Your ears go red when you lie.

If you sit too close to the TV, you'll hurt your eyes.

You'll get sick if you stand near a working microwave.

You'll get arthritis if you crack your knuckles.

You'll get acne if you eat too much chocolate.

If you swallow chewing gum, it'll stay inside you for 7 years.

If you touch a toad, you'll get warts.

Your hair will grow faster if you have it cut more often.

If you get scared when making a face, it'll stick that way.

What's Wrong With...Dad

Who is this that starts my life's journey to the place of uncertainty? It is he who loves and guides me into paths of the unknown; With arms of strength and hands of skill, Who is this that delivers me from

the place of fear and rage? It is he who cares and forgives me on the road to peace. Who is this that leads me to the highway of victory? It is he whom I love, my Dad. - David Edward

What's Wrong with Daddy?

"Jennifer Burke sat between her mother and father at the doctor's office. Jen had always been close to her father. She thought he must be the best dad in the world. Her friends thought so, too. But now as the doctor talked about her dad, her chest felt so tight she could hardly breathe. Her ears were ringing and she hadn't heard the first few things the doctor said." ... and at the present time, there's no cure." Jen's father reached for her hand and squeezed it tightly. She bit her lip, trying not to cry, trying to be brave for him. No cure ... no cure ... no cure ..."--Page 4 of cover

Dad, How Do I?

"Like the YouTube channel, this is a touching yet informative guide for those seeking fatherly advice, or even a few good dad jokes." — Library Journal

Questions for My Father

Providing a blueprint for uncovering the full dimensions of the man who is also a father, this thought-provoking book offers a way to let fathers tell their personal stories and to let children explore their own knowledge and understanding of one of the largest figures in their lives. Illustrations.

Why is Dad So Mad?

The children's issues picture book *Why Is Dad So Mad?* is a story for children in military families whose father battles with combat related Post Traumatic Stress Disorder (PTSD). After a decade fighting wars on two fronts, tens of thousands of service members are coming home having trouble adjusting to civilian life; this includes struggling as parents. *Why Is Dad So Mad?* Is a narrative story told from a family's point of view (mother and children) of a service member who struggles with PTSD and its symptoms. Many service members deal with anger, forgetfulness, sleepless nights, and nightmares. This book explains these and how they affect Dad. The moral of the story is that even though Dad gets angry and yells, he still loves his family more than anything.

MY WORLD MY DAD

What is Life?, is a question which can be best explained by the angel of gods, "Fathers". He is the one who is always by our side no matter how worse the situation is. He is an exact manifestation of god who teaches us what is wrong and what is right. This anthology perfectly narrates the sacred feeling for a father hidden in their children's heart

You're Still That Girl

An abuse survivor shares practical advice and helpful strategies for women looking to reclaim their lives and escape the influence of an abusive ex. Recovering and healing after an abusive relationship is a difficult journey. One may no longer recognize the woman in the mirror staring back. Suzanna Quintana understands the darkness that a victim of abuse dwells in and what it takes to recover. A survivor of abuse at the hands of a diagnosed narcissist, Suzanna learned to liberate herself from that painful past. Now she offers a life preserver to those still drowning in the pain of their heartbreak. In *You're Still That Girl*, Suzanna shows women the way to: Become emotionally detached from their ex Learn the difference between real love and abuse disguised as love Find their voice and trust their instincts again so that they won't make the same mistakes Learn valuable tricks and tips for dealing with a narcissistic ex who is still making their life miserable Get back in touch with the girl they used to be and get back to living a life they always dreamed of

You Can Lead a Horse to Water But You Can't Make 'em Cha Cha

This new book by Kris Godinez gives a conglomeration of case studies to illustrate what motivates and drives an abusive relationship. Why some people stay and others don't.

My Dad is Different

My Dad Is Different is a story seen from the eyes of a child. Author Wendy Desmet tells the story of how her son, Josh, knows there is something different about his Dad. Dealing with a disabled parent is a challenging part of a child's life. Accepting their parents and others with disabilities will make children empathetic and wellrounded in their future. Author Wendy Desmet lives with her husband, Michael, and son, Josh, in Yorkshire, England. Her husband is disabled and wheelchair bound. When Josh was born, the question around Michael's disability would eventually be brought up. This is when Wendy wrote My Dad Is Different, to help Josh understand his Dad's disability.

