## The Preacher's Virgin Daughters Collection 1

Holden Trimble is the fire-and-brimstone preacher who runs Bobcat Springs Church, and he abhors drinking, swearing, and sex outside of holy wedlock. Unfortunately for the poor preacher, he has six teenage daughters who are growing up fast: Kelsey, Lindsay, Brandi, the twins Shelbie and Avery, and sweet little Katie. All six of them are still virgins - for now - but Briarwood Hollow is just packed with sexy blue-eyed deputies, hot athletic hunks, and mouth-watering older men who know exactly what they want and how to get it. What chance does a girl have against all of that? How long can the preacher's virgin daughters stay innocent when sinful temptation is always right around the corner? This collection includes the first four stories of the Preacher's Virgin Daughters series: Taking Kelsey, Sharing Lindsay, Arousing Brandi, and Punishing Shelbie. Older man younger woman, age gap, age difference, may december, police sex, cop sex, erotic romance, erotica, dubious consent, sleep, sleeping, best friends dad, best friends father, taboo, romantic, first time, virgin, rough, unprotected, bareback, creampie, oral, threesome, MFM, menage a trois, young teen girl, teenage, teenager, college, coed, new adult college with sex, contemporary

## God Spare the Girls

"Read it for twists on twists, meditations on faith, and a deeply thoughtful treatment of an evangelical community." — Glamour, Beach Reads That Are Like Summer in a Book "A thoughtful and candid meditation on faith, family, and forgiveness . . . fabulous." —Claire Lombardo, New York Times bestselling author of The Most Fun We Ever Had Recommended by Good Housekeeping, Elle, Parade, Real Simple, Glamour, Refinery29, Bustle, Oprah Daily, The Millions, Shondaland, Yahoo!, Literary Hub, and more! A mesmerizing debut novel set in northern Texas about two sisters who discover an unsettling secret about their father, the head pastor of an evangelical megachurch, that upends their lives and community—a story of family, identity, and the delicate line between faith and deception. Luke Nolan has led the Hope congregation for more than a decade, while his wife and daughters have patiently upheld what it means to live righteously. Made famous by a viral sermon on purity co-written with his eldest daughter, Abigail, Luke is the prototype of a modern preacher: tall, handsome, a spellbinding speaker. But his younger daughter Caroline has begun to notice the cracks in their comfortable life. She is certain that her perfect, pristine sister is about to marry the wrong man—and Caroline has slid into sin with a boy she's known her entire life, wondering why God would care so much about her virginity anyway. When it comes to light, five weeks before Abigail's wedding, that Luke has been lying to his

family, the entire Nolan clan falls into a tailspin. Caroline seizes the opportunity to be alone with her sister. The two girls flee to the ranch they inherited from their maternal grandmother, far removed from the embarrassing drama of their parents and the prying eyes of the community. But with the date of Abigail's wedding fast approaching, the sisters will have to make a hard decision about which familial bonds are worth protecting. An intimate coming-of-age story and a modern woman's read, *God Spare the Girls* lays bare the rabid love of sisterhood and asks what we owe our communities, our families, and ourselves. "A deeply felt book about love — love for family and community, for people who sustain you and people who disappoint you. And love for God, too, which Kelsey McKinney writes about with humane and incisive frankness."—Linda Holmes, New York Times bestselling author of *Evvie Drake Starts Over* "The accomplishment of this canny novel is in positing coming of age itself as a loss of faith—not only in the church, but in our parents, our family, and the world as we thought we understood it." — Rumaan Alam, New York Times bestselling author of *Leave the World Behind* and *Rich and Pretty*

