Stories of Great Composers - J.S.Bach - Stories of Great Composers - J.S.Bach by Understanding Music 176,584 views 7 years ago 6 minutes, 9 seconds - A video version I made from the Librivox recording (public domain.) This video illustrates some general information about the life ...

He used to walk long distances to hear famous organists, one of whom was named Buxtehude.

He could play the organ, clavichord, violin, and other stringed instruments.

And for many different instruments. Bach's Brandenburg Concerto No.6

Bach copied lots of music because printed music was dear in his day.

He was Cantor of the Thomas School for many years.

For his little son, Friedmann, he wrote a book of Little Preludes.

Happy Birthday but 13 classical composers are fighting over the last slice of cake - Happy Birthday but 13 classical composers are fighting over the last slice of cake by Nicholas Ma 1,772,913 views 1 year ago 7 minutes, 34 seconds - This is my take on "Happy Birthday" Variations! I had the idea to have **composers**, (represented by their pieces) fight against each ...

Happy Birthday Motif, though I added a little bit of left-hand embellishment.

Nocturne Op. 48 No. 1 by Chopin in the soprano/bass line, blended with HBD in the alto line.

Symphony No. 5 - Beethoven that "interrupts/foreshadows" something - sort of similar to what I did in my previous Fur Elise quotation video

Sonata 16 in C Major K545 - Mozart - but HBD is the head motif, and a little twinkle of an answer is heard at .

HBD in the top voice in counterpoint with Mozart K545

HBD in the bass, which then migrates to the middle line in the following bar - all while in the middle of the Mozart Sonata

Fate Motif again from Beethoven 5

Unusual direction of Fate Motif leads to a C# modulation into Chopin's Fantasie Impromptu

HBD against Fantasie Impromptu

I went for a sequential direction with the latter half of HBD+ fantasie impromptu in order to smoothly transition into the A# Diminished chord, signifying the beginning of Appassionata 3rd mov

Appassionata 3rd mov, Beethoven.

HBD in the bass

Another instance of bass HBD

The lick, before going back to appassionata

HBD in the left hand - alternates with hand crossings similar to appassionata

Note the accents in LH and RH which signify the 2nd part of HBD (C C C A(b) F E D), and once sequenced they are able to transition into the next piece.

Transition into Moonlight Sonata 3rd Movement

The Lick (again)

The Lick, (again, again)

Dürnitz Sonata No. 6 in D Major K 284 / 205b, Mozart

Dürnitz Sonata combined with HBD

I tried writing the beginning of a fugue using HBD as the subject, so not really a Bach quotation haha

Prelude in G Minor Op. 23 No. 5 Rachmaninoff - The annotation is just a reference to that time where Rachmaninoff greeted Stravinsky with a jar of honey

HBD in the middle register

HBD (faster diminution form) echoed the middle then lower register

Goldberg Variations Theme - Bach

Hungarian Rhapsody No. 2 - Liszt

Moonlight Sonata 1st Movement - Beethoven, superimposed against HBD

Claire de Lune - Debussy

HBD in thirds (reminiscent of Claire de Lune)

Second half of HBD in thirds, transformed with Debussy-esque rhythms

Back to Claire de Lune (middle section)

Fur Elise - Beethoven (Although this is also a self-quotation from my previous Fur Elise quotation piece, which quotes Claire de Lune)

Modulation into Sonata No. 2 in G minor Mov. 1, Schumann. HBD starts on the syncopated eighth note at m. 150, then echoed at m. 153

HBD shifted to the second measure of the phrase

HBD head motif (G G A G) on the syncopated quarter notes and transposed (see accents)

Full HBD is heard, but off-beat

Another syncopated version of HBD

Wedding March from A Midsummer Night's Dream - Mendelssohn

Slavonic Dances Op 46 No 1 - Dvorak

Two to Tango - Nicholas Ma (Self quotation from one of my compositions!)

Gymnopédie No. 1 - Satie

HBD with Gymnopédie-style accompaniment

HBD against Alkan Op. 39 No. 8

HBD reiterated in LH twice, then swapped back to RH

Erlkönig - Schubert

Sonata No. 2 4th movement - Schumann

HBD in LH against Schumann, ending on a syncopated note leading into the next piece

HBD against Prokofiev Piano Concerto 2 Cadenza

Still Prok 2 Cadenza, but Middle Staff voices HBD

HBD repeated in sixths

Final Statement of HBD!

4'33" by John Cage

A R Rahman - Anu Malik | Controversy | Song credit issue | Bollywood - A R Rahman - Anu Malik | Controversy | Song credit issue | Bollywood by Cr8tive Bits 618,845 views 2 years ago 2 minutes, 55 seconds - Anu Malik and A R Rahman are both accomplished music **composers**, and have ruled Indian music charts during the 90s and ...
