Andy Gordon

Unable to afford classes, Andy Gordon subsidizes his education by taking care of the school-house. One day, Andy's mother receives a letter from her wealthy uncle, Simon Dodge, who asks for help in extricating himself from a situation.

Andy Gordon Or the Fortunes of a Young Janitor...

"Andy Gordon; Or, The Fortunes of A Young Janitor" by Horatio Jr. Alger, Jr. is a classic tale of determination and perseverance. The story revolves around the young and hardworking protagonist, Andy Gordon, who works as a janitor but dreams of a better life. Alger's narrative emphasizes the values of honesty, integrity, and ambition as Andy faces various trials and tribulations on his path to success. This novel serves as an inspirational reminder that with dedication and a strong work ethic, one can overcome obstacles and achieve their goals.

Andy Gordon; Or, The Fortunes of A Young Janitor

The book "" Andy Gordon; Or, The Fortunes of A Young Janitor, has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

Andy Gordon, Or, The Fortunes of a Young Janitor

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. In this story we find Andy Gordon, the son of a poor widow, as the hero. Being eager for an education, he is obliged to work after school hours to get it. He is a good student and is well liked and highly respected. Herbert Ross, one of Andy's classmates, is the son of a wealthy lawyer. He is a conceited, disagreeable boy, not well liked and not a good student. He treats Andy most

shamefully, but Andy proves to be a friend in need. The many thrilling experiences, which Andy has, bring forth his fine characteristics. His ideas of justice are firmly fixed in his mind and he resolves to do all in his power to obtain it. However his work is not in vain and he is well rewarded.

Andy Gordon; Or, The Fortunes of A Young Janitor

Unable to afford classes, Andy Gordon subsidizes his education by taking care of the school-house. One day, Andy's mother receives a letter from her wealthy uncle, Simon Dodge, who asks for help in extricating himself from a situation.

Andy Gordon (Annotated)

Excerpt from Andy Gordon, or the Fortunes of a Young Janitor The Hamilton Academy, under the charge of Rev. Dr. Euclid, stands on an eminence about ten rods back from the street, in the town of the same name. It is a two-story building, surmounted by a cupola, or belfry, and, being neatly painted brown and well cared for, is, on the whole, an ornament to the Village. It was a quarter of nine, when a boy of sixteen, rather showily dressed, ascended the academy hill and entered the front door, which was already open. He swung a small light cane in his hand - rather an unusual article for a schoolboy to carry - and it was clear, from his general appearance and bearing, that he had a high opinion of himself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Andy Gordon, Or, The Fortunes of a Young Janitor

Horatio Alger Jr. (January 13, 1832 - July 18, 1899) was an American writer, best known for his many young adult novels about impoverished boys and their rise from humble backgrounds to lives of middle-class security and comfort through hard work, determination, courage, and honesty. His writings were characterized by the "rags-to-riches" narrative, which had a formative effect on America during the Gilded Age.

Andy Gordon, Or, The Fortunes of a Young Janitor

Horatio Alger, Jr. (January 13, 1832 - July 18, 1899) was an American writer. He wrote magazine stories and poems, a few novels for adults, and 100 plus boys' books. His boys' books were hugely popular. Alger was born in Massachusetts, and attended Harvard College. He became a Unitarian minister, but his career as a clergyman was brief. It ended when his congregation charged him with child molestation. Criminal charges were not placed against him, but his career in the church was finished. He moved to New York City to become a professional writer. In 1868, Alger found his place in the literary world with his fourth boys' book, Ragged Dick.

Andy Gordon, Or the Fortunes of a Young Janitor (Classic Reprint)

Unable to afford classes, Andy Gordon subsidizes his education by taking care of the school-house. One day, Andy's mother receives a letter from her wealthy uncle, Simon Dodge, who asks for help in extricating himself from a situation.

Andy Gordon

Fifth-grade student Jack finds himself the target of ridicule when it becomes known that his father is one of the school janitors. Humiliated, Jack performs an act of revenge and gets himself into a sticky situation. Jack's unique punishment leads him to discoveries about the school, his father, and himself.

