Little Bad Tyrone

A chilling dystopian novel filled with dark humour, for fans of Andrew Hunter Murray's THE LAST DAY or Christina Dalcher's Q. She went willingly to the hospital. She couldn't have anticipated how difficult it would be to leave... Mr and Mrs Sincope are anticipating the birth of their first child. On the way to the hospital for Mrs Sincope's induction their squabbling over their daughter's name betrays an unquestioning trust that everything will go to plan. And why wouldn't it? But as the hours pass and Mrs Sincope's labour doesn't begin, the couple start to worry. And as the hours bleed into days and there is still no sign of progress, it becomes clear that there is something far more sinister going on behind the white hospital doors...

The Five Secrets from Oz

Tyrone: "Never - but never - come when your name is called. In fact, the moment you hear your name, compress your body into the size of an olive, become as still and invisible as a salesperson at Bloomingdale's, and go back to sleep." Cleo: "...then my daddy got to the check-in desk and announced in a loud stentorian voice that his stupid cat was constipated. Hey, buddy, could you say it a little louder? I don't think the folks in Ames, Iowa, heard you." From dreaming of catnip fields and tummy rubs to driving their mommies crazy, Cleo and Tyrone keep a busy schedule. But they take time out to correspond and share their thoughts - polemics really - about dogs, fashion, real estate, medical science, fine dining, cinema, poetry (haiku included), and the pitiful state of their owners' social lives. More than treatises on the feline and human condition, this is also a love story. Cleo and Tyrone often dramatically - ok, melodramatically - compare themselves to Romeo and Juliet, blaming their evil owners for keeping them apart. Cleo and Tyrone can each be vain, self-centered and manipulative, but somehow, in spite of all their scheming ways, they still manage to wrap their furry little paws around your heart and hold on for a lifetime.

Letters from Cleo and Tyrone

Within the tresses of reality there lies the unknown, which everyone sees and hears around them every day of their lives, and yet they do not know it exists. Should they look up they would find themselves in a reality so terrible and sickening that they wouldn't believe it, and would sink back into their fantasy. This book holds within its pages this truth, this reality, so vivid and crazy that it can't possibly be true, but it is. It's the things you don't see that matter. It's the things that crawl inside you and block your vision, until it's like you're inside a tunnel, and before the entrance caves in, you must realize what kind of place that this world is becoming, or in this case, has already become. Some of you don't notice, others of you do, and still remain untouched by it, living in a world devoted to yourself, a shrine to greed and evil. So, look up, see the world around you, by opening this book, and let its pages be the truth, for it is so.

INTRODUCING THE NEW SERIES BY BEST-SELLING, CRITICALLY ACCLAIMED AUTHOR GRET-TA MULROONEY 'It succeeds from the first pages.' - Annemarie S. DETECTIVE INSPECTOR SIV DRUMMOND IS LOOKING FOR A FRESH START. WHAT SHE GETS IS TWO DEAD BODIES. It's Detective Inspector Siv Drummond's first day back on the job, joining a new team in a new town. This fresh start isn't going to be easy. Still mourning the death of her husband, she must push aside her grief to focus on her first case. Lauren Visser and Matis Rimas are found stabbed to death in the idyllic woodland by the River Bere. Their mutilated bodies lie within feet of each other. A photograph of an unknown girl sits on Lauren's chest. She was an activist and wild swimmer. He was fishing illegally. WHAT IS THEIR CONNECTION? Siv and her team start ruling out suspects, but no one tells the truth when everyone has something to hide. What will be dredged up by the investigation? CAN DI SIV DRUMMOND FIGHT THE CURRENT OF LIES OR WILL SHE BE SWEEPED AWAY? Elegantly written,

