The Spy in Canaan

How far would a person go to protect his deepest convictions? THE SPY IN CANAAN by Howard H. Schack contains a historical time frame during which an ordinary person creates world altering events that change history. During a telling interview, when Howard's experienced covert handlers wondered whether he was, indeed, ready to assume the role of a secret agent, he was told in stark, forbidding terms: "Should anything—God forbid—go wrong, if you get caught, we will deny you. You'll be on your own. We will, of course do all we can to get you out, one way or another. We pride ourselves on that. But we will tell the world that we never heard of you. If you find that unacceptable, you can walk out the door now and no one will blame you." To which Howard replied: "You're wrong, I would blame myself." In a review, Dr. Maurice Wholgernter refers to Howard H. Schack as an American engineer and with a worldwide reputation as a master builder of military installations around the globe. Dr. Wholgernter devotes a chapter to Howard in his book Jewish Writers/Irish Writers and titled: A Memoir about Hereto Unrevealed Intelligence: "Espionage is commonly defined as that part of the total intelligence designed for the surreptitious inspection of the activities of foreign countries to ascertain their strength and movements and to communicate such intelligence to the proper authorities. If only for security purposes, all nations must feel the need to discover, by their own concealed methods, the guarded secrets of others. Or as Winston Churchill once wittedly remarked: Sometimes liberty requires a bodyguard of lies." Dr. Wholgernter further discloses that for him to establish the personality traits of the ideal covert intelligence operative central to the anatomy of espionage was far from simple. "A fine study of intelligence gathering catalogs, for example, that there are some 10 traits that the good intelligence operative must possess, in order to qualify for his precarious, oft-times life-threatening assignments. Notable among them, an intelligence agent should be discreet, have passion for anonymity, and must know how to keep his mouth shut and preserve a secret. Considering those attributes, Howard H. Schack was a most effective and accomplished cover intelligence operative, presenting us with an intelligent memoir about hitherto unrevealed intelligence. Secret missions like the many carried out by Schack make possible the successful anti-terror efforts currently being made by the United States and its allies."

A Spy in Canaan

A middle-aged Jewish businessman from Westchester, New York, reveals his secret life as a spy for the Mossad, Israel's legendary intelligence service.

This has really changed our lives." - Carrie, US "What an awesome thing that your ministry is sharing with the world. God's word is user friendly, spoken as Jesus did where all can understand and want to learn more of Jesus, study more and do his will. I have never found such detailed shared information of God's word all in one book." - Ruby, US "Thank you so much for your website. I've benefited so much from it and it has helped me so much in my relationship with Jesus! I believe its the no1 thing I need to pursue." - Zsuzsi, Hungary "Your website, what I've read so far is an overwhelming refreshing shower to my spirit. To discover a ministry that focuses on loving God is so utterly a confirmation to me. What could be more important? Fathomless depths. Thank you for your precious hearts." - Julia, US "Just wanted to say thanks for this site. I typed in the search because this is what God has been doing in my life. Drawing me into intimacy." - Stephen, Australia "The material on your website is awesome. Glory to God!" - Ray, US "I am in awe of the study book. I did not expect to receive so much information. Thank you." - Olivia US "I have been blessed by your site & studies." - Dorota, Poland "The study was excellent ! I could understand it. It was done beautifully and simply... God has changed our lives through this study. We are both working for a soft and humble heart." - Nancy, US "Once again I cant thank you enough; your help is much appreciated and I am so grateful towards you for this." - John, Ireland "I will certainly join in praying for this study and for you as you continue to work with it as the Lord directs. Those weeks of study were so very meaningful to me! - Reid, US "Hi, Thank you for publishing this great material." - Johan, South Africa "Praise the Lord. Please I request a copy of your wondrous book." - Meshak, Uganda

