Highland Secrets

A Dragon Fantasy for everyone in love with DRAGONS! Highland Fantasy Romance Furious and weary, Angus Shea wants out, but he can't stop the magic powering his visions. The Celts kidnapped him when he wasn't much more than a boy. He's sick of them and their endless assignments, but they wiped his memories, and he has no idea where he came from. Arianrhod prefers to work alone and guards her privacy for the best of reasons. She's not exactly a virgin, and she'd be laughed out of the Pantheon if the truth surfaced. Despite the complications of leading a double life, she's never found a lover who tempted her to walk away from the Celtic gods. Dragon shifters are disappearing from the Scottish Highlands. The Celtic Council sends Angus and Arianrhod to Fire Mountain, the dragons' home world. Attraction ignites, so urgent Arianrhod's carefully balanced life teeters on the brink of discovery. Can they risk everything? Will they? If they do, can they live with the consequences? PRAISE FOR THE DRAGON LORE SERIES: "That was SPECTACULAR! I LOVED every part of this prequel in the Dragon Lore series. I love the blend of ancient and modern Celtic and other culture's gods/goddesses and mythology." Goodreads review "Oh wow what a great new paranormal series. It's got dragons, selkies, gods, mages. And more!" Goodreads review "Ann Gimpel did it again. roped me in with a single book into another series!!" Goodreads review "If you love anything dealing with Celtic myths then this is the series for you!!!! I just found this wonderful author by accident, but it was one of the best things to fall into!!!" Fans of the following books and series are known to enjoy this epic Celtic fantasy series: a kingdom of exiles a shade of vampire academy of magic dragon's gift accidentally in love attack by magic dragon's gift awakening dragon born in fire burning tower call of the dragon choose love covert fae crime of magic dragon's gift crimes against magic dark stranger the dream darkness bound dragons of the darkblood secret society druid enforcer ghostwater goddesss choice golden age greyriver shifters hotbloods hour of darkness house of darken iron and magic jinn's dominion junkyard druid Kate Daniels' Magic Series master of magic dragon's gift natural mage natural witch obsidian son raised in fire rogues of magic shadow keeper shadow kissed space knight 4 twisted fate unchained undercover magic dragon's gift war god's mantle wheel of time wild hunger Keywords related to this epic urban fantasy series: Time-travel, Time travel romance, Fantasy Books, Epic Sagas, Epic Urban Fantasy series, Werewolves and Shifters, Dystopian, Post-apocalyptic, Animals & Nature, Popular Series, Paranormal Fantasy Books, Top Rated Books, Tricks, Fantasy Omnibus, Epic of Gilgamesh, Spells & Charms, Romance Books, Wizards, Fantasy Romance Books, Essential Reads, Epic Fantasy, Omnibus Bundle, Paranormal Romance Series, Adventure Books, Mythology and Folklore, Celtic gods, Top Rated Fantasy Collection With dragons And Shapeshifters, Dragons, Fantasy Bundle, Heroine, Supernatural and Occult, Sword And Sorcery, Shifter Romance, Historical Paranormal Romance Series, Fantasy Stories, Shifter Series, Fantasy, Shifter Omnibus, Best Rated Omnibus, Omnibus Collection, Paranormal Romance Books, Magical Adventures.

Highland Secrets

Furious and weary, Angus Shea wants out, but no matter how he feels, he can't stop the magic powering his visions. The Celts kidnapped him when he wasn't much more than a boy and forced him to do their bidding. He's sick of them and their endless assignments, but they wiped his memories, and he has no idea where he came from. Dragon shifters are disappearing from the Scottish Highlands, and the Celtic Council sends Angus to investigate. He meets up with Arianrhod, legendary virgin huntress from Celtic myth, in Fire Mountain, the dragons' home world. Arianrhod prefers to work alone, mostly because she harbors a dirty little secret and guards her privacy for the best of reasons. She's not exactly a virgin, and she'd be laughed out of the Pantheon if the truth surfaced. Despite the complications of leading a double life, she's never found a lover who tempted her to walk away from her fellow Celtic gods. Attraction ignites, hot and so urgent Arianrhod's carefully balanced life teeters on the brink of discovery. Angus is everything she's ever wanted, but he's far too close to her Celtic kin to keep her secret safe. Angus wants her too, but she's a Celt. He's hated them forever, and she's part of everything he's lain awake nights plotting to escape from. Can they risk everything? Will they? If they do, can they live with the consequences? Books in the Dragon Lore Series: Highland Secrets, Prequel and Book One To Love a Highland Dragon, Book Two Dragon Maid, Book Three Dragon's Dare, Book Four

To Love a Highland Dragon

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series. A dragon shifter stirs and awakens in a cave beneath Inverness, deep in the Scottish Highlands. The cave's the same and his hoard intact, yet something's badly amiss. Determined to set whatever's gone wrong to rights, Lachlan Moncrieffe ventures above ground—and wishes he hadn't. His castle's gone, replaced by ungainly row houses. Men aren't wearing plaids, and women scarcely wear anything at all, particularly the woman who accosts him with unseemly banter. What manner of wench is she to dress so provocatively? In Inverness for a year on a psychiatry fellowship, Dr. Maggie Hibbins watches an oddly dressed man pick his way out of a heather and gorse thicket. Even though it runs counter to her better judgment, she teases him about his strange attire. He looks so lost—and so unbelievably, knock-out gorgeous —she takes a chance and stands him a meal. Lachlan's shock when he picks up a local newspaper at a pub is so palpable, Maggie jumps in with both feet. She knew something was off, but the hard-to-accept truth bashes gaping holes in her equilibrium. He looks odd, sounds odd, acts odd because he's a refugee from another era. Her half-baked seduction scheme takes a hike, but her carefully constructed life is still about to change forever. Born of powerful witches, Maggie runs headlong into the myth and magic that are her birthright. PRAISE FOR THE DRAGON LORE SERIES: "That was SPECTACULAR! I LOVED every part of this prequel in the Dragon Lore series. I love the blend of ancient and modern Celtic and other culture's gods/goddesses and mythology." Goodreads review "Oh wow what a great new paranormal series. It's got dragons, selkies, gods, mages. And more!" Goodreads review "Ann Gimpel did it again. roped me in with a single book into another series!!" Goodreads review "If you love anything dealing with Celtic myths then this is the series for you!!!! Dragon's Dare

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series. Bloated on chaos, the Morrigan leaves the Scottish Highlands to gather power. A trip through Hell yields quite the assortment of allies tagging along behind her. Fell creatures straight out of myth and nightmare that haven't darkened Earth's boundaries for centuries heed her call. Heartily sick of the Morrigan's maneuvering, the dragons are close to shutting their world off from everywhere, Earth included. If they do, every dragon shifter bond will be broken. Horrified, Lachlan and Britta launch a desperate campaign to hang onto their dragons. Magic may bite back, but if the dragons take their magic ball and go home, Earth will fade, along with all other worlds. That suits the Morrigan fine. War and anarchy are her favorite companions, and she collects misery like children gather beloved toys. Arianrhod's fellow Celts found out about her fall from grace and her half-Druid son, Jonathan. With nothing further to hide, she goes back in time hunting Angus, Jonathan's father. Forty years apart was a steep price to pay. The world needs Angus's magic. And Jonathan needs all the help he can get. Late to accept the power thrumming through him, he holds a key role in keeping the world from spinning off its axis. Reluctant at first, Jonathan finally gets it. Absolute focus. Absolute commitment. Anything less and everyone he loves will pay an unthinkable price. PRAISE FOR THE DRAGON LORE SERIES: "That was SPECTACULAR! I LOVED every part of this prequel in the Dragon Lore series. I love the blend of ancient and modern Celtic and other culture's gods/goddesses and mythology." Goodreads review "Oh wow what a great new paranormal series. It's got dragons, selkies, gods, mages. And more!" Goodreads review "Ann Gimpel did it again. roped me in with a single book into another series!!" Dragon Maid

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series. When pressed, Jonathan Shea admits magic runs through his blood, but he's always been ambivalent about it—until a dragon and her mage show up in the Scottish Highlands, and then all bets are off. Jonathan's charmed and captivated by the dragon—a creature fresh out of myth and legend—but the woman bonded to it is so enticing, he tosses caution aside and catapults into the magical power he's avoided for so long. Britta and her dragon prepare for a battle to save Earth. Freshly transplanted from a much earlier time, she feels awkward, out of place. The first person she lays eyes on is Jonathan. There's something about him. She can't quite pinpoint it, but he has way more magic than he lets on. Magic aside, it runs deeper than that. For the first time ever, she questions the wisdom of remaining a maid. If she doesn't make up her mind damned fast, though, her choices will fritter away. Beset from every side, she's never needed her magical ability more. Surrounded by dragon shifters, Celtic gods, Selkies, time travel, and a heaping

portion of magic, Jonathan comes into his own fast. Fell creatures target him, Britta, and her dragon. In the midst of chaos, he and Britta find scorching passion and love so heartbreakingly tender, it will change their lives forever. PRAISE FOR THE DRAGON LORE SERIES: "That was SPECTACULAR! I LOVED every part of this prequel in the Dragon Lore series. I love the blend of ancient and modern Celtic and other culture's gods/goddesses and mythology." Goodreads review "Oh wow what a great new paranormal series. It's got dragons, selkies, gods, mages. And more!" Highland Dragon

