Heidi

This paper doll book was inspired by Johanna Spyri's "Heidi," one of the most, if not THE most, popular pieces of Swiss literature ever written. The illustrations in this book are paintings (watercolor and digital coloring), which lovingly detail Heidi's story, from her delight with the beauties of her mountain home to her adventures in the big city of Frankfurt. The set includes 7 dolls (6.5"-8.5"), 12 animals, 22 costumes, and over 70 accessories, as well as two 3-page background settings ("Grandfather's House" and "Mountain Pastures"). The illustrations were inspired by clothing and culinary details of the 1800s and of Switzerland. This book was published through Amazon KDP. The paper weight is slightly thicker than ordinary printer paper. The paper weight is the same for both doll/s and costume/s. The artist recommends backing the doll/s with cardstock if a thicker doll is desired (the doll and costumes function perfectly without the added thickness, however).

Steampunk Paper Dolls

This celebration of nine art dolls and the artists who made them offers a colourful look at an unusual project that spanned 19 months and took the dolls on a journey all over the United States. Each doll is a one-of-a-kind work of art, made by women who contributed something to each work-in-progress and offered unique perspectives on womanhood and images of dolls. Professional doll-makers as well as a quilt maker, a metalsmith, a woodcarver, and a sculptor created dolls that evolved into vivid characters as they travelled from artist to artist with handmade journals that served as a combination diary, travel log, and artist's canvas. From Joe the Wandering '60s Beatnik to a made-over Madeline sure to be kicked out of her French boarding school for her outrageous attire, each doll is accompanied by photographs, excerpts from the journals, and essays by the artists about the joys, challenges, and frustrations of working on the project.

Trolls Paper Doll Playset

"For many years Zelda and Scott Fitzgerald, the golden couple of the Jazz Age, moved from hotels to rented villas to apartments in Paris. Wherever they lived, Zelda brought along her paints. Few people know she painted at all, and fewer know she made paper dolls. But throughout her life, Zelda created dolls in private. By their nature, paper dolls are fragile and are destined for destruction at the hands of children. Zelda's dolls began as playthings for her daughter, Scottie, born in 1921. Fortunately, Zelda continued to make figures after Scottie outgrew them, first of their family and then of storybook characters - lavish, graceful, bold figures. These characters amount to a portable troupe, an itinerant paper caravan that travelled inside her luggage. Zelda chose subjects she relished: society figures of the French Court, or Red Riding Hood's predatory wolf, as vivacious as the girl. Be they cardinals, kings, or bears, the dolls are fashionably attired in ball gowns, armor, and capes. Readers will delight in this comprehensive collection of Zelda's paper dolls"--