Forging Ahead

An innovative new anthology exploring how science fiction can motivate new approaches to economics. From the libertarian economics of Ayn Rand to Aldous Huxley's consumerist dystopias, economics and science fiction have often orbited each other. In *Economic Science Fictions*, editor William Davies has deliberately merged the two worlds, asking how we might harness the power of the utopian imagination to revitalize economic thinking. Rooted in the sense that our current economic reality is no longer credible or viable, this collection treats our economy as a series of fictions and science fiction as a means of anticipating different economic futures. It asks how science fiction can motivate new approaches to economics and provides surprising new syntheses, merging social science with fiction, design with politics, scholarship with experimental forms. With an opening chapter from Ha-Joon Chang as well as theory, short stories, and reflections on design, this book from Goldsmiths Press challenges and changes the notion that economics and science fiction are worlds apart. The result is a wealth of fresh and unusual perspectives for anyone who believes the economy is too important to be left solely to economists. Contributors AUDINT, Khairani Barokka, Carina Brand, Ha-Joon Chang, Miriam Cherry, William Davies, Mark Fisher, Dan Gavshon-Brady and James Pockson, Owen Hatherley, Laura Horn, Tim Jackson, Mark Johnson, Bastien Kerspern, Nora O Murchú, Tobias Revell et al., Judy Thorne, Sherry Vint, Joseph Walton, Brian Willems

A pair of technology experts describe how humans will have to keep pace with machines in order to become prosperous in the future and identify strategies and policies for business and individuals to use to combine digital processing power with human ingenuity.

The Horatio Alger MEGAPACK®: 70 Classic Works

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

California Librarian

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

Bulletin of the California Library Association

When Richard Rumelt's Good Strategy/Bad Strategy was published in 2011, it immediately struck a chord, calling out as bad strategy the mish-mash of pop culture, motivational slogans and business buzz speak so often and misleadingly masquerading as the real thing. Since then, his original and pragmatic ideas have won fans around the world and continue to help readers to recognise and avoid the elements of bad strategy and adopt good, action-oriented strategies that honestly acknowledge the challenges being faced and offer straightforward approaches to overcoming them. Strategy should not be equated with ambition, leadership, vision or planning; rather, it is coherent action backed by an argument. For Rumelt, the heart of good strategy is insight into the hidden power in any situation, and into an appropriate response - whether launching a new product, fighting a war or putting a man on the moon. Drawing on examples of the good and the bad from across all sectors and all ages, he shows how this insight can be cultivated with a wide variety of tools that lead to better thinking and better strategy, strategy that cuts through the hype and gets results.

Andy Gordon

Unable to afford classes, Andy Gordon subsidizes his education by taking care of the school-house. One day, Andy's mother receives a letter from her wealthy uncle, Simon Dodge, who asks for help in extricating himself from a situation.

Andy Gordon Or the Fortunes of a Young Janitor...

"Andy Gordon; Or, The Fortunes of A Young Janitor" by Horatio Jr. Alger, Jr. is a classic tale of determination and perseverance. The story revolves around the young and hardworking protagonist, Andy Gordon, who works as a janitor but dreams of a better life. Alger's narrative emphasizes the values of honesty, integrity, and ambition as Andy faces various trials and tribulations on his path to success. This novel serves as an inspirational reminder that with dedication and a strong work ethic, one can overcome obstacles and achieve their goals.

Andy Gordon; Or, The Fortunes of A Young Janitor

The book "" Andy Gordon; Or, The Fortunes of A Young Janitor, has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

Andy Gordon, Or, The Fortunes of a Young Janitor

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. In this story we find Andy Gordon, the son of a poor widow, as the hero. Being eager for an education, he is obliged to work after school hours to get it. He is a good student and is well liked and highly respected. Herbert Ross, one of Andy's classmates, is the son of a wealthy lawyer. He is a conceited, disagreeable boy, not well liked and not a good student. He treats Andy most shamefully, but Andy proves to be a friend in need. The many thrilling experiences, which Andy has, bring forth his fine characteristics. His ideas of justice are firmly fixed in his mind and he resolves to do all in his power to obtain it. However his work is not in vain and he is well rewarded.

Andy Gordon; Or, The Fortunes of A Young Janitor

Unable to afford classes, Andy Gordon subsidizes his education by taking care of the school-house. One day, Andy's mother receives a letter from her wealthy uncle, Simon Dodge, who asks for help in extricating himself from a situation.