### Babysitter and the Beast

I've always had a thing for older guys - usually much older guys. They're like my kryptonite or something... Nineteen-year-old Jenna is back and babysitting for a new boss who is so sexy that she gets tingly just being in the same room with him. Sure, Dylan is a lot older, but with the way he makes her insides quiver, who cares? The problem is that his greatest pleasure in life seems to be in finding fault with everything she does and giving scathing lectures until she dreads even setting foot in his house. But then she discovers a clue that makes her think that maybe Dylan doesn't dislike her quite as much as he would like her to believe. Can Jenna tame her beast of a boss and satisfy her own animal urges at the same time? Keywords: babysitter erotica, short sex stories, erotica short stories, older man younger woman, may december, new adult, babysitter babysitting sitter nanny erotic breeding contemporary story books ebooks series breeding bareback steamy schoolgirl young teen girl teenager

### Albion's Seed

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

### The Publishers Weekly

From the acclaimed author of *Floating in My Mother's Palm* and *Children and Fire*, a stunning story about ordinary people living in extraordinary times—"epic, daring, magnificent, the product of a defining and mesmerizing vision" (Los Angeles Times). Trudi Montag is a Zwerg—a dwarf—short, undesirable, different, the voice of anyone who has ever tried to fit in. Eventually she learns that being different is a secret that all humans share—from her mother who flees into madness, to her friend Georg whose parents pretend he's a girl, to the Jews Trudi harbors in her cellar. Ursula Hegi brings us a timeless and unforgettable story in Trudi and a small town, weaving together a profound tapestry of emotional power, humanity, and truth.

### Publishers' Weekly

A 1980s small town Alabama shut-in fears for her life after a killer's release in this crime thriller by the author of *Dream with Little Angels*. At twenty-two, Sylvie Carson has known a lifetime's worth of trouble. When she was a child, her baby brother was shot to death by a man named Preacher Eli. Orphaned by her teens, Sylvie is now raising her own baby with no partner in sight. For all these reasons, Leah Teal, Alvin, Alabama's only detective, tries to stay patient when Sylvie calls the station day and night, always with some new false alarm. But now Preacher Eli is out of prison and moving back to town. As far as the law is concerned—the old man has paid his dues—though Leah's twelve-year-old son, Abe, vehemently disagrees. Between that and his relentless curiosity about the daddy he hardly knew, Abe's imagination is running in all directions lately. While Leah struggles with how much of the past to

reveal to Abe, she's also concerned about Sylvie's mounting panic. Something in her gut tells her the girl might be a target after all. For as Leah knows well, there's danger not just in the secrets others keep from us, but in the lies that corrupt from within. It's a hunch that will be tested soon enough, as tensions mount on both sides. Evoking the South with depth and grace, Michael Hiebert's poignant, gripping novel captures the strength wrought by heartache and lost innocence—and the transformative power of forgiveness, whenever it comes . . . Praise for *Dream with Little Angels* "Hiebert's first novel courts comparison to the classic *To Kill a Mockingbird*, but the book manages to soar as a moving achievement in its own right. In Hiebert's hands, psychological insight and restrained lyricism combine to create a coming-of-age tale as devastating as it is indelible." —Publis

#### Stones from the River

I've always had a thing for older guys - usually much older guys. They're like my kryptonite or something... Every other weekend nineteen-year-old Jenna babysits for Colin and Alicia. It seems like a fairly dull job until one night they come home early with another young woman in tow, and thinking that Jenna is asleep on the couch they have a wild threesome. But Jenna isn't asleep, and now at night she dreams of sharing them until she can barely sleep - first Alicia, then Colin, and then both of them together. Saturday night finds Jenna pretending to sleep on the couch again, hoping that Colin and Alicia will make it another early night. This time will they be looking for a new playmate? #### Youth's Companion

With *Faithful Translators* Jaime Goodrich offers the first in-depth examination of women's devotional translations and of religious translations in general within early modern England. Placing female translators such as Queen Elizabeth I and Mary Sidney Herbert, Countess of Pembroke, alongside their male counterparts, such as Sir Thomas More and Sir Philip Sidney, Goodrich argues that both male and female translators constructed authorial poses that allowed their works to serve four distinct cultural functions: creating privacy, spreading propaganda, providing counsel, and representing religious groups. Ultimately, *Faithful Translators* calls for a reconsideration of the apparent simplicity of "faithful" translations and aims to reconfigure perceptions of early modern authorship, translation, and women writers.