A Standalone Short Story with No Cliffhanger! Maisie is an adventurer, and knows the woods, hills and crags around her home as well as she knows the village itself. Yearning for something new, she walks farther from the village than she's ever been before. It's something other than her sense of direction that poses an obstacle. A bad tumble down a hill results in a twisted ankle and a nasty crack on her head that has her thinking she's hallucinating before she finally passes out. When she wakes, she finds herself in a soft bed in a large cave, tended to by a man with fair hair and green eyes that hide a secret Maisie never could have imagined. --- SEARCH TERMS: Dragon Shifter Romance, Scottish Dragon Romance, Historical Dragon Shifter Romance, Historical Highland Romance, Historical Scottish Romance, Highland Romance Books, Historical Novels, Highlander Historical Romance, Historical Romance Books, Fiction, Scottish Romance, Alpha Male Romance, Time Travel Books, Scotland Romance, Highlander Books, Steamy Romance, Hot Alphas, Steamy Historical Romance, Steamy Highland Romance, Steamy Highlander Romance, Scottish Highland Books

Dragon Lore, Books 1&2

A wee bit of mist, a splash of magic, heart bending romance, and DRAGONS! Bundled together for the first time! Grab the first two Dragon Lore books at an extremely attractive price Highland Secrets Furious and weary, Angus Shea wants out, but he can't stop the magic powering his visions. The Celts kidnapped him when he wasn't much more than a boy. He's sick of them and their endless assignments, but they erased his memories, and he has no idea where he came from. The Dragon's Dilemma: A Scottish Dragon-Shifter Romance (Lochguard Highland Dragons #1)

From the author of the USA Today bestselling Stonefire Dragons series comes a new series centering on the dragon-shifters of the Scottish Highlands. Full of humor, alpha personalities, and a new threat, Clan Lochguard is waiting for you... BOOK ONE In order to pay for her father's life-saving cancer treatment, Holly Anderson offers herself up as a sacrifice and sells the vial of dragon's blood. In return, she will try to bear a Scottish dragon-shifter a child. While the dragonman assigned to her is kind, Holly can't stop looking at his twin brother. It's going to take everything she has to sleep with her assigned dragonman. If she breaks the sacrifice contract and follows her heart, she'll go to jail and not be able to take care of her father. Even though he's not ready to settle down, Fraser MacKenzie supports his twin brother's choice to take a female sacrifice to help repopulate the clan. Yet as Fraser gets to know the lass, his dragon starts demanding something he can't have—his brother's sacrifice. Holly and Fraser fight the pull between them, but one stolen kiss will change everything. Will they risk breaking the law and betraying Fraser's twin? Or, will they find a way out of the sacrifice contract and live their own happily ever after? =====Keywords: dragon shifter romance, dragon romance, paranormal romance, Scottish alpha hero, strong heroine, humor, action, Scotland, coming of age, Stonefire Dragons, Lochguard Highland Dragons

Highland Dragon

Sometimes the things that keep us safe hold us captive. She longs for a better future. Avery Tanglewood has had enough of rearranging her life for the sake of others. After years of prioritizing her family over herself, she's ready to strike out on her own, even if she's not sure what she wants to do with her life. If only she was brave enough to face the backlash the truth will bring. He's a prisoner of the past. For hundreds of years, Xavier has used his dragon magic to protect his Highland clan inside a pocket of space called the builgean. Thanks to his unique magical abilities, generations have enjoyed peace and prosperity while cut off from the modern world. But when a fairy trickster captures him and claims his throne, his refuge becomes his prison. Can they free each other from the chains that bind? Avery agrees to journey into the builgean to persuade Xavier to help with the crisis in Paragon, but she finds a mysterious stranger in his place—a problematic complication, considering she can't leave the pocket without Xavier's assistance. Worse, although she finds the missing dragon, he refuses to return to the outside world without winning back his land and his clan. And the longer Avery spends in Xavier's world, the harder it is to remember why she should return to her own.

Highland Dragon Warrior

"The mix of hard-headed realism and fantasy in this novel is enchanting..."—ELOISA JAMES for Barnes and Noble Reviews for Legend of the Highland Dragon Legend claims When Scotland fell to English rule The Highland dragons took a vow: Freedom at any price. The war may be over, but so long as English magic controls the Highlands, not even a dragon laird can keep his clan safe. What Cathal MacAlasdair needs is a warrior fierce enough to risk everything, yet gifted enough to outwit an enemy more monster than man. What he needs is Sophia. Alchemist Sophia Metzger traveled to Loch Arach in search of knowledge. She never dreamed she'd learn to do battle, ride through the stars on the back of a dragon, or catch the eye of a Highland laird. But as her quest turns to sizzling chemistry and inescapable danger, she'll soon discover the thrill of being caught in a dragon's claws... Dawn of the Highland Dragon Series: Highland Dragon Warrior (Book 1) Highland Dragon Rebel (Book 2) Highland Dragon Master (Book 3) What People Are Saying About Isabel Cooper: "Something magical happens when elements of romance and fantasy combine. Cooper's delicious Highland Dragon Rebel has it all, including a strong heroine, intriguing hero, heated sensuality and thrilling action/adventure." —RT Book Reviews for Highland Dragon Rebel "Will keep you turning pages until you reach the very end." —Book Riot for Highland Dragon Master "Smartly written, fast-paced, and brimming over with magic and surprises, this is exactly what readers crave." —RT Book Reviews 4 1D2 Stars, TOP PICK! for Night of the Highland Dragon

Highland Dragon Rebel

"The mix of hard-headed realism and fantasy in this novel is enchanting..." —ELOISA JAMES for Barnes and Noble Reviews for Legend of the Highland Dragon By wing, by claw By fire, by death So long as dragons rule the skies, Scotland will forever be free. After a long and bloody war, Scotland has finally won its independence. But Highland dragon Moiread MacAlasdair knows peace balances on the edge of a blade, and she will do anything to keep her homeland from falling to English control. Even if that means escorting a powerful new ally into the otherworld itself...and defending him with her life. Madoc of Avandos is on a critical mission to cement alliances against the British. Powerful men would kill to see him fail—but as he and his fiercely beautiful warrior fight their way through hostile lands, Madoc is faced with a difficult choice: sacrifice everything for the cause...or let himself burn for the love of a dragon. Dawn of the Highland Dragon Series: Highland Dragon Warrior (Book 1) Highland Dragon

Rebel (Book 2) Highland Dragon Master (Book 3) What People Are Saying About Isabel Cooper: "Something magical happens when elements of romance and fantasy combine. Cooper's delicious Highland Dragon Rebel has it all, including a strong heroine, intriguing hero, heated sensuality and thrilling action/adventure." —RT Book Reviews for Highland Dragon Rebel "Will keep you turning pages until you reach the very end." —Book Riot for Highland Dragon Master "Smartly written, fast-paced, and brimming over with magic and surprises, this is exactly what readers crave." —RT Book Reviews 4 1D2 Stars, TOP PICK! for Night of the Highland Dragon

Dragon Fury

It's obvious the strange Selkie wants Raene to clear out, but she stands her ground. It's either the bravest thing she's ever done, or the stupidest. The other Selkie is rude and abrasive, but Raene has a problem, and he's her best bet to solve it.

