President George W. Bush

Our new president, George W. Bush, once said: "I never dreamed about becoming president. When I was growing up, I wanted to be Willie Mays." George W. was born in 1946 and attended Yale University. As a young man, he trained as a fighter pilot in the Texas Air National Guard before beginning a career in business. He then turned to Texas politics and served as governor there from 1994 to 2000. This is the first biography for young people to be published about the forty-third president of the United States, George W. Bush. With up-to-the-minute information and quotes from our new president -- including details of the final days of the campaign and a description of the events from Election Day to acceptance speech -- this book is essential reading for every young student of American history.

George W. Bush

Learn about the life of the 43rd President of the United States in this updated biography of George W. Bush, specially written for a younger audience. President George W. Bush once said, "I never dreamed about becoming president. When I was growing up, I wanted to be Willie Mays." George W. was born July 6, 1946, in New Haven, Connecticut. He grew up in Texas but returned to Connecticut to attend Yale University. As a young man he trained as a fighter pilot in the Texas Air National Guard before beginning a career in business. He entered Texas politics and served as the state's governor from 1994 to 2000. In 2001 George W. Bush won one of the closest, and most disputed, presidential elections in United States history. During his first term Bush launched a war against terrorism after the devastating attacks of September 11, 2001. In 2004 he won his second term against John Kerry. Originally published as President George W. Bush in 2005, this revised biography of the 43rd President of the United States includes eight pages of photos as well as a timeline and index.

#1 NEW YORK TIMES BESTSELLER • George W. Bush, the 43rd President of the United States, has authored a personal biography of his father, George H. W. Bush, the 41st President. Forty-three men have served as President of the United States. Countless books have been written about them. But never before has a President told the story of his father, another President, through his own eyes and in his own words. A unique and intimate biography, the book covers the entire scope of the elder President Bush's life and career, including his service in the Pacific during World War II, his pioneering work in the Texas oil business, and his political rise as a Congressman, U.S. Representative to China and the United Nations, CIA Director, Vice President, and President. The book shines new light on both the accomplished statesman and the warm, decent man known best by his family. In addition, George W. Bush discusses his father's influence on him throughout his own life, from his childhood in West Texas to his early campaign trips with his father, and from his decision to go into politics to his own two-term Presidency.

George W. Bush and the Redemptive Dream

George W. Bush remains a highly controversial figure, a man for whom millions of Americans have very strong feelings. Dan McAdams' book offers an astute psychological portrait of Bush, one of the first biographies to appear since he left office as well as the first to draw systematically from personality science to analyze his life. McAdams, an international leader in personality psychology and the narrative study of lives, focuses on several key events in Bush's life, such as the death of his sister at age 7, his commitment to sobriety on his 40th birthday, and his reaction to the terrorist attacks of September 11, and his decision to invade Iraq. He sheds light on Bush's life goals, the story he constructed to make sense of his life, and the psychological dynamics that account for his behavior. Although there are many popular biographies of George W. Bush, McAdams' is the first true psychological analysis based on established theories and the latest research. Short and focused, written in an engaging style, this book offers a truly penetrating look at our forty-third president.

Out of Many, One

#1 NEW YORK TIMES BESTSELLER • In this powerful new collection of oil paintings and stories, President George W. Bush spotlights the inspiring journeys of America's immigrants and the contributions they make to the life and prosperity of our nation. The issue of immigration stirs intense emotions today, as it has throughout much of American history. But what gets lost in the debates about policy are the stories of immigrants themselves, the people who are drawn to America by its promise of economic opportunity and political and religious freedom—and who strengthen our nation in countless ways. In the tradition of *Portraits of Courage*, President Bush's #1 New York Times bestseller, *Out of Many, One* brings together forty-three full-color portraits of men and women who have immigrated to the United States, alongside stirring stories of the unique ways all of them are pursuing the American Dream. Featuring men and women from thirty-five countries and nearly every region of the world, *Out of Many, One* shows how hard work, strong values, dreams, and determination know no borders or boundaries and how immigrants embody values that are often viewed as distinctly American: optimism and gratitude, a willingness to strive and to risk, a deep sense of patriotism, and a spirit of self-reliance that runs deep in our immigrant heritage. In these pages, we meet a North Korean refugee fighting for human rights, a Dallas-based CEO who crossed the Rio Grande from Mexico at age seventeen, and a NASA engineer who as a girl in Nigeria dreamed of coming to America, along with notable figures from business, the military, sports, and entertainment. President Bush captures their faces and stories in striking detail, bringing depth to our understanding of who immigrants are, the challenges they face on their paths to citizenship, and the lessons they can teach us about our country's character. As the stories unfold in this vibrant book, readers will gain a better appreciation for the humanity behind one of our most pressing policy issues and the countless ways in which America, through its tradition of welcoming newcomers, has been strengthened by those who have come here in search of a better life.

