Retribution

Hired gunslinger William Jessup Brady lived his life with one foot in the grave - until the day he finally found a reason to live. In one single act of brutal betrayal, he lost everything, including his life. Brought back by a Greek goddess to be one of her Dark-Hunters, he gave his immortal soul for vengeance and swore he'd spend eternity protecting the humans he'd once considered prey. Orphaned as a toddler, Abigail Yager was taken in by a family of vampires and raised with one belief: Dark-Hunters are the evil who prey on both their people and mankind, and they must all be destroyed. Brought together by an angry god and chased by ancient enemies out to kill them both, William and Abigail must find a way to

overcome their mutual hatred or watch as one of the darkest of powers rises and kills both the races they've sworn to protect.

Acheron

Eleven thousand years ago a god was born. Cursed into the body of a human, Acheron endured a lifetime of hatred. His human death unleashed an unspeakable horror that almost destroyed the earth. Brought back against his will, he became the sole defender of mankind. Only it was never that simple... For centuries, he has fought for our survival and hidden a past he never wants revealed. Now his survival, and ours, hinges on the very woman who threatens him. Old enemies are reawakening and uniting to kill them both.

Bad Moon Rising

Fang Kattalakis isn't just a wolf. He is the brother of two of the most powerful members of the Omegron: the ruling council that enforces the laws of the Were-Hunters. And when war erupts among the lycanthropes, sides must be chosen. Enemies are forced into shaky alliances. When Aimee, the woman Fang loves, is accused of betraying her people, her only hope is that Fang believes in her. Yet in order to save her, Fang must break the law of his people and the faith of his brothers. That breach could very well spell the end of both their races and change their world forever. The war is on and time is running out...

Son of No One

It's not easy being life's own personal joke, but Josette Landry has made an unstable peace with the beast. Down on her luck, Josette takes a job with a local paranormal group as a photographer and camerawoman. Yeah, they're even crazier than she is. But when something truly evil is released into the world, they are forced to call in reinforcements. From the moment Josette meets Cadegan, she knows something about him isn't quite right. Mysterious and armed with lethal sarcasm, he seems a lot older than his age. Centuries ago, Cadegan was viciously betrayed into an immortal prison by the only person he'd ever trusted. Forced against his will to do good, he hates everything in life. All he wants is a way out. But for the damned there is only eternal suffering. And yet there is something about Josette that intrigues him. Something he can't seem to fight and the last time he felt this way about a woman, it cost him everything. He knows he has to stay away from her, but the unleashed demon is hellbent on consuming her soul. If one more innocent is taken, he will be sent back to an unimaginable prison that makes his current hell look like paradise. But how can he keep her safe when his being with her is the greatest threat of all? Take one step into the Dark-Hunter™ World and you'll never turn back. Praise for Sherrilyn Kenyon: 'Kenyon's writing is brisk, ironic and relentlessly imaginative. These are not your mother's vampire novels' Boston Globe 'Kenyon's Dark-Hunter books are changing the face of the vampire novel, making it hip, darker, and all the more appealing' Publishers Weekly 'A wild, wicked delight . . . no one does sexy, tormented heroes better - or more inventively - than Sherrilyn Kenyon' New York Times bestselling author Nicole Jordan 'The Dark-Hunter books are a treat to read . . . emotional writing that engages you right from the start and doesn't let you go until it's finished' Book Thing

One Silent Night

It's the Christmas season and all hell's breaking loose. Literally. While humans shop, an angry demon lord is plotting an all-out onslaught against his enemies, which - unfortunately for us - includes the human race. But as Stryker gathers his forces, he discovers a grown daughter he never knew existed and an angry ex, Zephyra, who's as determined to end his existence as he is to end ours. The ultimate predator is about to meet his match as new battle lines are drawn and the Dark-Hunters are rallied for a blood bath on Christmas Eve. The only question is this: can Stryker survive his oldest enemy to fight the ones he really wants to kill - or will Zephyra finally have her shot at the husband who abandoned her?