Gatekeeper, Books 1-3

If you like 'em dead. This is the urban fantasy series for you. Over 900 pages of edge-of-your-seat Reaper action. Vampires too. Shadow Reaper The dead are restless, and a whole lot less cooperative than they have been. That was true even before I drew the short straw and ended up with Vampire duty. Since then, Reaping has taken way more time. So much, I'm worried I'll lose all the clients from the career that actually feeds me. I run a small private pilot school. It pays most of the bills and means I don't have to keep regular hours. Death wants me to remain in one piece. She's bailed me out often enough, she's all but ordered me to find other employment. I just smile and nod after our little talks, and then I climb back into a cockpit. Our last toe-to-toe didn't go so well. She went and assigned Vampires to me. That's when Reaping turned into a million-hour-a-week job. I can almost hear the Reaper who was stuck with them before, laughing his head off. I shepherd souls to the other side. Vampires have zero interest in leaving, but I have a quota to fill. Means I have to trick them, but it didn't work for long. They're onto me. Damn Death, anyway. She painted a target on my back, and now the Vamps are out for blood. In more ways than one. Rebel Reaper Come fly with me. Catchy, huh? It works for airplanes. Maybe it will work for the dead once I launch my own Reaping business. Except my new tagline will be, come die with me. Back when my life was simpler, I thought all I had to do was hold gateways for the dead to pass through. Silly me, I actually enjoyed Reaping. Almost like a drug or fine old whiskey, it made me high, filled me with delight, and left me glowing with the rightness of providing a last bit of compassion. Good little Reaper that I am, I never examined any of it too deeply, just crafted portals, exactly as Death trained me. Ha! She neglected to mention I command way more magic than she'd let on in Reaper school. Death smiled pretty to my face and then lied to me. Used me. Me and all the other Reapers. I can't not Reap. It's hardwired into me. But I can tell Death I quit. Big words. I have no idea if I've got the guts to follow through, or what Death would do about open insubordination. I've always liked to live on the wild side, though, so I guess I'm about to find out. Untamed Reaper I did it! I'm free. Well sort of. Freedom isn't as cut and dried as the word implies. In this case, I'm at the top of Death's Worst Reaper Ever list. What it signifies remains to be seen. I broke free from Death because there wasn't any other way out of Reaping Vampires. She refused to let me off the hook or consider other arrangements. I'd have been content leaving it at that, but word about my choice got out. Other Reapers clamored for independence too. Death's fury expanded another notch with every defection until nowhere is far enough away for me to run to. If I was only fighting her, it might be manageable. Toss in Vampires who hate my guts, a phalanx of dark gods who want my hide, and a bunch of bigoted mortals who've decided magic is holding them back. Pah. Humans are their own worst enemy, but they're the least of my problems. It's been a rocky journey. Along the way I've uncovered allies and even a man who loves me. Will we be enough to slam the gates and send darkness packing? We have to be. No prisoners. No choices.

Night of the Highland Dragon

They say, said the girl, that people disappear up there. And I heard that the lady doesn't ever grow any older. The lady? William asked. Lady MacAlasdair. She lives in the castle, and she's been there years, but she stays young and beautiful forever. In the Scottish Highlands, legend is as powerful as the sword--and nowhere is that more true than in the remote village of Loch Aranoch. Its mysterious ruler, Judith MacAlasdair, is fiercely protective of her land--and her secrets. If anyone were to find out what she really was, she and her entire clan would be hunted down as monsters. William Arundell is on the trail of a killer. Special agent for an arcane branch of the English government, his latest assignment has

led him to a remote Highland castle and the undeniably magnetic lady who rules there. Yet as lies begin to unravel and a dark threat gathers, William finds himself drawn deeper and deeper into the mystery of the Highlands...and the woman he can neither trust nor deny. He prays she isn't the murderer; he never dreamed she was a dragon. The Highland Dragons Series: Legend of the Highland Dragon (Book 1) The Highland Dragon's Lady (Book 2) Night of the Highland Dragon (Book 3) Praise for Legend of the Highland Dragon, a Barnes and Noble Best Romance of 2013 The mix of hard-headed realism and fantasy in this novel is enchanting...--Barnes and Noble Reviews An outstanding read! ...fast-paced, smartly written...impossible to put down.-- RT Book Reviews, 4 1/2 Stars, Top Pick!

Highland Dragon Master

"The mix of hard-headed realism and fantasy in this novel is enchanting..." --ELOISA JAMES for Barnes and Noble Reviews for Legend of the Highland Dragon He swore to protect Scotland to his last breath But when terror rules the seas, he'll have to make a choice: Give everything he has for independence, or trust in the dragon who rules his heart. The war for Scottish independence rages on, but it's only a matter of time before England is victorious. Exhausted and battle-weary, Highland dragon Erik MacAlasdair will face unknown seas to seek the Templar stronghold and claim a power so great it could free his beloved homeland forever. If only that kind of power didn't come with such a terrible price. Daughter of a mortal woman and an ancient dragon, Toinette has never forgotten the proud Scot who once stole her young heart--she'll gladly fight at his side. But when dark forces leave them stranded on a cursed island, it will take everything they have to defy their fate...and trust the passion that burns within the heart of every dragon. Dawn of the Highland Dragon Series: Highland Dragon Warrior (Book 1) Highland Dragon Rebel (Book 2) Highland Dragon Master (Book 3) What People Are Saying About Isabel Cooper: "Something magical happens when elements of romance and fantasy combine. Cooper's delicious Highland Dragon Rebel has it all, including a strong heroine, intriguing hero, heated sensuality and thrilling action/adventure." --RT Book Reviews for Highland Dragon Rebel "Will keep you turning pages until you reach the very end." --Book Riot for Highland Dragon Master "Smartly written, fast-paced, and brimming over with magic and surprises, this is exactly what readers crave." --RT Book Reviews 4 1/2 Stars, TOP PICK for Night of the Highland Dragon

The Fae Ring

Janet MacLeod has spent the last ten years dedicated to her clan, acting as the Lady of the castle--at the cost of her own happiness. Xander, a former Fae Warrior, sacrificed his wings and magic to live in the Human Realm and became a traitor to his people. When he finds Janet forlorn on the beach, Xander gives her a ring he's had since childhood, not realizing it'll reveal her as his fated mate.

The Highlander's Curse

He was outcast and alone—until she welcomed him into her heart... Cheated of his inheritance and burdened by the legacy of his Fae blood, Garrett MacLachlan believes he is doomed to be an outcast forever—until he meets Annelise of Kinfairlie, a gentle maiden with the power to turn his curse to gift. Can Garrett reclaim his stolen legacy with Annelise by his side? If Annelise defies her family to pursue true love, will that be enough to heal Garrett? And even if they triumph over mortal foes, will the Fae demand a price neither of them can pay? This edition includes a Cast of Continuing Characters. ***** I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> 1. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years

later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story.

II. The Jewels of Kinfairlie At the end of *The Warrior*, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love.

1. *The Beauty Bride* Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets.
2. *The Rose Red Bride* Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too.
3. *The Snow White Bride* It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride?
4. *The Ballad of Rosamunde* Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in *The Scoundrel* and trapped in the realm of the Fae in *The Rose Red Bride*. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too.

III. The True Love Brides At the end of *The Snow White Bride*, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well.

1. *The Renegade's Heart* Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal maiden defeat an immortal queen by winning Murdoch's love for her own?
2. *The Highlander's Curse* Garrett is cursed to hear the thoughts of others as clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves?
3. *The Frost Maiden's Kiss* Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price.
4. *The Warrior's Prize* The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her.

IV. The Brides of Inverfyre There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married.

1. *The Mercenary's Bride* This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve.
2. *The Runaway Bride* Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the

man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too. There are Family Trees for Inverfyre, Ravensmuir and Kinfairlie available as free downloads in my online store. The links are on my website, right here: <http://delacroix.net/ravensmuir/family-trees/> *****

Cataclysm, Books 1-4

Bundled together for the first time! Over 1200 pages of riveting vampiric urban fantasy. Harsh Line My very existence is under attack. I've kept a low profile, told myself the craziness sweeping the world would pass me by. Yeah, it was wishful thinking, actually an outright lie, but it's kept me sane. I've been hiding out forever in one guise or another. Currently, I run a nightclub. Ascent is an "ask me no questions, and I'll tell you no lies" haven. For everybody. I'm a Vampire. Far be it from me to judge. My closest ally is a shapeshifting dire wolf. I adopted him when he was a scrawny puppy, but I'm getting ahead of my tale. The fragile détente between supernaturals and humans has crashed and burned. I can't avoid the truth any longer. Lucky for me, mortals don't know exactly what I am. When I moved to Seattle, some vampiric sixth sense urged me to play my cards close to my vest, but I'm done burying my secrets. And my power. Warped Line I chose stasis—a long sleep—for me and two of mine. Hard to time these things, but we woke in the eye of a cyclone. When I went to sleep—to avoid being drained of magic and blood by dark Sorcerers—Vampires weren't exactly on the endangered species list, but not many of us are left. No one ever accepted us. Not mortals and not others with power, either. At least one of those dams has developed a few cracks. Supernaturals aren't quite welcoming, but they'll take help from any quarter. Mortals have declared war on magic, and they won't rest until we're all sitting in iron-clad prisons. What a bunch of cowards. If they weren't hiding behind false humanitarian walls, they'd be honest about their intentions and do their damndest to kill us outright. Cracked Line Vampires don't fall in love. Except I did. Not the best decision of my long life. I definitely cracked an unspoken line, but Ariana trounced me as far as line-crossing went. Very few acts constitute crimes in Vampire circles. Hers was the worst. I fled to the Old Country to buy myself thinking time. I still loved her, but what she'd done was so vile I couldn't set it aside. We face huge problems, but I'm tackling them one by one. I'll return to Ariana's side, but perhaps only as her comrade-in-arms. Time will tell if we can be more to each other. Time and circumstances. In a world without magic, Vampires will wither along with every other magic-wielder. I cannot let that happen. Broken Line In all my years as a Vampire, hundreds of them, I never imagined humans would be anything other than food. Rich, pure, delectable blood. Prey that fought back never posed a problem. Mortals couldn't stand against those of us with supernatural ability. That world still exists, but it's taken a backseat to humans who've joined forces with turncoat mages. Mortals were never meant to wield power. Over the long haul, they're sure to be very sorry for the choices they've made. Maybe someday I'll be a humble innkeeper again, but it's so far in the future I can't even think about it. Nope. For now, all I see is blood. Rivers of it, and not running down my gullet, either. On the plus side, I have good friends, powerful allies, and a Vampire who loves me. We have to come through this unscathed. Have to. I'm Ariana Hawke, and I take care of what's mine.