George W. Bush

After a controversial election involving close results and recounting of ballots, the United States Supreme Court finally decided that Republican George W. Bush would become the forty-third president of the United States. Bush was in office for only eight months when tragedy struck the nation. September 11, 2001 was a defining moment in history and in George W. Bush's early presidency. The day terrorists attacked America, George W. Bush had to lead the nation and soothe the fears of Americans. In *George W. Bush*, author Sandra J. Kachurek discusses how in trying to keep the nation united, George W. Bush worked to cut taxes, improve education, and keep the country safe. His entire life is considered from his family life to his one-time ownership of the Texas Rangers and his governorship of Texas. Book jacket.

Front Row Seat

Presents a behind-the-scenes view of the presidency of George W. Bush, from meetings with troops in war zones to relaxed times with his family to important meetings with his inner circle.

George W. Bush

A biography of the forty-third president of the United States, focusing on his childhood and young adulthood.

Testing the Limits

This collaboration of distinguished presidential scholars offers one of the first book-length post-presidency analyses of President George W. Bush and his policies. Mark J. Rozell and Gleaves Whitney have assembled a varied list of contributors from both ends of the political spectrum, bringing together

academics and professionals to provide a glimpse into the politics and policies that defined President George W. Bush's presidency. *Testing the Limits* discusses all aspects of the Bush policy and administration, from staff appointments to foreign and domestic policy to budgetary politics. Readers will gain an important perspective on the controversial forty-third president of the United States as contributors analyze the expansion of presidential powers during Bush's presidency, the increased influence of the vice president, the politicization of federal court appointments, and the development of executive privilege and presidential secrecy. Book jacket.

All the Best, George Bush

Former President George H.W. Bush, revealed through his letters and writings from 1941 to 2010, is "worth its weight in gold...a valuable update of the life of an honorable American leader" (*The Washington Post*). "Who knew that beneath George Bush's buttoned-up propriety pulsed the warm heart of a prolific and occasionally poetic writer with a wacky sense of humor?" (*People*) Though reticent in public, George Bush openly shared his private thoughts in correspondence throughout his life. This collection of letters, diary entries, and memos is the closest we'll ever get to his autobiography. Organized chronologically, readers will gain insights into Bush's career highlights—the oil business, his two terms in Congress, his ambassadorship to the UN, his service as an envoy to China, his tenure with the Central Intelligence Agency, and of course, the vice presidency, the presidency, and the post-presidency. They will also observe a devoted husband, father, and American. Ranging from a love letter to Barbara and a letter to his mother about missing his daughter, Robin, after her death from leukemia to a letter to his children written just before the beginning of Desert Storm, this collection is remarkable for Bush's candor, humor, and poignancy. "An unusual glimpse of the private thoughts of a public figure" (*Newsweek*), this revised edition includes new letters and photographs that highlight the Bush family's enduring legacy, including letters that cover George W. Bush's presidency, 9/11, Bush senior's work with President Clinton to help the victims of natural disasters, and the meaning of friendship and family. *All the Best, George Bush* "will shed more light on the man's personal character and public persona than any memoir or biography could" (*Publishers Weekly*).

George W. Bush

The controversial president whose time in office was defined by the September 11 attacks and the war on terror George W. Bush stirred powerful feelings on both sides of the aisle. Republicans viewed him as a resolute leader who guided America through the September 11 attacks and retaliated in Afghanistan and Iraq, while Democrats saw him as an overmatched president who led America into two inconclusive wars that sapped the nation's resources and diminished its stature. When Bush left office amid a growing financial crisis, both parties were eager to move on. In this assessment of the nation's forty-third president, James Mann sheds light on why George W. Bush made the decisions that shaped his presidency, what went wrong, and how the internal debates and fissures within his administration played out in such a charged atmosphere. He shows how and why Bush became such a polarizing figure in both domestic and foreign affairs, and he examines the origins and enduring impact of Bush's most consequential actions—including Iraq, the tax cuts, and the war on terror. In this way, Mann points the way to a more complete understanding of George W. Bush and his times.

George W. Bush -- On the Trips of His Tongue

Everyone should have a legacy. Ask yourself today what you'd most want to be remembered for tomorrow if you died tonight. You should have an answer at the ready. Yes, it's true, according to our 43rd President, that "you never know what your history is going to be like until long after you're gone," but that shouldn't stop you from considering who you were while you still are. Welcome to Bush Country, and the landscape of its linguistic legacy.

George W. Bush

Presents the life of the forty-third president of the United States, including his childhood, campaigns for public office, struggle with alcohol, and decisions made while in office.

