Speed Reading for Beginners

In business & in life, communication is the key to success. And, as made clear in this book, learning to use the power of Personality Type is the key to communicating more effectively. Now in the same successful format as the bestsellers Do What You Are & Nurture by Nature, The Art of Speed Reading People offers a revolutionary new tool for sizing up people & speaking their language. A salesperson pitching a customer. A manager trying to motivate an employee. A teacher attempting to make a point with a student. In any of these situations, the power to "read" another person can be a powerful advantage. Speed reading will affect your productivity, time management, mind, intelligence and your personal effectiveness in no time...But how? Time - is money. Anyone knows that... Books - are our knowledge. We can't stop reading books, just because it takes our time. But how about shorten our reading time? Have you dreamed about it? And we are not talking about decreasing number of pages, books or effectiveness of reading at all! "Speed reading: 7 Simple Steps For Uncovering Unreal Reading Speed" will teach you how to double or triple your reading speed instantly, right after you'll turn the last page ! And after some practice and time you will able to increase your reading speed up to 10-15 times or more, guaranteed! Just imagine, you spend 60 minutes on reading a book, and after you apply methods, showed in this book - you will able to read the same book in 30 or even 5 minutes without losing quality of reading! Sounds crazy? Yes, it sounds like that. But, speed reading is a system, proven by years and thousands of success stories. In fact, it's not surprising, because we use only 5% of our brain power. The potential is huge. Imagine if you were running a very old software program on a

computer. It would be slow, inefficient and cause you to waste a lot of time dealing with the outdated interface. You know how frustrating it is when this happens to you on a computer, but do we even notice when we are using old or inefficient mental skills? Think how many times you read every day. And imagine how much more time you would have if you could learn how to speed read. If you are a student, or a professional that is required to absorb new information on a daily basis, the rewards are of course huge. But absolutely anyone can benefit by learning to update this skillset. Mastering speed reading will allow you to save time, improve comprehension, and skyrocket your time management. Speed Reading could just be one of the best productivity hacks there is!

Speed Reading Book

About this Speed Reading Book: "How to Effectively Double Your Reading Speed and Accelerate Your Learning Abilities to the Extreme!" Trivia: Did you know that some people can read more than a thousand words per minute as compared to an average college student who can only read between 250 and 350 wpm? That's true! Anyone can double their speed in reading without the fear of not being able to understand the materials being read. Most people find reading rapidly difficult and risky. They are afraid that as they increase the speed of reading, they might not be able to grasp the idea of what they are reading. That's why they have to settle with slow reading speed that makes them finish a novel over a month, or worse, not being able to find what they are looking for in an academic textbook for an assignment in school before the due date. What they do not know is that, according to studies, the relationship between reading speed and comprehension is directly proportional to each other. That is, an increase in rate entails an increase in comprehension. Want to double your reading speed and increase your understanding of the materials being read? Then take a look at this speed reading book titled: Speed Reading Book - How to Master the Art of Speed Reading - The Speed Reading Master Course: Speed Reading can benefit anyone. Not only will you be able to learn faster, but you can also impress your friends! Besides being beneficial and useful, learning such skill is simple and takes only a few techniques to apply. Speed reading is not only useful in reading for pleasure but is more necessary when used in learning and studying. In these cases, time is essential. And if you can make things faster and a lot easier, you're less likely to get stressed out. Check out just SOME of the information you can find inside: -How you can get at least 80% of what you need to know in just 11-13 minutes, even from the topics you're not interested in. -The most important part in every paragraph that should be given the most time in understanding. -You can learn anything by doing three important things. What are they? -Why speed readers are considered impatient readers. -Why pronouncing words when reading should be avoided. -How speed reading is calculated. -The minimum length of time needed to read a block of words. -How the newspaper reading method is being done. -How to effectively avoid reading out loud to one's self. -The relationship of speed reading and reading comprehension. -The advantages and disadvantages of subvocalization. -Major causes of decrease in speed reading. -What the most rudimentary type of reading is. -The difference between eyesight and vision. -How to reduce the number of times the eyes skip back to a previous sentence. -How many bits of information per second our conscious and unconscious brains take. You'll be surprised at the difference. -How to increase information perception by 50%. -How to improve memory and concentration by 10%. And a lot, lot more! Information in a Whole New Way - A Faster, Better Way The Authors' Proprietary Method for Teaching Speed Reading & Memory Improvement You may have even taken a normal speed reading course in the past, only to realize that you didn't retain anything you read. The sad irony is that in order to properly learn things like speed reading skills and memory techniques in the past, you had to read dozens of books and psychological journals to decode the science behind it. Or, you had to hire an expensive private tutor who specializes in SuperLearning. That's what I did. And it changed my life. Fortunately, my co-authors (experts and innovators in the fields of superlearning, memory improvement, and speed reading) agreed to help me transform their materials into the first ever digital course. Over 25,000 satisfied students later, we have transformed our course into a book you can enjoy anywhere. Our teaching methodology relies heavily on at-home exercises. The chapters themselves are only part of what you're buying. You will be practicing various exercises and assignments on a regular basis over the course a 7 week schedule. In addition to the lectures, there are hours of supplemental video and articles which are considered part of the curriculum. "This vital book contains all the tools needed to learn, memorize, and reproduce anything you want with the joy that ease brings. Don't take another class until you've read it!" -Dr. Anthony Metivier, Author & Memory Expert If you wish to improve memory and concentration, learn more effectively, read faster, and learn the techniques of memory champions - look no further! An awesome read that will push the limits of your brain. Levi does an incredible job of guiding you through, to bring your brain from average to UNSTOPPABLE!" -Nelson Dellis, 4-Time USA Memory Champion