Legend of the Highland Dragon

"Mesmerizing, ingenious, slyly humorous, and wonderfully romantic, this unusual charmer is a winner for fans of paranormals. A Highland dragon? How can it miss?"-Library Journal, STARRED Review
A stunningly imaginative series from highly acclaimed author Isabel Cooper blends two of romances hottest genres: Scottish Highlanders and paranormal, with sexy Victorian dragon shapeshifter heroes... In Victorian England, gossip is often as precious as gold. But the Highlanders are a more mysterious bunch. And if anyone found out that Stephen MacAlasdair really was, he'd be hunted down, murdered, his clan wiped out. As he's called to London on business, he'll have to be extra vigilant—especially between sunset and the appearance of the first evening star. Mina just wanted to find out more about the arrogant man who showed up in her employer's office. Some might say it was part of her job. She never thought the stranger would turn into a dragon right in front of her. Or that he'd then offer her an outrageous sum of money to serve as his personal secretary. Working together night and day to track a dangerous enemy, Mina comes to see a man in love is more powerful and determined than any dragon. The Highland Dragons Series: Legend of the Highland Dragon (Book 1) The Highland Dragon's Lady (Book 2) Night of the Highland Dragon (Book 3) Praise for Legend of the Highland Dragon: "The mix of hard-headed realism and fantasy in this novel is enchanting..."-Barnes and Noble Reviews "An

Magick and Misfits, Books 1-4

Urban fantasy and slow burn romance wrapped into a serial that will keep you up reading long into the night. Over a thousand pages of pure delight. Strange bedfellows rock worlds. Court of Rogues Reluctant recruit to the nines, I became Faery's regent by default. Sure, I was next in line for the throne, but I never believed Oberon and Titania were gone for good until first a decade rolled by, and then two, and then ten. They'll never be back, and the land is mourning. Or pissed. It's hard to tell which, and I'm not sure what difference it makes. I split my time between Faery and Earth searching for a way to mend the rift that's killing my realm. I haven't made much progress. Time is running through the glass, mocking my paltry efforts. A sultry Witch is barely a blip on the radar. So what if she counts cards in the casino I run on Earth and makes my pit boss a little nuts? Out of the blue, she spits out the unbelievable, and I discover she's not a Witch after all. A glamour hid her Fae-Sidhe blood so well, she'd fooled me. Her mixed blood is an affront. By rights, I should haul her before the Court to face justice. She understood the chance she took revealing herself to me, and her offer to join forces is tempting, but it could cost me my throne. Some risks are worth the price. If I cross the line, there'll be no going back. Midnight Court My days as Faery's reluctant regent have crashed and burned. Either I left the land to rot in a squalid soup of broken promises, or I destroyed her enemies one by one. No choice there. Not really. I'd known some of those "enemies" since childhood, which was centuries ago. They say familiarity breeds contempt. In my case it bred sorrow as I consigned Fae who'd been friends to eternal destruction and fed them to the land. Dariyah, the Witch-who-wasn't-one, crossed my path for reasons I'm still figuring out. Her long-lost mother presided over one of Faery's many dirty secrets, the Midnight Court. Some like to believe Fae blood is pure. It's not. We and the Sidhe are joined at the hip, and the Midnight Court was once a living symbol of our bond. Court of the Fallen Faery has changed so much I barely recognize her. The worst part is I didn't see this coming. A few minor skirmishes, sure, but the Unseelie fielded tens of thousands against us. The King of Winter is finally exacting revenge against the consort who spurned him. The rest of us are collateral damage. He played his hand well, attracted powerful allies, and punted us into a definite one-down position. For the moment. Pegasus is the king's primary ally. I possess knowledge that will blow their partnership sky high. And proof in case neither of them believes me. Timing is everything, though. We must wrest Faery from the enemy. I finally hold the land link, but success is far from a foregone conclusion. More blood will flow before we're done. Buckets of the stuff, but I can't let that stop me. Court of Destiny Faery's castle lies in ruins, a reflection of the rest of a land I love. My land, my realm, has altered almost beyond recognition. The part that hasn't changed is the incredible people and creatures who live in Faery. Unicorns. Fauns. Satyrs. Fae. Sidhe. Their spirits have been indomitable, and it makes me proud to call them brothers. But then, the Unseelie used to be brethren too. Now they stand against us along with a collection of monsters intent on sucking every last breath of life from Faery. The worst part about all of this has been not knowing whom I can call friend. As we lurch into the endgame, my life, soul, and fortunes are linked with the woman I love. We rise—or fall—together. If it comes down to a gut-wrenching choice, will I pick Faery or Dariyah?

Dawn of Legend: Dragon Dusk Book 1 (Dragon Shifter Romance)

An obscure legend speaks of a man with dragon wings. Fifteen hundred years ago the man ventured into our world searching for a companion, but none could be found. He left a statue of his likeness in the keep of the castle in the hopes that one day his companion would come to him. Christine wasn't one to believe in legends, and certainly not on her trip through the wilds of Wales. The tour package her friend picked out for them brought them to the castle where the winged figure stood, encased in stone and superstition. Superstition, however, couldn't explain the strange attraction she felt toward the handsome statue. Those stone eyes seemed to beckon to her, calling her to him with a force she couldn't deny, and which she wasn't sure she wanted to. A haunting dream and a single touch, and she's transported into a new world and a new life. Helplessness and confusion grip her heart as she finds herself under the power of the dragon, but there's something in his eyes that pleads with her to remain. Will her desire to return home triumph, or will she accept the fate that's been offered to her? Looking for other sensual dragon shifter reads? Try out some of my other series! Dragon Maid

When pressed, Jonathan Shea admits magic runs through his blood, but he's always been ambivalent about it-until a dragon and her mage show up in the Scottish Highlands, and then all bets are off. Jonathan's charmed and captivated by the dragon-a creature fresh out of myth and legend-but the woman bonded to it is so enticing, he tosses caution aside and catapults into the magical power he's avoided for so long. Britta and her dragon prepare for a battle to save Earth. Freshly transplanted from a much earlier time, she feels awkward, out of place. The first person she lays eyes on is Jonathan. There's something about him. She can't quite pinpoint it, but he has way more magic than he lets on. Magic aside, it runs deeper than that. For the first time ever, she questions the wisdom of remaining a maid. If she doesn't make up her mind damned fast, though, her choices will fritter away. Beset from every side, she's never needed her magical ability more. Surrounded by dragon shifters, Celtic gods, Selkies, time travel, and a heaping portion of magic, Jonathan comes into his own fast. Fell creatures target him, Britta, and her dragon. In the midst of chaos, he and Britta find scorching passion and love so heartbreakingly tender, it will change their lives forever.

The Highland Dragon's Lady

He's Out of the Highlands and on the Prowl... Regina Talbot-Jones has always known her rambling family home was haunted. She's also aware her brother has invited one of his friends to attend an ill-conceived séance. She didn't count on that friend being so handsome...and she certainly didn't expect him to be a dragon. Younger son of a family of shapeshifting dragons, Highlander Colin MacAlasdair has lived a life free of both family duty and mortal cares. Moving in and out of human society as he wishes, he takes very little seriously-until Regina drops onto his balcony one midnight, catching his attention and his interest. She's like no mortal he's ever met, and no matter how hard he tries, he can't seem to get her out of his head. Bound by circumstance, drawn by the fire awakening inside of them, Colin and Regina must work together to defeat a vengeful spirit-and discover whether their growing love is powerful enough to defy convention. The Highland Dragons Series: Legend of the Highland Dragon (Book 1) The Highland Dragon's Lady (Book 2) Night of the Highland Dragon (Book 3) Praise for Legend of the Highland Dragon, a Barnes and Noble Best Romance of 2013 "The mix of hard-headed realism and fantasy in this novel is enchanting..."-Barnes and Noble Reviews "An outstanding read! ...fast-paced, smartly written...impossible to put down."- RT Book Reviews, 4 1D2 Stars, Top Pick!

Highland Dawn

One prophecy to save the world. Two realms fighting for control. Three Druid sisters who hold the key to salvation and the hearts of the men who would love them. Join New York Times bestselling author Donna Grant as she transports you into the dark and dangerous world of the Druids. An immortal with unanswered questions... The immortal Dartayous, a powerful Druid Warrior, is given one mission-keep Moira alive to fulfill the prophecy. But with each passing day the burning desire he feels for her eats away at the wall surrounding his heart... A Druid priestess in search of a key... Moira Sinclair must find the key to enter the Realm of the Fae, but once she enters the sacred realm, secrets she has kept buried rise and force her to see herself for what she really is. Will the beautiful and commanding king of the Fae win her heart? Or will Dartayous finally claim her as his own?