George Bush

George W. Bush

A biography of the forty-third president of United States which discusses his personal life, education, and political career.

Destined for Destiny

In *Destined for Destiny*, George W. Bush offers readers an intimate, plainspoken, and often readable look at the character-shaping achievements that led to his inevitable rise to the office of President of the United States. Written from the heart, not from the brain, this definitive autobiography takes readers on a journey through the 43rd President's life, including his hardscrabble beginnings as the child of West Texas oil millionaires, the remarkable academic performance that earned him entry into the finest East Coast schools, and his proud service to the country as an occasional member of the National Guard sometime around 1972 or 1973. He proudly recounts his years as a successful oil-business failure and the owner of a baseball team. He even dares to dream the ultimate dream: to become Commissioner of Baseball. The great man we meet here displays his mother's steely resolve and vindictive temper, his father's keen mastery of language, and his own unique gift of deciding. His gripping life story deepens when a faith in God hits him one day "like a bottle of Jack on an empty stomach," and he has an encounter with the Prince of Peace that sets George W. Bush on a path to become the greatest War President in history. To help craft this lasting account of his life and leadership, George W. Bush turned to two writers who have earned not only his trust but his deep friendship: Scott Dikkers, editor-in-chief of *The Onion* and coauthor of the #1 bestseller *Our Dumb Century*, and Peter Hilleren, former producer for public radio and some of the nation's finest public-access cable-television stations. Dikkers and Hilleren call on their finely honed journalism expertise every week to write and record the President's weekly radio address on WeeklyRadioAddress.com. Their work on such stirring addresses as "June Terror Update" and "The Pope Is Dead" made them the ideal choice to meet the challenge of chronicling the visionary mark left on history by its shining light, President George W. Bush. * * * Free from all the filters, handlers, and facts . . . I tell the untold story of my inspirational life. You will struggle with me in my strugglesome youth. During the Vietnam War, you will be right there at my side as I face down the terrible enemy of my sinful partying. Together, we will meet and fall head over heels for the love of my life -- Jesus. And through me you will become a beloved, terror-fighting hero in the greatest hour of my presidency, September 11, 2001. I embarked upon this important and historical work against the advice of my advisors. Come what may, I wanted you to hear my story from me, in my own talking. God bless, George W. Bush

George W. Bush

George W. Bush was elected President of the United States in the 2000 election. He brought a unique blend of White House family background, ivy-league education, and small town values to the office. On his way to the White House, Bush acquired his management experience in Texas - in the oil patch, the baseball stadium, and the governor's mansion. In the first years of his presidency, the 43rd President dealt with some of the toughest challenges in United States history.

Bush

A biography of George W. Bush, showing how he ignored his advisors to make key decisions himself--most in invading Iraq--and how these decisions were often driven by the President's deep religious faith.

President George W. Bush

Aladdin Paperbacks is preparing two biographies for this presidential season, but only one will be released--the one about the winner! The biography of our 43rd president will include all the details of his political career, as well as information about his early years and influences of his childhood. Photos.

George W. Bush

George W. Bush became the 43rd President of the United States under a myriad of controversy, yet became a leader with overwhelming approval ratings when he helped to heal the nation and lead the world in a campaign against terrorism following the attacks in 2001 on U.S. soil. This anthology highlights Bush's development, his politics and his willingness to take a stand for his convictions as leader of America. Readers will learn about George W. Bush's talent, skills, intellect, and charisma, and how he made an impact on his time.

George W. Bushisms

* An hilarious collection of monumental gaffs and verbal faux pas from America's new President * Jacob Weisberg is a regular guest on BBC Radio and a highly regarded political correspondent * The new book is a natural follow-up to his previous book BUSHISMS (1992) a collection of misstatements by George Bush Snr.

George W. Bush and the Redemptive Dream

George W. Bush remains a highly controversial figure, a man for whom millions of Americans have very strong feelings. Dan McAdams' book offers an astute psychological portrait of Bush, one of the first biographies to appear since he left office as well as the first to draw systematically from personality science to analyze his life. McAdams, an international leader in personality psychology and the narrative study of lives, focuses on several key events in Bush's life, such as the death of his sister at age 7, his commitment to sobriety on his 40th birthday, and his reaction to the terrorist attacks of September 11, and his decision to invade Iraq. He sheds light on Bush's life goals, the story he constructed to make sense of his life, and the psychological dynamics that account for his behavior. Although there are many popular biographies of George W. Bush, McAdams' is the first true psychological analysis based on established theories and the latest research. Short and focused, written in an engaging style, this book offers a truly penetrating look at our forty-third president.

George W. Bush

Highlights the life and political career of the forty-third president of the United States, who is most well known for his "War on Terror" in response to the terrorist attacks that occurred early in his first term in office.