Pursuing Intimacy With God

Spies of Promise is a Christian spy thriller about the 12 Hebrew spies sent to reconnoiter the promised land of Canaan after Moses led the Israelites out of Egypt. The story is told by a CIA officer who learned the story from a source he debriefed in the Middle East. The source tells the story from the point of view of Joshua who, at 100 years old, relays the tale to his grandson who does not know the details outside of what was told in the Bible in the book of Numbers chapters 13-14. The story in the Bible is only about 2 pages long. This novel chronicalizes the 40 day intelligence operation where the 12 spies encounter other spies, assassins, prostitutes, sorcerers, demons and angels. Both Satan and Moses are important secondary characters in this story. There are powerful life lessons at the end of this book which help people navigate through their own personal wilderness. This exciting novel provides a fictionalized account of Joshua's mission but contains spycraft and situations which could have come from news headlines in 2015. There are some powerful metaphors in the story about faith. The themes of love and redemption are deeply woven throughout this thriller. According to the Bible, the Hebrews were ultimately disobedient, not believing the word of God and failed to reach the Promise Land. The Bible tells of their punishment after the mission in Canaan where they are forced to wander in

the wilderness of the Sinai for 40 years (one year for each day that the 12 spies were on their mission). The narrative in the Bible does not discuss what happened during those 40 days; this is that story. At the end of Joshua's tale, the story returns to the present where the narrator provides ten spiritual points to take away, mainly not to have a wilderness state of mind like the Hebrews. Although the Hebrews were freed, they still needed to free themselves from the psychological bondage of so many years of slavery. Many people are in their own personal wilderness of the past by reliving past hurt and traumas. This thrilling work of historical fiction was written from a God-consciousness point of view. Perhaps this fictionalized account of Joshua's spy mission can lead some people to gain more perspective about their lives and increase the faith in their hearts.

Spies of Promise

Presents a collection of 26 articles, with an introduction on "The Influence of Hellenism on Jews in Palestine in the Hellenistic Period."

Judaism And Hellenism Reconsidered

Wayuunaiki

Lessons You Can Learn from the Bible

The groundbreaking volume *The Torah: A Women's Commentary*, originally published by URJ Press and Women of Reform Judaism, has been awarded the top prize in the oldest Jewish literary award program, the 2008 National Jewish Book Awards. A work of great import, the volume is the result of 14 years of planning, research, and fundraising. **THE HISTORY:** At the 39th Women of Reform Judaism Assembly in San Francisco, Cantor Sarah Sager challenged Women of Reform Judaism delegates to "imagine women feeling permitted, for the first time, feeling able, feeling legitimate in their study of Torah." WRJ accepted that challenge. *The Torah: A Women's Commentary* was introduced at the Union for Reform Judaism 69th Biennial Convention in San Diego in December 2007. WRJ has commissioned the work of the world's leading Jewish female Bible scholars, rabbis, historians, philosophers and archaeologists. Their collective efforts resulted in the first comprehensive commentary, authored only by women, on the Five Books of Moses, including individual Torah portions as well as the Hebrew and English translation. *The Torah: A Women's Commentary* gives dimension to the women's voices in our tradition. Under the skillful leadership of editors Dr. Tamara Cohn Eskenazi and Rabbi Andrea Weiss, PhD, this commentary provides insight and inspiration for all who study Torah: men and women, Jew and non-Jew. As Dr. Eskenazi has eloquently stated, "we want to bring the women of the Torah from the shadow into the limelight, from their silences into speech, from the margins to which they have often been relegated to the center of the page - for their sake, for our sake and for our children's sake."

The Torah

This easy-to-read pocket New Testament text edition is perfect for devotional reading and Bible study. A perfect size to keep in a pocket, purse, or glove compartment.

God's Word

Ashley's study on the book of Numbers is part of *The New International Commentary on the Old Testament*. Like its companion series on the New Testament, this commentary devotes considerable care to achieving a balance between technical information and homiletic-devotional interpretation.

