Legion of Lust

Young Roman soldier Titus is stationed in Britain just after Boadicea's rebellion, where he belongs to the mysterious and erotic Mithras cult. The sect's rites grow more and more extreme, until Titus realises that he may be required to betray his secret lover, the Celtic druid Coll, who is himself a follower of the Old Ways of the Britons. This historical military fantasy features gay romance, battlefields and secret cults alongside lots of raunchy sex, all in the untamed wilderness of ancient Britain. Praise for Scott's previous novel *Hot on the Trail*: "Bittersweet erotic fiction." "Mindcaviar.com" Lukas Scott has been a university lecturer, nun, theatre director, bookseller, television-and-film extra, counsellor and safer-sex worker.

The Legionnaire

An Erotic Novel A steamy translation of the best selling German novel about love and lust in the French Foreign Legion.

Legion of Memorials

Legion of Memorials is a collection of tales, from love, lust to betrayal and death. Each new story is a page turner, from finding the true meaning of love and fighting for it, to running for your life with a pack of wild beasts zoning up on your tail. Either way, there's a little bit of everything for everyone in here.

Righteous Disobedience

It is cold to walk in the shadow of a newborn goddess. When tasked to do the impossible, sometimes even the righteous must disobey. "What do you seek of my Raven Queen?" He opened his mouth—I'm sure to object or demand—but I tilted my head and smiled at him from behind my curtain of scarlet curls with all the womanly radiance I could muster. He was my windfall, the solution to my current problem set for me by Illyria herself. For all my training and years of practice as a bedslave, I also wanted, nay, needed this god to bend to my will. He did. Memad closed his mouth, swallowed and breathed in and out slowly, causing his magnificent chest to rise and fall. He was mesmerizing. Had I not been so inured to banal sexuality, I might've lost my own train of thought. Instead, I needed control of his. But it was a near thing. Clutching the Book, I closed the last step between us to lay my free hand over his heart. "I can help you, Memad, son of storms and glory," I whispered, "if you help me." He nodded, our gazes still locked together. In the name of the Raven Queen, I make love and war. ---- Righteous Disobedience is the transformation story of the first convert and first priestess of the Raven Queen. The story takes place during the events of Raven Queen, Arise in the Temple of Vengeance quadrilogy.

The Legion of the Forgotten

The untold stories from the individuals who've never had the opportunity to speak, whether they were too afraid to be judged, too scared to handle the consequences, too depressed to put in the effort, too

shy to have the interaction, too tired to waste their energy, too busy trying to chase dreams, too lost in their lover's eyes to face reality, or just outright deceased. The reasons do not matter, only the situations, stories, and outcomes that each piece entails. Each individual is their own, but their lessons and advice come from a similar origin, their heart. There will be heartbreak, betrayal, success, struggles, death, fates worse than death, and just because why not?"The Legion of the Forgotten" is a collection of poetry and prose formed around vast figurative concepts that repeatedly present themselves in everyday life. The most prominent themes are determination, love, lust, betrayal, and the varying consequences that are a result of those themes. The collection is written from varying points of view. For example, there are several pieces that are written from a fictional character's point of view, others that are written from an omniscient point of view, and even some written from my own point of view. There are several pieces that include references to great literary works or current day events and almost all of the pieces were influenced by real life people and situations. The most essential and unique aspect of "The Legion of the Forgotten" is the intriguing use of diction to formulate an emotional tale that all various types of readers can connect with because often, the most crucial lessons are the lessons that we all consciously knew existed, but could never fully understand to implement.