Andy Gordon (Annotated)

Excerpt from Andy Gordon, or the Fortunes of a Young Janitor The Hamilton Academy, under the charge of Rev. Dr. Euclid, stands on an eminence about ten rods back from the street, in the town of the same name. It is a two-story building, surmounted by a cupola, or belfry, and, being neatly painted brown and well cared for, is, on the whole, an ornament to the village. It was a quarter of nine, when a boy of sixteen, rather showily dressed, ascended the academy hill and entered the front door, which was already open. He swung a small light cane in his hand - rather an unusual article for a schoolboy to carry - and it was clear, from his general appearance and bearing, that he had a high opinion of himself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Andy Gordon, Or, The Fortunes of a Young Janitor

Horatio Alger Jr. (January 13, 1832 - July 18, 1899) was an American writer, best known for his many young adult novels about impoverished boys and their rise from humble backgrounds to lives of middle-class security and comfort through hard work, determination, courage, and honesty. His writings were characterized by the "rags-to-riches" narrative, which had a formative effect on America during the Gilded Age.

Andy Gordon, Or, The Fortunes of a Young Janitor

Horatio Alger, Jr. (January 13, 1832 - July 18, 1899) was an American writer. He wrote magazine stories and poems, a few novels for adults, and 100 plus boys' books. His boys' books were hugely popular. Alger was born in Massachusetts, and attended Harvard College. He became a Unitarian minister, but his career as a clergyman was brief. It ended when his congregation charged him with child molestation. Criminal charges were not placed against him, but his career in the church was finished. He moved to New York City to become a professional writer. In 1868, Alger found his place in the literary world with his fourth boys' book, *Ragged Dick*.

Andy Gordon, Or the Fortunes of a Young Janitor (Classic Reprint)

Unable to afford classes, Andy Gordon subsidizes his education by taking care of the school-house. One day, Andy's mother receives a letter from her wealthy uncle, Simon Dodge, who asks for help in extricating himself from a situation.

Fifth-grade student Jack finds himself the target of ridicule when it becomes known that his father is one of the school janitors. Humiliated, Jack performs an act of revenge and gets himself into a sticky situation. Jack's unique punishment leads him to discoveries about the school, his father, and himself.

Forging Ahead

An innovative new anthology exploring how science fiction can motivate new approaches to economics. From the libertarian economics of Ayn Rand to Aldous Huxley's consumerist dystopias, economics and science fiction have often orbited each other. In Economic Science Fictions, editor William Davies has deliberately merged the two worlds, asking how we might harness the power of the utopian imagination to revitalize economic thinking. Rooted in the sense that our current economic reality is no longer credible or viable, this collection treats our economy as a series of fictions and science fiction as a means of anticipating different economic futures. It asks how science fiction can motivate new approaches to economics and provides surprising new syntheses, merging social science with fiction, design with politics, scholarship with experimental forms. With an opening chapter from Ha-Joon Chang

as well as theory, short stories, and reflections on design, this book from Goldsmiths Press challenges and changes the notion that economics and science fiction are worlds apart. The result is a wealth of fresh and unusual perspectives for anyone who believes the economy is too important to be left solely to economists. Contributors AUDINT, Khairani Barokka, Carina Brand, Ha-Joon Chang, Miriam Cherry, William Davies, Mark Fisher, Dan Gavshon-Brady and James Pockson, Owen Hatherley, Laura Horn, Tim Jackson, Mark Johnson, Bastien Kerspern, Nora O Murchú, Tobias Revell et al., Judy Thorne, Sherryl Vint, Joseph Walton, Brian Willems

A pair of technology experts describe how humans will have to keep pace with machines in order to become prosperous in the future and identify strategies and policies for business and individuals to use to combine digital processing power with human ingenuity.

The Horatio Alger MEGAPACK®: 70 Classic Works

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

California Librarian

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

Bulletin of the California Library Association

When Richard Rumelt's Good Strategy/Bad Strategy was published in 2011, it immediately struck a chord, calling out as bad strategy the mish-mash of pop culture, motivational slogans and business buzz speak so often and misleadingly masquerading as the real thing. Since then, his original and pragmatic ideas have won fans around the world and continue to help readers to recognise and avoid the elements of bad strategy and adopt good, action-oriented strategies that honestly acknowledge the challenges being faced and offer straightforward approaches to overcoming them. Strategy should not be equated with ambition, leadership, vision or planning; rather, it is coherent action backed by an argument. For Rumelt, the heart of good strategy is insight into the hidden power in any situation, and into an appropriate response - whether launching a new product, fighting a war or putting a man on the moon. Drawing on examples of the good and the bad from across all sectors and all ages, he shows how this insight can be cultivated with a wide variety of tools that lead to better thinking and better strategy, strategy that cuts through the hype and gets results.

The video is about a group of people on a ship who are planning to steal arms and kidnap a woman to force her into marriage.

A captain confronts a crew member about a stolen item and the crew member reveals a dark secret. Queen Maria Antoinette discusses the Sirocco raid and her concern for personal safety with Count Amalfi and Baron Holstein.

