Kuan Yin Temple Oracle

Kuan Yin, the Compassionate One or literally 'the one who sees and hears the cries of the world' is the principal goddess in the eastern firmament. She is centuries older than the Christian Virgin Mary, but not unconnected with her in that in most illustrations she holds a rosary, suggesting purification of the cycle of birth and death, and a willow branch, a symbol of Buddhist virtues. Kuan Yin's image can be found wherever there are Chinese or Japanese speaking people in the world - in homes, restaurants, workplaces, small urban temples, Buddhist, Taoist and Shinto shrines - and the ritual of consulting her has brought solace, hope and insight to countless people. It continues to be an integral part of the lives of tens of millions of people throughout the East today. Stephen Karcher's interpretation of this ancient text presents 'The 100 Poems of the Goddess', to be as relevant today as they were 1000 years ago, leading the reader to answers to specific questions about family, professional success, travel, health and love.

The Kuan Yin Oracle

She is centuries older than the Christian Virgin Mary but not unconnected with her in that in most illustrations she holds a rosary, suggesting purification of the cycle of birth and death, and a willow branch, a symbol of Buddhist virtues.

The Kuan Yin Oracle

Compassionate, bountiful, and the most popular female Buddhist deity, Kuan Yin is the great protector. Invoked as Kannon in Japan, Tara in Tibet, and Kuan Yin in China, she is a practical goddess, consulted by millions, offering useful advice for everyday problems. The first oracle of its kind, this entertaining kit includes a book -- with an introduction, easy-to-follow instructions, and 100 Poems of the Oracle -- as well as a statue of the goddess, and 100 numbered bamboo "Sticks of Fate". How it works: when

readers have a question for Kuan Yin, they place the sticks in a bamboo shaker, hold it at an angle, and shake it from side to side. One stick will fall out, and the answer is determined by the number on the stick, which corresponds to one of the Poems. The statue provides a serene visual focal point for the ritual.

Kuan Yin Oracle

The Kuan Yin Transmission

The best and most comprehensive book on the most important and best-loved Chinese goddess. Walk down the streets of Chinatown in any American or western European city and look around. She is there. Walk through the downtown streets, look in a shop window. She is there. Go to any city in China and open your eyes. She is there, too. Kuan Yin is the most ubiquitous Chinese deity—and the most loved. She is the living expression of compassion whose gentle face and elegant figure form the center of devotion in most Chinese homes and workplaces. Until relatively recently, she was barely known in the West, and few studies had been made of her. Originally published as Kuan Yin by Harper Collins in 1995 (and republished as The Kuan Yin Chronicles by Hampton Roads in 2009), this seminal work explores

the origins and evolution of the goddess in ancient China, early Buddhism, Taoism, and shamanism. Religious scholar Martin Palmer and Chinese divination expert Man-Ho Kwok discuss the Kuan Yin myths and stories, and Jay Ramsay provides fresh translations of 100 Kuan Yin poems that function both as literature and divination tools. "A compelling story that reads like a detective mystery . . . and shows the contemporary reassertion of the Goddess in the hearts and minds of men and women."
—Riane Eisler, author of *The Chalice and the Blade*. Previously published as *The Kuan Yin Chronicles*.