The Books of Numbers

No other book in the Bible compares with the wonder of the sacred collection of inspired worship songs known as the Psalms. Considered by many to be the most loved portion of Scripture, the Psalms have been a bedrock of comfort and a tower of strength for believers in every experience of life. This is the second of two volumes in the *Holman Old Testament Commentary* given to the Psalms, that provide commentary on Psalms chapters 76-150. Some of the key Psalms receive an added in-depth treatment that includes exposition, illustrations, and teaching plans. - <http://www.christianbook.com>

Exodus, Leviticus, Numbers

Only Ernest Withers, a key figure in the civil rights movement, could have delivered such iconic photographs—and the kind of information the FBI wanted . . . Renowned photographer Ernest Withers captured some of the most stunning moments of the civil rights era—from the age-defining snapshot of Dr. Martin Luther King, Jr., riding one of the first integrated buses in Montgomery, to the haunting photo of Emmett Till's great-uncle pointing an accusing finger at his nephew's killers. He was trusted and beloved by King's inner circle, and had a front row seat to history . . . but few people know that Withers was also an informant for the FBI. Memphis journalist Marc Perrusquia broke the story of Withers's secret life after a long investigation culminating in a landmark lawsuit against the government to release hundreds of once-classified FBI documents. Those files confirmed that, from 1958 to 1976, Withers helped the Bureau monitor pillars of the movement including Dr. Martin Luther King and others, as well as dozens of civil rights foot soldiers. Now, on the fiftieth anniversary of King's assassination, *A Spy in Canaan* explores the life, complex motivations, and legacy of this fascinating figure Ernest Withers, as well as the dark shadow that era's culture of surveillance has cast on our own time. Includes an 8-page, black-and-white photo insert.

A Spy in Canaan

THE FAITH ADVENTURE SERIES: VOLUME ONE FAITH-BASED ESPIONAGE? A faith-based spy novel! Some shake their heads and say, "Espionage and Christianity can never mix". That's not exactly true, especially considering that the Bible has its own stories of espionage, including the two spies sent into Canaan and the city of Jericho to, "spy out the land" in Joshua 2. God has His spies, it's true. In this book, set in the turbulent times of 1968, in the wake of the assassination of Martin Luther King, Jr. and Robert F. Kennedy, a CIA spy by the name of Charlie Merit thwarts his own assassination attempt then realizes that God intervened for him. Thrilled by the prospect of knowing Jesus, he falls in love with God's Word, the Bible, then struggles to align his life – and profession as an international spy – with its concepts. This is the first volume of *Spy for God* followed by the second volume, *Spy for God: Behind the Iron Curtain* in which Charlie Merit continues his mission into Russia and the heart of godlessness where Bible smuggling is the dangerous game to play. Then, get ready for the third volume in the Faith Adventure Series, titled, *The God of Love and War: Storm Clouds Over London*. Set in London in the 1940s when bombs from Nazi planes fell daily and challenged the faith of many godly people, it's sure to be a page turner and a source of great spiritual insight through a story about God in the lives of several people during a very deadly war.

A Practical Commentary on Holy Scripture

When Jesus said, "Let the little ones come to me," He truly meant it! This life-changing book about God's everlasting love and the power of prayer from beloved writer Stormie Omartian reassures children that their prayers are meaningful to God and that He always listens to them. Reassuring little ones that God's love is a forever love, Stormie shows kids how to give thanks for family and friends, give their wants and needs to their heavenly Father, and trust Him to do what is right for their lives. She then explains what it means to pray the best prayer of all—asking Jesus to come into your heart. As children learn about the great gift of salvation and the wonder of living forever with God, they'll be assured that, as one of God's special kids, Jesus will stay right beside them today—and they'll be inspired to reach out to others and tell them how awesome it is to be a child of God.

Spy for God: No Weapon Formed Shall Prosper

In pursuit of an answer to the question of what would constitute a perfect world, author Ken Spiro questioned more than 1,500 people of various backgrounds and religions. His findings revealed six core elements: Respect for human life; peace and harmony; justice and equality; education; family; and social responsibility. He then set off on a journey to find out why these were such common goals across cultural, economic, social and racial lines, and in the process, traced the history of the development of world religions, values and ethics. As a rabbi, he paid particular attention to how Judaism impacted, and was influenced by, the course of these developments. The result is a highly readable and well-documented book about the origins of values and virtues in Western civilization as influenced by the Greeks, Romans, Christians, Muslims and, most significantly, the Jews. The history of religion, presented in Spiro's highly readable style, is a fascinating and timely subject, especially in today's volatile religious climate. Spiro divides his book into five engaging parts: *Where the Quality of Mercy Was Not Strained: The World of Greece and Rome*; *Against the Grain: The Jewish View*; *A Father to Many Nations: Abraham and the Implications of Monotheism*; *With Sword and Fire: The Rise of*

Christianity and Islam The New Promised Land: Impact of Judaism on Liberal Democracies Readers of all faiths will find that the elements of a perfect world can only be achieved by a common understanding of our mutual backgrounds and that our diverse religions are all merely branches growing from one single tree.