The Dressing-Up Dad

Danny LOVES dressing up. So does Danny's DAD! Whether it is pirates at a party or superheroes in the supermarket, they'll dress up anywhere, at any time, whatever the occasion. A brilliantly funny and uplifting celebration of dads and the importance of being yourself! Perfect for kids aged 2+, this gorgeously illustrated picture book from the much loved illustrator of The Owl Who Was Afraid of the Dark is the perfect gift to share on Father's Day!

Be More Pirate

Whatever your ambitions, ideas and challenges, this book will revolutionize the way you live, think and work today, and tomorrow. Pirates didn't just break the rules, they rewrote them. They didn't just reject society, they reinvented it. Pirates didn't just challenge the status-quo, they changed everything. Pirates faced a self-interested establishment, a broken system, industrial scale disruption and an uncertain future. Sound familiar? Pirates stood for MISCHIEF, PURPOSE and POWER. And you can too. In Be More Pirate, Sam Conniff Allende unveils the innovative strategies of Golden Age pirates, drawing parallels between the tactics and teachings of legends like Henry Morgan and Blackbeard with modern rebels, like Elon Musk, Malala and Banksy. Featuring takeaway sections and a guide to build your own pirate code 2.0, Be More Pirate will show you how to leave your mark on the 21st century. So what are you waiting for? Join the rebellion now. ----- 'Unique...reminds me of the fun we've had with our airlines' - Sir Richard Branson 'Totally compelling' Ed Miliband 'I'd rather be a pirate than join the navy' Steve Jobs 'A model for how to break the system and create radical change' Evening Standard 'Be More Pirate feels so important as it looks to history to help us grip the future' Martha Lane Fox 'This isn't a book, it's the beginning of a movement. Be More Pirate should come with a health warning' Tom Goodwin, author of Digital Darwinism

What's Wrong With Dad?

The sudden loss of Grandpa Ben becomes a family's harrowing journey through addiction when Timmy's dad, Ethan, turns to alcohol to relieve the pain. What's Wrong with Dad? is a realistic portrayal of the psychological and physical effects of addiction as seen through the eyes of a 9 - year -old. And how one mother's determination to keep her family together ultimately motivates Ethan to turn to Alcoholics Anonymous for help. His recovery becomes a heartwarming opportunity for father and son to rebuild their relationship. What's Wrong with Dad? is an excellent resource for non-alcoholic parents and/or school counselors to explain to children what substance abuse is, that it's not their fault, and that there are people at home or at school they can talk to for support. Author Daniel H., a recovering alcoholic since 2014, drew from personal experience and a desire to help others in writing this inspiring book. A resource page is included.

Kicking The Step Out of Dad

The term Dad and Father are used interchangeably and are synonymous in most instances; however, the urban dictionary definition of Dad gives the gist of how he is depicted in this book. It signifies that a dad is a "true man in your life that is there for you." Your Dad may also be your Father, but your Father may not be your Dad. Your Dad loves you, comforts you, supports you, and helps you. Your Dad is someone that you should respect (even if you do not think he deserves it). To bring out some vital points regarding the subject of blending, you will see the word STEP throughout this book many times. However, it is just for the sake of reference because we aim to kick, eliminate and disparage the use of "step" out of stepdad. Again, when thinking of the word Dad or Father, what comes to mind? Think and ponder for a moment- what comes to mind? Do you have fond memories of your Dad? Or do you prefer not to think of him at all? Well, to name a few, when I think on the word, I think of a protector, provider, strength and honor all mixed in one. A good dad is all this and much more. It is often said that "a woman will look for similar qualities her dad possesses when she chooses a mate." In observation

of this scenario, I have seen this work in a positive and negative manner. Unfortunately, some women have selected men with bad behaviors and flawed character the same as their dads, not realizing they were a mirror image of their Dad. But some women have made excellent choices because they had an excellent example of how a man treats and cares for his family. As humans, we seemed to pattern our behaviors good and bad after those who we are around the most in our early childhood and adolescent years. I've dreadfully heard some children say, "My birth father is a man I could not really respect because he was never there for me even though he had a chance to be. The man my Mom later married was one of the nicest, most trustworthy and loving people I have ever known - he is my true Dad. The term dad seems to reflect a position of profound endearment and respect rather than just a position of identity. Men, we should all strive to be a dad to all of our children, whether our connection with them is biological or not. I reiterate, be a dad, especially if he or she has no biological connection. Let's kick the step out of stepdad and just be a terrific, trustworthy, supportive DAD. You can only imagine how rewarding that will be. Dads, this is why you should always exhibit good behaviors impeccable character because your children are always watching and emulating their every move. That's why a Daddy role is vitally important in the family. Little girls and little boys look up to their daddy's because there is something innate in all of us that causes us to admire and emulate our dads. There is a motivation that never goes away where we want to make our daddy proud of us no matter how old we are. Have you ever wonder why babies typically when they begin to pronounce words, they appear to assert "Da Da" before any other words. Remember, the mother has carried the baby for 9months, and all life source to the baby was generated through her; however, the baby mysteriously calls for the daddy when learning to talk. It is like something in them calls out for something or someone it desperately needs...Makes you think Ummmm... It is as if the child knows it has already been connected to the mother but also needs to connect with the Father. Could it be that a child has a hidden intuition of how important their daddy's role impact their life? I would think so. I will go as far as to say, that desire to connect with a dad never goes away until someone steps up and fulfill that role whether it's the biological Dad, stepdad, surrogate Dad, etc.