Dream Chaser

Condemned by the gods to live out his existence without emotions, Xypher chose the pursuit of sensations, to feel again in the dreams of humans, only to find himself condemned to death. But he is given one last chance at a reprieve. Made human for a month, he must redeem himself within that

time or Hades will return him to Tartarus and his torture. Simone Dubois is a coroner who isn't scared by much, especially since she's psychic and can see and hear the people she's working on. When they wheel in another victim, she doesn't think much about it, until he gets up from her table and starts to leave. Xypher doesn't have time to spend with this human woman and her questions. But it's not long before mysterious attempts on Simone's life force Xypher to stand between the woman who is beginning to touch the heart he thought had died a long time ago and the danger that is threatening her life.

Devil May Cry

Ever since that moment his status as a god was revoked by Artemis, Sin has done nothing but plot his revenge. He kidnaps a woman he believes to be the goddess, but she is Artemis' servant, Katra. And instead of imprisoning her, Katra captures him and refuses to release him until he promises not to seek vengeance on her mistress. Despite himself, Sin finds himself intrigued by Katra, who is nothing like the goddess she serves. She's fierce, true, but she's also compassionate and loyal. However, Sin is not the only enemy Artemis has and it quickly becomes apparent that he must help Katra save her mistress or the world as we know it will end. What's a wannabe god to do?

Night Embrace

Talon was once a Celt warrior cursed by his ancient gods. Following the murder of his sister, the dying Talon had made a deal with the goddess Artemis. He had been given one act of vengeance against the clan who betrayed him, in exchange for his soul and his eternal service as a Dark-Hunter. Talon has sworn to fight Daimons and rescue the human souls they've captured. He has never had cause to regret this choice - until he meets Sunshine Runningwolf. The unconventional Sunshine should be Talon's perfect woman. She is beautiful, sexy and isn't looking for a long-term commitment. But the more time Talon spends in her company the more he starts yearning for dreams of love and family that he buried centuries ago. But loving Sunshine would be dangerous for both of them - Talon is destined never to know peace or happiness while his enemies still seek to destroy him and everyone close to him...

Upon The Midnight Clear

Ever think Scrooge had it right before the ghosts ruined his life? Meet Aidan O'Conner. At one time he was a world-renowned celebrity who gave freely of himself and his money without wanting anything in return . . . until those around him took without asking. Now Aidan wants nothing of the world - or anyone who's a part of it. When a stranger appears at his doorstep, Aidan knows he's seen her before. . . in his dreams. Born on Olympus as a goddess, Leta knows nothing of the human world. But a ruthless enemy has driven her from the world of dreams and into the home of the only man who can help her: Aidan. Her immortal powers are derived from human emotions - and his anger is just the fuel she needs to defend herself . . . One cold winter's night will change their lives forever . . . Trapped together in a brutal winter storm, Aidan and Leta must turn to the only power capable of saving them - or destroying them both: trust.

No Mercy

The most highly-anticipated novel in the Dark-Hunter series since Acheron is here - the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth. Just when you thought Doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. Misjudged, condemned, betrayed and abandoned, this is Styxx's only chance to set the record straight. He hasn't always been on his brother's side but now he could prove his loyalty . . . if he's willing to trade his life and future for Acheron's. When allegiances are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that threatens to consume the entire world - one that may soon devour your very soul?

Styxx

A Dark-Hunter on a dangerous mission finds his life and love on the line when he meets Dangereuse St. Richard, a beautiful and distracting Dark-Hunter who is out to prevent him from carrying out his duty to destroy her friends.