Lust for the Soothsayer

[Siren Allure: Erotic Paranormal Romance, M/F with multiple secondary partners, vampires, public exhibition] In the debauchery of late-1970s Louisiana, Tobias awakens from a coma with no memory of how he came to this torrid Southern hamlet plagued by a spree of deaths and steeped in supernatural folklore. Deliciously tormented by demonic fantasies and subsequent blackouts that his doctors can't explain, he teeters on the edge of lunacy. Rising panic leads him to Madam Genevie, a beautiful soothsayer yearning for a mysterious man she can't yet have and harboring a dark secret. Genevie is an immortal psychic vampire, a succubus that feeds off the life force of others. She emits a sensual allure that Tobias is helpless to resist, even if it kills him. Seeking answers while falling into this dangerously passionate lust, Genevie discovers a seductive entity possessing the locals, a Legion of psychic vampires on its tail, and the sacrifices she must make to be with the elusive man she loves. ** A Siren Erotic Romance

Storm

Danger.Lust. Desire . . . Trust? STORM I'm headed back to the Blood Legion MC in New Orleans, my old stomping grounds. Guns. Thugs. Broads. Cocaine nightmares. A Mexican cartel, cracker coke runners, and now there's a new international threat in town. Blaize Carmichael is my only partner in this op. Blaize. As a biker babe. Jeeesus. I've had a bone for her from day one when she walked into headquarters-haughty, superior, and always in charge. There's a goddamn good chance we'll get made, played, and put in the grave as government-issue traitors. But I can't help it-I love to get rough, raw, dirty, and dominant with her. No more yes ma'am, no ma'am. Blaize is about to find out I don't always takes orders as issued. BLAIZE I can't stand the way Storm calls me woman or cher or sexy. As soon as we're back in DC, I'm going to wipe that infuriating wicked smirk right off his dangerously handsome face. I'm always prepared for every scenario. I've built my career on complete professionalism in and out of the field. But when Storm comes at me with wild animal lust-when he opens up to me-when he opens me up, I can't say no. I don't want to. We're in danger every single day we stay in NOLA. There is no way we can make it out alive. Not together. Not this time.

Mindless Lust

ÿAlison?s night of mindless lust with her girlfriend in a bar where she once ?entertained? seven guys on a busted pool table goes belly-up. The girlfriend is late, and Tommy (an old friend with benefits) walks in with four auto execs. He had hired a duo to entertain them, but they're no-shows. Alison, dressed the part, owes him. She?ll help?for a price. Alison doesn?t do it for free anymore. ~~~~~ PG Excerpt ~~~~~ ÿ Alison took a deep breath, pushed the doors open and sashayed into the bar, hips rocking. Conversation dropped off as she crossed the room, devoured by fifty sets of eyes. ÿ ÿHer metallic one-piece outfit was almost like a swimsuit. Her cleavage was very prominent, and her legs bare. Three-inch heels completed the come-on ensemble. ÿ Fred met her at the bar. He suppressed a smile, a flicker of recognition in his eyes. ÿ ?Re-visiting the scene of the crime?? he said, wiping the bar. ÿ ?No, just waiting for a friend. Seen Tommy tonight?? ÿ ?Nope. What?ll it be?? ÿ She swung her behind on the barstool and as she took out her smartphone, it pinged: ?In Chicago. Flight delayed 30 mins. Love you!? ÿ Alison frowned. Before she could give any thought on how to hold off a horde of horny males, the door opened and four suits came in. Not cheap suits, either, very tailored. The last suit was a tall, angular woman, followed by Tommy, dressed as usual in shabby preppie attire?wrinkled chinos, a faded golf shirt and beat-up loafers. ÿ Ten minutes later, Tommy slid onto the stool next to her. ?Babe, you look great. Better than last time.? ÿ ?I?m getting laid regular.? ÿ ?It becomes you.? He leaned in. ?I, uh, got a problem. We need to talk.? ÿ Alison smiled and put a hand to his cheek. ?But you?re so self-sufficient and manly.? ÿ Tommy held his phone up to her. A text message read, ?Sorry.? ÿ ?It?s from ?Heather,? you know, with quote marks. My legion of women to soothe the Germans? souls bailed on me.? ÿ ?Poor baby. Judging from this motley crowd, it might take you, oh, thirty seconds to recruit a