Wisdom of Kuan Yin

About Hope Bradford CHt A spiritualist and hypnotherapist, Hope Bradford CHt has been profoundly influenced since witnessing and transcribing the Kuan Yin Buddhist parables as revealed in the book: *Oracle of Compassion: the Living Word of Kuan Yin*. It was during that time that Kuan Yin promised to appear again to Ms. Bradford—that they enjoyed a very personal relationship. Included in this latest work, *Kuan Yin Buddhism: Parables, Visitations and Teachings*, Ms. Bradford delineates her amazing dreams and experiences with this revered deity of the Chinese Pantheon—that in addition to the originally-set down teachings, the ancient wisdom continues to this very day! At some point it was revealed that Hope's encounter and hence relationship with Kuan Yin was no accident: "Hope, Kuan Yin sends you bands of energy. The bands look almost like the Milky Way, where nebulae are constantly born. She sends these bands through you so that the wisdom can be spoken by me. We're a team. I can't do this without you! Now, I see Kuan Yin in such a beautiful form. Her countenance is such a brilliant white that there is a blue aura radiating out from Her." Lena Lees "People want to know why I chose Lena and Hope to bring forth my message of loving-kindness to the world. It's alchemy! Lena and Hope's combined energy creates an open channel that I can manifest through. It is very rare in the world. It doesn't matter what nationality a person is. I can go wherever I want. I come to them because they are receptive." Kuan Yin According to Kuan Yin, earth is the most important step in our evolution where we, as limitless, spiritual beings, achieve physical manifestation in all of its complexities; wherein beliefs, intentions and desires are the driving forces for the personal creation of reality. Indeed, the significance of the goddess's imaginative transformations (as described in *Oracle of Compassion: the Living Word of Kuan Yin*, is that they are metaphors for the personal transformation of thought into matter. Beyond her shape-shifts are the goddess's profound parables demonstrating Her teachings on the nature of personal creation: Compassion at the level personified by Kuan Yin is not some luxury sentiment that might be expressed towards others at the appropriate moment. Indeed, it is at the very core of humanity's survival. And as Kuan Yin's Law of Compassion is intimately connected with all daily choices and emotions, such compassionate feelings on the part of the ego will join and expand the great rhapsody of light and sound stretching beyond any time/space constraints. In this book delineating the Kuan Yin Buddhism, the deity states: "I know the whole story. You're at page ten but I understand the entire evolution. In reality, it's already over. It's a dream. Remember? You're living a dream. It's very complicated to hold the dream and live the dream. You are learning the art of juggling the dream and the world of dreams!" Kuan Yin's profound teachings can help you understand: *Your purpose in life *Kuan Yin's powerful spiritual meditations *The Love and Forgiveness Principle *How the moment is one's link to eternity *The power of sound and vibration *The power of imagination *Reincarnation *Love and relationships

Wild Kuan Yin Oracle

Spirituality & Practice "Best Books of 2021" Award Winner Bank Street College of Education "The Best Children's Books of the Year" Moonbeams Children's Book Awards "Best Illustrator" Silver Winner Two sisters discover the power of love and the true meaning of compassion in this princess-adventure story based on an ancient Chinese tale. Miao Shan isn't your typical princess. She likes to spend her time quietly meditating with the creatures of the forest or having adventures with dragons and tigers. Miao Shan's heart is so full of love that her dream is to spread happiness throughout the land and help people endlessly. But her father has other plans for her—he intends to have her married and remain in the palace. With the help of her little sister Ling, Miao Shan escapes and begins her journey to discover the true meaning of compassion. During their adventure, Ling and Miao Shan are eventually separated. Ling must overcome doubts, fears, and loneliness in order to realize what her sister had told her all along—that love is the greatest power in the world. After the sisters' reunion, Miao Shan realizes her true calling as Kuan Yin, the goddess of compassion. A princess-adventure story like none other, this ancient Chinese tale of the world's most beloved Buddhist hero is a story of sisterhood, strength, and following your own path.

The Divine Feminine Oracle

Kuan Yin's Miracle Mantras: Awakening the Healing Powers of the Heart" is based on decades of scientific research and both ancient and modern spiritual texts. It includes the direct experiences of the author and several contributors. This book is a key resource for anyone desiring to masterfully ride the waves of evolutionary change that humanity is currently undergoing. To ease this shift into post-2012 consciousness, the many tools and practices given here are based on the wisdom of the ancients (who foresaw these changes), coupled with its correlation to quantum science. The mantras in this book, especially "The Great Compassion Mantra," are particularly intended for use in our time for the clearing away of any past records holding back our spiritual evolution and forward progress. Who is Kuan Yin? Her story, legends and miracles are well known throughout most of Asia. Her name means "Hearer of Sounds." According to Eastern tradition, when Kuan Yin was about to enter heaven, she stood on the threshold and heard the cries of distress from the earth. She turned back to come to the aid of all who suffer in this plane. She is a cross-cultural figure revered by many traditions worldwide and is considered to be the essence or symbol of Divine Compassion. Many view her as both the impersonal and personal manifestations of Divine Mercy. Practices for nurturing the growth of this divine quality within ourselves and delivering it to the world are given in this book. Kuan Yin delivered The Great Compassion Mantra millennia ago so that "living beings may obtain peace and joy, be healed of illness, enjoy prosperity, erase past sins and offenses, remove hardship and suffering, and increase spiritual attainment and virtue." The mantras are for people of all faiths, and the information in these pages is also a valuable aid for anyone desiring to develop greater love, compassion and unity consciousness. And, of course, this book is for anyone who could use a few miracles! Part One, "The Essence of Divine Compassion," covers Kuan Yin's lore, origins and history. Her lineage from Amitabha to Avalokitesvara to Tara is included. Also in this section are chapters on her famous embodiments and legends, her island, and her etheric retreat. Part Two, "Tools for Accelerating Consciousness" covers the powers of mercy, forgiveness and compassion, the use of crystals, and techniques for entering into the "Zero Point of the Heart," which is a convergence point of all planes of consciousness, as well as a portal to higher dimensions. It covers the quantum mechanics of oneness (Unity Consciousness) and the use of the violet light as an energetic purifier. We learn the secrets of the science of sound through sonic healing and mantra, and how the use of visualization and feeling can accelerate the manifestation of a desired result. The phrase "HeartSound," coined by the author, represents the convergence of the key techniques explained. There are chapters on how to protect oneself from lower astral entities, and a collection of miracle stories and Kuan Yin's appearances in modern times. Part Three, "Miracle Mantras and Powerful Meditations," includes many of Kuan Yin's important ancient texts, such as "The Great Compassion Dharani Sutra" and "The Heart Sutra," with explanations and commentaries and how the Heart Sutra describes the Source Field or Zero Point Field. It reveals Kuan Yin's Ten Vows, and her Thirty-Three Miracle Mantra Ritual. The original Chinese and/or Sanskrit glyphs are often included, with their translations and pronunciation guides. The book concludes with a beautiful forgiveness meditation, and a summation of the Twelve Power Tools contained herein for self-transformation and manifestation. formation and manifestation.

