The snow glows white on the mountain tonight

A kingdom of isolation

And it looks like I'm the queen

The wind is howling like this swirling storm inside
Don't let them know
Turn away and slam the door
To test the limits and break through
You'll never see me cry
My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And I'll rise like the break of dawn
Let the storm rage on!

The cold never bothered me anyway
