H. Rider Haggard Collection - Doctor Thorne and Black Heart and White Heart

Though regarded as one of the towering figures in the action-adventure genre, H. Rider Haggard's body of work is sometimes regarded as slightly lacking in terms of thematic heft and thought-provoking insight. Doctor Thorne proves that assertion wrong. The novel is a fascinating glimpse into nineteenth-century medical ethics and the creation of the smallpox vaccine, but yet is still filled with the kind of pulse-pounding suspense that has earned Haggard legions of fans and literary acclaim. If you're hankering for a classic H. Rider Haggard action-adventure tale, dive into Black Heart and White Heart. Set amidst the Zulu nation, this gripping account of a blood feud among the ranks of the tribe unspools at a breakneck pace. With all of the elements that made Haggard one of the most popular writers of his time, this classic adventure novel is sure to satisfy.

Black Heart And White Heart

In Black Heart And White Heart, Henry Rider Haggard mounts once more those trusty steeds of his, the nobility of the savage and the rascality of the civilized white. He rides, too, with all his old dexterity, and the story concerning Zulus, witches, battles, sacrifices, and traitors.

Black Heart and White Heart

H. RIDER HAGGARD

Black Heart and White Heart

At the date of our introduction to him, Philip Hadden was a transport- rider and trader in "the Zulu." Still on the right side of forty, in appearance he was singularly handsome; tall, dark, upright, with keen eyes, short-pointed beard, curling hair and clear-cut features. His life had been varied, and there were passages in it which he did not narrate even to his most intimate friends. He was of gentle birth, however, and it was said that he had received a public school and university education in England. At any rate he could quote the classics with aptitude on occasion, an accomplishment which, coupled with his refined voice and a bearing not altogether common in the wild places of the world, had earned for him among his rough companions the soubriquet of "The Prince."

Black Heart and White Heart and Other Stories

Black Heart and White Heartby Henry Rider HaggardExcerptotails, and in one hand he bore a little dancing shield, also black in colour. The other was empty, since he might not appear before the king bearing arms. In countenance the man was handsome, and though just now they betrayed some anxiety, his eyes were genial and honest, and his mouth sensitive. In height he must have measured six foot two inches, yet he did not strike the observer as being tall, perhaps because of his width of chest and the solidity of his limbs, that were in curious contrast to the delicate and almost womanish hands and feet which so often mark the Zulu of noble blood. In short the man was what he seemed to be, a savage gentleman of birth, dignity and courage.

How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Formatted for e-reader Illustrated About Black Heart and White Heart by Henry Rider Haggard "Umgon's heart is white towards me. Towards Maputa it is black!" He is Nahoon, a proud captain among the Zulu -- and he stands trembling before King Cetywayo -- the "Elephant Who Shakes the Earth." Beside him is kindly Umgon, whose daughter Nahoon loves and desires in marriage. Yet Maputa, the Warden of the Crocodile Drift, desires the girl as well -- and threatens Umgon with many evils if denied! Can the king help? But it is a time of war and King Cetywayo's cruel reply horrifies both lover and father! Henry Rider Haggard master tale-spinner of African adventure, here turns his pen toward tales of love, magic, and victorious faith, including the title story, "Black Heart and White Heart," as well as "Elissa," and "The Wizard."

Black Heart and White Heart Henry Rider Haggard Annotated

The tale of a witch and her foresight (the Bee). Brilliant. An African story told by an English author. But the non-racism of Henry Rider Haggard is on display throughout. The "black heart" is possessed by a white man. He is an anti-hero protagonist but done well. (Not at all like Jack Vance's "Cugel" whom I just never could appreciate.) The contrast with Conrad's Africans is powerful, stunning.