Amalfi and his friend discuss their mission to save the queen and the risks they must take.

Discussing a plan to attack Holstein's headquarters and the palace, while also addressing loyalty and the Queen's safety.

Punishment and the Count of Amalfi leads to a revelation about an armed uprising.

The count is asked to intercede on behalf of the notorious mask, Sirocco, who is set to be hanged.

A ballet performance takes place during a conversation about hanging Sirocco, but the Count promises to free him.

Amalfi and the Baron discuss his performance, but their conversation is interrupted by news of Sirocco's escape and an impending uprising.

The city is under martial law and the Queen plans to flee due to the impending revolution.

Queen Maria Carolina learns of the lies and betrayal surrounding her, leading to a dramatic escape from the palace.

The Magical World of Strega Nona: a Treasury

Enter the marvelous, magical world of Strega Nona! This wonderful treasury features six favorite stories about Strega Nona and her sidekick, the bumbling Big Anthony—including the original Strega Nona, as well as Strega Nona Meets Her Match, Strega Nona: Her Story, Strega Nona Takes a Vacation, Strega Nona's Harvest, and Strega Nona's Gift. Tomie's brand-new introductions to each story take readers behind the scenes to see how Strega Nona's world has developed through the years. Also including an original lullaby—with sheet music and a CD—a map of Strega Nona's town, and some fun recipes, this collection will give readers and music lovers much to savor. Strega Nona, Tomie dePaola's beloved "grandmother witch," has been enchanting readers since the publication of the Caldecott Honor Award-winning Strega Nona in 1975. Strega Nona's gentle humor, irrepressible spirit, and matter-of-fact approach to life have won her legions of fans young and old, and the American Library Association called her "an enduring character who has charmed generations of children."

Merry Christmas, Strega Nona

In this holiday follow-up to Tomie dePaola's Caldecott Honor-winning Strega Nona, our favorite Grandma-Witch is back and bringing her magic to Christmas with a town feast—can she count on Big Anthony as her only helper? It's Christmas time in Calabria and with Strega Nona's annual feast around the corner, she has no time for her usual magical tasks. Christmas has a magic of its own, and no one knows magic like Strega Nona does, especially Big Anthony. But with the clock ticking on her preparations, will Big Anthony finally be able to prove that he can be counted on with some magic of his own? With warm illustrations in Tomie's classic folk-art style, this refreshed addition to the Strega Nona series is a must-have for fans of all ages.

Strega Nona's Magic Lessons

Big Anthony disguises himself as a girl in order to take magic lessons from Strega Nona.

Big Anthony and the Magic Ring

When Big Anthony borrows Strega Nona's magic ring to turn himself into a handsome man, he gets more trouble than fun.

Strega Nona's Gift

In Strega Nona's village, the holiday season is a time of celebrations - and nothing says celebration like a feast! All the kitchens are bustling from the Feast of San Nicola, when the children choose the food, to the Feast of Epiphany, when someone gets to be king or queen for the day. Even the animals

share in the holiday spirit, and when Big Anthony smells the delicious treats Strega Nona is cooking for them, he decides that just a taste couldn't hurt, right? Wrong! Big Anthony gets his just desserts, while Strega Nona surprises everyone with a special gift. Starring two of Tomie dePaola's best-loved characters, this funny story features beautiful art, introduces young readers to Italian holiday traditions, and lands Big Anthony in yet another silly predicament that will delight fans young and old. (cover may vary)

Strega Nona Takes a Vacation

It has been a long time since Strega Nona had a vacation. At night she dreams she's at her Grandma Concetta's little house by the seashore. During the day she hears Grandma Concetta's voice saying, "Vieni, Nonalina, come." Soon even Big Anthony notices that Strega Nona is distracted--she gives the Mayor the wrong remedy for his headache! Everybody says, "Strega Nona needs a vacation!" But when she sends bubble bath to Bambolona and candy to Big Anthony, greedy Bambolona takes the candy for herself, leaving Big Anthony--and the town--in a sea of bubbles! Only Big Anthony, famous for his problem with pasta, could have trouble like this with soap! Award-winning artist/author Tomie dePaola brings us a warm and very funny addition to the stories of his most beloved character, Strega Nona.

The Legend of Old Befana

Because Befana's household chores kept her from finding the Baby King, she searches to this day, leaving gifts for children on the Feast of the Three Kings.

