USE THE SOURCES!

Use your knowledge to Explain the interpretation

Don't spend ages summarising the content of the sources

Answer the question in the first sentence of your answer

Study the source as a whole rather than seeing each sentence in isolation

How far do these sources agree?

Address the question in the first line of your answer

Present both sides of the argument in your answer

Cartoons and photos: What is the artist trying to say? Why did they create the image?

Advice for the 12 mark question . The question is about the sources, so answers must be based on the

sources. • There will always be some sources that support and others that disagree with statement.

The key is to explain each side by using specific details from the sources and by showing why they

support or disagree. • Some sources can be used both for and against the statement - but not every source.

Advice for the 12 mark question • The question is about the sources, so answers must be based on the

sources. • There will always be some sources that support and others that disagree with statement.

The key is to explain each side by using specific details from the sources and by showing why they

support or disagree. • Some sources can be used both for and against the statement-but not every

source. • You don't have to use all the sources. The quality of the explanation is as important as the

number of sources used.

Advice for the 12 mark question • You can go through the sources in the order in which they appear

in the paper, explaining whether each one supports or disagrees with the statement. • OR you can

create a balanced argument by explaining all the sources that support the statement, and then all the ones that disagree. • There are 2 extra marks awarded for evaluation of the sources-for example by mentioning whether the source is reliable or not and why
