Diary of a Wimpy Kid: Double Down (Diary of a Wimpy Kid Book 11)

Fourteen-year-old Haylah dreams of being a stand-up star, but when her friends thrust her into the spotlight, she's not confident a plus-sized girl like her belongs onstage. Haylah Swinton is pretty confident she's mastered making light of every situation from her mom's ugly boyfriend to classmates making unsolicited remarks on her figure. She logs all her best jokes in the hopes of one day busting out a fabulous set that will keep everybody laughing with her and not at her. After botching an open mic night, Haylah learns that her longtime crush, the impossibly cool Leo, is also into comedy. And when Leo provides her an opportunity to live vicariously by ghostwriting his sets for an upcoming festival, Haylah jumps at the chance. What a great way to get her material out there without totally bombing herself! But are Leo's intentions in Haylah's best interests? Despite warnings from her friends, Haylah's not ready to listen and she might just be digging herself deeper toward heartbreak. If Haylah's ever going to take center stage, first she'll need to find the confidence to put herself out there and strut like the comedy queen she truly is. This contemporary YA rom-com stars a strong, memorable heroine and features a story full of heart, humor, and relatable themes of body image, dreams, and self-esteem.