Marianna May and Nursey

In this reissue of Tomie dePaola's charming 1983 classic *Marianna May and Nursey*, a family works together to make sure Marianna May can make the most of her summer. Marianna May's Nursey likes to dress her in white, which means Marianna May isn't allowed to roll in the grass, or make mud pies, or eat orange ice and strawberry ice cream, or paint pictures because her clothes could get messy. But Marianna May doesn't want to waste her summer staying clean on the porch. Can she and her family figure out a way for her to have fun without worrying about her clothes?

Strega Nona

In his Caldecott Honor book, dePaola tells the story of Strega Nona, who is the source for potions, cures, magic, and comfort in her Calabrian town. When Strega Nona leaves him alone with her magic pasta pot, Big Anthony is determined to show the townspeople how it works.

Super Spaghetti

A laugh-out-loud funny picture book about an unexpected superhero for fans of *Cloudy with a Chance of Meatballs* filled with humor and fun and lots of spaghetti! Meet Fred, a boy who loves spaghetti. Fred's mom is an inventor, and when she builds a machine that can turn anything into spaghetti, Fred thinks life will be nothing but noodles from here on out. But when Fred himself accidentally ends up in the amazing spaghetti-making machine, Fred finds himself transformed. He becomes Super Spaghetti! (A superhero made entirely of spaghetti.) Is this spaghetti-crazy-boy-turned-superhero made of the right stuff to save his town? With fun comics-style action, this is a superhero story that will have readers laughing and cheering for Super Spaghetti! Rebecca Donnelly's funny read-aloud text and Bonnie Lui's bright, action-packed art make this an irresistible story!

Now One Foot, Now the Other

This touching story about a young boy coping with his grandfather's disability has long been one of Tomie dePaola's most popular picture books. Now, for the first time, it is available in a larger format, full-color edition—perfect for family sharing. Readers of all ages will love to watch Grandpa Bob teach Bobby to walk, and how Bobby returns the favor when Bob has a stroke, all in beautifully rich full color.

The Worlds of Tomie dePaola

Barbara Elleman's insightful biography on Tomie dePaola captures the essence of the beloved author-illustrator through engaging stories, childhood photos, countless illustrations, and thoughtful analysis of decades of celebrated books. Tomie dePaola is one of the best-known and most beloved creators of

books for children. His art and his stories, which are filled with imagination, humor, grace, and curiosity, represent a love of life that is reflected in everything he does. Barbara Elleman's exploration of Tomie dePaola's career takes a fascinating look at the many worlds dePaola has brought to life through his work: from autobiographical memories to folktales, religious stories, nursery rhymes, and more—including, of course, the inventive world of his most famous character, Strega Nona. Originally published in 1999 and filled with evocative artwork, captivating photographs, and heartwarming anecdotes, this comprehensive book has been updated to cover two new decades of dePaola's creativity. Elleman's thoughtful narrative brings a fresh appreciation to the work of a unique author-illustrator, one who is a true legend of children's literature and a source of lasting joy for generations of readers, young and old.

Tin Camp Road

"Moving and brave." —People Set against the wide open beauty of Michigan's Upper Peninsula, a wise, big hearted novel in which a young single mother and her ten-year-old daughter stand up to the trials of rural poverty and find the community they need in order to survive. Laurel Hill and her precocious daughter Skye have always been each other's everything. The pair live on Lake Superior, where the local school has classes of just four children, and the nearest hospital is a helicopter ride away. Though they live frugally, eking out a living with Laurel's patchwork of jobs, their deep love for each other feels like it can warm them even on the coldest of nights. What more do they need? One otherwise normal afternoon, their landlord decides to evict them in favor of a more profitable summer rental, and, without any warning, they are pushed farther to the margins. Suddenly it feels like the independence that has defined them is a liability. And when a dangerous incident threatens to separate them, Laurel and Skye must forever choose--will they leave the place they love and the hardscrabble life they've built to move closer to civilization, or risk everything to embrace the emptiness and wildness that has defined them? What follows is an uplifting, profoundly moving story about a mother and daughter fighting for each other, against all odds, as they learn to build community and foster the resilience that will keep them alive.

Mirror Magic

Do you believe in magic? Mia and her friends do! And when they meet the Star Animals, a whole world of magical adventures unfolds in this new chapter book series featuring black and white illustrations throughout. Mia and her star animal, a fox named Bracken, must use their special powers to stop the forces of dark magic. Mia's older sister has started acting strangely and the Star Animals sense dark magic at work. Soon Mia discovers that the new compact mirror that her sister, Cleo, has been using must be to blame. Can the girls use their newfound Star Magic to help make things right? In the Star Friends chapter book series, Mia and her friends Lexi, Sita, and Violet all discover that they are Star Friends -- they can communicate with the animals that have traveled from the Star World. The animals show the girls how to use their unique magic abilities to do good. A whole world of magical adventures awaits!

