Aesopic Conversations

Examining the figure of Aesop and the traditions surrounding him, Aesopic Conversations offers a portrait of what Greek popular culture might have looked like in the ancient world. What has survived from the literary record of antiquity is almost entirely the product of an elite of birth, wealth, and education, limiting our access to a fuller range of voices from the ancient past. This book, however, explores the anonymous Life of Aesop and offers a different set of perspectives. Leslie Kurke argues that the traditions surrounding this strange text, when read with and against the works of Greek high culture, allow us to reconstruct an ongoing conversation of "great" and "little" traditions spanning centuries. Evidence going back to the fifth century BCE suggests that Aesop participated in the practices of nonphilosophical wisdom (sophia) while challenging it from below, and Kurke traces Aesop's double relation to this wisdom tradition. She also looks at the hidden influence of Aesop in early Greek mimetic or narrative prose writings, focusing particularly on the Socratic dialogues of Plato and the Histories of Herodotus. Challenging conventional accounts of the invention of Greek prose and recognizing the problematic sociopolitics of humble prose fable, Kurke provides a new approach to the beginnings of prose narrative and what would ultimately become the novel. Delving into Aesop, his adventures, and his crafting of fables, Aesopic Conversations shows how this low, noncanonical figure was--unexpectedly--central to the construction of ancient Greek literature. Some images inside the book are unavailable due to digital copyright restrictions.

The Most Beloved Fairytales of Oscar Wilde Edition

A "sublime and gripping novel ... about hope: that within the world's messy pain there is still room for transformation and healing" (Madeline Miller, New York Times bestselling author of *Circe*), from the acclaimed author of *Cantoras*. "In the president's excruciating (and sometimes humorous) encounters with his strangely healing frog ... De Robertis daringly invites us to imagine a man's Promethean struggle to wrest control of his broken psyche under the most dire circumstances possible." —The New York Times Book Review At his modest home on the edge of town, the former president of an unnamed Latin American country receives a journalist in his famed gardens to discuss his legacy and the dire circumstances that threaten democracy around the globe. Once known as the Poorest President in the World, his reputation is the stuff of myth: a former guerilla who was jailed for inciting revolution before becoming the face of justice, human rights, and selflessness for his nation. Now, as he talks to the journalist, he wonders if he should reveal the strange secret of his imprisonment: while held in brutal solitary confinement, he survived, in part, by discussing revolution, the quest for dignity, and what it means to love a country, with the only creature who ever spoke back—a loud-mouth frog. As engrossing as it is innovative, vivid, moving, and full of wit and humor, *The President and the Frog* explores the resilience of the human spirit and what is possible when danger looms. Ferrying us between a grim jail cell and the president's lush gardens, the tale reaches beyond all borders and invites us to reimagine what it means to lead, to dare, and to dream.

¡Buenos días queridos estudiantes!
Hoy tengo una cita importante.
No puedo dar las lecciones.

Otro profesor impartirá las clases.
Se llama Sra. Salamanca.
Ella es muy agradable.
Les gustará.
Hola queridos estudiantes.
Mi nombre es Sra. Salamanca.
Soy la profesora sustituta del Sr. Castaño.
Hoy las lecciones son conmigo.
Tienen mucho que aprender.
Es la única manera de tener una oportunidad de conseguir un buen trabajo.
Por eso ahora vamos a escribir una prueba.
¿Qué, vamos a hacer una prueba?
Sí, una prueba sobre la última hora.
¿Has estudiado el material?
Tienes que hacerlo.
Lo haré hoy mismo.
Puedes hacerlo.
De todos modos, haremos la prueba.
Tienen 30 minutos. El tiempo comienza ahora.
Entonces tengo que darte un 6
¿Qué pasa, Lisa? ¿Por qué lloras?
¿Otro 6? ¿Cómo ha ocurrido eso?
Tuvimos una prueba no anunciada.
¿Y el Sr. Castaño todavía te dio una F?
No, fue la Sra. Salamanca.
Voy a hablar con ella.
Hola Sra. Salamanca, soy el Sr. Peter
Soy el padre de Lisa.
¿En qué puedo ayudarle, Sr. Peter?
Puede venir a mi oficina.
¡Ya es suficiente!
Hablaré seriamente con la Sra. Salamanca.
Lisa no puede conseguir otro 6.
Esta es la escuela de Lisa.
Iré a la oficina de la Sra. Salamanca
Iré directo al grano.
¡Con mucho gusto!
Porque entregó una hoja en blanco.
No estuvo allí la última hora.
No me importa. Tiene que repetir La materia.
¿No crees que es un poco duro?
Eres demasiado amable.
Esto no es bueno para Lisa.
¿Por qué se ha ido el Sr. Castaño?