Decision Points

Decision Points is the extraordinary memoir of America's 43rd president. Shattering the conventions of political autobiography, George W. Bush offers a strikingly candid journey through the defining decisions of his life. In gripping, never-before-heard detail, President George W. Bush brings readers inside the Texas Governor's Mansion on the night of the hotly contested 2000 election; aboard Air Force One on September 11, in the hours after America's most devastating attack since Pearl Harbour; at the head of the table in the Situation Room in the moments before launching the war in Iraq; and behind the Oval Office desk for his historic and controversial decisions on the financial crisis, Hurricane Katrina, Afghanistan, Iran, and other issues that have shaped the first decade of the 21st century. President Bush writes honestly and directly about his flaws and mistakes, as well as his accomplishments reforming education, treating HIV/AIDS in Africa, and safeguarding the country amid chilling warnings of additional terrorist attacks. He also offers intimate new details on his decision to quit drinking, discovery of faith, and relationship with his family. A groundbreaking new brand of memoir, Decision Points will captivate supporters, surprise critics, and change perspectives on one of the most consequential eras in American history - and the man at the centre of events.

George W. Bush

Presents a biography of George W. Bush

Barbara Bush

The former First Lady tells her story.

A Charge to Keep

I was not elected to serve one party, but to serve one nation. The president of the United States is the president of every single American, every race and every background. Whether you voted for me or not, I will do my best to serve your interests, and I will work to earn your respect. I will be guided by President Jefferson's sense of purpose: to stand for principle, to be reasonable in manner, and, above all, to do great good for the cause of freedom and harmony. The presidency is more than an honor, it is more than an office. It is a charge to keep, and I will give it my all. --George W. Bush, December 13, 2000, Texas House of Representatives In A Charge to Keep, George W. Bush offers readers a warm, insightful, and honest look at the personal and political experiences that have shaped his values and led to his decision to run for president. The George W. Bush who leaps off these pages has his mother's wit and down-to-earth personality, his father's energy and competitive drive, and his own unique style and philosophy. Written with his long term communications director, Karen Hughes, A Charge to Keep is a revealing look into the background, philosophy, family, and heart of our new president.

Portraits of Courage

#1 NEW YORK TIMES BESTSELLER • A vibrant collection of oil paintings and stories by President George W. Bush honoring the sacrifice and courage of America's military veterans. With Forewords by former First Lady Laura Bush and General Peter Pace, 16th Chairman of the Joint Chiefs of Staff. Growing out of President Bush's own outreach and the ongoing work of the George W. Bush Institute's Military Service Initiative, Portraits of Courage brings together sixty-six full-color portraits and a four-panel mural painted by President Bush of members of the United States military who have served our nation with honor since 9/11—and whom he has come to know personally. Our men and women in uniform have faced down enemies, liberated millions, and in doing so showed the true compassion of our nation. Often, they return home with injuries—both visible and invisible—that intensify the challenges of transitioning into civilian life. In addition to these burdens, research shows a civilian-military divide. Seventy-one percent of Americans say they have little understanding of the issues facing veterans, and veterans agree: eighty-four percent say that the public has "little awareness" of the issues facing them and their families. Each painting in this meticulously produced hardcover volume is accompanied by the inspiring story of the veteran depicted, written by the President. Readers can see the faces of those who answered the nation's call and learn from their bravery on the battlefield, their journeys to recovery, and the continued leadership and contributions they are making as civilians. It is President Bush's desire that these stories of courage and resilience will honor our men and women in uniform, highlight their family and caregivers who bear the burden of their sacrifice, and help Americans understand how we can support our veterans and empower them to succeed. President

Bush will donate his net author proceeds from PORTRAITS OF COURAGE to the George W. Bush Presidential Center, a non-profit organization whose Military Service Initiative works to ensure that post-9/11 veterans and their families make successful transitions to civilian life with a focus on gaining meaningful employment and overcoming the invisible wounds of war.

Destiny and Power

Summary of Destiny and Power: by Jon Meacham | Includes Analysis Preview: Destiny and Power: The American Odyssey of George Herbert Walker Bush by Jon Meacham is a biography of George H.W. Bush, the 41st president of the United States, who served from 1988 to 1992. The author argues that as president and as a politician, Bush used prudence and compromise to an extent that would seem out of place in today's era of highly partisan US politics. George H.W. Bush had a varied career before winning the presidency: he was a Navy pilot, oilman, congressman, ambassador to the UN, envoy to China, head of the Republican Party, and later director of the CIA. In the executive branch, he first served as vice president of the United States under Ronald Reagan for eight years before beginning his own presidency... PLEASE NOTE: This is a summary and analysis of the book and NOT the original book.
