

The Puritans And Queen Elizabeth

[#Puritans](#) [#Queen Elizabeth I](#) [#Elizabethan era](#) [#English Reformation](#) [#Religious dissent England](#)

Delve into the intricate and often tense relationship between the Puritans and Queen Elizabeth I during the Elizabethan era. This period saw significant religious dissent as Puritans pushed for further English Reformation within the newly established Anglican Church, challenging the Queen's authority and creating a pivotal chapter in English history.

The Puritans and Queen Elizabeth

The Puritans is a comprehensive and detailed account of the history and impact of the Puritan movement in England. Hopkins explores the political, social, and religious implications of this influential group, from their origins in the sixteenth century to their ultimate decline. This book is a must-read for fans of religious history and political science. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Puritans

Folger guides provide lively, authoritative surveys of important aspects of sixteenth- and seventeenth-century English cultural history. Attractively illustrated with material from contemporary documents, the Guides are designed for the general reader and are particularly valuable as enrichment resources for courses in Renaissance history and literature.

The Puritans and Queen Elizabeth

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Puritans, Or the Church, Court, and Parliament of England, During the Reigns of Edward Vi. and Queen Elizabeth

Susan Doran describes and analyses the process of the Elizabethan Reformation, placing it in an English and a European context. She examines the religious views and policies of the Queen, the making of the 1559 settlement and the resulting reforms. The changing beliefs of the English people are discussed, and the author charts the fortunes of both Puritanism and Catholicism. Finally she looks at the strengths and weaknesses of Elizabeth I as royal governor, and of the Church of England as a whole.

The Puritans: Or, the Church, Court, and Parliament of England During the Reigns of Edward VI. and Queen Elizabeth

Both the Papists and the Puritans in Elizabethan England have received a great deal of attention, but for the most part the two groups have been considered in isolation. They had little love for each other and there were profound differences between them, but they had more in common than they cared to admit. It is the purpose of this book to give some account of the two groups and to suggest some of the ways in which they resembled each other as well as some of the ways in which they differed. The first two chapters deal in a general way with the question of religious unity and with the problems presented to the government by the deviationists. The next four chapters treat the subject chronologically. In each, Papists and Puritans are considered separately, but an attempt is made to indicate some of the factors common to both groups. An epilogue on the Hampton Court Conference of 1604 and the Gunpowder Plot of 1605 enables the author to round off the story and to glance briefly at the future of these two religious movements whose history did not end with the death of Elizabeth I and which were already undergoing significant changes. The concluding chapter touches on a number of problems which arise from a consideration of these two deeply committed groups of religious deviationists who were unable to accept the official view.--Adapted from dust jacket.
