The Sarah Anointing

FROM BEST-SELLING AUTHOR MICHELLE MCCLAIN-WALTERS When your faith fails, God prevails. This book will teach you how to live out your nature as an active participant in God's vision. Sarah was a loyal wife who followed her husband, Abraham, when God spoke to him. Even when Abraham

made mistakes, she still called him "lord." She is an example of a woman with a submitted spirit who responded biblically to her husband without losing her identity. Sarah was an active participant in God's vision--perhaps too active, as she ran ahead of God and tried to fulfill His covenant in her own timing. She also laughed at the possibility of a miracle. But when God changed Sarah's name, He changed her nature. The name change linked her to Abraham in co-rulership, including her in God's covenant promise, which was fulfilled by the couple's working together. Sarah's example shows us that God has included women in His purposes and plans throughout history and will include them in the next great awakening. Her life is a positive lesson in faith that breaks personal limitations. The Jehu Anointing: Breaking Free from Jezebel's Web

Just like in the days of the prophet Elijah, Jezebel is deceiving, slandering, seducing, threatening, and murdering all who refuse to bow down to Baal. **THE JEHU ANOINTING** was written for such a time as this to warn the Body of Christ to repent, to cast down their idols, and return to the **ONLY TRUE AND LIVING GOD, JEHOVAH: THE GOD OF ABRAHAM, ISAAC AND JACOB**. God has given His children and United States of America a reprieve, to give them time to repent, to cast down their false idols, and to worship JEHOVAH alone, and to get themselves and their loved ones into the ARK that is Christ Jesus. It is time for the Body of Christ to get their house in order! Those who choose to defy the Only True and Living God, JEHOVAH, and continue in their worship of Baal, will soon stand before Him in judgment and be cast into HELL and receive eternal damnation. **THESE ARE TRULY THE DAYS OF ELIJAH**. Choose this day whom you will serve. As for me and my house, we shall serve JEHOVAH, the Only True and Living God of Abraham, Isaac and Israel.

Deborah, Arise!

Overthrowing Your Empire of Noise Noise. It's everywhere. Televisions blaring out commercials. Opinions shouted over the radio. The Internet and its unlimited distractions. All of the tasks and choices that you know don't really matter. Always intensifying, becoming a deep part of our everyday cycle, our now hurried lives. But often God speaks to us in the stillness. When Elijah needed to hear from God, God

sent a fire, a quake, and a huge wind. But God wasn't in the fire. He wasn't in the quake. He wasn't in the wind. God was in the whisper. But the noise hides the whisper. Life is a dangerous place when we are stripped of our ability to hear God clearly. During His time here on earth Jesus Christ was a master of noise. He balanced time healing, teaching, and feeding the multitudes with regular periods alone with His Father. Static Jedi takes a look at the life of Jesus to help you master the noise and distractions and live in clarity.

Static Jedi

MANY ARE CALLED, BUT YOU ARE CHOSEN. This book will equip you with prophetic insight and divine strategies that will jump-start you on the path toward destiny. There is a distinction between the called and the chosen, the many and the few. Who are these people? How did they get exclusive access to the favor of God? They are confident and prosperous, generous and joyful. They live in the realm of miracles and the supernatural, as if the very breath of God is on every decision they make in life. One season after the next they are catapulted to new levels in life. All they do is win and trample over challenges, disappointments, and attacks from the enemy, while others still remain at the starting line, awaiting breakthrough. In her book Michelle McClain-Walters shows readers just what this distinction is and how they can live in the fullness of their identity as God's chosen ones. Built on the words of Christ in John 15:16--"You did not choose me, but I chose you and appointed you so that you might go and bear fruit--fruit that will last--and so that whatever you ask in my name the Father will give you"--and Matthew 22:14--"Many are called but few are chosen"--Chosen is a revelation of the spiritual force behind the life of the next-level believer. Choose now and declare, "I am chosen!" and watch as the mysteries of heaven are opened to you. The Prophets and the Promise

Every woman is a legend in the making. Legendary women aren't just those in the history books or leading in business or politics. They are everyday women--the single mom, the prayer leader, the stay-at-home wife--who choose to say yes to God. That one simple act can create a legendary legacy that lives on from generation to generation and forever changes the course of humankind as we know it. In *Legendary Woman*, Bible teacher Michelle McClain-Walters gives flight to the legendary nature in each woman who dares to dream and risk everything to live out her divine purpose. Through the stories of women in Scripture and history, the book presents twelve characteristics of a legendary woman, and challenges you to identify your defining moments--when your destiny intersects with an epic need within your family, community, nation, or your world--and be willing to say yes to the legendary role God has uniquely fashioned for you. In addition, prayers and biblically based confessions, affirmations, and declarations throughout the book will fill you with the confidence you need to embrace who you are at every level. This is the finest hour in human history to be a woman. The Lord Most High is activating an army of women who will lead, preach, pray, prophesy, and prosper under the active guidance of the Holy Spirit. Every woman has a place in this army. Every woman is a legend in the making. Whether you had a dark past or are the unlikeliest of heroes, you will come to embrace your path as a real-life legend in the making, the very expression of God in feminine form. Using female world-changers of the Bible, this book will encourage you to forget your past, realize your potential, and say yes to the divine destiny God is revealing to you. A Little God Time for Women

We are living in such critical times today that it is imperative for believers to learn to use every tool given to us by the Holy Spirit. We are called to be kingdom influencers--to discern the times in which we live, to discern the moves of the Holy Spirit, and to discern angels and demons. With extensive expertise and personal experience, prophetic leader Jane Hamon takes a deep dive, biblically and practically, into one of the least known and most unused gifts of the Holy Spirit, covering the following topics: - discerning the presence of God - discerning the times - discerning angels and demons - discerning the hearts of people around you - acting wisely with what you discern - walking in wisdom and balance - and more This book will help you operate in greater spiritual authority and walk in wisdom as you help build God's kingdom on earth.