The Prayer That Makes God Smile

Duane Elmer asked people around the world how they felt about Western missionaries. The response? "Missionaries could be more effective if they did not think they were better than us." The last thing we want to do in cross-cultural ministry is to offend people in other cultures. Unfortunately, all too often and even though we don't mean it, our actions communicate superiority, paternalism, imperialism and arrogance. Our best intentions become unintentional insults. How can we minister in ways that are received as true Christlike service? Cross-cultural specialist Duane Elmer gives Christians practical advice for serving other cultures with sensitivity and humility. With careful biblical exposition and keen cross-cultural awareness, he shows how our actions and attitudes often contradict and offend the local culture. He offers principles and guidance for avoiding misunderstandings and building relationships in ways that honor others. Here is culturally-savvy insight into how we can follow Jesus' steps to become global servants. Whether you're going on your first short-term mission trip or ministering overseas for extended periods, this useful guide is essential reading for anyone who wants to serve effectively in international settings with grace and sensitivity.

The morning star of the Reformation: the life and times of John de Wycliffe

The book, "" Antiquities of the Jews; Book - V ""\

The Pictorial Bible Commentator

Shows how biblical authors, like more recent architects of national identities, constructed identity in direct relation to memories of war.

WorldPerfect

"Abide in Me." John 15:4 Do you yearn for life-giving, intimate communion with God? The Abide Bible is designed to help you experience the peace, hope, and growth that comes from encountering the voice and presence of God in Scripture. Every feature in Abide is designed to teach and develop Scripture-engagement habits that help you know the power and spiritual nourishment of abiding in Christ. Created in partnership with Bible Gateway and the Taylor University Center for Scripture Engagement, The Abide Bible's features include articles, book introductions, and practical Scripture engagement prompts based on five ways of engaging deeply with the Bible: Praying Scripture Pattern your prayers after biblical texts, personalizing the prayer and gaining language for the thoughts and emotions you want to express. Picture It Place yourself in a biblical narrative as a bystander or participant in important events. Journaling Focus and reflect on Scripture and its meaning for your life, opening yourself to God's voice as you ponder. Engage Through Art Consider a classic piece of art--photograph, sculpture, painting--and let it deepen your meditations on scriptural truths. Contemplate Follow the church's longstanding practice of reading, meditating on, praying, and contemplating a passage of Scripture in order to experience God's presence through the words of the Bible. Features include: Line-matched, single-column Scripture text Thomas Nelson's exclusive NKJV Comfort Print(R) 9-point type size Smyth-sewn binding lays flat in your hand or on your desk Two satin ribbon markers

Cross-Cultural Servanthood

The prewar history of the Japanese intelligence community demonstrates how having power over much, but insight into little can have devastating consequences. Its postwar history—one of limited Japanese power despite growing insight—has also been problematic for national security. In *Special Duty* Richard J. Samuels dissects the fascinating history of the intelligence community in Japan. Looking at the impact of shifts in the strategic environment, technological change, and past failures, he probes the reasons why Japan has endured such a roller-coaster ride when it comes to intelligence gathering and analysis, and concludes that the ups and downs of the past century—combined with growing uncertainties in the regional security environment—have convinced Japanese leaders of the critical importance of striking balance between power and insight. Using examples of excessive hubris and debilitating bureaucratic competition before the Asia-Pacific War, the unavoidable dependence on US assets and

popular sensitivity to security issues after World War II, and the tardy adoption of image-processing and cyber technologies, Samuels' bold book highlights the century-long history of Japan's struggles to develop a fully functioning and effective intelligence capability, and makes clear that Japanese leaders have begun to reinvent their nation's intelligence community.