Seduced by a Dragon

Leonidas is a Dragon Prince of the House of Smoke... and he is cursed. Falling in love was never in the cards for Leonidas. An angry witch made sure of that--if he loses his heart, he loses his life. But the treaty guaranteeing peace will die with him, unless he wins the True Love of a woman and she bears him a dragonling. When a fiery red-headed witch comes along with plans of her own, five hundred years of guarding his heart and opening his bed might not be enough to protect him. Because Love is Magic... and the fate of the mortal and immortal worlds depends on Rosalyn and Leonidas not only opening their hearts, but surviving a Love that's True... The **FALLEN IMMORTALS** series is a modern Beauty and the Beast story with flaming HOT dragon shifters, vengeful Dark Fae, and beguiling fallen angels. Legend of the Highland Dragon

He's guarding a secret bigger than the Highlands If anyone found out what Stephen McAlisdair really was, he'd be hunted down, murdered, and his Highland clan wiped out. It's only between sunset and the first evening star that his secret is most vulnerable... Mina is astonished when an undeniably attractive man turns into a dragon right in front of her. When he offers her an outrageous sum of money to serve as his personal secretary, she surprisingly accepts. Working together day and night, Mina soon discovers that a man in love is more powerful and determined than any dragon.

Fury of a Highland Dragon

What's a heroine to do when her dragon captor is not only her enemy's best defense, but is also the man of her dreams? Frozen for a hundred years the only thing on Siobhan's mind is finding out what happened to her little brother and vengeance on the queen who has punished them both. Upon gaining her freedom from the ice she finds herself the prisoner of the Winter Queen's Dragon, Atavantador. But nothing is as it seems. When the dragon's manservant, Doyle, turns out to be the dragon himself, Siobhan discovers that ending the queen's reign may mean sacrificing her true love for the quest for revenge. Doyle is hiding more than one secret from the queen, and all of them are worth his life. To keep the queen on his side, he must play the game of dragon so well that no one guesses his secret--that beneath the Winter Palace lies the key to all of dragon kind's survival, one of only seven queen dragon eggs left in the universe. And time is running out. When Siobhan's brother leads an army on the Winter Palace, the little queen egg's hiding place is threatened and Doyle finds himself caught between his heart, and his loyalty to all of dragon kind. Can he trust Siobhan enough to tell her his secrets, save the egg, and still serve her lust for vengeance? Or will the attack on the palace destroy, not only the egg's chance of survival, but Siobhan and Doyle's chance at love. Dare to enter Jessica Aspen's world of fast-paced fantasy romance

The Dragon Collective

Seduced and shamed by Alexander Campbell, the warrior to whom she is betrothed, Lady Mary Mac Lachlan flees to the Campbell stronghold of Castle Lorne and demands sanctuary from Alexander's father. Though Alexander seduced Mary for her own protection and his men's, his actions have greater repercussions than expected. His betrayal destroys Mary's trust and his belief in himself as a man of honor. Determined to heal the breach, and claim Mary--who now carries his heir--as his wife, he follows her to Lorne and finds himself brought before a council of arbitration on charges of rape. When Collin Mac Lachlan, Mary's father tries to coerce her into testifying against Alexander, Mary refuses. But when violence threatens to break out between their clans, Mary is forced to wed him to fulfill their betrothal agreement and save him from the executioner. Amid the hostilities between their clans and the wounds inflicted on her heart, can Mary find the love and happiness she's always craved or will she discover she's been chasing a dream as illusive as Highland Moonlight?

The Winter Queen's Dragon

One prophecy to save the world. Two realms fighting for control. Three Druid sisters who hold the key to salvation and the hearts of the men who would love them. Join New York Times bestselling author Donna Grant as she transports you into the dark and dangerous world of the Druids. **AN HONORABLE**

LAIRD... Laird Connall MacInness was born to a clan that for centuries has been charged with the guarding of the sacred Druids. 'Tis a duty he has always met with a willing heart, until the day his sister, a Druid priestess, goes missing, and the very Druids he has protected refuse to help him find the last remaining member of his family. Then a 300 year old prophecy places a Druid priestess in his hands for safekeeping. 'Tis the chance at revenge that he's been waiting for, but is he willing to pay the cost his revenge will demand—the loss of his mate and the future of Scotland? A WILLING LASS... Glenna MacNeil wants only to be free, to find the purpose of her life. When she is told to look for the dark laird that would free her, she eagerly goes with the powerful laird who fights her clan, not realizing she has set in motion events that will change the course of history.

Highland Moonlight

Lochguard Highland Dragons #5

Highland Mist

Fallon McLeod has gifts any warrior would covet—fierce strength, unmatched skill, even immortality. But those gifts have come at a price that puts everyone he loves at risk. Only when his brother, Quinn, is taken captive does Fallon leave the seclusion of his Highland home to seek the king's aid. And though every woman at court would gladly be his for the asking, one alone causes desire to roar to life within him: beautiful, mysterious Larena Monroe. Rumors swirl around the castle about "The McLeod" but Larena knows the truth. Like Fallon, Larena is searching for a way to vanquish the evil Druid who wants to wreak havoc on earth. Drawn to Fallon in spite of her fear, she surrenders to a passion that shocks them both with its raw intensity. But Larena dares not hope for more—not when she holds a secret that could turn her fiery Highland love against her forever... "Totally Captivating" (RT Book Reviews), *Forbidden Highlander* is a stunning historical and paranormal romance, book two in Donna Grant's bestselling *Dark Sword* series.

The Dragon Family (Lochguard Highland Dragons #5)

"Spear gives the werewolf romance a new and different twist."—Night Owl Reviews, 5 stars, Review Top Pick! In the rugged highlands of Scotland, romance writer (and red werewolf) Julia Wildthorn has a serious case of writers block. But when handsome gray wolf Ian MacNeill catches her trespassing on his property, the chemistry between them is downright inspiring! Modern day werewolf laird Ian MacNeill reluctantly allows a film production company to use his castle, but he knows his secretive clan has a big problem when a beautiful red werewolf female who insists she's working on the film keeps showing up in the wrong places...and a matter of pleasure. Julia Wildthorn is not who she says she is—she's sneaking into Argent Castle to steal an ancient relic for her grandfather and to do research for her next werewolf romance novel. When she catches a glimpse of Ian, she realizes he's the perfect hero. Highland Wolf Series: Heart of the Highland Wolf (Book 1) A Howl for a Highlander (Book 2) A Highland Werewolf Wedding (Book 3) Hero of a Highland Wolf (Book 4) A Highland Wolf Christmas (Book 5) Praise for Legend of the White Wolf: "A thrilling, engaging, wonderful ride." —Seriously Reviewed "Romance, adventure, and a paranormal twist...If you like your werewolf stories with a bit of a bite, then pick this series up now." —Night Owl Romance (Reviewer Top Pick) Praise for *Seduced by the Wolf*: "With just enough wolf detail and werewolf lore, this action-packed story crackles with mystery, adventure, violence, and passion." —Library Journal

Forbidden Highlander

He is the father of her child, but the secrets they are hiding are tearing them apart.... Megan MacKeage escaped the smothering protectiveness of the Highland MacKeage clan to work as a scientist on the Canadian tundra. But when fellow researcher Wayne Ferris breaks her heart by rejecting her, Megan returns to Maine alone.... Then she meets the town's new police chief, Jack Stone -- the man she knew as Wayne Ferris. Instead of the quiet scholar he posed as, he's an aggressive private eye who's willing to fight for what he wants, just like all the overbearing men in her clan. So why is Megan still feeling a dangerous attraction? And though Jack claims he followed her here because he loves her, can she ever trust a man with so many secrets?

Heart of the Highland Wolf

Eve Anderson is darned tired of Kenzie Gregor meddling in her business. She might be struggling to keep herself and her ailing mother financially afloat, but she's no princess in need of a strong, capable knight in a black SUV to rescue her -- even if he is easy on the eyes. Besides, there's something very odd about him...and she's sure the strange events occurring in their small coastal Maine town are linked to his recent arrival. Once an immortal warrior cursed to live as a panther, Kenzie is finally free to live and die as a man, and his destiny is to help other displaced souls. Of course, if he can get tiny, blue-eyed, curly blond Eve out of the deal, well...life doesn't get any better. But she's as stubborn and fierce as a lioness, and in order to win her love, he must tempt her with forbidden desires....