The Life of Dad

THE STORY OF FATHERHOOD AND WHAT IT MEANS TO BE A FATHER TODAY, BASED ON A DECADE-LONG STUDY OF NEW AND EXPECTANT FATHERS. Becoming a father is one of most common but also one of the most profoundly life-altering experiences a man can have. It is up there with puberty, falling in love and experiencing your first loss. Fifty years ago a father's role was assumed to be clear: he went to work; he provided the pay cheque; and he acted as a disciplinarian when he got home. But today a father's role is much more fluid and complex. Dr Anna Machin has spent the past decade working with new and expectant fathers, studying the experiences of fathers and the questions fathers have: 'Will fatherhood change me?', 'How do other men fulfil the role?', 'How can I help my child grow into a healthy, happy adult?'. In *The Life of Dad*, Dr Machin draws on her research and the latest findings in genetics, neuroscience and psychology to tell the story of fatherhood. She will show the extraordinary physiological changes a man undergoes when he becomes a father, investigate how a man's genes can influence what sort of father he will be, and will show how a dad makes a unique contribution to his child's life, helping to foster independence of mind and spirit. Throughout the book, readers will encounter the voices of real dads, expectant and established, as well as fascinating insights into fatherhood from across the globe. *The Life of Dad* throws out the old stereotypes of fatherhood in an entertaining and informative journey through the role of dad – helping you decide what sort of father you want to be. 'A tour-de-force exploration of the forgotten half of the parenthood business. Essential reading for every expectant dad ... and mum.' – Robin Dunbar, professor of evolutionary psychology, University of Oxford

Bad Dad

Read David Walliams' bestselling children's book, *Bad Dad*, a fast and furious adventure for boys and girls aged 7–12. Beautifully illustrated by artistic genius Tony Ross.

Searching for Dad

One man shares his story of growing up fatherless, the lessons it taught him, and how sons and parents can combat its side effects. *Searching for Dad* steps inside the mind, heart, and soul of a boy without a father. Recognizing the power of the emotional and psychological side effects of growing up fatherless will help absentee fathers, single mothers, and sons who survived a fatherless childhood understand

and cope. Byron Ricks shares his story about the challenges he faced, the lessons he learned, and the man he became. He writes for fathers who do not realize the full impact their absence can have, for mothers wanting to do the best for their sons but are not sure what that is, and for men who feel empty and unattached and are not sure why. Ultimately, *Searching for Dad* is a book of hope, filled with illustrations about nine side effects and how fathers, mothers, and sons can forestall, minimize and even reverse them. Growing up fatherless may be the condition; healing is the possibility.

Being a Dad Is Weird

A funny and intimate look at fatherhood from the actor and writer/director of *The Boss* and *Tammy* that combines stories about his own larger-than-life dad and how his experiences raising two daughters with his wife, Melissa McCarthy, who also penned the Foreword, are shaped by his own childhood. Though he's best known for his appearances in the movie *Enough Said*, as well as his hilarious role as Air Marshall Jon in *Bridesmaids*, Ben Falcone isn't a big shot movie star director at home. There, he's just dad. In this winning collection of stories, Ben shares his funny and poignant adventures as the husband of Melissa McCarthy, and the father of their two young daughters. He also shares tales from his own childhood in Southern Illinois, and life with his father—an outspoken, brilliant, but unconventional man with a big heart and a somewhat casual approach to employment named Steve Falcone. Ben is just an ordinary dad who has his share of fights with other parents blocking his view with their expensive electronic devices at school performances. Navigating the complicated role of being the only male in a house full of women, he finds himself growing more and more concerned as he sounds more and more like his dad. While Steve Falcone may not have been the briefcase and gray flannel suit type, he taught Ben priceless lessons about what matters most in life. A supportive, creative, and downright funny dad, Steve made sure his sons' lives were never dull—a sense of adventure that carries through this warm, sometimes hilarious, and poignant memoir.