Sins of the Night

Bride McTierney has just been dumped via FedEx. There's not much that could ease such a broken heart until Vane Kattalakis wanders into her shop and her life. Their whirlwind affair feels too good to be true. Deadly and tortured, Vane Kattalakis isn't what he seems. Most women lament that their boyfriends are dogs. In Bride's case, hers is a wolf. A Were-Hunter wolf. Wanted dead by his enemies, Vane isn't looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered - something no self-respecting wolf can accept... But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win.

Night Play

Eve Erixour is a mercenary with a past no one would envy and more enemies than anyone should have. Death stalks her relentlessly. So when she gains the attention of a League assassin, she considers it par for the course. But Jinx Shadowbourne isn't after Eve. Someone has it in for him and his brethren. High-ranking assassins are falling, and Jinx is convinced one of their own is selling them out. He's on the trail of his key suspect when fate throws him headfirst into Eve's life. The worst of the lot is Vine, determined to claim their lives for taking hers. She will see the world burn . . . and has the perfect lure to destroy them all. One of their own. Kalder Dupree has never known a day of mercy. Born to the cruelest of mer-races, he sacrificed himself for his crew and is in Vine's hands. He expects no mercy or rescue. Yet Cameron Jack is determined to set Kalder free. As a Hellchaser, it's her calling, and she cannot allow even a not-so-innocent to be tortured for an act of kindness that spared her damnation. To defeat evil, it sometimes takes an even worse evil, and Cameron is willing to do whatever she must to make this right. If Vine thought she had her hands full before, she hasn't seen anything nearly as powerful as Cameron's resolve. Death Doesn't Bargain is the second historical fantasy title in New York Times bestselling author Sherrilyn Kenyon's Deadman's Cross series. Where Deadmen tell their tales, and every soul is damned or redeemed by the final choices they make. Praise for Sherrilyn Kenyon: 'A publishing phenomenon . . . Death Doesn't Bargain

Dark-Hunter: an immortal warrior who has traded his soul to Artemis for one moment of vengeance on his enemies. In return, they swear to spend eternity protecting mankind from the daimons and vampires that prey on them. Dark-Hunter Wulf is an ancient Viking warrior with a useful but extremely aggravating power - amnesia. No one who meets him in person can remember him five minutes later. It makes it easy to have one-night stands, but hard to have a meaningful relationship, and without true love he can never regain his soul. Then he meets Cassandra, the one woman who can remember him. However, as the princess of the cursed race Wulf is sworn to hunt, she is forbidden to him...

Kiss Of The Night

Sherrilyn Kenyon returns with the next addictive novel in her globally bestselling Dark-Hunter series . . . There is nothing in the universe the cursed dragon, Falcyn, hates more than humanity . . . and in particular, Greek humans. In a war he wanted no part of, they systematically destroyed everything he'd ever cared for. Now he lies in seclusion, away from the world and waits for the day when evolution will finally rid him of the human vermin. Medea was born the granddaughter of the Greek god Apollo, and among the first of his people that he cursed to die. But she will not let anyone rule her life. Not even her notorious grandfather. And when Apollo sends a new plague to destroy what remains of her people, she refuses to standby and watch him take everything she loves from her again. This time, she knows of a secret weapon that can stop the ancient god and his army of demons. Once and for all. However, said device is in the hands of a dragon who wants nothing to do with politics, the gods, humanity, demons or Greek Apollites. And especially not her. He is the immovable object. When Apollo makes a strategic move that backfires, he forces Falcyn back into play. Now Medea either has the weapon she needs to save her people, or she's unleashed total Armageddon. If she can't find some way to control the dragon before it's too late, Falcyn will be an even worse plague on the world than the one Apollo has set loose. But how can anyone control a demonic dragon whose sole birthright is total destruction?

