever read in years!' A Fantastical Librarian

A Dragon Problem

"Ruskin, the pet dragon of the royal family of Wrenly, forms new friendships with the dragons of Crestwood and goes on exciting adventures"--

The Last Lies of Ardor Benn

The Queens, Tegan and Caron, have now settled in as rulers of the magical dragon Kingdom. Everything is perfect for a while, but one day, while the Queens are out for a morning run, an old evilness is disturbed. As a consequence, Queen Tegan becomes spiteful and tiresome with the Kingdom. She instructs Dragon Brathen, against her wishes, to take her home, back to the Netherworld. It is imperative that the rogue Queen and Brathen return, or the Kingdom will perish. There has to be a rescue mission...

Ice Dragon

The Kingdom of The Dragons - Book 3 We will start of journey back at the Castle on the Land of the Dragons. You may recall, Heartsafire, had granted the little pink dragon Wood, her wings. The pink lion was still back on a ship trying to land on Hearts Island, but the Twin Dragons, Dot and Wood were safe and secure at the Castle. In the first chapter, we discover that one of the twins has been up to mischief and has ruined all the Hearts flags and family portraits in the Great Hall. That little dragon has lost her fire power for acting badly. In the second chapter, the twins are working in the garden gathering magic pumpkins when they spot tiny boats waving white flags. Risking their lives in a brewing storm, they bravely signal the ships that help is coming and then rush back to the Castle to get help. The castle dragons unite for a daring rescue. The third chapter is humorous, sad and scary. The King's life hangs on by a thread; the Queen sends a message, and the brave Randall stands up to the big dragon, Bravehearts. The fourth chapter is all about brave dragons and our Hero Randall. But a new hero emerges. Can a tiny little rat be a hero? We can always hope! The fifth chapter is about tricks, games and shady characters. Where do these characters come from? The sixth chapter is the reveal chapter. Sometimes, it is better not knowing the answer when the answer is sad. The prize is in the eye of the beholder. The seventh chapter brings everyone home, and the King renames the land, the Kingdom of Hearts and Dragons. The only problem is that Heartsafire does not look well and still has work to do with some dragons. Being home doesn't mean that everything is fixed, and everyone is healed. This is book 3 of the Legends of the Fireflies series.

A dragon named Delightful

Fifteen-year-old Olivia was shy and a good girl who listened to her parents and followed the rules to the letter. One day, she received horrible news about her only best friend, who died in a terrible car fire with her date. Confused and alone, she adventures out to where her friend died to pay respect and quietly mourn her friend's death. When she arrived there, she was in shock, surrounded by ash. Out of the blue, she is startled by a deer's cry, she follows them, and to her horror, she finds the deer burning and a little boy eating it. That was when she realized he was the one responsible for her friend's death. However, seeing him hurt, she couldn't leave him there. So she helped him. Suddenly, a beam of light hovered over them, and the next thing she knew, she was in a spaceship. Not allowed to go back home, and the little demon boy who has a crush on her turned out to be a prince. Now she watches him grow up and become a fine man.

The Kingdom of Dragons

He who controls the Wyverns, rules the world. The Sixth Kingdom is the center of the known world. It is the repository of the all knowledge and secrets, and the heart of arcane wizardry. It is the College, the arbiter and enforcer of world peace. It's also the place to learn magic, perfect deadly warrior skills, or bond with dragons. Comprised of four Castes, the College accepts only the best and brightest of those who can afford to send their children to the hallowed halls of destiny where they are groomed to assume their future roles in each of the five kingdoms. Four friends in four Castes... they call themselves 'the Family.' Their goal? To one day rule the College. Of the four, Fiach has the least claim to privilege as he was sold to the College by slave traders after his parents were murdered. It is a memory he can no longer repress as he and the Family are swept up into the power struggles to rule the world.

The Human's Demon Dragon

Princess Celeste isn't a normal princess. When her kingdom has problems with dragons, she comes to the rescue.

The Sixth Kingdom

The Dragon Child is an adventure/fantasy tale following Dragon, who is a half human and half dragon, born from an ancient magic brought forth by his parents' love. His father is human, and his dragon mother is the queen of the dragon empire. When they pass, Dragon inherits the throne, as well as a world full of troubles. Dragon's world is turned upside down as he travels with a small band of companions and he finds himself fighting battles that he does not want to be a part of. When everything around him falls apart, he is torn inside by his race and identity. He is not sure whether he should save the humans or save the dragons. As he is forced to make choices, Dragon learns about himself and the races that he is a part of, and in doing so, he becomes who he has always been destined by the Creator to be.

Dragon Trouble

To unite a fractured kingdom, a reluctant hero must rise. Neill has been charged with the impossible task of bringing the Middle Kingdom together to fight the burgeoning threat posed by the rogue sorcerer Ansall and his dragon Zaxx. Neill longs for his old life as a mere foot soldier for his father responsible only for his family's wellbeing, and is unsure about whether he is fit to lead an army. Neill's contemplative nature forces him to consider every aspect of the problems he faces, but often makes it difficult for him to take action—and failure to act could mean the deaths of many. Now, echoing Char and their dragon Paxala, his duty beckons him to lead the Dragon Riders—and take his rightful place as king—but with doubt and new enemies creeping in, his resolve will be tested. When the mysterious Dark Prince arrives with an offer, Neill will have to make a decision that could change the course of history. As Ansall grows in strength by harnessing black magic, Neill must choose between his own desires and the welfare of the entire kingdom. Can he rise to the challenge before it's too late?