THESE LITTLE LIES is a masterclass in slow-burning suspense that will keep you turning the pages into the early hours. Perfect for fans of Robert Galbraith, Tana French, Liane Moriarty, Rachel Cain or Ruth Rendell. MEET THE DETECTIVE Detective Inspector Siv Drummond is widowed following a tragic accident involving her husband. With everything in London reminding her of the past, she moves from a high-profile squad with the Met to a new job as DI in her old home town - sleepy, seaside Berminster. She's still grieving and lonely, but she's a fighter and she's smart, which earns her the respect of her colleagues DS Ali Carlin and DC Patrick Hill, and the grudging approval of her DCI, who wants his protégé to get her job. WHAT READERS ARE SAYING ABOUT THESE LITTLE LIES 'I loved this first in the DI Siv Drummond series, may there be many more to follow. I couldn't put the book down, but tried to read slowly...didn't want it to end. It's great having a book that you can't wait to get back into.' - Hannelore C. 'I thoroughly enjoyed These Little Lies which is a good procedural with several twists and a well concealed motive and perpetrator.' - Elaine T. 'Enjoyed it immensely - read it in one day, ignoring all else.' - Aileen G. 'The first in the series can often be a difficult thing... you've got to set up the scenes and the characters. This one did it well.' - Louise T. PREVIOUS PRAISE FOR GRETTA MULROONEY 'A pleasure to read.' - The Independent 'A beautifully written book, a magnificent read.' - Big Issue 'A memorable tale with a shocking denouement.' - Time Out 'A psychological tale echoing Barbara Vine.' - The Bookseller 'I had plenty of guesses, all of them wrong so the novel held my attention throughout. The pacing is excellent.' - E. Tomasso 'The book moves along at a steady pace and gains momentum as it progresses. There are many twists and turns along the way as the reader is caught up in the intrigue and suspense towards a real jaw dropping shocker of an ending nobody will see coming.' BOOKS n ALL 'A thoroughly enjoyable read and extremely well thought out. Had me puzzled as an avid crime reader.' Carole 'A fascinating read with many twists and turns that keeps you guessing to the end. A must read.' Greta H. Apolline is happy hunting magical creatures on her pirate infested outer-perimeter planet. She is a fantastic shot, and doesn't flinch at the blood and guts of her kills. Never once did she consider she could be the missing Princess of Tyrone. All her life, she has heard the story of the Princess, cursed to sleep for eternity, unless her betrothed, the Prince of Oran, gave her true love's kiss. Although Apolline knows she is betrothed, she thinks her fairy guardians arranged it out of ignorance of human ways. The thought she could be a princess is inconceivable. Then Allard appears. Handsome, charming-but he's not hers to have. He's betrothed, too. Her guardians warn her against her new found friendship, but she and Allard meet in secret anyway. Despite her rough exterior, he sees beyond her gun-slinging bravado, and their love blossoms. But the deadline for the sleeping curse is approaching. If Apolline falls in love with the wrong person, she could end up sleeping forever. A quirky, adventurous retelling of Sleeping Beauty, with a less than princess-ly princess!

The Little Book of Derry

A spellbinding story about chasing love, fighting family, losing friends and starting all over again, from the internationally acclaimed Lisa Moore. Sixteen-year-old Flannery Malone has it bad. She's been in love with Tyrone O'Rourke since the days she still believed in Santa Claus. But Tyrone has grown from a dorky kid into an outlaw graffiti artist, the rebel-with-a-cause of Flannery's dreams, literally too cool for school. Which is a problem, since he and Flannery are partners for the entrepreneurship class that she needs to graduate. And Tyrone's vanishing act may have darker causes than she realizes. Tyrone isn't Flannery's only problem. Her mother, Miranda, can't pay the heating bills, let alone buy Flannery's biology book. Her little brother, Felix, is careening out of control. And her best-friend-since-forever, Amber, has fallen for a guy who is making her forget all about the things she's always cared most about — Flannery included — leading Amber down a dark and dangerous path of her own. When Flannery decides to make a love potion for her entrepreneurship project, rumors that it actually works go viral, and she suddenly has a hot commodity on her hands. But a series of shattering events makes her realize that real-life love is far more potent — and potentially damaging — than any fairy-tale prescription. Written in Lisa Moore's exuberant and inimitable style, Flannery is by turns heartbreaking and hilarious, empowering and harrowing — often all on the same page. It is a novel whose spell no reader will be able to resist.

Set in the endless hills of central Pennsylvania, Tyrone became known as the gateway to the Alleghenies. The Little Juniata River flowed through it, connecting Tyrone to communities in the Logan,

Bald Eagle, and Juniata Valleys. Since its founding in 1851, Tyrone's central position also made it known as the "Hub of the Highways." Its advantageous location allowed the Pennsylvania Railroad Company to establish a railroad terminus to bring the riches of coal, iron, grain, and lumber to market. A newfound prosperity was attained, prompting outside investment. Tree-lined promenades and terraced lawns complemented the natural beauty of this community. Through vintage postcards, images, and photographs from famous Tyrone photographer R. K. Bonine, Tyrone chronicles the history of this charming community and the towns and villages that share its valleys.

This is the story of Eamon, a little boy growing up in Northern Ireland in the sixties, before he succumbed to Leukaemia, a few months short of his seventh birthday. The book describes specific aspects of his short but remarkable life, all written from his perspective. Each chapter has a footnote which charts the history of the conquest of childhood leukaemia which commenced during his lifetime. The book is based around actual events and things which Eamon said and did which have been passed down. Eamon has the benefit of perspective, so he can describe events that have yet to happen which have a bearing on the life of his family.

Did you know that the inventor of the submarine was born along the west coast of Ireland, that ships from the Spanish Armada floundered off the Irish Atlantic seaboard and that guns for the 1916 Easter Rising were to be landed at Barna Strand in Co. Kerry but the ship, The Aud, was intercepted by the British Navy? Did you know that there was a plan to smuggle Marie Antoinette from France and away from Madame Guillotine to Dingle, that the Fasnet Rock off the south coast is known as the 'tear drop of Ireland' and that Maureen O'Hara's husband was a flying boat pilot who regularly flew into the flying boat station at Foynes? And did you know that Martello towers were built along the western seaboard during the Napoleonic Wars in case Napoleon tried to invade Great Britain via 'the back door'? This fact-packed little book is full of all sorts of information that will surprise even those who think they know the towns and villages along the Wild Atlantic Way.
