How to Read the New Testament

Bestselling illustrated introduction to the New Testament which enables readers to find their way around and come back for more.

Dictionnaire de théologie catholique

Revisions in the UBS 5th Revised Edition of the Greek New Testament include: readings of the newly discovered Papyri 117 127, a special focus of the revision on the Catholic Epistles, a new, aesthetically appealing and readily legible Greek font. Hardcover.

Dictionnaire de théologie catholique, contenant l'exposé des doctrines de la théologie catholique,

From a biblical, historical, or theological perspective each essay examines a challenge to belief in the integrity and reliability of Scripture. What emerges from these essays is a full-orbed restatement of this evangelical doctrine.

Dictionnaire de la Bible

Shows that there is an interdisciplinary way, drawing on the traditional disciplines of Old and New Testament studies and systematic theology, for the true interpretation of the Bible.

Dictionnaire de la Bible ...

This large handsome volume, carefully reproduced from the original edition of 1849-53 and bound in deluxe Verona cloth, contains 170 drawings made by Layard of sculptures, bas-reliefs, and other objects discovered by him among the ruins of Nineveh.

Tell El Hesy (Lachish)

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Introduction to Hebrew

Verse-by-verse explanations with a literal translation Shouldn't a Bible commentary clarify what God's Word actually says? Going beyond questions of authorship, date, sources, and historicity, respected linguist and teacher Gundry offers a one-volume exposition of the New Testament that focuses on what is most useful for preaching, teaching, and individual study--what the biblical text really means. Providing interpretive observations in a "breezy" style that's easy to read and adaptable for oral use in pulpit or classroom presentations, Gundry directs his book to an evangelical audience. His crisp translation of the New Testament inserts various phrasings of passages in brackets, allowing for smooth transition from original text to alternative and contemporary readings. SAMPLE TEXT OF TRANSLATION JOHN'S PREDICTING A MORE POWERFUL BAPTIZER THAN HE (Mark 1:1-8) 1:1-3: The beginning of the gospel of Jesus Christ, God's Son, according as it's written in Isaiah the prophet, "Behold, I'm sending my messenger before your face [= ahead of you], who'll pave your way [= the road you'll travel], [the messenger who is] the voice of one crying out in the wilderness, 'Prepare the way of the Lord. Make his paths straight.'" Pastors, Sunday school teachers, small-group leaders, and laypeople will welcome Gundry's non-technical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures. A trustworthy guide for anybody wanting to delve deeper into God's Word. SAMPLE TEXT OF COMMENTS "Gospel" means "good news." Jews would associate this good news with Isaiah 52:7. Non-Jews would think of the good news of an emperor's accession to power, birthday, visit to a city, military victory, or bringing of prosperity to the empire. But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms. "The gospel of Jesus Christ" therefore means "the gospel about Jesus Christ" and refers to a proclaimed message ("the voice of one crying out"), not a book (though because books like Mark's contain that proclaimed message, the term came to refer to those books in the capitalized form of "Gospels" to distinguish them from the message, kept uncapitalized as "gospel").

History of Sennacherib

Delve Deeper into God's Word In this verse-by-verse commentary, Robert Gundry offers a fresh, literal translation and a reliable exposition of Scripture for today's readers. The Gospel of Matthew highlights Jesus' messiahship and divine sonship. Matthew defines faithfulness in terms of Christian behavior and verbal testimony and warns against unfaithfulness by accenting its eternal consequences. Pastors,

Sunday school teachers, small group leaders, and laypeople will welcome Gundry's nontechnical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations. This selection is from Gundry's Commentary on the New Testament.

A Mound of Many Cities

Despite its deceptively simple title, this book ponders the thorny issue of the place of the Bible in Jewish religion and culture. By thoroughly examining the complex link that the Jews have formed with the Bible, Jewish scholar Jean-Christophe Attias raises the uncomfortable question of whether it is still relevant for them. *Jews and the Bible* reveals how the Jews define themselves in various times and places with the Bible, without the Bible, and against the Bible. Is it divine revelation or national myth? Literature or legislative code? One book or a disparate library? Text or object? For the Jews, over the past two thousand years or more, the Bible has been all that and much more. In fact, Attias argues that the Bible is nothing in and of itself. Like the Koran, the Bible has never been anything other than what its readers make of it. But what they've made of it tells a fascinating story and raises provocative philosophical and ethical questions. The Bible is indeed an elusive book, and so Attias explores the fundamental discrepancy between what we think the Bible tells us about Judaism and what Judaism actually tells us about the Bible. With passion and intellect, Attias informs and enlightens the reader, never shying away from the difficult questions, ultimately asking: In our post-genocide and post-Zionist culture, can the Bible be saved?