Tomie DePaola's Big Book of Favorite Legends

Presents a collection of favorite legends of the author.

Strega Nona's Magic Lessons

Big Anthony disguises himself as a girl in order to take magic lessons from Strega Nona.

Big Anthony

Big Anthony, well-meaning but inattentive, journeys around Italy causing one problem after another, before meeting Strega Nona.

Strega Nona's Harvest

A charming celebration of autumn's bounty by perennial favorite Tomie dePaola. Tomie dePaola's beloved Strega Nona is back in a colorful picture book, perfect for fall and the changing seasons. With beautiful illustrations reminiscent of the artwork that won Tomie dePaola the Caldecott Honor for the original Strega Nona, this celebration of harvest and gardening will make the perfect addition to any Strega Nona collection.

Beyond the Pond

A stunning picture book about the power of imagination, perfect for fans of Extra Yarn and Journey, from debut author-illustrator Joseph Kuefler. Just behind an ordinary house filled with too little fun, Ernest D. decides that today will be the day he explores the depths of his pond. Beyond the pond, he discovers a not-so-ordinary world that will change him forever.

Choose Kind Journal

Clifford, the big, lovable, red dog, celebrates his first Christmas.

Clifford's First Christmas

Join Splat and his class on a field trip to an ice-cream factory in this delectable I Can Read book from New York Times bestselling author-artist Rob Scotton. Splat can barely sit still during the bus ride. He's imagining the mountain of ice cream he thinks he'll get to eat! But when Splat gets there, that mountain becomes more of an avalanche. It's up to Splat and his classmates to save the day! Beginning readers will practice the -eam sound in this easy-to-read addition to the Splat series. Splat the Cat: I Scream for Ice Cream is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences. Whether shared at home or in a classroom, the short sentences, familiar words, and simple concepts of Level One books support success for children eager to start reading on their own.

Splat the Cat: I Scream for Ice Cream

A timeless celebration of Christmas from the legendary Newbery and Caldecott Honor winner Tomie dePaola! This collection unifies three of the incomparable Tomie dePaola's most beloved Christmas stories into one handsome volume. Vividly portrayed and expertly crafted, The Night of Las Posadas, The Story of the Three Wise Kings, and The Legend of the Poinsettia are sure to enchant and mesmerize the whole family during the holiday season.

Joy to the World

2020 marks the 75th anniversary of the end of World War II, and this photo-filled book is perfect for teaching kids ages 6–9 about the conflict and its lasting impact. Entertaining and educating young readers through a combination of close-up images, trivia facts, quiz questions, and fascinating tidbits, it's the ultimate guide for any kid who is hungry to learn more about military history. When did World War II begin? How were people protected during an air raid? How did the Allies crack the enemy's secret code? Find out the answers to these questions and more in DKfindout! World War II, which features photographs and illustrations of war machines, battlefields, and world leaders from throughout the span of this widespread conflict. Readers will learn about the rise of Nazi Germany, the bombing of Pearl Harbor, and life during the war. From the horrors of the Holocaust to the Allies' victory against the Germans on D-Day, DKfindout! World War II will provide kids with plenty of important details to pore over. Vetted by educational consultants, the DKfindout! series drives kids ages 6–9 to become experts on more than 30 of their favorite STEM- and history-related subjects, whether Vikings, volcanoes, or robots. This series covers the subjects that kids really want to learn about—ones that have a direct impact on the world around them, like climate change, space exploration, and rapidly evolving technology—making learning fun through amazing images, stimulating quizzes, and cutting-edge information. The DKfindout! series is one that kids will want to turn to again and again.

DKfindout! World War II

This beautiful new edition of Tomie dePaola's 1978 classic retelling of a French legend stars a little juggler whose unique talent leads him to what might be a Christmas miracle. Little Giovanni is poor

and homeless, but he can do something wonderful: he can juggle. The people of Sorrento marvel at his talents, and before long, he becomes famous throughout Italy for his rainbow of colored balls that delight the nobility and townspeople alike. But as the years pass, Giovanni grows old, and his talents begin to fail him. No longer a celebrated performer, he is once again poor and homeless, begging for his food. Until one Christmas Eve, when Giovanni picks up his rainbow of colored balls once more. And what happens next just might be a miracle...