Antiquities of the Jews ; Book - V

'As gripping as any spy thriller, Hastings's achievement is especially impressive, for he has produced the best single volume yet written on the subject' Sunday Times 'Authoritative, exciting and notably well written' Daily Telegraph 'A serious work of rigorous and comprehensive history ... royally entertaining and readable' Mail on Sunday

War, Memory, and National Identity in the Hebrew Bible

THE FAITH ADVENTURE SERIES: VOLUME ONE FAITH-BASED ESPIONAGE? A faith-based spy novel! Some shake their heads and say, "Espionage and Christianity can never mix". NKJV Abide Bible Red Letter Edition [Stone]

At a time when America debates its values and the world braces for religious war, Bruce Feiler, author of the New York Times bestsellers *Walking the Bible* and *Abraham*, travels ten thousand miles through the heart of the Middle East—Israel, Iraq, and Iran—and examines the question: Is religion tearing us apart ... or can it bring us together? *Where God Was Born* combines the adventure of a wartime chronicle, the excitement of an archaeological detective story, and the insight of personal spiritual exploration. Taking readers to biblical sites not seen by Westerners for decades, Feiler's journey uncovers little-known details about the common roots of Judaism, Christianity, and Islam, and affirms the importance of the Bible in today's world. In his intimate, accessible style, Feiler invites readers on a never-in-a-lifetime experience: Israel Feiler takes a perilous helicopter dive over Jerusalem, treks through secret underground tunnels, and locates the spot where David toppled Goliath. Iraq After being airlifted into Baghdad, Feiler visits the Garden of Eden and the birthplace of Abraham, and makes a life-threatening trip to the rivers of Babylon. Iran Feiler explores the home of the Bible's first messiah and uncovers the secret burial place of Queen Esther. In *Where God Was Born*, Feiler discovers that at the birth of Western religion, all faiths drew from one another and were open to coexistence. Feiler's bold realization is that the Bible argues for interfaith harmony. It cannot be ceded to one side in the debate over values. Feiler urges moderates to take back the Bible and use its powerful voice as a beacon of shared ideals. In his most ambitious work to date, Bruce Feiler has written a brave, uplifting story that stirs the deepest chords of our time. *Where God Was Born* offers a rare, universal vision of God that can inspire different faiths to an allegiance of hope.

Special Duty

This collection of revised and new essays explores Jewish women's history. Topics include portrayals of women in the Hebrew Bible, the image and status of women in the diaspora world of late antiquity, and Jewish women in the Middle Ages.

The Secret War: Spies, Codes and Guerrillas 1939–1945

A displaced soldier anticipates only empty tomorrows. A young widow knows nothing but yesterdays filled with abuse and neglect. A spy sees only a today he can manipulate to gain the power he craves. Will they allow Yahweh to give them what they need? Kamose, once Egypt's most trusted soldier, no longer has a country to serve or king to protect. Moses insists God has a plan for him, but Kamose is not so sure. Tirzah's cruel husband died shortly after they left Egypt. She escaped his brutality, but now she's alone, and once they reach their new land, how will she survive? Gaddiel, Tirzah's brother-in-law, is chosen as one of the twelve spies sent to scout out Canaan. He's supposed to go in, get information and come back, but all he really wants is to bring down Joshua.

The Spy who Wouldn't Die

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

Spy for God

A comprehensive, illustrated resource that identifies and explains virtually every name in the Bible, including people, plants, animals, places, rituals, feast days, key concepts, definitions of 3,500 biblical names, and much more.

Where God Was Born

In this second volume of his long-anticipated five-volume collection of parashat hashavua commentaries, Rabbi Sir Jonathan Sacks explores these intersections as they relate to universal concerns of freedom, love, responsibility, identity, and destiny. Chief Rabbi Sacks fuses Jewish tradition, Western philosophy, and literature to present a highly developed understanding of the human condition under God's sovereignty. Erudite and eloquent, Covenant Conversation allows us to experience Chief Rabbi Sacks sophisticated approach to life lived in an ongoing dialogue with the Torah.