The British National Bibliography

NATIONAL BESTSELLER As King Robert the Bruce of Scotland plots to retake his English-occupied castles, he needs the stealth and skill of his elite soldiers, the Highland Guard. Fearless and indomitable, no men are more loyal to their king, or more cherished by the women they love. The talents of legendary marksman Gregor "Arrow" MacGregor are crucial now, as Bruce moves to reclaim his Scottish holdings. Gregor is considered the most handsome man in Scotland, and his fame as an archer is rivaled only by his reputation with the lasses as a heartbreaker. But when his infamous face is exposed during a covert mission, Gregor is forced to lie low. He returns home only to find a new battle waiting: a daring game of seduction involving his now very grown-up and very desirable ward, Cate of Lochmaben. A born fighter, Cate was clinging to life when Gregor rescued her after a vicious English raid on her village left her mother dead. But five years later, the once scrappy orphan Gregor took under his protection has become a woman. Brave, strong, and skilled in warfare, Cate is determined to lay claim to the warrior who refuses to be trapped. The heat in his eyes tells her she has his attention . . . and his desire. But will Gregor allow his heart to surrender before danger finds them, and the truth of Cate's identity is revealed? Praise for Monica McCarty and The Arrow "[Monica] McCarty's gift lies in writing strong characters into wildly entertaining—often unexpected—scenarios. Readers can't go wrong with her latest."—The Washington Post "The Highland Guard come to life as McCarty fills her tales with historical accuracy and moving romance. The ninth in the series is well paced, emotional and powerfully told. Don't miss it!"—RT Book Reviews (Top Pick!) "One of the best Highlander historical series out there."—The Reading Cafe "Heart-wrenching . . . The Arrow made a lasting impression on me."—Under the Covers "A mixture of passion, history, and great wit to create a tale to captivate your senses! To die for!"—Addicted to Romance "There is danger, laughter, and sweet love and secrets revealed. All the characteristics of a wonderful read."—Tea and Book "Monica McCarty is an absolutely superior author! Her Highland Guard series has to be one of the absolute best Highland series out there! Fun, fast paced, fact driven and totally fantastic!"—Bodice Rippers, on The Raider "McCarty is a master at writing Highlander romance . . . keeping her Highland Guard series fresh, with spectacularly riveting plots and fabulously romantic couples. . . . If you've not read this series yet, then I strongly suggest that you do."—Night Owl Reviews, on The Hunter

Assassin's Touch

New York Times bestselling author Laurie London presents ASSASSIN'S TOUCH, the first book in the Iron Portal paranormal romance series. Enter a darkly sensual world where secret portals separate modern and ancient realms, band-of-brother heroes fight evil together, and sworn enemies dare to become passionate lovers. Haunted by loss, Cascadian assassin Rickert D'Angelus is on a mission of vengeance. Determined to stop the Pacifican army from finding a portal to his world, he leads a group of warriors into New Seattle with one goal--to kill all Pacifican soldiers. Agent Neyla Trihorn had the perfect life until a deadly accident revealed her latent para-abilities. Now, the former fashion designer is the Pacifican army's hottest commodity in their fight against the invaders. When Rickert discovers a beautiful, unconscious soldier on a cold mountain ledge near the portal, he realizes she's a Protection-Talent and cannot be killed. To prevent the army from using her skills again, he takes her as his prisoner instead. But when he pulls her into his arms, a sexy and compelling vision appears, awakening something inside him. Something he can't ignore. Torn between duty and passion, Rickert must decide if the vision is a Talent trick designed to foil the enemy or the answer to his deepest desires...

Assassin's Touch

Two worlds. Two enemies. Haunted by loss, Cascadian assassin Rickert D'Angelus is on a mission of vengeance. Determined to stop the Pacifican army from finding a portal to his world, he leads a group of warriors into New Seattle with one goal—to kill Pacifican soldiers. Neyla Trihorn had the perfect life until a deadly accident revealed her latent para-abilities. Now, the former fashion designer is the Pacifican army's hottest commodity in their fight against the invaders. When Rickert discovers a beautiful, unconscious soldier on a cold mountain ledge near the portal, he realizes she's a Protection-Talent and cannot be killed. To prevent the army from using her skills again, he takes her as his prisoner instead. One fated touch... But when he pulls her into his arms, a sexy and compelling vision appears, awakening something inside him. Something he can't ignore. Torn between duty and passion, Rickert must decide if the vision is a Talent trick designed to foil the enemy or the answer to his deepest desires...

Rebel's Desire

New York Times bestselling author Laurie London presents REBEL'S DESIRE, the fourth book in the Iron Portal paranormal romance series. Enter a darkly sensual world where secret portals separate modern and ancient realms, band-of-brother heroes with special ability Talents fight evil together, and sworn enemies dare to become passionate lovers. Tormented by a savage past and shattered by a bitter betrayal, Iron Guild warrior Toryn Flynn trusts no one and cares about nothing except the battle against their enemies. His target: a mobster who finances deadly missions into Cascadia. Kicked out of the house by her puritanical father, Keely Weber and her sister run a bookstore and fortune-telling business in an underground district in New Seattle--until a powerful man who controls the area kidnaps Keely's sister to sell her into the Talent sex-trade. When a beautiful woman literally falls into his arms, Toryn realizes she holds the key to his success. Keely will do anything to rescue her sister...including taking risks with a dangerously sexy man who pushes all her buttons. From the gritty streets of the city's underbelly to a sexual-fantasy-themed island, passions ignite. But with evil surrounding them and time running out, Toryn must decide whether to sacrifice the woman he's falling for or dare to trust his heart again. Authors Note: All of the Iron Portal books are standalone titles with no cliffhangers. Each one has a new couple and story-arc. They are hot paranormal romances with band-of-brother heroes, strong heroines, special ability Talents, lots of suspense and danger, and plenty of sexy times. I hope you enjoy them! IRON PORTAL SERIES: Book 1: Assassin's Touch - Rickert and Neyla Book 2: Rogue's Passion - Asher and Olivia Book 3: Warrior's Heart - Vince and Zara Book 4: Rebel's Desire - Toryn and Keely

Sweetblood

Sixteen-year-old Lucy Szabo is Undead -- at least according to her own theories about vampirism. Lucy believes that the first vampires -- with their pale skin, long teeth, and uncontrollable thirst -- were dying diabetics. And she should know. She's a diabetic herself. When Lucy becomes involved with Draco -- a self-proclaimed "real" vampire she meets in the Transylvania Internet chat room -- her world begins crashing down around her. Caught up in late-night parties and Goth culture, she begins to lose control

of her grades, relationships, and health. Lucy realizes she needs to make some important choices, and fast. But it may already be too late.

Strengthening Forensic Science in the United States

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Cycling and Cinema

A unique exploration of the history of the bicycle in cinema, from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films. *Cycling and Cinema* explores the history of the bicycle in cinema from the late nineteenth century through to the present day. In this new book from Goldsmiths Press, Bruce Bennett examines a wide variety of films from around the world, ranging from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films, to consider the complex, shifting cultural significance of the bicycle. The bicycle is an everyday technology, but in examining the ways in which bicycles are used in films, Bennett reveals the rich social and cultural importance of this apparently unremarkable machine. The cinematic bicycles discussed in this book have various functions. They are the source of absurd comedy in silent films, and the vehicles that allow their owners to work in sports films and social realist cinema. They are a means of independence and escape for children in melodramas and kids' films, and the tools that offer political agency and freedom to women, as depicted in films from around the world. In recounting the cinematic history of the bicycle, Bennett reminds us that this machine is not just a practical means of transport or a child's toy, but the vehicle for a wide range of meanings concerning individual identity, social class, nationhood and belonging, family, gender, and sexuality and pleasure. As this book shows, two hundred years on from its invention, the bicycle is a revolutionary technology that retains the power to transform the world.

Bonded by Blood (Mills & Boon Nocturne)

A choice between vengeance and love... No one can protect Mackenzie Foster-Shaw from the vampires who crave her rare blood type. Until she encounters an impossibly sexy stranger, a man she must trust with her life.

Fire Kissed

Fae Fire It is Kaye Brand's power to wield. But outcast from her kind, she's been selling herself to the highest bidder-- money for her survival in exchange for a magic glimpse into the flames of the future. Angel Ice One of the angelic Order, Jack Bastian has no use for a female like Kaye, as provocative and unexpected as her blazing beauty. Yet he has no choice but to hire her to uncover the secrets of his sworn enemy and her former fiancé, Ferrol Grey. Magekind War is inevitable between the defenders of the Order and the mage houses who threaten to engulf the world in Shadow. For Jack, mage-born Kaye is off limits, no matter how hot the impossible attraction between them. But in the coming darkness, beset by danger and desire, everything is about to change . . . "Powerful and fast-paced. . . a riveting read." --Nina Bangs on *Shadow Bound* "Beautiful, evocative. . . gripping. A dark and scrumptious treat!" --Alexandra Ivy on *Shadowman* "Fans of dark drama will be captivated by this intense new series." --RT Book Reviews

Designing Virtual Worlds

This text provides a comprehensive treatment of virtual world design from one of its pioneers. It covers everything from MUDs to MOOs to MMORPGs, from text-based to graphical VWs.

Embraced by Blood (Mills & Boon Nocturne)

Two vampire coalitions are waging war... ..And Alfonso is a hunted man.

