

madness and social representation living with the mad in one french community medicine and society

[#madness social representation](#) [#mental health france](#) [#societal perception mental illness](#) [#medical sociology madness](#) [#living with mental illness community](#)

Delve into the complex interplay between madness and its social representation within a specific French community. This piece examines the lived experiences of individuals with mental illness, exploring the societal perceptions and the evolving role of medicine in shaping our understanding of mental health and integration.