Shadow Fallen

From the #1 bestselling author of the Dark-Hunters comes an all new tale her fans have been waiting almost two decades to read. A post-apocalyptic tale unlike any you ever seen: The virus ran swiftly on the hot summer breeze. Unseen. Unheard. Unknown. It swept through the entire earth in a matter of months, having mercy on no one. Young—old—it didn't matter. Brought to us by the Drabs, it was the last thing we expected. But the Drabs knew. They even fought a war over whether or not they should save us. In the end, it was decided that we were diseased insects who were unfit to breathe their air. Our air. So they left the human race to die a miserable death of agonizing pain in a matter of months. Left us with no doctors or medicine. Their plan was to rid the earth of us and to take our home as their own. What they never expected was the change that would come after the plague. We didn't all die off as they'd planned. Those under the age of twenty somehow managed to survive the disease. We managed to hide ourselves while our bodies changed. Still human, but now something else. Something more powerful and more intuitive. More pissed off. Now possessed of magical powers and abilities beyond belief, we're still here on this earth, and we're not leaving. This is our home. Our planet. Drabs take note and learn to be afraid. You've had a hundred years here on earth, but now your time here is done. You called us rodents. Insects. Diseased animals. The scraps of humanity—and that, my Drab friend, we certainly are. But what you should have realized is that you can't kill a Scrap. Humanity isn't dead. Not by a long shot. We still have our soldiers and we have our conviction. Most of all, we have hope. And we will win in the end. Whatever it takes. Whatever it costs. We won't allow you to take our planet from us. So count your days, Drabs. The war is on. This edition also contains the short story The Witch of Endor.

#1 New York Times bestselling author Sherrilyn Kenyon brings us back to the astonishing world of the Dark-Hunters in Stygian, with a hero misunderstood by many . . . but most of all by himself. Born before man recorded time, I lived for thousands of years believing myself to be something I'm not. Someone I'm not. Lied to and betrayed by gods, Daimons and Dark-Hunters, I've struggled to find my way in a world where I've been cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son. Trained as a slayer and predator, I

learned to fit in and stay low. To become a tool for evil. Until I was sent to kill the one woman I couldn't. My hesitation cost her her life. Or so I thought. In an act of betrayal that makes all the others pale in comparison, I've learned that this world is an illusion and that my Phoebe still lives. Now I will have to travel into the very pits of Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the road to redemption is one that sings us to our very core. And if I fail to find the answers I need to save Phoebe, more than just my wife will die. We will lose the world. Both human and Daimon.

Cloak & Silence

One of the fiercest soldiers the Phrixians have ever produced, Maris Sulle has been an outsider from the moment he was born different from the rest of his family. He grew up with a secret that cost him everything—his birthright, his family, and his military career. In all his life, he's only had one love,

and he has sacrificed his own happiness to see his best friend reunited with the woman he loves. But now that his good deed is done, he feels lost and adrift. Even though they do their best to include him in their new family, Maris is once again on the outside looking in. Ture has spent his life hiding from everyone around him—his family, the world, you name it—while trying desperately to fit in. Badly hurt by everyone he's ever known, he trusts no one except his own best friend. And honestly, he can't understand why he trusts her. Nor can he believe her when she describes a loyalty between friends the likes of which he's never seen. But when Ture is in his darkest hour, he's saved by a hero he thought only existed in novels. A man who is every bit as scarred and mistrusting as he is—one who has no interest in being dragged into another relationship with anyone. Having spent his life as a living study of doomed relationships, Maris is well aware of the courtship and fiasco that invariably follows. Still, there is something about Ture he can't resist. Something that won't let him walk away when he knows he should. But when old enemies return to threaten them both, they either have to stand together or die alone.

In an act of betrayal that makes all the others pale in comparison, I've learned that this world is an illusion and that my Phoebe still lives. Now I will have to travel into the very pits of Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the road to redemption is one that singes us to our very core. And if I fail to find the answers I need to save Phoebe, more than just my wife will die. We will lose the world. Both human and Daimon.