The Dragon Child

Knights of the Dragons By: Kevin Runyeon After being inspired by a hand-built by the author chess set, Kevin Runyeon makes an adventure come to life. With the true love story of Kern and Josephina, many stories unfold and intertwine. Being a lost knight of the round table, Kern comes across dragons, witches, and other classical fantasy challenges that show the untold story of King Arthur.

Dragon Mage

Dragonville! The best spot in the Kingdom of Pamelot! Things in Pamelot are better than they have ever been. And best of all, there are no dragons ... Or that's what people think ... until Zig and Zag of Unk's Pest Control see something in the tunnels under Dragonville Castle ... Something in Dragonville has awoken ... It sounds big. And scary. And it's heading for Dragonville Castle! Someone must defeat the Dragon of Doom! But there's only one problem... there aren't any knights left in Dragonville... If only there was someone who knew how to get rid of dragons... In graphic novel format, Dragonville: Dragon of Doom is part of the Astro range from Rising Stars Reading Planet. Astro books are ideal for struggling and reluctant readers aged 7-11. Each book is dual-banded so that children can improve their fluency whilst enjoying exciting fiction and non-fiction relevant to their age. Reading Planet books have been carefully levelled to support children in becoming fluent and confident readers. Each book features useful notes and questions to support reading at home and develop comprehension skills. Interest age: 8-9 Reading age: 6-7 years

Knights of the Dragons

As an ordinary human being on the earth, Tang Long was brought to the Cultivation World by a lost immortal, and relying on his amazing talent, he made it to one of the five emperors in that world. However, struck by Thunder of Nine Heavens, he lost his life. It was lucky for him to rebirth in the human world as an intern who was named Qin Haodong. With his excellent medical skills, he became a divine doctor of traditional Chinese medicine and a father of a baby girl, whose mother was as pretty as a fairy. The little girl even asked him to find more lovers. What a cute girl...

Reading Planet: Astro – Dragonville: Dragon of Doom - Earth/White band

Love At First Mushroom As a result of the divine spirits' protection, Agnes has an unusual and often embarrassing power: whenever she experiences strong emotions, she makes mushrooms sprout on people! One day, her royal fiancé, who claims to have dragon's blood, breaks off his engagement to Agnes claiming to have found his true soulmate. Her reputation tarnished, Agnes vows to return to commoner life, when she's unexpectedly summoned to a ball by her ex-fiancé's cousin, a prince who is far from horrified by her mushrooming him. "This is fate! I promise you, it's no spore-of-the-moment decision! My morels are not questionable! You and I would make the mushiest couple imaginable! Would you marry me?" Agnes has a lot to deal with: her personal "flaws", an endless onslaught of mushrooms, and the attentions of a prince with a serious fungal fetish. Can Agnes get through this and face up to her true self, or will it all prove just a little too mush?

Reincarnation - The Divine Doctor and Stay-at-home Dad 68 Anthology

Risking her life to save her homeland, Shabon, a princess from the Nine-Headed Dragon Archipelago, joins Souma's side in hopes of stopping an impending war. But with a fleet already en route to the hostile archipelago under his orders, Souma sets out to infiltrate the islands before they arrive. As he gathers information within the enemy territory, he finds that the real threat isn't their naval fleet, but a massive creature in their waters that defies all common sense...?! What strategy will Souma come up with to handle these two encroaching threats?! Find out in the thirteenth volume of the revolutionary administrative fantasy series!

Uncanny Magazine Issue 17

Dragon Borne is based on- two 9th grade boys Michael and John who are from the slums of Houston, TX. During a confrontation with each other, they are warped to another world where they found out they have the souls of two dragons in them. Michael, who is a Blood and a hustler of all things has the Dragons of Fire and Lightning in him. While John, who is just a laidback teen who is just trying to make it in the day to day life has the Dragons of Water and Wind. Jumping from one dimension to the next, the two teens learn to unlock their power and obtain two dragons of their own before being warped back to earth. Being placed in handcuffs the experienced almost seemed as if it never happened as they pick up life where they left it. Finding their way to Provenience—the School for Evols (mutants, wizards, Arcadians or werebeasts, etc.) in their own way they have to learn to balance their regular lives with that of the supernatural. From the streets to Provenience, Michael found new hustles, ways to rank up at school, and goes on missions of all sorts living life as it come. Trying to understand the new world

d he was dealt with, John must make a decision to remain in the world of man or become one with the divin

The Dragon's Soulmate is a Mushroom Princess! Vol.1

"Ruskin, the pet dragon of the royal family of Wrenly, forms new friendships with the dragons of Crestwood and goes on exciting adventures"--

How a Realist Hero Rebuilt the Kingdom: Volume 13

Just when Sophia thinks she's got a handle on things going on in the dragon town, her whole world is rocked, quite literally. While Sophia, Gale and Topaz 'get to know' each other more intimately, things are the school they're camping out at have taken a turn for the worse. A group of dragon rebels were supposed to arrive today, but they never did, making everyone worry that they might have been caught by the deserter fae soldiers roaming the area. As Sophia makes it back to the school, she finds out that the parents of Gaia, the little earth dragon orphan, went missing last full moon and it's another full moon tonight... Then more bad news reaches her, another two sets of parents have gone missing... Sophia and her men try everything in their power to find out why earth dragons are going missing, what's happening to them. Why can Gaia still sense her parents when they're not there? And what does a magically locked room at the local library have anything to do with it? This is the fourth novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected.