Jewish Women in Historical Perspective

This book is a classic exposition of the Christian life. It provides Bible-based answers to a lot of questions, and provides explanations needed to live a constantly victorious life. Joshua brought the children of Israel into a land flowing with milk and honey; yet the Bible says they did not enter the rest of God.

By the Waters of Kadesh

The book contains more than 6,100 questions. Its value is not in the answers, but rather in the way the questions are formulated and in the information they contain. Because the questions are arranged chronologically, the book can be used as a study guide. Although there are questions that require to memorize certain details, most of them contain enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic. Since the book was conceived with the purpose of using it in Bible contests, most of the questions require one-word answers. The material contained in this book is useful in bringing out things that many readers omit when they read the Bible. It is also useful for getting ideas for sermon subjects, for Bible contests, for obtaining information, etc. There are a variety of types of questions: 1. Simple and straightforward questions 2. Multiple choice questions 3. True and false questions 4. Tricky questions 5. Questions that require logic 6. Questions that require general knowledge 7. Questions that require to know Bible details 8. Interesting questions 9. Questions focused on unique things in the Bible 10. Questions that deal with controversial issues 11. Questions that require a list of names 12. Questions that require special knowledge 13. Doctrinal questions 14. Questions that combine the Old Testament and New

Testament 15. Bible geography questions 16. Questions that require memorizing verses Take a look at a few sample questions and answers: Tricky question: "David, Solomon, Jeroboam, Ahab, Jehoiakim, and Omri were just a few of the Kings of Israel. Some of them had problems with the Egyptians, and Israel and Egypt were often at war. So, king of Egypt, came and attacked Israel. If you paid attention, the name of the Egyptian king has already been mentioned. Give his name." Question that requires logic: "Alexander the Great, around 250 BC, gathered in Alexandria, Egypt, 70 Hebrew scholars to translate the Scriptures from Hebrew into Greek. This translation is known under the name of Septuagint (LXX). What part of the Bible did they translate? Was it the Old Testament, the New Testament, or the whole Bible?" Question focused on unique things in the Bible: "This gospel contains nothing about the life of Jesus before he was about 30 years old." Answers: Tricky question: So Questions that require logic: OT (One should know that there was no NT in 250 BC, and the NT was already written in Greek) Questions focused on unique things in the Bible: Mark

On the Whole Bible

How would new, untrained Christians kindly and humbly introduce God to their non-Christian friends? What if neither the Christian nor the non-Christian could learn from printed materials such as pamphlets, books, or the Bible itself? What if the new Christian was usually alone and untrained in a community hostile to Christian beliefs? How could these new Christians continue the process of reproducing spiritual generations without first being fully taught themselves? The strategy offered here is to tell biblical stories that can be easily retold. Stories that revealed God's acts and perspectives leading to questions and discussion. Stories that caused new listeners to question their own beliefs. You're holding a collection of ninety stories designed to be retold by anyone—thirty Old Testament stories chronologically arranged from creation to the return from Israel's exile; thirty Gospel stories from the announcement of Jesus' birth to his ascension to heaven; and thirty stories from the New Testament from Pentecost to Jesus' return from heaven to earth. Each lesson is built upon the principles from Roché's first book, *Biblical Storytelling Design: Understanding Why Oral Stories Work*, but modeled and explained in this book.

Illustrated Dictionary & Concordance of the Bible

In the 12th century, Moses Maimonides wrote a long letter to one of his rabbinical students discussing a variety of philosophical matters concerning theology. The text tries to clarify some of the contradictions between the literal meaning of the Torah and its philosophical explications. This work is still of interest to contemporary philosophers and theologians.

Covenant and Conversation

The Applied Commentary series is a fresh approach to Bible study, connecting great wisdom with your life today. Each Scripture passage is enhanced with insights on key themes and ideas. Featured articles provide a deeper look at essential concepts, while

The Promise Land

Michael Reeves opens to readers the glory and wonder of Christ, offering a bigger and more exciting picture than many have imagined. Jesus didn't just bring us the good news. He is the good news. Reeves helps us celebrate who Christ is, his work on earth, his death and resurrection, his anticipated return and how we share in his life.
