More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children's literature. Latinos are the fastest growing and largest ethnic minority in the United States. The number of Latino children is at a historic high. As a result, librarians and teachers in the United States must know how to meet the informational, cultural, and traditional literacy needs of this student demographic group. An ideal way to overcome this challenge is by providing culturally accurate and authentic children's literature that represents the diversity of the Latino cultures. Much more than simply a topical bibliography, this book details both historical and current practices in educating Latino children; explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children; and offers

a historical overview of Latino children's literature in America. Web resources of interest to educators working with Latino children are also included.

Celebrating Cuentos

A collection of Hispanic folktales.

Tales Our Abuelitas Told

Brief descriptions of several Hispanic holidays as they are celebrated in North, Central, and South Amer.

Piñatas Y Flores de Papel

In this timely tale of immigration, two cousins learn the importance of family and friendship. A year of discoveries culminates in a performance full of surprises, as two girls find their own way to belong. Mexico may be her parents' home, but it's certainly not Margie's. She has finally convinced the other kids at school she is one-hundred percent American—just like them. But when her Mexican cousin Lupe visits, the image she's created for herself crumbles. Things aren't easy for Lupe, either. Mexico hadn't felt like home since her father went North to find work. Lupe's hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls' individual steps find the rhythm of one shared dance, and they learn what "home" really means. In the tradition of *My Name is Maria Isabel*—and simultaneously published in English and in Spanish—Alma Flor Ada and her son Gabriel M. Zubizarreta offer an honest story of family, friendship, and the classic immigrant experience: becoming part of something new, while straying true to who you are.

Dancing Home

A buoyant, breathtaking poem from Juan Felipe Herrera — brilliantly illustrated by Caldecott Honoree Lauren Castillo — speaks to every dreaming heart. Have you ever imagined what you might be when you grow up? When he was very young, Juan Felipe Herrera picked chamomile flowers in windy fields and let tadpoles swim across his hands in a creek. He slept outside and learned to say good-bye to his amiguitos each time his family moved to a new town. He went to school and taught himself to read and write English and filled paper pads with rivers of ink as he walked down the street after school. And when he grew up, he became the United States Poet Laureate and read his poems aloud on the steps of the Library of Congress. If he could do all of that . . . what could you do? With this illustrated poem of endless possibility, Juan Felipe Herrera and Lauren Castillo breathe magic into the hopes and dreams of readers searching for their place in life.

Island Treasures

Saturdays and Sundays are very special days for the child in this story. On Saturdays, she visits Grandma and Grandpa, who come from a European-American background, and on Sundays -- los domingos -- she visits Abuelito y Abuelita, who are Mexican-American. While the two sets of grandparents are different in many ways, they also have a great deal in common -- in particular, their love for their granddaughter. While we follow our narrator to the circus and the pier, share stories from her grandparents' pasts, and celebrate her birthday, the depth and joy of both cultures are conveyed in Spanish and English. This affirmation of both heritages will speak to all children who want to know more about their own families and ethnic backgrounds.

I Love Saturdays Y Domingos

Presents articles, editorials and ads from the "Hidden Forest Times" that retell many well-known stories, including Jack and the beanstalk, Pinocchio, and the Tortoise and the Hare. When the residents of Hidden Forest wake up and open their morning papers, they are in for a surprise. When the residents of Hidden Forest wake up and open their morning papers, they are in for a surprise. An enormous beanstalk has mysteriously sprouted outside of Jack Blake's house, and Jack is nowhere to be found. Meanwhile, Pinocchio and Half-Chicken have set out on adventures of their own, and Tortoise and Hare are off to the races. Will they all find their happy endings? Hidden Forest News has got the scoops. Written and laid out in newspaper format, this installment in the enchanting Hidden Forest series has received a new twist from Alma Flor Ada and Leslie Tryon.

First Spanish Reader

Have you ever wanted to learn Spanish and have fun at the same time? Most of the time, teaching books are boring. They always have the same kind of format: Two (sometimes more) people talking about where the library is, or where to find Juan. That's boring, and to be honest, it's not a great way to learn the language (not to mention that they don't always talk about things that you might encounter in your daily life, for example, a judgmental ghost, being the last man on Earth, or maybe find that the love of your life has been stolen). But in this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the

small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. I hope you like them. All these stories are written from my heart, and I deeply hope that you will find them funny, mysterious, romantic, or at least entertaining. That's my goal as a writer, and I hope you enjoy your time reading (and learning!) Get your copy now!

Spanish Short Stories

This is an all new version of the popular PARALLEL TEXT series, containing eight pieces of contemporary fiction in the original Spanish and in English translation. Including stories by Fuentes, Molinas, Marquez and Cortazar, this volume gives a fascinating insight into Spanish and Latin American culture and literature as well as providing an invaluable educational tool.

Short Stories in Spanish

Margarita is a girl from two worlds. Her heart lies in Cuba, her mother's tropical island country, a place so lush with vibrant life that it seems like a fairy tale kingdom. But most of the time she lives in Los Angeles, lonely in the noisy city and dreaming of the summers when she can take a plane through the enchanted air to her beloved island. Words and images are her constant companions, friendly and comforting when the children at school are not.

Enchanted Air

In this Hawaiian folk tale, Punia tricks the King of Sharks, the guardian of the lobster cave; three times he brings home fresh lobster for dinner. But each time Punia succeeds, the King of Sharks gets angrier. Will the shark take revenge on Punia, or will Punia's clever tricks make him the hero of his whole village?

