Empress

In a family torn apart by poverty and violence, Hekat is no more than an unwanted mouth to feed, worth only a few coins from a passing slave trader. But Hekat was not born to be a slave. For her, a different path has been chosen. It is a path that will take her from stinking back alleys to the house of her God, from blood-drenched battlefields to the glittering palaces of Mijak. This is the story of Hekat, precious and beautiful. A new fantasy trilogy of power and politics, treason and betrayal, and the rise and fall of Empires . . .

Empress Of Mijak

A truly epic fantasy of power and politics, treason and betrayal, and the rise and fall of Empires ... When a scrawny unwanted girl child is sold into slavery, a chain of events is set in motion that will have a profound impact on all the civilized world. Hekat is taken in chains to Mijak's largest city, home of the warlord Raklion. She is sold into his service and learns all she can about power - its wielding and its uses - as she fetches and carries and cleans and serves. She grows into a beautiful woman and through ambition and manipulation, Hekat becomes a powerful woman eventually taking over the rulership of Mijak ... and then she sets about making it the greatest Empire ever known.

Empress

'Empress is an ambitious, impressive and intriguing novel' - Starburst 'A fine read and a fine start to what could be an exceptional series.' - The Contra Costa Sunday Times When a scrawny, unwanted child - so lowly that she does not even have a name - is sold into slavery, a chain of events is set in motion that will have a profound impact on all the civilised world. Naming herself 'Hekat' (after a slaver's

observation that she is quite the hellcat), the girl is taken in chains to Mijak's largest city, but makes a bargain with a ruthless god and escapes her captors. After she saves the life of a warlord, he takes her in and teaches her ways that an orphan might use to prosper in an uncaring world. When the warlord's family dies, the way becomes clear for Hekat to carve a dynasty out of infidelity and betrayal. . . Empress is an epic fantasy of power, politics and the rise and fall of empires. The Godspeaker Trilogy

Far away, the King of Ethrea is dying. His daughter Princess Rhian is ready to rule, but if her enemies have their way the crown of Ethrea will never be worn by a woman. Dexterity Jones is a toymaker. To protect Rhian and his country, he must place his trust in an exile from Mijak. Yet, as Ethrea comes ever closer to civil war, a greater danger awaits. The blue-haired slave Zandakar, the man she thought was her friend, has been revealed as the son of a woman sworn to destroy her world. And Rhian's husband, King Alasdair, is unsure of her love. Sex in Space

As hoteliers design zero-gravity hotel suites for out-of-this-world unions and with the first honeymoon in space already scheduled, this provocative account reveals the truth about romantic rendezvous in Earth's orbit and beyond as well as the advantages and difficulties of having sex in space. Questions the space agencies are too embarrassed to discuss -- such as Has anyone 'done it' in space? What will happen to the first baby conceived in space? and Have astronauts and cosmonauts practised 'docking manoeuvres' while in orbit? -- are thoughtfully answered, while science-fiction myths about interstellar intercourse are dispelled. From chemistry to psychology, this exploration runs the reproductive and sexual gamut, from lust and sexual mechanics to conception, pregnancy, and birth in low-gravity situations.
