Tested: Where Does The Tone Come From In A Microphone? - Tested: Where Does The Tone Come From In A Microphone? by Jim Lill 339,244 views 5 months ago 29 minutes - After 6 months of testing mics, here's what I learned. All of the stars aligned to make this video possible. The link to CMA's youtube ...

How do you compare mics?

What mics should I test?

How do you make useful graphs?

Mics vs 57

But why do mics sound different?

Tube vs Solid State

Cool vs uncool tubes

Transformer vs no transformer

Why is volume matching important?

EQ in the circuit

When do mics distort?

Something very exciting

Happy learned how to putt

Circuits vs capsules vs grilles

Messing up a capsule

Preston White, capsule maker

Capsule tests

Only one option left

This is Station West

The "DB" Solid Tube

But some questions were unanswered

This is Ocean Way

Every test I did

The real reason I did all of this

How do my mics compare?

The Popcan

Jam