Seize The Night

Valerius isn't a popular Dark-Hunter - he's a Roman, which means that the largely Greek Hunters have a major grudge against him and his civilization for superceding them. To make things worse, he's very conscious of his aristocratic background and breeding. So it serves him right when he runs into Tabitha Devereaux. She's sassy, sexy, and completely unwilling to take him seriously. (Not to mention Tabitha is also the sister-in-law of Kyrian, a former Dark-Hunter and Val's mortal enemy.) What Tabitha does take seriously is hunting and killing vampires—and soon she and Val have to grapple with the deadliest of all Daimons - one who's managed to come back from the dead, and one who holds a serious grudge against both of them. To win against evil, Val will have to loosen up, learn to trust, and put everything on the line to protect a man he hates and a woman who drives him nuts.

Dragonmark

Sherrilyn Kenyon returns with the next addictive novel in her globally bestselling Dark-Hunter series . . . Enslaved and separated from everyone he knew and from his own dragon brothers, he was forced into exile in a fey realm where he lost the only thing he ever really loved. Now he has a chance to regain what's been lost - to have the one thing he covets most. But only if he gives up his brothers and forsakes the oaths he holds most dear. Yet what terrifies him most isn't the cost his happiness might incur, it's the fact that there is just enough human in his dragon's heart that he might actually be willing to pay it and betray everything and everyone - to see the entire world burn . . .

No Humans Involved

Readers around the world have fallen for Kelley Armstrong's intoxicating, sensual and wicked tales of the paranormal, in which demons and witches, werewolves and vampires collide – often hilariously, sometimes violently – with everyday life. In Armstrong's first six novels, Elena, Paige and Eve have had their way with us. Now get ready for Jaime Vegas, the luscious, lovelorn and haunted necromancer. . . Jaime, who knows a thing or two about showbiz, is on a television shoot in Los Angeles when weird things start to happen. As a woman whose special talent is raising the dead, her threshold for weirdness is pretty high: she's used to not only seeing dead people but hearing them speak to her in very emphatic terms. But for the first time in her life – as invisible hands brush her skin, unintelligible fragments of words are whispered into her ears, and beings move just at the corner of her eye—she knows what humans mean when they talk about being haunted. She is determined to get to the bottom of these manifestations, but as she sets out to solve the mystery she has no idea how scary her investigation will get, or to what depths ordinary humans will sink in their attempts to gain supernatural powers. As she digs into the dark underside of Los Angeles, she'll need as much Otherworld help as she can get in order to survive, calling on her personal angel, Eve, and Hope, the well-meaning chaos demon. Jeremy, the alpha werewolf, is also by her side offering protection. And, Jaime hopes, maybe a little more than that. "As I knelt on the cobblestones to begin the ritual, I opened not some ancient leather pouch, but a Gucci make-up bag. . . . I know little about the geography and theology of the afterlife, but I do know that the worst spirits are kept secured, and my risk of "accidentally" tapping into a hell dimension is next to nil. Even if I do bring back some depraved killer's spirit, what can it do to me? When you deprive someone of the ability to act in the living world, he's pretty darned helpless. In death, even the worst killer plummets from lethal to merely annoying. Yet whatever had been trying to contact me apparently could cross that barrier, could act in the living world. . .at least on me. I added an extra helping of vervain to the censer." —from *No Humans Involved*

Knight of Darkness

Normally, telling them no wouldn't be a problem, except for the fact that the good guys I protect think that I'm an even worse demon than the ones we fight. Hmm, maybe they're right. I have to say that I do enjoy maiming anyone who gets in my way. At least until my mother gives me a simple choice: join Morgen's Circle of the Damned or see an innocent woman die. I'm all for saving the innocent, but Merewyn isn't as innocent as she seems. And she's none too fond of the fact that her fate is in my dubious hands. Personally I'm all for taking the easy way out, but leaving her to Morgen is rough, even for me. Now the only way to save both our lives is to face the vilest forces ever known—my mother and Morgen. And two people who know nothing of trust must learn to rely on each other or die: provided we don't kill each other first.
