The Planet Indigo

We Would Expect Them To Win Right like We Would Expect Them To Take Today Only for Gordon You Know for the Battle To End for all Three Thor's To Come Crashing Back to Earth and for Gore to Then the One That Came Out Triumphant and So What Jason Aaron Does Is He Gives Us this Amazing Crescendo It's Almost like this this Feeling that all Hope Is Lost that Gore Has Managed To Defeat Three Thor's and They all Have an Incredible Endurance Fighting Prowess the Whole Nine Yards and Gore Still Wins and So Again It's a Very Terrifying Situation but What We End Up Doing Is We Pick Up with the Wife of Gore When She Basically Begins To Do Kind Of Talking to Her Husband And Even Then When this Story Was Written the Power behind the Hammers Had Not Been Explained by Jason Aaron Now We Know Now that It's Just like this Sentient Cosmic Storm It's Basically Cosmic Energy inside this Hammer That's Been Harnessed by Odin so that Thor Can Use It Having Two Hammers Composed of Cosmic Energy It Creates a Level of Power Hitherto on Rivalled and So What this Does with or Essentially Smashing Them Together It Allows Him To both Destroy the God Bomb before It Kills any of the Other Gods across all Time in Space As Well as Absorb the Necro Sword Now What this Does Is It Basically Transforms Thor into the God of Gods

And So What this Does Is It Gives Us Kind Of a Really Cool Epilogue in the Sense that We Pick Up About Three Days Later after this Battle and since that Asgard Has Turned into the Sort of Beacon and Home for Gods across the Cosmos that all Gods from All these Different Races Are all Kind of Coming Back They'Re Arriving on Asgard It's Going To Serve as a Major Hub of Course What's Left of the Asgardians Still Reside There We Don't Know Explicitly What Role That You Know Asgard Will Play in the Future At Least Not Yet but at this Moment We Just Sort Of Pick Up with the Idea that Everybody's Living out the Rest of Their Lives You Know that the Past-- the or that Modern Thor Are Sent Back to Their Own Times Respectively a King Thor Stays in the Future

The Issue with this and the Reason Why It's It's So Important Is because in this Particular Story We'Re Kind Of Left To Believe that Had Secret Wars Not Happened Then this Series of Events Would Have Transpired some You Know Five Six Seven Thousand Years in the Future and So the Best Way To Think about this Is that Whenever You Pick Up a Marvel Story and It Says Thousands of Years in the Future or Something like that and It's the Story That Took Place before Secret Wars Then Basically Just Act as though that Story Took Place as if Secret Wars Never Happened and for Whatever Reason Secret Wars Ended Up Taking Place and So because that Is Really the Only Way We Have To Kind Of Rectify