#### The Youth's Companion

Mental disorders arise from neural and psychological mechanisms that have been built and shaped by natural selection across our evolutionary history. Looking at psychopathology through the lens of evolution is the only way to understand the deeper nature of mental disorders and turn a mass of behavioral, genetic, and neurobiological findings into a coherent, theoretically grounded discipline. The rise of evolutionary psychopathology is part of an exciting scientific movement in psychology and medicine -- a movement that is fundamentally transforming the way we think about health and disease. Evolutionary Psychopathology takes steps toward a unified approach to psychopathology, using the concepts of life history theory -- a biological account of how individual differences in development,

physiology and behavior arise from tradeoffs in survival and reproduction -- to build an integrative framework for mental disorders. This book reviews existing evolutionary models of specific conditions and connects them in a broader perspective, with the goal of explaining the large-scale patterns of risk and comorbidity that characterize psychopathology. Using the life history framework allows for a seamless integration of mental disorders with normative individual differences in personality and cognition, and offers new conceptual tools for the analysis of developmental, genetic, and neurobiological data. The concepts presented in *Evolutionary Psychopathology* are used to derive a new taxonomy of mental disorders, the Fast-Slow-Defense (FSD) model. The FSD model is the first classification system explicitly based on evolutionary concepts, a biologically grounded alternative to transdiagnostic models. The book reviews a wide range of common mental disorders, discusses their classification in the FSD model, and identifies functional subtypes within existing diagnostic categories.

### The Babysitter's Seduction

The unforgettable story of one woman who leaves behind her hardscrabble childhood in Alaska to travel the country via freight train—a beautiful memoir about forgiveness, self-discovery, and the redemptive power of nature, perfect for fans of *Wild* or *Educated*. “An urgent read. A courageous life. Quinn’s story burns through us and bleeds beauty on every page.”—Noé Alvarez, author of *Spirit Run: A 6,000-Mile Marathon Through North America’s Stolen Land* After a childhood marked by neglect, poverty, and periods of homelessness, with a mother who believed herself to be the reincarnation of the Virgin Mary, Carrot Quinn moved out on her own. She found a sense of belonging among straight-edge anarchists who taught her how to traverse the country by freight trains, sleep in fields under the stars, and feed herself by foraging in dumpsters. Her new life was one of thrilling adventure and freedom, but still she was haunted by the ghosts of her lonely and traumatic childhood. *The Sunset Route* is a powerful and brazenly honest adventure memoir set in the unseen corners of the United States—in the Alaskan cold, on trains rattling through forests and deserts, as well as in low-income apartments and crowded punk houses—following a remarkable protagonist who has witnessed more tragedy than she thought she could ever endure and who must learn to heal her own heart. Ultimately, it is a meditation on the natural world as a spiritual anchor, and on the ways that forgiveness can set us free.

### Teachable 3 (Older Man Younger Woman Sharing Erotica)

MURIEL MCCARTHY This volume originated from a seminar organised by Richard H. Popkin in Marsh's Library on July 7-8, 1994. It was one of the most stimulating events held in the Library in recent years. Although we have hosted many special seminars on such subjects as rare books, the Huguenots, and Irish church history, this was the first time that a seminar was held which was specifically related to the books in our own collection. It seems surprising that this type of seminar has never been held before although the reason is obvious. Since there is no printed catalogue of the Library scholars are not aware of its contents. In fact the collection of books by late seventeenth and early eighteenth century European authors on, for example, such subjects as biblical criticism, political and religious controversy, is one of the richest parts of the Library's collections. Some years ago we were informed that of the 25,000 books in Marsh's at least 5,000 English books or books printed in England were printed between 1640 and 1700.