60 SECONDS A DAY TO EFFECTIVE SPEED READING Read 2-3 X Faster with Daily 1-Minute Phrase-Block Sprints Easily practice speed reading whenever you have a spare minute. Difficult to stay focused? (Give your mind something better to focus on) Hard to remember what you read? (Make reading more memorable) Struggling to keep your mind from wandering? (Make reading more interesting) Getting bored while reading? (Offer your brain something more meaningful) Muttering the words in your head? (Use an alternative to the sounds of words) Straining to maintain your concentration? (Give your brain what it craves) Hard to find time to practice? (Takes less time than brushing your teeth!) "Original theories and techniques for reading improvement... a totally exclusive method of presenting practice exercises" -- RICHARD SUTZ Author of Speed Reading for Dummies Do you feel stuck with slow reading? Are you just going through the motions with nothing to show for your efforts at the end of a page? Do you get bored or frustrated with your reading? In Speed Reading in 60 Seconds, best-selling author David Butler gives you straight-forward simple exercises that can double or triple your reading speed with daily one-minute phrase-highlighted sprints. Here's how it works. Speed reading is 600 wpm. Each of these 100 excerpts is 600 words long. The excerpts are phrase-highlighted for faster reading. Read them in 60 seconds... and you're speed reading! Continue practicing to develop this into a habit. As you practice, you'll discover what speed reading feels like as your mind adapts by paying more attention to phrases and ideas than to words and sounds. "It's amazing that so much could have been written since Evelyn Wood and no one came up with the idea of 'speed comprehension.'" --Dr. James Young, Ph.D., Professor of English What Makes This Book Different? Instead of a list of bad habits to just stop doing, or a series of strange eye exercises that only leave you exhausted and cross-eyed, Speed Reading in 60 Seconds gives you a very original form of quick and easy exercises making speeding through phrases and whole ideas almost automatic. This phrase-highlighted format lets you fly across the text, treating phrases like they were single words. Taking in whole ideas this way, speeds up your reading by speeding up your comprehension. You read faster because you understand faster. Nowhere else will you find text specially designed to assist your speed training. Just turned to one of the 100 600-word excerpts, start your timer, and fly through the text. Do this in 60 seconds and you'll know exactly what speed reading is. Practice each day and your brain will adapt its relationship to text and begin reading it as ideas instead of sounds. Read 600 words in 60 seconds = Speed Reading SIMPLE. STRAIGHT-FORWARD. EFFECTIVE. It's common sense. It's effective. It's easy. It only takes a minute. Get started today. Your future is watching. Click on "Look Inside" to Find Out More!

Speed Reading in 60 Seconds

There are no bad readers, just those with bad reading habits. We didn't learn how to read efficiently when we were growing up. Chances are, from the moment you were first taught how to read, you were taught inept reading strategies. Problems arise not when we use such techniques but rather when we don't advance them over time. If you've ever wanted to learn how to speed read effectively and retain

more from books, this book will help you achieve that. How to Speed Read in 10 Simple Steps is an easy, step-by-step guide in which you'll discover the techniques and principles behind speed reading, assess your current reading level, and pinpoint areas you need to improve on. Then, we'll explore the 10 simple steps to speed read and retain lots of information. This book will focus on the four key elements of reading: speed, focus, comprehension, and retention. How to Speed Read in 10 Simple Steps

Speed Reading via Speed Comprehension DO YOU WANT TO READ AND COMPREHEND FASTER? Or Continue Your Slow Word-by-Word Reading? A picture is worth a thousand words, and your right brain can already "speed read" pictures. If you've read the original "Reading with the Right Brain" this book (formally "Reading Thought-Units") offers additional practice material to continue developing your skill. Or you can use this book as an easy introduction to this amazing technique of reading ideas instead of words. The author, David Butler, is also the creator of ReadSpeeder.com and PhraseReader.com, which are each excellent aids for increasing your reading speed. But there is nothing as effective as practicing with an actual book. That is the purpose of this book, to give you a comfortable and natural way to practice reading whole ideas at a time. Reading whole ideas means treating text as a recording of thought, rather than sound. Increase Comprehension Strengthen Concentration Reduce Vocalization Reduce Regression Improve Retention Read Faster There is nothing like this anywhere else. Learning to read faster has never been easier. With practice text highlighted into actual thought-units, you can glide along over complete ideas, rather than following your old reading habit of word-by-word reading. You will read faster, with deeper comprehension, and retain information longer. In this age of information overload, you can't afford not to improve your reading skills. Add this book to your library today and add faster reading to your skillset. PLUS: Your purchase of this paperback book on Amazon also entitles you to the Kindle version for FREE. ORDER YOUR COPY TODAY This book is an original approach to reading faster... and an easy way to achieve it, using an exclusive technique which makes it easy to immediately start reading whole phrases at a time. After a brief introduction, the book gives you 12 classic short stories that will help you develop this skill. Each story highlights thought-units with alternating black and gray text. This highlighting guides your eyes from phrase to phrase, letting you concentrate more fully on the meaning of each phrase. You will begin reading thought-units, simply by enjoying these famous stories. "Reading more than one-word-at-a-time with each eye fixation, without vocalization, is the main difference between efficient and inefficient readers. If you want an important key to effective reading, I absolutely recommend you try this book." -Richard Sutz, Founder and CEO, The Literacy Company - Institute For Efficient Reading, Author of "Speed Reading For Dummies" "When something seems difficult, it's often only because we are missing one small key piece of the puzzle. The missing piece in reading skills is reading ideas instead of just words." -Austin Butler, President and Founder, Teaching.com Whether you're an overworked student, a busy executive, or simply someone who wants to start enjoying your reading, make this the next book you read.