Dad's Guide to Baby's First Year For Dummies

Your comprehensive, practical guide to dadhood Your new baby is nothing short of a miracle—and it's no wonder you want to keep your bundle of joy safe and sound through every stage of their first year. *Dad's Guide to Baby's First Year For Dummies* takes the guesswork out of being your baby's primary caregiver, giving you sound instruction and helpful advice on looking after your baby, the essential gear you'll need to baby-proof your home, practical solutions to common parenting challenges, and so much more. My Dad and Al

Charlie's dad has been told that he has Alzheimer's disease, a kind of dementia. Dad has to explain what this means to help prepare Charlie for what might happen. To help themselves deal with this, the family think of the Alzheimer's as an unwanted guest in their home, and they call him Al, short for Alzheimer's. Dad's dementia means that he might say or do strange things, but thinking of Al as a person means the family can blame him rather than Dad. They even laugh at some of the things Al makes Dad do. The family know that Al won't go away, and they pull together to support one another as Dad's condition gets worse. They know that Dad can't always help what he says or does, but whatever happens, even when he can no longer tell them, he still loves them from the ends of the earth and back. This is Charlie's story.

The Night Dad Went to Jail

The night dad went to jail: what to expect when someone you love goes to jail.

My Dad Is Amazing

A joyful tribute to fathers from the bestselling creators of Hello! Lucky! and authors of My Mom is Magical and You Are Fantastic!. Is your dad cooler than a million popsicles? Tougher than a rhino wrestler? Cuddlier than a ton of bunnies? Celebrate all the things that make Dad amazing with this joyful book!

Adulthood Ain't Easy

A perfect graduation gift, Adulthood Ain't Easy offers tips, tricks, how-to lists, fun stories, and sound wisdom to those entering this new life stage. With newfound freedom comes a surprising world filled with both exciting adventures and up-hill battles. And while there's so much to learn, this is truly a time in one's life when every step is an investment one way or the other. For 20-somethings, the decisions they make each day will carve the shape of their future. Adulthood Ain't Easy serves up lighthearted wisdom, addressing real-life topics such as rejection, trusting God's plan, loneliness, how to handle change, and so many more that come with living as a 20-something. This book will help those entering adulthood to use their newfound freedom to become the best versions of themselves.

My Dad Is My Hero

Children often have trouble telling their father how much they love him. Fortunately, this book expresses those emotions for them. This endearing collection of stories about the everyday heroics of the contributors' fathers, and father figures, will show Dad how much he means to his children. From the story of a fly fishing trip that bonded father and daughter to the one that saw a friend's imposing father turn into the contributor's own loving father-figure, this wonderful book brings together tales of heroic dads from all walks of life, and is a great way for his kids to show him how much they care. And it lets dads everywhere know that they don't need to be daring to be heroic—that it can be the little things that mean the most to his kids.

Matchmaking a Single Dad

They're all wrong for each other...but sometimes two wrongs do make a right. Cole The only woman I need in my life is my eight-year-old daughter, Jane. As a widowed brewery owner, I don't have the time or inclination for anything more serious than a one night stand. Running the brewery is a big job, and being a parent is a bigger one, especially since my in-laws keep trying to prove I'm an unfit guardian. But there's no denying Holly Mayberry drives me crazy with her sassy mouth and attitude. I've known

her most of my life, but I've always done a good job of evading her. Until now. She's teaching Jane's after-school computer program, and fate keeps throwing us together. Holly and I are like oil and water, no good for each other. I need to stop thinking about her, so I agree to beta test a new dating app—one that Holly designed, although she's the last person I'd tell. My match and I can only DM each other for thirty days. No photos. No real names. No personal information until the end. If I wanted more with a woman, Cherry Bomb checks all the boxes...so why can't I stop thinking about Holly? * * * Holly Cole Garrison is a jerk. Or so I've told myself for years. The truth is, he's a DILF and a half, and bickering with him is better than kissing someone else. Hopefully, the guy I'm chatting up on my dating app will help me forget him...and take his place in my dirty daydreams.