new team.? ÿ ?Listen to me. This is important. This deal, I mean. Two major German car manufacturers are exiting the warranty repair business. They want to set up an independent company for all warranty work. They're outsourcing. Allie, I get this deal, and I've got it made. I can retire in two years, tops. I'll be in the Keys bone fishing every day. If I can close this deal.? ÿ ?Safe to say, your business savvy from fifteen years in the exotic car repair business is enough?? ÿ ?I wish. They're Euros. The way you do business with them is, you entertain them. Yeah, I'm the logical guy. But there's competition.? ÿ ?What can I do?? ÿ ?Klaus, Dieter and Wolfgang have been sitting at the table since the moment they came in licking their chops, looking at you.? ÿ Alison stiffened. ?Wait a minute?? ÿ Tommy reached for her wrist. ?You owe me one, remember?? ÿ ?Dammit, I'm not a common prostitute.? ÿ ?I know that. But you walked in here two years ago, hips swaying, to prove a point. To prove that you could do it?sell your body, make men fight over you, if you had to. That you've got the appeal and skills to do it for a living. Correct me if I'm wrong, but you had a good time, didn't you? Then I whisked you out the back door, took you home, and you screwed me like a teenager.? ÿ Alison bit her lip. ?My girlfriend's on her way. I just can't?? ÿ ?Yes, you can. You can do it for me. I'll wait out here for Morgan?? ÿ ?Moriah.? ÿ ?Moriah, sorry. I'll intercept her. Got a picture?? ÿ ?She's a dyke. She'll stick out like a?? Alison jabbed at her smartphone. ?Well, this probably isn't the best?? ÿ Tommy pulled the phone out of her hand and tilted it to get rid of the glare. ?Yeah, well, the ball gag isn't very becoming. No tits, but kind of cute. So this is how lesbians do it??

Lustmord

In a book that confronts our society's obsession with sexual violence, Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth-century Western culture: the violated female corpse. This image is so prevalent in painting, literature, film, and, most recently, in mass media, that we rarely question what is at stake in its representation. Tatar, however, challenges us to consider what is taking place--both artistically and socially--in the construction and circulation of scenes depicting sexual murder. In examining images of sexual murder (*Lustmord*), she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present. Tatar focuses attention on the politically turbulent Weimar Republic, often viewed as the birthplace of a transgressive avant-garde modernism, where representations of female sexual mutilation abound. Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers, working in a society consumed by fear of outside threats, envision women as enemies that can be contained and mastered through transcendent artistic expression. Not only does Tatar show that male artists openly identified with real-life sexual murderers--George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife--but she also reveals the ways in which victims were disavowed and erased. Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany. She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties, and shows how violence against women can be linked to the war trauma, to urban pathologies, and to the politics of cultural production and biological reproduction. In exploring the complex relationship between victim and agent in cases of sexual murder, Tatar explains how the roles came to be destabilized and reversed, turning the perpetrator of criminal deeds into a defenseless victim of seductive evil. Throughout the West today, the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of its victims. Maria Tatar's book opens up an important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century.

Satan's Sightless Legion

Beautiful girls, in the first bloom of youth, suddenly struck blind, their once sparkling eyes turned to glassy gray marbles. Strong men groping, sightless and helpless, in terrifying darkness. The Blind Man, he called himself, and it mattered little to him how many people he blinded in his mad lust for wealth and power. Just as a cobra sprays blinding venom into the eyes of its victims, so the Blind Man paralyzed the eyes of all who stood in his way. Even Richard Wentworth, the avenging Spider, the only man who dared challenge him, was not immune. And it seemed as though the Spider, who had marked countless underworld rats for death, had at last met with a force which he could not cope.

Book Lust

What to read next is every book lover's greatest dilemma. Nancy Pearl comes to the rescue with this wide-ranging and fun guide to the best reading new and old. Pearl, who inspired legions of litterateurs with "What If All (name the city) Read the Same Book," has devised reading lists that cater to every mood, occasion, and personality. These annotated lists cover such topics as mother-daughter relationships, science for nonscientists, mysteries of all stripes, African-American fiction from a female point of view, must-reads for kids, books on bicycling, "chick-lit," and many more. Pearl's enthusiasm and taste shine throughout.