Punia and the King of Sharks

Hidden Forest has a new resident. Little Red Hen and her seven little chicks have moved into a cottage and plan to grow a bountiful crop of corn in the nearby field. The problem is that none of the Red Hen's neighbors are willing to help with the hard work. "Not I," says the dog, the goose, and the lazy cat. So Goldilocks, who has heard about the new arrivals from her friend Little Red Riding Hood, comes up with a neighborly idea: Why don't all the residents of Hidden Forest chip in and work on the garden? Better yet, why not make it a surprise? Of course there are a couple of residents who might not be so cooperative. Will Wolfy Lupus and his cousin Fer O'Cious hatch a new plot of their own? Following the highly acclaimed Dear Peter Rabbit and Yours Truly, Goldilocks, Alma Flor Ada and Leslie Tryon offer young readers another peek into the world of their favorite storybook characters, revealed through the charming letters they write to one another.

With Love, Little Red Hen

Winner of the Pura Belpré Award! "We need books to break open our hearts, so that we might feel more deeply, so that we might be more human in these unkind times. This is a book doing work of the spirit in a time of darkness." —Sandra Cisneros, author of *The House on Mango Street* Efrén Nava's Amá is his Superwoman—or Soperwoman, named after the delicious Mexican sopas his mother often prepares. Both Amá and Apá work hard all day to provide for the family, making sure Efrén and his younger siblings Max and Mía feel safe and loved. But Efrén worries about his parents; although he's American-born, his parents are undocumented. His worst nightmare comes true one day when Amá doesn't return from work and is deported across the border to Tijuana, México. Now more than ever, Efrén must channel his inner Soperboy to help take care of and try to reunite his family. A glossary of Spanish words is included in the back of the book.

Efrén Divided

In the fourteenth book in the Henry and Mudge series, it is Henry's birthday! There will be bright balloons, presents, and cake! For these two friends, it is more than a birthday, it's the best day of all!

Henry and Mudge and the Best Day of All

A lyrical biography of a Cuban slave who escaped to become a celebrated poet. Born into the household of a wealthy slave owner in Cuba in 1797, Juan Francisco Manzano spent his early years by the side of a woman who made him call her Mama, even though he had a mama of his own. Denied an education, young Juan still showed an exceptional talent for poetry. His verses reflect the beauty of his world, but they also expose its hideous cruelty. Powerful, haunting poems and breathtaking illustrations create a portrait of a life in which even the pain of slavery could not extinguish the capacity for hope. *The Poet Slave of Cuba* is the winner of the 2008 Pura Belpré Medal for Narrative and a 2007 Bank Street - Best Children's Book of the Year. Latino Interest.

The Poet Slave of Cuba

Gold Dust

A celebration of the love between a father and daughter, and of a vibrant immigrant neighborhood, by an award-winning author and illustrator duo. When Daisy Ramona zooms around her neighborhood with her papi on his motorcycle, she sees the people and places she's always known. She also sees a community that is rapidly changing around her. But as the sun sets purple-blue-gold behind Daisy Ramona and her papi, she knows that the love she feels will always be there. With vivid illustrations and text bursting with heart, *My Papi Has a Motorcycle* is a young girl's love letter to her hardworking dad and to memories of home that we hold close in the midst of change.

My Papi Has a Motorcycle

Funny Bones tells the story of how the amusing calaveras—skeletons performing various everyday or festive activities—came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852–1913). In a country that was not known for freedom of speech, he first drew political cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico's Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with

that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.

Funny Bones

A New York Times bestseller that brings to life one of the bloodiest battles of World War II—and the beginning of the end of the Third Reich. On August 5, 1942, giant pillars of dust rose over the Russian steppe, marking the advance of the 6th Army, an elite German combat unit dispatched by Hitler to capture the industrial city of Stalingrad and press on to the oil fields of Azerbaijan. The Germans were supremely confident; in three years, they had not suffered a single defeat. The Luftwaffe had already bombed the city into ruins. German soldiers hoped to complete their mission and be home in time for Christmas. The siege of Stalingrad lasted five months, one week, and three days. Nearly two million men and women died, and the 6th Army was completely destroyed. Considered by many historians to be the turning point of World War II in Europe, the Soviet Army's victory foreshadowed Hitler's downfall and the rise of a communist superpower. Bestselling author William Craig spent five years researching this epic clash of military titans, traveling to three continents in order to review documents and interview hundreds of survivors. *Enemy at the Gates* is the enthralling result: the definitive account of one of the most important battles in world history. It became a New York Times bestseller and was also the inspiration for the 2001 film of the same name, starring Joseph Fiennes and Jude Law.

Enemy at the Gates

Children around the world hear different night sounds before they go to sleep. Asleep approaches, children across the world listen to the noises of the night. Familiar with the sounds surrounding them, they can only imagine what other kids hear as they lie in their beds far, far away. One young boy, camping outside and listening to katydids, dreams about kids just like him, only different. He pictures Maria in Brazil hearing howling monkeys, Habib in Egypt listening to the shifting sand, Meli in Western Samoa hearing squeaking fruit bats ... Such dreams take him through the night and "all the way to morning." Glowing and evocative illustrations depict a journey around the world, capturing and celebrating the wonderful diversity of children everywhere. On a camping trip, a father tells his son what children in other countries such as Israel, Japan, & Kenya hear as they go to sleep at night.