Legendary Woman

Praise and Worship with Flags reveals the power of using worship flags under the guidance of the Holy Spirit. Delores Hillsman Harris has been using worship flags for years, and first became aware of the Holy Spirit watching over her as she used them during a service in 2003. With a streamer in hand, she felt His power—and she remains a flag bearer and member of her church's dance ministry. The author points the reader to the flags' biblical truths, which have been understated, and takes you on a journey to discover these truths with Scripture. As you read, you'll find out why to use flags and how to use them with power—as well as how to use them while worshipping at home. You will feel the power of the Holy Spirit and discover the power of God when he combines with color, prayer, and love. Discover the meaning, significance, and benefits of using worship flags and join the author as she celebrates the power of the Holy Spirit.

Dealing with the Evil Powers of Your Father's House

The classic Harmony of the Gospels by J. W. McGarvey and Philip Y. Pendleton with interspersed comments. Attractively re-typeset, this enduring work is a valuable resource to modern Bible students. "In most commentaries a fifth or sixth of the space is taken up in drawing distinctions between the texts of the four Gospels, while in this work these distinctions are placed before the reader's eye, where he can see them for himself at a glance. Moreover, in other commentaries, which give the text, another sixth or seventh of the work is taken up in reprinting in the notes that portion of the text concerning

which the commentator wishes to speak. Our interjected method avoids all this needless repetition, and makes it possible for us to present the comment with the least preliminary verbiage or introductory setting. Time is also saved because the reader does not have to look back and forth from the text at the top to the comment at the bottom of the page. Again, other commentaries lose a large amount of space by using the King James text. Those which preceded the revision waste space correcting the translation and modernizing its English: those published since the revision suffer a similar waste by drawing endless comparisons between the two texts. By choosing the American revision as the basis for our work, we have a text which needs but little explanation or apology, and we are thereby enabled to employ the reader's time and strength to his best advantage." --Excerpted from the Introduction

What God Does when Men Pray

Accessible, challenging, funny, and one of the best reads on how to love others in any situation. Love and hospitality can change the way you see the world and others. That's exactly what modern-day theologian, Richard Beck, experienced when he first led a Bible study at a local maximum security prison. Beck believed the promise of Matthew 25 that states when we visit the prisoner, we encounter Jesus. Sure enough, God met Beck in prison. With his signature combination of biblical reflection, theological reasoning, and psychological insight, Beck shows how God always meets us when we entertain the marginalized, the oppressed, and the refugee. Stories from Beck's own life illustrate this truth -- God comes to him in the poor, the crippled, the smelly. Psychological experiments show how we are predisposed to appreciate those who are similar to us and avoid those who are unlike us. The call of the gospel, however, is to override those impulses with compassion, to "widen the circle of our affection." In the end, Beck turns to the Little Way of St. Thérèse of Lisieux for guidance in doing even the smallest acts with kindness, and he lays out a path that any of us can follow.

The Fourfold Gospel

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

Sharpen Your Discernment

What we propose doing in this book, namely, to make a serious attempt to assist some of those who have inhaled the poisonous fumes of infidelity and been left in a state of mental indecision concerning sacred things. Our principal object will be to set forth some of the numerous indications that the Bible is something far superior to any human production, and give some of the rules which require to be heeded

if the Scriptures are to be properly interpreted; and though their scope will go beyond the general title of ""Divine revelation,"" yet they will complement and complete the earlier ones.

Mary, the Queen of the House of David and Mother of Jesus

This book discusses the depictions of the cult and its personnel in the twelve prophetic books commonly referred to as "The Book of the Twelve" or "The Minor Prophets." The articles in the volume explore the following questions: How did these prophetic writers envision the priests and the Levites? What did they think about the ritual aspects of ancient Israelite faith, including not only the official temple cult in Jerusalem but also cultic expressions outside the capital? What, in their views, characterized a faithful priest and what should the relationship be between his cultic performance and the ways in which he lived his life? How does the message of each individual author fit in with the wider Israelite traditions? Finally, who were these prophetic authors, in which historical contexts did they live and work, and what stylistic tools did they use to communicate their message?

The Cellular Healing Diet

The International Ecumenical Peace Convocation (IEPC), organized by the World Council of Churches in May 2011, brought together more than 1,000 participants from more than 100 countries. This historic gathering encouraged individuals and churches to renew their commitment to nonviolence and peace with justice, and it gave impetus for the wider ecumenical family and its related constituencies to pursue their search for peace. This book is the final report of the Convocation, offering an overview of the entire proceedings of the IEPC - from opening plenary, to thematic plenaries, to workshops and side events. With a wealth of ideas and reflections on peace with justice, the book serves not only as a record of this historic event, but also as a helpful toolkit for peacemakers and an engagement with the issues and themes related to the 2013 WCC assembly theme: "God of life, lead us to justice and peace."