Tales of Britain

77 timeless tales from up and down the length of Great Britain – Wales, Scotland, Kernow, England and the Isles – have been retold for the 21st century by curious storyteller Brother Bernard, with a tourist guide to the real location of each folktale included. This road atlas of myth and mischief allows us to visit famed heroes King Arthur, Merlin, Robin Hood, Lady Godiva, Macbeth, Dick Whittington and Jack, but also those who should be more celebrated, like Molly Whuppie, Bran the Blessed, Bladud, Taliesin and Tom Thumb. Since Britain became an island eight millennia ago, generations of immigrants have made their home here in Albion, creating their own stories, which have become part of the richly stocked treasury of British folklore. Some are strange, some are sad, some are exciting, some are scary, many are silly, and at least two are totally daft. Brother Bernard retells these restored tales with devotion to the ancient legends, but with a fresh eye and added anarchic vim to be enjoyed anew.

The Other Wars

The first full-length study of the experience and memory of British and Dominion soldiers in the Middle East and Macedonia during WWI.

The Last Utopia

Human rights offer a vision of international justice that today's idealistic millions hold dear. Yet the very concept on which the movement is based became familiar only a few decades ago when it profoundly reshaped our hopes for an improved humanity. In this pioneering book, Samuel Moyn elevates that extraordinary transformation to center stage and asks what it reveals about the ideal's troubled present and uncertain future. For some, human rights stretch back to the dawn of Western civilization, the age of the American and French Revolutions, or the post-World War II moment when the Universal Declaration of Human Rights was framed. Revisiting these episodes in a dramatic tour of humanity's moral history, *The Last Utopia* shows that it was in the decade after 1968 that human rights began to make sense to broad communities of people as the proper cause of justice. Across eastern and western Europe, as well as throughout the United States and Latin America, human rights crystallized in a few short years as social activism and political rhetoric moved it from the hallways of the United Nations to the global forefront. It was on the ruins of earlier political utopias, Moyn argues, that human rights achieved contemporary prominence. The morality of individual rights substituted for the soiled political dreams of revolutionary communism and nationalism as international law became an alternative to popular struggle and bloody violence. But as the ideal of human rights enters into rival political agendas, it requires more vigilance and scrutiny than when it became the watchword of our hopes.

To Life!

This title documents the burgeoning eco art movement from A to Z, presenting a panorama of artistic responses to environmental concerns, from Ant Farms anti-consumer antics in the 1970s to Marina Zurkows 2007 animation that anticipates the havoc wreaked upon the planet by global warming.

Biology, Medicine, and Surgery of Elephants

Elephants are possibly the most well-known members of the animal kingdom. The enormous size, unusual anatomy, and longevity of elephants have fascinated humans for millenia. *Biology, Medicine, and Surgery of Elephants* serves as a comprehensive text on elephant medicine and surgery. Based on the expertise of 36 scientists and clinical veterinarians, this volume covers biology, husbandry, veterinary medicine and surgery of the elephant as known today. Written by the foremost experts in the field *Comprehensively* covers both Asian and African elephants *Complete* with taxonomy, behavioral, geographical and systemic information *Well-illustrated* and organized for easy reference

Manufacturing Consent

An intellectual dissection of the modern media to show how an underlying economics of publishing warps the news.

Seduced by Blood

Roxy has put love before duty once before, with devastating results, but to root out a dangerous vampire traitor in their midst, she must put her faith in Santiago, a Gaurdians region commander, and posing as lovers, they work side by side to discover the deadly plot against their fellow vampires.

The Sounds of Early Cinema

The Sounds of Early Cinema is devoted exclusively to a little-known, yet absolutely crucial phenomenon: the ubiquitous presence of sound in early cinema. "Silent cinema" may rarely have been silent, but the sheer diversity of sound(s) and sound/image relations characterizing the first 20 years of moving picture exhibition can still astonish us. Whether instrumental, vocal, or mechanical, sound ranged from the improvised to the pre-arranged (as in scripts, scores, and cue sheets). The practice of mixing sounds with images differed widely, depending on the venue (the nickelodeon in Chicago versus the summer Chautauqua in rural Iowa, the music hall in London or Paris versus the newest palace cinema in New York City) as well as on the historical moment (a single venue might change radically, and many times, from 1906 to 1910). Contributors include Richard Abel, Rick Altman, Edouard Arnoldy, Mats Bj rkin, Stephen Bottomore, Marta Braun, Jean Ch teauvert, Ian Christie, Richard Crangle, Helen Day-Mayer, John Fullerton, Jane Gaines, Andr  Gaudreault, Tom Gunning, Fran ois Jost, Charlie Keil, Jeff Klenotic, Germain Lacasse, Neil Lerner, Patrick Loughney, David Mayer, Domi-nique Nasta, Bernard Perron, Jacques Polet, Lauren Rabinovitz, Isabelle Raynald, Herbert Reynolds, Gregory A. Waller, and Rashit M. Yangirov.

A Vampire for Christmas

Four authors bring the paranormal into the holidays with this anthology of bewitching tales. Includes stories by London, Michele Hauf, Caridad Pinerio, and Alexis Morgan. Original.

Imagining Extinction

As the extinction of species accelerates and more species become endangered, activists, filmmakers, writers, and artists have responded to bring this global crisis to the attention of the public. Until now, there has been no study of the frameworks that shape these narratives and images, or of the symbolic meanings that the death of species carries in different cultural communities. Ursula Heise makes the case that understanding how and why endangered species come to matter culturally is indispensable for any effective advocacy on their behalf. Heise begins by showing that the tools of conservation science and law need to be viewed as cultural artifacts: biodiversity databases and laws for the protection of threatened species use rhetorical and cultural resources that open up different approaches to the problem of understanding global wildlife. The second half of her book explores ways of envisioning alternative futures for biodiversity. The narrative of nature's decline or even imminent disappearance has been a successful rallying trope for those skeptical of modernization and ideologies of progress. But environmentalists' nostalgia for the past and pessimistic outlook on the future have also alienated parts of the public. Heise tells the story of environmental activists, writers, and scientists who are creating new stories to guide the environmental imagination."

Minor Histories

The second volume of writings by Los Angeles artist Mike Kelley, focusing on his own work. What John C. Welchman calls the "blazing network of focused confluences" from which Mike Kelley's styles are generated is on display in all its diversity in this second volume of the artist's writings. The first volume, *Foul Perfection*, contained thematic essays and writings about other artists; this collection concentrates on Kelley's own work, ranging from texts in "voices" that grew out of scripts for performance pieces to expository critical and autobiographical writings. *Minor Histories* organizes Kelley's writings into five sections. "Statements" consists of twenty pieces produced between 1984 and 2002 (most of which were written to accompany exhibitions), including "Ajax," which draws on Homer, Colgate- Palmolive, and Longinus to present its eponymous hero; "Some Aesthetic High Points," an exercise in autobiography that counters the standard artist bio included in catalogs and press releases; and a sequence of

"creative writings" that use mass cultural tropes in concert with high art mannerisms—approximating in prose the visual styles that characterize Kelley's artwork. "Video Statements and Proposals" are introductions to videos made by Kelley and other artists, including Paul McCarthy and Bob Flanagan and Sheree Rose. "Image-Texts" offers writings that accompany or are part of artworks and installations. This section includes "A Stopgap Measure," Kelley's zestful millennial essay in social satire, and "Meet John Doe," a collage of appropriated texts. "Architecture" features an discussion of Kelley's Educational Complex (1995) and an interview in which he reflects on the role of architecture in his work. Finally, "Ufology" considers the aesthetics and sexuality of space as manifested by UFO sightings and abduction scenarios.

My Memories of a Future Life

'Spellbinding... a hypnotic experience' 'I was hooked - grabbed immediately' 'Beautiful, simple, evocative' 'Absolutely gripping' 'Don't plan to read just a few pages' 'A strange and stubborn book, visual and visceral, original and odd... will stay with you long after finishing its final pages' - For Books' Sake If you were somebody's past life... What echoes would you leave in their soul? Could they be the answers you need now? It's a question Carol never expected to face. She's a gifted musician who needs nothing more than her piano and certainly doesn't believe she's lived before. But forced by injury to stop playing, she fears her life may be over. Enter her soulmate Andreq: healer, liar, fraud and loyal friend. Is he her future incarnation or a psychological figment? And can his story help her discover how to live now? A novel in the tradition of *The Time Traveller's Wife*, *Vertigo* and *The Gargoyle*, *My Memories of a Future Life* is much more than a 'who was I' tale. It is a multi-layered story of souls on conjoined journeys – in real time and across the centuries. It's a provocative study of the shadows we don't know are driving our lives, from our own pasts and from the people with us right now. An examination of what we believe, what we create and how we scare and heal each other. Above all, it's the story of how one lost soul must search for where she now belongs. 'I was always fascinated by tales of regression to past lives,' says the author Roz Morris. 'I thought, what if instead of going to the past, someone went to a future life? Who would do that? Why? What would they find?' Another longtime interest was the world of the classical musician. Musical scores are exacting and dictatorial - you play a note for perhaps a sixth of a second and not only that, there are instructions for how to feel - *expressivo*, *amoroso*. It's as if you don't play a piece of classical music; you channel the spirit of the composer. 'I became fascinated by a character who routinely opened her entire soul to the most emotional communications of classical composers. And I thought, what if she couldn't do it any more? And then, what if I threw her together with someone who could trap the part of her that responded so completely to music?'