The Promise of Kuan Yin

"People call on Kuan Yin for many reasons-to keep them safe while traveling, to bless them with children, or to help them through a trying time. I have heard tales of people who were cured of serious diseases after seeking her blessings. This compassionate goddess has many manifestations, as you will soon discover. Because of this, there are myriad ways in which we can invite her into our lives, and many dimensions to our experiences of her." Book jacket.

Kuan Yin Buddhism

This title opens the door to the living tradition that Chinese people have used to map out their lives and destinies for centuries; and also to the oracle techniques they use to determine the answers to short-term dilemmas. You will learn how to analyse your paht chee (Eight Characters) chart and how to read palms and faces. You will also discover a range of Oracle divination techniques, including Wen-shu and Goddess Kuan Yin Oracles, and the traditional fortune-telling devices of the 100 Bamboo Stalks and reading tea leaves.

Rumi Oracle

Tun-huang Popular Narratives presents authoritative translations of four vernacular Chinese stories, taken from fragmentary texts usually referred to as pien-wen or 'transformation texts'. Dating from the late T'ang (618-907) and Five Dynasties (907-959) periods, the texts were discovered early last century in a cave at Tun-huang, in Chinese Central Asia. However, written down in an early colloquial language by semi-literate individuals and posing formidable philological problems, the texts have not been studied

critically before. Nevertheless they represent the only surviving primary evidence of a widespread and flourishing world of popular entertainment during these centuries. The tales deal with both religious (mostly Buddhist) and secular themes, and make exciting and vivid reading.

You Are a Goddess

A fabulous new book from Alana Fairchild, bestselling author of *Crystal Masters 333*, *Crystal Angels 444*, and *Crystal Goddesses 888*.

The Kuan Yin Transmission Book

By far one of the most important objects of worship in the Buddhist traditions, the bodhisattva Avalokitesvara is regarded as the embodiment of compassion. He has been widely revered throughout the Buddhist countries of Asia since the early centuries of the Common Era. While he was closely identified with the royalty in South and Southeast Asia, and the Tibetans continue to this day to view the Dalai Lamas as his incarnations, in China he became a she—Kuan-yin, the "Goddess of Mercy"—and has a very different history. The causes and processes of this metamorphosis have perplexed Buddhist scholars for centuries. In this groundbreaking, comprehensive study, Chün-fang Yü discusses this dramatic transformation of the (male) Indian bodhisattva Avalokitesvara into the (female) Chinese Kuan-yin—from a relatively minor figure in the Buddha's retinue to a universal savior and one of the most popular deities in Chinese religion. Focusing on the various media through which the feminine Kuan-yin became constructed and domesticated in China, Yü thoroughly examines Buddhist scriptures, miracle stories, pilgrimages, popular literature, and monastic and local gazetteers—as well as the changing iconography reflected in Kuan-yin's images and artistic representations—to determine the role this material played in this amazing transformation. The book eloquently depicts the domestication of Kuan-yin as a case study of the indigenization of Buddhism in China and illuminates the ways this beloved deity has affected the lives of all Chinese people down the ages.

