If you're ready to relax, let go of stress, have some fun, and boost yourself up - all at the same time - then this Mandala Affirmations Meditation Coloring Book for Adults is perfect for you! We created this coloring book to help you calm your mind and awaken your playful spirit. But that's not all! Each coloring page includes a mandala and an "I Am..." affirmation - a positive intention or mantra that you repeat in order to make it believable and real in your life. It's our hope that while you're coloring in the mandala, you'll be able to focus on the affirmation and really soak up the positive energy. We believe that pairing the affirmations with the meditative act of coloring spiritual mandalas can be transformative, and it's our hope that you'll find this to be true. This 8.5x11 book contains 50 beautiful mandalas to color - they vary in complexity, and no two are the same! (Plus, if you already have the first two volumes in this series, rest assured that all the mandalas and affirmations in this book are new!) You can go through the book in order or flip around and choose the design or affirmation that feels the best for you in the moment. As you color, remember to keep the affirmations in mind and to stay open to letting them seep into your psyche. You just might begin to notice positive changes in your life because of them! Here are some examples of the affirmations: I am courageous I am lovable I am at peace I am living my purpose I am open to miracles We kept the opposite side of each design blank so your markers won't bleed through. However, to be extra safe, we suggest putting a piece of paper underneath the page you're coloring (especially if you're using markers). Once you've finished coloring in the design, you can cut it out and frame it or leave it in the book to go back to and look at later. No matter how you use this coloring book, remember to have fun! It's meant to be a creative outlet for you, a way to calm your mind and your spirit, and a way to reconnect with your inner child. So enjoy coloring, relaxing, and embracing your creativity! Remember, too, that you can't color wrong. Let your creativity soar and see where it takes you! Use markers, crayons, colored pencils, or pens. You're the artist, so have fun filling in the designs however you'd like. This coloring book makes a great gift for anyone who could benefit from a fun and creative way to relax, relieve stress, and boost their self-esteem at the same time: moms, daughters, friends, coworkers, yoga teachers and students, meditators, retreat leaders, art teachers and students, therapists, and so many more! Be sure to check out all of our coloring books by clicking on the series link at the top of the page. Enjoy this creative and meditative journey!

Coloring when it's used as an active form of meditation can help you achieve mindfulness, experience flow, find greater balance and calm in your life, replace negative thoughts with positive, reduce anxiety, and de-stress. Coloring is yoga for the mind. How is coloring like yoga for the mind? How can coloring exercise and strengthen your mind? While at the same time lowering your stress and anxiety? The answer is both simple and complex. The simple answer is that the brain is an amazing thing. Like exercising any other part of the body, when we exercise the part of the brain that helps us relax and calm down, that part of the brain (the prefrontal cortex) gets stronger. The amazing thing is when we make our prefrontal cortex stronger, the fear and anxiety part of our brain (the amygdala) gets weaker. That's why mindful coloring can have so many great benefits for our bodies. This takes regular, daily time and effort, just like any other exercise. But at least this kind of exercise is fun! Who will like Peace: 50 Mandalas for Mindful Meditation? People who like: coloring books for grown-ups coloring books for teens coloring books for

older kids coloring books for girls coloring books for boys (The flowing, geometric designs in many of the mandalas are equally appealing to both genders.) geometric coloring books complex coloring books stress relief coloring books advanced coloring books detailed coloring books mandala coloring books intricate coloring books If you want unique mandalas to color that you can't find anywhere else, then buy Peace: 50 Mandalas for Mindful Meditation today.

happy. Happiness is free.

Happiness is when you realize your children have turned out to be good people.

Don't lose hope. You never know what tomorrow will bring.

You can't go anywhere until you change it.

Sometimes, the best thing you can do is stop, breathe and focus on the positive. And if that doesn't work, try a new pair of shoes.

Locks are never manufactured without a key. Similarly, GOD never gives problems without solutions. Only we need to have patience

Never argue with a liar. You can't win because they believe their own lies.

NEVER put the key to your happiness in someone else's pocket.

Don't let yourself be controlled by three things: people, money, or past experiences.

Failures are part of life. If you don't fail, you don't learn. If you don't learn you'll never change.

Take risk: If you win, you will be happy; if you lose, you will

All your sacrifice, silent cries and hard