### Universalist Watchman, and Christian Repository

Accessible, challenging, funny, and one of the best reads on how to love others in any situation. Love and hospitality can change the way you see the world and others. That's exactly what modern-day theologian, Richard Beck, experienced when he first led a Bible study at a local maximum security prison. Beck believed the promise of Matthew 25 that states when we visit the prisoner, we encounter Jesus. Sure enough, God met Beck in prison. With his signature combination of biblical reflection, theological reasoning, and psychological insight, Beck shows how God always meets us when we entertain the marginalized, the oppressed, and the refugee. Stories from Beck's own life illustrate this truth -- God comes to him in the poor, the crippled, the smelly. Psychological experiments show how we are predisposed to appreciate those who are similar to us and avoid those who are unlike us. The call of the gospel, however, is to override those impulses with compassion, to "widen the circle of our affection." In the end, Beck turns to the Little Way of St. Thérèse of Lisieux for guidance in doing even the smallest acts with kindness, and he lays out a path that any of us can follow.

### The Christian Union

Christianity Today 5-Star Review Publishers Weekly Review Foreword Reviews Indie Awards Finalist Gain a greater understanding of gender in the Bible through the eyes of a diverse group of evangelical scholars who assert that Christians have missed the point of some scriptural stories by assuming the women in them were "bad girls." Did the Samaritan woman really divorce five husbands in a world where women rarely divorced even one? Did Bathsheba seduce King David by bathing in the nude? Was Mary Magdalene really a reformed prostitute? While many have written studies of the women in the Bible, this is a new kind of book—one in which an international team of male and female scholars look afresh at vilified and neglected women in the Bible. The result is a new glimpse into God's heart for anyone, male or female, who has limited social power.

#### Harper's Weekly

It wasn't technically an exorcism, what they did to Clare. When the reverend and his son ripped her demon from her, they called it a "deliverance." But they didn't understand that Clare and her demon—known simply as Her—were like sisters. She comforted Clare, made her feel brave, helped to ease her loneliness. They were each other's Only. Now, Clare's only comforts are the three clues that She left behind: Be nice to him June 20 Remember the stories Clare will do anything to get Her back, even if it means teaming up with the reverend's son and scouring every inch of her small, Southern town for answers. But if she sacrifices everything to bring back her demon, what will be left of Clare?

#### Frank Leslie's Illustrated Newspaper

She's making a wish list, and he wants to be on top. From foster kid to trophy wife, Tessa McAllen is about to reinvent herself all over again—and defy every insult her cheating ex-husband ever used against her: Selfish? She's championing a charity. Stupid? She's getting her degree. Boring in bed? Kade Vandergriff can help her with that one. When they encounter each other at a singles event held at one of his restaurants, Tessa blurts out that kink is for girls who try too hard, and Kade instantly wants to show this sassy stranger how thrilling a night under his command can be...but when he learns her name, the game changes for both of them. In high school, Tessa was the popular girl who stuttering, awkward Kade fell for. But she chose another. Now, as she eagerly learns lesson after lesson, he's going to make sure she never forgets him again.

#### New York Times Saturday Review of Books and Art

I was so lucky to get adopted. My birth family was terrible to me, and my new family plucked me off the streets just in the nick of time. I was even luckier to end up with twin stepbrothers, two gorgeous hunks who I managed to annoy every summer at our family's cabin by the lake. But now that we're all adults, I'm not interested in playing pranks. I'm interested in playing an entirely different game... one with ropes and chains. This summer, fun in the sun with my stepbrothers can only mean one thing: a taboo tryst that none of us will soon forget.

## The Living Church

First in a series of 14 volumes, this book contains the complete texts of King's letters, speeches, sermons, student papers, and other articles. The papers range chronologically from his childhood to his young manhood. An introductory biographical essay presents a broad picture of the events that the documents themselves cover, while extensive annotations of the documents deal with specific details of King's life during these years. The passion that drove him is observable in nearly every document. ISBN 0-520-07950-7:

## The Index ... A Weekly Paper

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought."—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—The Washington Post Book World "Compelling."—USA Today "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—The Sciences "Passionate."—San Francisco Examiner-Chronicle

## The Sunset Route

Judaeo-Christian Intellectual Culture in the Seventeenth Century