The Clown of God

Big Anthony gets what he thinks he wants—but like usual, it causes him more trouble than he can handle in this beloved sequel to Tomie dePaola's Caldecott Honor-winning *Strega Nona*. Big Anthony has a case of spring fever and he needs a little Night Life to cheer him up! But Big Anthony is afraid that if he goes to the village dance, no one will dance with him. So when *Strega Nona* goes away on a visit, Big Anthony borrows her magic ring, which turns him into a handsome stranger...

Strega Nona's Magic Ring

his wonderful generational story, a classic in its own right, celebrates its twenty-fifth anniversary in a new, full-color edition, joining the other appealing picture books in which Tomie draws upon his childhood memories. In re-creating the art, Tomie says, "Creating this art was as emotional an experience for me now as it was then." In a quietly touching story the author-illustrator depicts loving family relationships so that even the very young reader can understand the concept. - Publishers Weekly
Children will want to hear this again and again...? -- School Library Journal (starred review)

Nana Upstairs and Nana Downstairs

"...a beautiful book with a beautiful message...the book shows young children how easy it is to be kind through small acts and in simple ways..."—R.J. Palacio, author of the #1 New York Times bestseller *Wonder*
What Does It Mean to Be Kind? is a rare kindness book for children because it uses a proactive, not reactive, introduction to a conversation about kindness. Part of the award-winning *What Does It Mean to Be...?* series, *What Does It Mean to Be Kind?* explains the idea of kindness in an accessible and understandable way. Being kind means... Smiling at the new student in class. Giving someone a compliment. Celebrating the differences in others. When the girl in the red hat finds the courage to be kind to the new student in class, her kindness spreads. Kind act by kind act, her whole community experiences the magical shift that happens when everyone understands—and acts on—what it means to be kind. *What Does it Mean to Be Kind?* is a teacher must-have for the classroom, and for parents in search of kindness and feelings books for children. More Awards for *What Does It Mean to Be Kind?*
2015 Moonbeam Gold Medalist

What Does It Mean to Be Kind?

Seven sparkling, illustrated fairy stories make up this *Rainbow Magic Treasury*. Originally published as the first seven titles in the *Rainbow Magic* series, the stories have been abridged for this fantastic book. With colour illustrations throughout, this book makes the perfect gift!

Treasury

Award-winning artist David Macaulay introduces readers to his hilarious new creations, Sloth and Sengi, in *How Machines Work: Zoo Break!* Get your cogs turning with these mega machines! This amazing, award-winning visual guide showcases the science and technology behind the most important machines ever invented. *How Machines Work* is a unique book full of inspiring illustrations by award-winning artist David Macaulay and packed with interactive elements, including press-out models, pop-ups, and pull-outs. Sloth and his sidekick Sengi are two furry friends on hand to guide you through the book and break down the basics. They'll give you the lowdown on levers, pulleys, screws, inclined planes, wedges, and wheels on this intrepid adventure. You'll find out how all different technologies work, from bicycles, cranes, and drills to diggers, hammers, and zips. Along the way, you'll help Sloth and Sengi plot their daring escape from the zoo using only newfound scientific knowledge to make a machine designed for break outs and break aways. But will they succeed? Grab this essential guide, get your brain in gear, and get set for engineering greatness.

How Machines Work: Zoo Break!

A 2019 Caldecott Honor Book What's in a name? For one little girl, her very long name tells the vibrant story of where she came from — and who she may one day be. If you ask her, Alma Sofia Esperanza José Pura Candela has way too many names: six! How did such a small person wind up with such a large name? Alma turns to Daddy for an answer and learns of Sofia, the grandmother who loved books and flowers; Esperanza, the great-grandmother who longed to travel; José, the grandfather who was an artist; and other namesakes, too. As she hears the story of her name, Alma starts to think it might be a perfect fit after all — and realizes that she will one day have her own story to tell. In her author-illustrator debut, Juana Martinez-Neal opens a treasure box of discovery for children who may be curious about their own origin stories or names.

Alma and How She Got Her Name

When Strega Nona leaves him alone with her magic pasta pot, Big Anthony is determined to show the townspeople how it works.