Dad's Life

Confessions of an imperfect father... Dave Hill's *Dad's Life* is a witty, touching account of single fatherhood, and the highs and lows of being a dad. Perfect for fans of David Nicholls' *Us* or Graeme Simsion's *The Rosie Project*. 'A witty and upbeat look at the joys of single fatherhood' - *The Big Issue* Joseph Stone loves being a father to his 3 young children but finds he has to radically revise his Perfect Father game plan when his partner leaves him and he is left to bring them up on his own. Surely Single Fatherhood is no more onerous than running the local football team? But instead of 4-4-2, he's dealing with 11 and 3/4s, 8 and 6. And then he meets and falls hopelessly in love with Angela and has another child by her, but when his previous partner returns, wanting more involvement with her children, Joseph's life threatens to turn into a chaos of competing needs and domestic mayhem. What does a real man do in these circumstances to avoid relegation to the lower divisions of the paternal sub-species? What readers are saying about *Dad's Life*: 'Quite simply the best book I've read this year' 'Dad's Life is the perfect book for everyone' 'Enjoyable, witty and well observed' 'A really delightful, funny and honest story... You couldn't do better for a smart and entertaining read'

My Dad

Offers a hilarious and personal tribute to the author's Dad (and to dads everywhere).

Father Figure

From Sesame Workshop senior fellow and digital-age parenting expert Jordan Shapiro, a thoughtful and long-overdue exploration on fatherhood and masculinity in the 21st century. There are hundreds of books on parenting, and with good reason -- becoming a parent is scary, difficult, and life-changing. But when it comes to books about parenting identity, rather than the nuts and bolts of raising children, nearly all are about what it's like to be a mother. If you're looking for information about what it means to be a father, you'll find the bookstore shelves surprisingly bare. Drawing on research in sociology, economics, psychology, cultural history, and the author's own experiences, *FATHER-FIGURE* sets out to fill that gap. It's an exploration of the psychology of fatherhood from an archetypal perspective (Think: *Women Who Run With The Wolves* for fathers) as well a cultural history of fatherhood that explains how we got to where we are. What are the paradoxes inherent in our current understanding of dads? Might it be time to rethink some of the current aspects of fatherhood? Gender norms are changing, and old economic models are facing disruption. As a result, parenthood and family life are undergoing an existential transformation. And yet, the narratives and images of dads available to us are wholly inadequate for this transition. Victorian and Industrial Age tropes about fathers not only dominate the media, but also contour most people's lived experience. *FATHER-FIGURE* offers a badly-needed update to our collective understanding of fatherhood -- and masculinity in general -- that highlights what's essential about fatherhood while guiding us to an image of manliness reimagined for the modern world.

Grizzly Dad

"Everyone knows that sometimes dads can be grumpy and grouchy and grizzly... But what would you do if your dad turned into a great big grizzly bear?"--Backcover.

The Grouchy Dad

NEW RELEASE! FINALLY, a book that answers the question, "Why is dad in a bad mood?" A little girl is having a grouchy day...BUT, that's not how she sees it! Her legs are "too tired" to clean her room. Her dad picks the "wrong" color plate at dinner time. This book is full of classic parenting problems shown

in an adorably hilarious way! This sequel to "The Grouchy Mom" creates a space to laugh off the hard moments, but it's also a perfect time to discuss empathy and behavior. Children can see that parents are people too when they see a day from dad's perspective. Each page can be an opportunity to learn or just laugh depending on the reader! The illustrations are fun and bright with facial expressions that perfectly capture each scene. In the end, there is a sweet, empathetic moment between the father and daughter that ends with a hug. The Grouchy Dad will be a family favorite and is the perfect gift for "grouchy" kids and "grouchy" dads.

Brotherhood of Locomotive Firemen and Enginemen's Magazine

A playful, warm and funny story following a boy with a wild imagination and his lively family, from brand new creative duo: Swapna Haddow and Dapo Adeola. Shhh. Beware. My dad is a grizzly bear. In this family, it's just possible that Dad is a grizzly bear . . . He has fuzzy fur, enormous paws and loves the outdoors. He sleeps a lot even in the cinema and when he's awake, he's always hungry, usually eating up all the honey. What else could Dad be? But sometimes, when it's scary at night, a lovely big bear hug is just what is needed. A hilarious debut picture book written by Swapna Haddow author of the Dave Pigeon series and illustrated by the brilliantly talented Dapo Adeola author of Look Up!