The Border Legion

Jim Cleve has been deemed, "a good guy" all of his life. Even his girlfriend, Joan Randle has scorned him for this "weakness." Dejected and hurt, Jim abandons the life he has known for the gold mining camps along Alder Gulch in southern Montana. It is here, among thieves and murderers, that he plans to make a new name for himself. When Joan realizes that she has put Jim in jeopardy, she rushes off to save him only to stumble across the notorious desperado, Jack Kells. So begins the border legion adventures of roving bandits, lust and greed. With Jim's search for a new identity, Jack's moral dilemma and the fight for Joan's freedom, this thrilling story portrays the epic theme of man's continual struggle between good and evil. Zane Grey is a true legend. His bestselling novels have thrilled generations of readers with heart-and-guts characters, hard-shooting action, and high-plains panoramas. He is the genuine article - the real spirit of the Old West.

Angel Lust

A thousand years ago: the turn of the First Millennium. Thomas Jebson, a bright farm boy, found himself attracted to a wandering knight. The knight has returned Thomas's shy smile, causing Jebson to go on foot to seek him. Local barons maintain "law" by murder, but Thomas is sure this knight will teach him to read, a forbidden activity in Dark Age Europe, whose forests hide "faery men," worshippers of the old gods and practitioners of forbidden sexual rituals, who have already inducted Thomas into their rites. Evening drops. Thomas finds Bertrand, the handsome knight, in a grove of trees. Thomas kneels, asking to be allowed to follow him. Bertrand agrees and requests Thomas's help removing his heavy armor. They are soon both naked, and spend the night making love. At dawn, thugs come after Bertrand. He will not leave Thomas, and after engaging in hand-to-hand combat is killed. Thomas is lashed to the body of his beloved knight. Bound to a tree in the grove, both are burned. Before succumbing, Thomas hears dead Bertrand's voice, they will never be separated, but will return to help others, no matter how impossible. A thousand years later, handsome Tommy Angelo finds himself still looking for men at the edge, giving them sexual satisfaction and strength, hoping that he will gain the "favor" necessary to be reunited with Bert, his lover from another life. In 21st century gay Manhattan, with its own "barons," Tommy comes across powerful Allan Hubris. Tommy fights Hubris's schemes, while giving himself to an array of adventurous men, who are also looking for that ultimate union and release. Angel Lust combines the mystical atmosphere we see in Ann Rice's classics of dark eroticism with Brass's more open, full-throttle gay sexuality. It will be a grabbed-off-the-shelves read from a master of gay literary erotica and story telling.

Lust and Longing

In een fort in Boedapest leven zes door de goden vervloekte krijgers. Ieder van hen draagt een demon in zich - Geweld, Ziekte, Dood, Pijn, Toorn en Losbandigheid - en ieder van hen levert dag en nacht strijd om zijn demon in toom te houden... Reyes staat op het punt zich van het fort te storten om zijn demon Pijn tevreden te stellen, als hij wordt tegengehouden door Lucien, die wil weten wat hij met hun vriend Aeron heeft gedaan. Opgesloten, bekent hij. Aeron, hoeder van Toorn, heeft namelijk van de goden de opdracht gekregen Danika te doden - de vrouw die alles voor Reyes is gaan betekenen. Danika is op de vlucht. Sinds ze weet dat zij en haar familie groot gevaar lopen, is ze niet langer dan

een week op dezelfde plaats gebleven. Ze is al een keer door de krijgers ontvoerd, en dat zal haar niet nog eens overkomen. Hoewel ze aan een van hen, Reyes, toch steeds moet denken. Hij mag dan een demon zijn, hij heeft wél haar leven gered... Zodra Reyes ontdekt dat demonenjagers het ook al op Danika gemunt hebben, schiet hij haar te hulp. Wat hij niet weet, is dat alles door de jagers in scène is gezet en dat Danika hen helpt. En dan wordt duidelijk dat nóg iemand belangstelling heeft voor de vrouw van zijn begeerte: de oppergod Kronos zelf...

