#### How to Be a Friend

A splendid new translation of one of the greatest books on friendship ever written In a world where social media, online relationships, and relentless self-absorption threaten the very idea of deep and lasting friendships, the search for true friends is more important than ever. In this short book, which is one of the greatest ever written on the subject, the famous Roman politician and philosopher Cicero offers a compelling guide to finding, keeping, and appreciating friends. With wit and wisdom, Cicero shows us not only how to build friendships but also why they must be a key part of our lives. For, as Cicero says, life without friends is not worth living. Filled with timeless advice and insights, Cicero's heartfelt and moving classic—written in 44 BC and originally titled *De Amicitia*—has inspired readers for more than two thousand years, from St. Augustine and Dante to Thomas Jefferson and John Adams. Presented here in a lively new translation with the original Latin on facing pages and an inviting introduction, *How to Be a Friend* explores how to choose the right friends, how to avoid the pitfalls of friendship, and how to live with friends in good times and bad. Cicero also praises what he sees as the deepest kind of friendship—one in which two people find in each other “another self” or a kindred soul. An honest and eloquent guide to finding and treasuring true friends, *How to Be a Friend* speaks as powerfully today as when it was first written.

### Letters to a Friend

Everyone knows someone who's sick or suffering. Yet when a friend or relative is under duress many of us feel uncertain about how to cope. Throughout her recent bout with breast cancer, Letty Cottin Pogrebin became fascinated by her friends' and family's diverse reactions to her and her illness: how awkwardly some of them behaved; how some misspoke or misinterpreted her needs; and how wonderful it was when people read her right. She began talking to her fellow patients and dozens of other veterans of serious illness, seeking to discover what sick people wished their friends knew about how best to comfort, help, and even simply talk to them. Now Pogrebin has distilled their collective stories and opinions into this wide-ranging compendium of pragmatic guidance and usable wisdom. Her advice is always infused with sensitivity, warmth, and humor. It is embedded in candid stories from her own and others' journeys, and their sometimes imperfect interactions with well-meaning friends. *How to Be a Friend to a Friend Who's Sick* is an invaluable guidebook for anyone hoping to rise to the challenges of this most important and demanding passage of friendship.

### A Friend Is Someone Who...

I have a friend that sticks closer than a brother, and his name is Jesus. Solomon spoke a word in Proverbs 17:17, saying, "A friend loves at all times." Talking about a friend that sticks closer than a brother and a friend that loves at all times, I had biological brothers and sisters, but none of them were in my life. I was the only one out of eight that was not in the home with them. On September 25, 1975, when I found my way to the Cross, Jesus told me, "I will never leave you, nor will I forsake you. I'm going to be with always." On June 19, 2021, I was at my church that Saturday morning, crying and praying. I felt so all alone. I was under such heavy burdens. I felt like what the prophet Isaiah said, "When the enemy shall come in like a flood." As I was crying, talking to the Lord, telling him, "I feel so all alone. I don't have anybody," I heard Jesus say unto me, "I am your friend that sticks closer than a brother." Jesus told me, "Begin writing the book, and title it *I Have a Friend That Sticks Closer than a Brother, His Name Is Jesus*."