Buddha Wisdom Divine Feminine

Kuan Yin is the most important, best-loved deity in the Chinese world. She is the living expression of compassion and the center of devotion in most Chinese homes and workplaces. Yet she is barely known in the West. The authors of *The Kuan Yin Chronicles* introduce Kuan Yin to Western readers, and reveal that Kuan Yin is the mystery and power of the divine feminine, who transcends all doctrines, creeds, and traditions. The book is divided into three sections: 1. The origins and evolution of Kuan Yin in early China, Buddhism, Taoism, and shamanism. 2. The myths and stories about Kuan Yin. 3. Fresh translations of 100 Kuan Yin poems, which function as both literature and tools for divination and prophecy. *The Kuan Yin Chronicles* is for any Western reader who wants to connect with the ancient power of the Goddess in their lives.

Tun-huang Popular Narratives

There are times when we simply do not know what to do for the best -when we can see both sides of an argument or when we feel we need some advice. For the Chinese, one of the traditional ways of finding such help is to turn to the gods and goddesses for guidance. To do this, they use the divination sticks of Chinese temples which enable the inquirer to receive a specific answer from the deities. These sticks -each numbered individually -are placed in a special holy container marked with the Chinese sign for spiritual blessing. Miraculously, on shaking, one emerges, the poems of the gods and goddesses - the immortal Wong Tai Sin, the Ruler of Heaven, or the goddess of Mercy, Kuan Yin, for example -are consulted and guidance is offered. With *Chinese Fortune Sticks* you can enter the realms of Chinese tradition and tap into the wisdom of heaven-the Way of the Tao-for help and advice on how to deal with the challenges of everyday life. The system is quick, simple and great fun to use.

Isis Oracle

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amarah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional,

holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Australian Wildlife Wisdom

Far back in time, light from the underlying fabric of creation burst forth creating the super-luminous event through which our Universe was born. Time began its endless journey through ever-expanding space. The early universe was simply a sea of particles floating through space and time. But life's invisible wheels were already in motion and over time the sea of particles became a sea of stars from which Gaia, our Earth, was born - a living, breathing entity - our Goddess, our Mother and our reflection. The Gaia Oracle, a beautiful new oracle set from bestselling artist Toni Carmine Salerno, consists of 45 richly illustrated cards designed to point you in love's direction and help you find the answers you seek.

NATIVE HEART HEALING ORACLE

In this set of 44 oracle cards, you'll learn who the different cross-cultural goddesses are and how they can help you. Each card gives you a specific message about how you can improve your life, health, relationships, finances, career, and spiritual path.

333 Oracle of Heart Wisdom Book

In Chinese legend, the princess Miaoshan defied her father by refusing to marry, and pursued her austere religious vocation to the death, but returned to life to be his saviour and the saviour of all mankind. The story is inseparable from the female bodhisattva Guanyin, whose cult dominated religious life at all levels in traditional China and is still powerful in rural China today. Miaoshan herself became a lasting symbol of the tension in women's lives between individual spiritual fulfilment and the imperatives of family duty. The previous edition of this book was the first full monograph on the subject. It deals with the story's background, early history, and more developed later versions, bringing much of this material to the attention of modern readers for the first time. It analyses the basic sources, many of them in Buddhist scripture, and the overall pattern of development. It finally offers a range of interpretations which discover here myths of religious celibacy, of filial piety, and of ritual salvation of the dead. The legend of Miaoshan spans the uncertain boundaries between Chinese popular literature, theatre, and religion, and this book directly addresses students of those fields. But it holds a larger significance for those interested in the position of women in traditional society, and students of comparative literature and folklore will find here a version of the 'King Lear' story. This new edition takes account of epigraphical evidence, discovered and accessed since the time of first publication, which enriches and refines the discussion. This and other additional evidence, introduced for the sake of a more complete picture, leave the argument and conclusions of the original study still essentially intact.

Kuan-yin

This magical book is filled with powerful incantations and invocations to call the strength and passion of the Goddess Isis into your life. Through these short guided rituals and the striking artwork that accompany them, the Goddess offers her guidance, protection and love to empower you as you break through fear and face any challenge, stay true to yourself and grow in love and wisdom. Allow the energy of Isis to awaken in you now--her passion, her power, her intent to live fully, consciously, bravely. Use this book daily to build your connection to Isis and receive her healing energy. Watch as your own magical energy and spiritual essence grow with the focus and attention you dedicate to this practice.