Black Heart and White Heart

Excerpt: The Zulu warrior at the time of Rorke's Drift was not a professional soldier but was a formidable foe nonetheless. The Zulus were a citizen army called up in times of war although all Zulu men were required to do military service when they reached the age of 19 until the age of 40 when they were allowed to marry and went on the Zulu reserve list. The Zulu military organisation was far from primitive with an Army or Impi made up of Regiments called Amabutho made up of men of similar age from all over the kingdom. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. Black Heart and White Heart and the Wizard

Black Heart And White Heart This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

'5 @Black5@4F5=85;5@4F5 (Russian edition)

Doctor Therne By H. Rider Haggard y dragged up a mountain road so steep that, notwithstanding the blows and oaths of the drivers, the mules had to stop every few hundred yards to rest. I remember that at last I fell asleep, my head reposing on the shoulder of a very fat priest, who snored tempestuously, then awoke to pray, then snored again. It was the voice of Miss Becker, who sat opposite to me, that

wakened me. "Forgive me for disturbing you, Dr. Therne," she said, "but you really must look," and she pointed through the window of the coach. Following her hand I saw a sight which no one who has witnessed it can ever forget: the sun rising on the mighty peak of Orizaba, the Star Mountain, as the old Aztecs named it. Eighteen thousand feet above our heads towered the great volcano, its foot clothed with forests, its cone dusted with snow. The green flanks of the peak and the country beneath them were still wrapped in shadow, but on its white and lofty crest already the lights of dawn were burning. Never have I seen anything more

Black Heart And White Heart

The Zulu warrior at the time of Rorke's Drift was not a professional soldier but was a formidable foe nonetheless. The Zulus were a citizen army called up in times of war although all Zulu men were required to do military service when they reached the age of 19 until the age of 40 when they were allowed to marry and went on the Zulu reserve list. The Zulu military organisation was far from primitive with an Army or Impi made up of Regiments called Amabutho made up of men of similar age from all over the kingdom. Each regiment had its own identifying features either jewellery or a particular headdress. They were equipped as Shaka had trained them a generation before with large cowhide shields which were colour coded with younger regiments having mostly black shields and older regiments having more white on the shield. This allowed a Zulu general to identify the different units on the battlefield easily. These shields were owned by the King and not issued to warriors except in time of war probably to help reduce the risk of civil war. Zulus carried a heavy broad bladed stabbing spear with an 18 inch blade nearly 2 inches wide (in some respects a similar to the Roman Gladius) this had a 30 inch wooden shaft and a throwing spear with a 7 inch blade on a 3ft shaft. Despite the popular image the Zulus also used guns, often Napoleonic weapons bought from traders but also Martini Henry rifles looted from the British troops especially after Isandlwana, in fact as many as 60% of Zulu warriors had access to firearms by the time of Rorke's Drift. This said they did lack training and good quality powder for these weapons. The warriors were highly disciplined and organised with each regiments having companies and their own Izinduna or officers and a clear chain of command. With no baggage train unlike an European Army of the time they could travel fast and were highly mobile able to cover around 20 miles in a day and fight at the end of it or twice that distance in an emergency. The Zulus normally used a fighting Buffalo formation or Beasts Horns where a strong central body of troops was supported by two flanks or 'horns' of lighter faster troops who would outflank and surround the enemy cutting off any escape. This formation worked well against their tribal enemies and against the British at Isandlwana but was limited and dangerous if the Zulus failed to breach the firepower of a European Army. A love story set in the time of the Zulu Wars.

Heart of the World

The story of a forbidden book that became a symbol of freedom and rebellion in the battle between East and West. 1956. Boris Pasternak presses a manuscript into the hands of an Italian publishing scout with these words: 'This is Doctor Zhivago. May it make its way around the world.' Pasternak knew his novel would never be published in the Soviet Union as the authorities regarded it as seditious, so, instead, he allowed it to be published in translation all over the world - a highly dangerous act. 1958. The life of this extraordinary book enters the realms of the spy novel. The CIA, recognising that the Cold War was primarily an ideological battle, published Doctor Zhivago in Russian and smuggled it into the Soviet Union. It was immediately snapped up on the black market. Pasternak was later forced to renounce the Nobel Prize in Literature, igniting worldwide political scandal. With first access to previously classified CIA files, The Zhivago Affair gives an irresistible portrait of Pasternak, and takes us deep into the Cold War, back to a time when literature had the power to shake the world. A Spectator and Sunday Times Book of the Year