Mapping Intermediality in Performance

This insightful book explores the relationship between theater and digital culture. The authors show that the marriage of traditional performance with new technologies leads to an upheaval of the implicit "live" quality of theatre by introducing media interfaces and Internet protocols, all the while blurring the barriers between theater-makers and their audience.

A History of the University of Manchester, 1973–90

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Frank and entertaining account of the University of Manchester's struggle to meet the Government's demands for the rapid expansion of higher education in the 1950s and the 1960s. Looks at the University's ambitious building program: the controversial attempts to reform its constitution and improve its communications amid demands for greater democracy in the workplace, the struggle to retain its old pre-eminence in a competitive world where new 'green field' universities were rivalling older civic institutions. Tells the story, not just from the point of view of administrators and academics, but also from those of students and support staff (such as secretaries, technicians and engineers). Uses, not only official records, but also student newspapers, political pamphlets, and reminiscences collected through interviews conducted by an experienced oral historian. The only book on the University of Manchester as a whole.

The Fingerprint

The idea of *The Fingerprint Sourcebook* originated during a meeting in April 2002. Individuals representing the fingerprint, academic, and scientific communities met in Chicago, Illinois, for a day and a half to discuss the state of fingerprint identification with a view toward the challenges raised by Daubert

issues. The meeting was a joint project between the International Association for Identification (IAI) and West Virginia University (WVU). One recommendation that came out of that meeting was a suggestion to create a sourcebook for friction ridge examiners, that is, a single source of researched information regarding the subject. This sourcebook would provide educational, training, and research information for the international scientific community.

No Logo

"What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands." Billy Bragg from the bookjacket.

The Book of Lost Fragrances

A sweeping and suspenseful tale of secrets, intrigue, and lovers separated by time, all connected through the mystical qualities of a perfume created in the days of Cleopatra--and lost for 2,000 years.

Tempted by Blood

Deep within the forests of the Pacific Northwest, the battle for supremacy rages on between two Vampire coalitions: Guardian enforcers sworn to protect humanity, and Darkbloods, rogues who kill like their ancient ancestors.... He might be known for his effortless charm, but Guardian Jackson Foss is hiding a terrible secret. For months, he has battled the emergence of his dark nature—deadly urges that threaten to consume him. And those cravings only intensify when he meets Arianna Wells, the human he's been assigned to protect. Smart and perceptive, Arianna doesn't seem like a dangerous temptress. Yet she awakens in Jackson an unstoppable need that, if left unchecked, will brand him a traitor...a crime punishable by death. But soon their bond may be Arianna's only hope. For stalking her in the shadows is a merciless enemy—one who will stop at nothing to claim her completely....

Peace Child

Drawing upon the empirical scholarship and research expertise of contributors from all settled continents and from diverse life settings and economies, *Viral Loads* illustrates how the COVID-19 pandemic, and responses to it, lay bare and load onto people's lived realities in countries around the world. A crosscutting theme pertains to how social unevenness and gross economic disparities are shaping global and local responses to the pandemic, and illustrate the effects of both the virus and efforts to contain it in ways that amplify these inequalities. At the same time, the contributions highlight the nature of contemporary social life, including virtual communication, the nature of communities, neoliberalism and contemporary political economies, and the shifting nature of nation states and the role of government. Over half of the world's population has been affected by restrictions of movement, with physical distancing requirements and self-isolation recommendations impacting profoundly on everyday life but also on the economy, resulting also, in turn, with dramatic shifts in the economy and in mass unemployment. By reflecting on how the pandemic has interrupted daily lives, state infrastructures and healthcare systems, the contributing authors in this volume mobilise anthropological theories and concepts to locate the pandemic in a highly connected and exceedingly unequal world. The book is ambitious in its scope – spanning the entire globe – and daring in its insistence that medical anthropology must be a part of the growing calls to build a new world.

Viral Loads

This collection of essays is concerned with the experiences children have within the supervised worlds they inhabit, as well as with architecture and landscape architecture. International examples of innovative childcare practice are illustrated together with the design processes which informed their development. The emphasis here is on new and experimental childcare projects which set-out to reassert the rights of children to participate in a complex multi-faceted world, which is no longer available to them, unless under adult supervision. Research supports in depth recommendations regarding the ideal children's environment, across a range of contexts and dimensions. Until recent times, the needs of children within the urban environment were largely ignored. There is little tradition and no broadly agreed contemporary architectural or landscape theory as to how children should be provided for, beyond a limited functional agenda. There is a sense that architecture for childhood is not taken seriously; it is either whimsical and ephemeral or largely designed for adults, an adjunct to the more important business of adult needs and aspirations. Yet children access much of their education

and development through play and social interaction with their childhood counterparts. The spaces in and around children's daycare centres, schools, supervised parks and other dedicated children's environments are the subject of this collection. As more and more purpose designed buildings and gardens for children are opened, the need to listen to children and their carers is becoming more apparent. Mark Dudek gathers together a number of internationally recognized experts in the field of childcare environments to write about different aspects of the landscape. They have been chosen in particular because of their background in enquiring, research orientated work, both theoretical and practical. They listen to and watch children. Contributors have considered the child's environment as one which is secure and controlled yet offers additional environmental dimensions which extend developmental possibilities. Children often spend a great deal of time in daycare facilities and schools, as parents are absorbed in their own work and leisure activities. This places an emphasis on architects and planners to consider the needs of children in great detail. As such, the children's environment must be conceived of as a rich, complex place; a "world within a world". We use the word LANDSCAPE in recognition that children do not differentiate between the inside and the outside, private and public; every part of their perception is open to stimulation by a stimulating environment.

Dante Gabriel Rossetti as Designer and Writer

Ourselves, the fourth volume of Charlotte Mason's Classic Homeschooling Series, is a character curriculum book written directly to children. Book I, Self-Knowledge, is for elementary school students; Book II, Self-Direction, is for older students. Self-Knowledge discusses our human desires and appetites; the "helpers" in our minds, such as intellect, sense of beauty, imagination, and reason; the ways in which we feel and express love for others, including sympathy, kindness, generosity, gratitude, courage, loyalty, and humility; and truth, justice, and integrity; and ends by encouraging children to develop the habit of being useful. Self-Direction is an in-depth discussion of the conscience and virtues such as temperance, chastity, fortitude, and prudence; the will and self-control; and the soul and its capacities, such as prayer, thanksgiving, faith, and praise. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to a

Children's Spaces

The various manifestations of coerced labour between the opening up of the Atlantic world and the formal creation of Haiti.

Ourselves

This is a compelling study of the often controversial role and meaning of the new media and digital cultures in contemporary society. Three decades of societal and cultural alignment of new media yielded to a host of innovations, trials, and problems, accompanied by versatile popular and academic discourse. "New Media Studies" crystallized internationally into an established academic discipline, which begs the question: where do we stand now; which new issues have emerged now that new media are taken for granted, and which riddles remain unsolved; and, is contemporary digital culture indeed all about 'you', or do we still not really understand the digital machinery and how it constitutes us as 'you'. From desktop metaphors to Web 2.0 ecosystems, from touch screens to blogging to e-learning, from role-playing games to Cybergoth music to wireless dreams, this timely volume offers a showcase of the most up-to-date research in the field from what may be called a 'digital-materialist' perspective.

The Cambridge World History of Slavery: Volume 3, AD 1420-AD 1804

The idea of virtual realities has a long and complex historical trajectory, spanning from Plato's concept of the cave and the simulacrum, to artistic styles such as Trompe L'oeil, and more recently

developments in 3D film, television and gaming. However, this book will pay particular attention to the time between the 1980s to the 1990s when virtual reality and cyberspace were represented, particularly in fiction, as a wondrous technology that enabled transcendence from the limitations of physical embodiment. The purpose of this critical historical analysis of representations of virtual reality is to examine how they might deny, repress or overlook embodied experience. Specifically, the author will contend that embodiment is a fundamental aspect of immersion in virtual reality, rather than something which is to be transcended. In this way, the book aims to challenge distorted ideas about transcendence and productively contribute to debates about embodiment and technology.

Managing Death Investigations

Armed with only a notebook and a handheld global positioning device, Wark tracks the secret passage free time and free thought through the spaces of an everyday life.

Digital Material

Addressing a field that has been dominated by astronomers, physicists, engineers, and computer scientists, the contributors to this collection raise questions that may have been overlooked by physical scientists about the ease of establishing meaningful communication with an extraterrestrial intelligence. These scholars are grappling with some of the enormous challenges that will face humanity if an information-rich signal emanating from another world is detected. By drawing on issues at the core of contemporary archaeology and anthropology, we can be much better prepared for contact with an extraterrestrial civilization, should that day ever come.