Strega Nona

A hilarious, irreverent book about doing your own thing Meet Iggy Peck—creative, independent, and not afraid to express himself! In the spirit of David Shannon's No, David and Rosemary Wells's Noisy Nora, Iggy Peck will delight readers looking for irreverent, inspired fun. Iggy has one passion: building. His parents are proud of his fabulous creations, though they're sometimes surprised by his materials—who could forget the tower he built of dirty diapers? When his second-grade teacher declares her dislike of architecture, Iggy faces a challenge. He loves building too much to give it up! With Andrea Beaty's irresistible rhyming text and David Roberts's puckish illustrations, this book will charm creative kids everywhere, and amuse their sometimes bewildered parents. Also from the powerhouse author-illustrator team of Iggy Peck, Architect, is Rosie Revere, Engineer, a charming, witty picture book about believing in yourself and pursuing your passion. Ada Twist, Scientist, the companion picture book featuring the next kid from Iggy Peck's class, is available in September 2016.

Iggy Peck, Architect

When Strega Nona leaves him alone with her magic pasta pot, Big Anthony is determined to show the townspeople how it works.

Strega Nona

Arthur the Aardvark and his little sister, D.W., are off to a wedding. Arthur is going to be a page-boy and to hold the wedding ring, but D.W. is too small to be a bridesmaid. However, when the ring rolls away, it takes D.W. and her own big idea to save the day.

D.W. the Picky Eater

A book of pettable pets! This touch-and-feel book with fur, flaps, feathers, slide tabs and cardboard rings to ring Dr. Seuss's adorable antlered Gack, lets babies and toddlers play with the most imaginative pets of all! 1 yr+

Wet Pet, Dry Pet, Your Pet, My Pet!

A beautiful treasury of stories for every season from one of the world's best-loved storytellers. With gorgeous full-colour illustrations throughout, this collection will delight at any time of the year and makes the perfect gift. Step into a world of magic and nature, where elfin tailors make clothes from autumn leaves and a spring lamb remembers a kind little girl. Join a fawn as it shelters from a summer storm, learn how to help birds keep warm in cold weather and share the wonder of the seaside, where you might just meet a fairy in a seashell . . . Divided into four sections to reflect the seasons, this treasury contains 28 timeless stories from Enid Blyton's archives - plus a bonus extra story for Christmas. Some of these wonderful tales are collected in book form for the very first time. It is gorgeously illustrated by Becky Cameron, acclaimed illustrator of Treasury of Bedtime Stories by Enid Blyton and of Paddington and the Christmas Wish. Look out for these other gorgeous Enid Blyton gift books: Treasury of Bedtime Stories The Famous Five Treasury Jolly Good Food (a children's cook book) Favourite Enid Blyton Stories * Enid Blyton ® and Enid Blyton's signature are Registered Trademarks of Hodder and Stoughton Limited. Stories for Every Season

Tomie dePaola's beloved and bestselling Strega Nona gets in some friendly competition in this beloved addition to the series! Strega Nona (Grandma Witch) has cures for warts and headaches, even lovesickness. She uses old-fashioned potions and magic and the villagers in Calabria flock to her door. But when her friend Strega Amelia comes over the mountain for a visit, she brings more than just gossip. Soon she's set up her own shop, using the latest modern gadgets, offering sweets and cappuccino--to all of Strega Nona's regulars! Looks like Strega Nona's met her match, Unless she's got her own cure. For Strega Amelia! "A pleasure to read aloud, this features the broad humor that young children relish."—Booklist

Strega Nona Meets Her Match

This collectable hardcover edition will feature a beautiful cover and deluxe packaging, including color interior text and illustrations! From the bestselling author of Charlie and the Chocolate Factory and Matilda comes the story of a not-so-lovely grandma, a boy, and a magical medicine. George is alone in the house with Grandma. The most horrid, grizzly old grunion of a grandma ever. She needs something stronger than her usual medicine to cure her chronic grouchiness. A special grandma medicine, a remedy for everything. And George knows just what to put into it. Grandma's in for the surprise of her life--and so is George, when he sees the results of his mixture!

George's Marvelous Medicine

Tomie dePaola's beloved and bestselling Strega Nona is back, with the perfect remedy for a houseguest who overstays her welcome. Angelina is so beautiful that all the young men in the village are chasing her, but the one she has eyes for doesn't know she exists. At his wits' end, her father sends her to his dear cousin--Strega Nona. Strega Nona, Big Anthony, and Bambolona are excited to have a houseguest, but they're in for a surprise. Angelina is a spoiled young lady used to being boss, and before they know it, Big Anthony is her new footman and Bambolona is her maid. Her nonstop demands have the whole household in a tizzy! It's up to Strega Nona to devise a plan that will make everyone happy--including two comically vain young lovers.