De donkerste lust

Prudence Reaper has been cursed with the sin of lust since she was a child. She's evaded her desires for over a century by stealing pleasure from men's dreams. It's been the only way to hide a small piece of herself from the curse. Everything changes when she crosses paths with Shepherd Donovan. Shepherd is one of the last soul reapers left in any world. Not that he cares. Shepherd loathes himself more than the Reapers who drove his kind nearly to extinction. He wants nothing more than to ignore his demon DNA, but that becomes impossible when he lays eyes on the raven-haired beauty who makes his heart skip a beat. Prudence has unlocked an intense, unusual yearning in his soul. One that demands a permanent place in his life. Unable to ignore lust, Prudence shares pieces of herself with the soul reaper. With each touch, Prudence and Shepherd fall deeper and deeper until their hearts want what the other tries to hide. Author's Note: 18+ Dark content in series that might offend some readers. Even though each book focuses on a different couple, the storyline continues from each book. I highly recommend reading series in order.

Virgin Lust

Explores how our innate desire for God (and to be like God) is often perverted into the arrogant lust to be God.

Godlust

A laid back barista finds out his sexy goth coworker has turned into a succubus, and needs his help. With her hunger growing by the day, it's only a matter of time before she sucks someone dry. Will he do the unthinkable, and help break her cute coworkers down into mewling sex fiends to feed her insatiable need? With her seductive power seeping into his brain, he may not have much of a choice! Blake was never an ambitious person. Between serving up coffee and hanging out with his best friend Amanda, he never really needed anything else. But when Amanda shows up to work after a strange absence with an alluring aura, hypnotic eyes, and a voice that no one can disobey, Blake will be drawn into a dark world of lust and desire he never knew existed. Now, with Amanda infected with a demonic need for sexual energy, she's quickly losing control and in need of his help. But when that help involves helping her feed of the lust of her brainwashed victims, how far will he go for his oldest friend? And when she can see into his darkest desires and is more than willing to make them all reality, how long until he is as eager a participant as she is? Lust and Lattes is a devilish tale of deviant lust, decadent corruption, and despoiled morality.

Lust and Lattes

Of old, humans and Faeries have dwelt side by side in parallel realms.

Lust (Mills & Boon Spice)

In a city on the verge of war, Aurelia and Marcus will have to fight for each other if they want to be together. Aurelia believes in learning, progress and peace. She's found her paradise in the beautiful Roman city of Mediolanum, where all three are available in abundance. The last thing she needs is a horde of soldiers marching into the city and bringing with them the violence and pain of the outside world. Marcus believes in peace too, but he knows that peace does not come easy. As a soldier for the Roman military, he's tasked with the protection of the city of Mediolanum. With war on the horizon and the potential for a battle in Mediolanum, his job has never been so important. After a disruptive act from Aurelia, the two are thrown into one another's path. They collide in a shower of sparks that neither is soon to forget, and they will have to fight for the city if they want it to survive. When they are thrown into the middle of the battlefield, ideals of peace become realities of life and death. Will Aurelia and Marcus find the love they are so desperate for? Will Mediolanum withstand the barrage? Will everyone find the peace they so desperately crave?

Roman Lust

Peter Arliss was only a boy the first time he crept down the hall and peeked into the room where Jane and Charlotte were playing their erotic games. They soon made a man of him as they included him in every deviation imaginable. Under the skilled tutelage of these two insatiable fiends, Peter was seduced into a way of life that he knew to be abnormal, but was powerless to stop his mad descent into the depths of depravity. As the young slave, he performed the most intimate services required by his strange mistresses. As a boy who wanted to taste normality, he roamed the night - peering at others even more debauched than he. Peter sought the thrill of seeing women undressing and doing things no person should do. He witnessed an underbelly of society known only to the perverted, and learned to consider it as his own. He discovered the joys of degeneracy and, in turn, became the pawn of every twisted female desire in his own. Would he ever find a normal woman who could save him? Or would he end his twisted life enmeshed in a world of NIGHT LUST! A passion procession leads to a blood orgy! From Satan himself comes eight tales of debauchery and degradation. Tormented souls bound by flesh agonies, causing a downward spiral that ended in the fiery pits of hell! Love slaves, pain enthusiasts, sex maniacs; all suffered the endless, eternal torments of shrieking damnation!