My Dad Is A Grizzly Bear

Every Boy Needs a Dad The author has stepped into his own past to reflect upon how a youthful mind begins wondering about life. Who can a son turn to? Dad...who is put on the spot and finds his authority challenged by thoughts and expressions of his son's closest friend and his father, and he has to grapple with conflict when their influence clashes with Dad's perceptions and views. The young boy's observations are imbedded into his subconscious and begins to form him as a unique person. Award-winning poet Robert Russell Marquardt takes another provocative step into your world in this delightful and amusing dialogue between a father and his young son, complimenting his other newly-released book: it's me... Rodney, a bold attempt at overhearing daily conversations between a brash but genuine young man and God. You will enjoy these digressions from the author's poetic form in his previously-published works from Authorhouse.

Me and My Dad

The rainbow-filled, JOYOUS debut from a hugely exciting new talent. Perfect for 9+ readers and fans of Elle McNicoll, Lisa Thompson and Onjali Rauf's bestselling THE BOY AT THE BACK OF THE CLASS. My name's Archie Albright, and I know two things for certain: 1. My mum and dad kind of hate each other, and they're not doing a great job of pretending that they don't anymore. 2. They're both keeping a secret from me, but I can't figure out what. Things aren't going great for Archie Albright. His dad's acting weird, his mum too, and all he wants is for everything to go back to normal, to three months before when his parents were happy and still lived together. When Archie sees a colourful, crumpled flyer fall out of Dad's pocket, he thinks he may have found the answer. Only problem? The answer might just lie at the end of the rainbow, an adventure away. Together with his best friends, Bell and Seb, Archie sets off on a heartwarming and unforgettable journey to try and fix his family, even if he has to break a few rules to do it... Praise for ME, MY DAD AND THE END OF THE RAINBOW: 'A life-affirming, must-read' – The Independent 'One of the most joyful books you'll read this year' – The Bookseller 'The novel wears its heart on its sleeve, and it is a very big heart' – Financial Times 'Joyful, funny and heartfelt' – Katie Tsang, co-author of SAM WU IS NOT AFRAID and DRAGON MOUNTAIN 'This joyful book has such heart, expertly navigating serious subjects around family, gender, and sexuality. Celebratory and advocating kindness, I'd recommend this book to all middle-grade readers. A real tear-jerker!' – Steven Butler, author of THE NOTHING TO SEE HERE HOTEL 'So adorable, funny, and heartwarming. I loved it!' – Alice Oseman, author of the HEARTSTOPPER series 'A joyful and thoughtful celebration of family, identity and inclusivity' – Anna James, author of the PAGES & CO. series 'A brilliant, smart book with a good heart. It's like a warm hug and I can't wait for the next one' – Danny Wallace, author of HAMISH AND THE WORLDSTOPPERS and THE DAY THE SCREENS WENT BLANK 'A powerful new voice in

children's fiction' – Aisha Bushby, author of A POCKETFUL OF STARS 'I will recommend this book to everyone for years and years to come' – Gavin Hetherington, BookTuber - How to Train Your Gavin

Me, My Dad and the End of the Rainbow

Reclaim your power from narcissists, manipulators, and other toxic people. If you're a highly sensitive person, or identify as an "empath," you may feel easily overwhelmed by the world around you, suffer from "people-pleasing," experience extreme anxiety or stress in times of conflict, or even take on the emotions of others. Due to your naturally giving nature, you may also be a target for narcissists and self-centered individuals who seek to exploit others for their own gain. So, how can you protect yourself? In The Highly Sensitive Person's Survival Guide to Dealing with Toxic People, you'll learn evidence-based skills grounded in cognitive-behavioral therapy (CBT) and dialectical behavior therapy (DBT) to help you recognize and shut down the common manipulation tactics used by toxic people, such as gaslighting, stonewalling, projection, covert put-downs, and love bombing. You'll also discover targeted tips to protect yourself from the five main types of toxic people: Garden-variety boundary-stepsers Crazy-makers and attention-seekers Emotional vampires Narcissists Sociopaths and psychopaths Finally, you'll learn how to heal from toxic or narcissistic abuse, and find strategies for establishing healthy boundaries and a strong sense of self. If you're an HSP who is ready to take a stand against the toxic people in your life, this book has everything you need to survive and thrive.

The Highly Sensitive Person's Guide to Dealing with Toxic People

The image of the single dad is often distorted by out-of-date notions of masculinity the strong and resilient father, the working father, the emotionally distant dad. In this book, esteemed portrait photographer, Harry Borden, himself a separated father with four children, reveals the vulnerabilities, tenderness and love of 48 single fathers.
