Because You Can't Live without an Explanation for Your Existence in the World and a Direction or if You Do Live under those Conditions You're Bound To Be Miserable and the Reason You're Bound To Be Miserable Is because and I Would Say that this Is Technically True that Almost All the Positive Emotion That You're Going To Experience in Your Life Is a Consequence of Pursuing Valuable Goals It's Not a Consequence of Attaining It's a Consequence of Positing Them Aiming at Them and Then Observing Yourself Moving towards Them and that the Sense That Accompanies that and We Know the Neurobiology of this Sense Actually Quite Well the Sense of that Is One of Forward Movement and Engagement

And that's a Hard Thing To Understand in Itself You Could Think about It as a Theory of the Structure of Experience That's another Way of Thinking about It You Know You Have Experience of the World

and You Have Your Emotions and Your Motivations and You Have Your Aims and Your Stories and Your Thoughts Your There's a Characteristic Human Mode of Existence That's Conscious We're Aware that Things Exist and We Live within that Structure and As Far as I Can Tell Given that Genesis Is Certainly Not a Scientific Account of the Structure of the Universe It Has To Be some Account of some Other of Something Else and It's It's an Account of Experience Itself and Maybe Experience Itself Is the Ultimate Reality

It's Not a Religious Question Even It's a Practical Question As Far as I'm Concerned and My Sense Is that People Just Believe that this Is True Deeply and the Way You Can Tell that Is Not by What They Say but by What They Do and So for Example One of the Things That You Might Observe Is that You Know if You Love Someone Your Children Let's Say You Don't Tell Them that's the Best Way To Get through the World Is To Lie about Everything All the Time You Don't Sit Down You Don't Sit Them Down and Say Look this Is a Corrupt Enterprise

But by What They Do and So for Example One of the Things That You Might Observe Is that You Know if You Love Someone Your Children Let's Say You Don't Tell Them that's the Best Way To Get through the World Is To Lie about Everything All the Time You Don't Sit Down You Don't Sit Them Down and Say Look this Is a Corrupt Enterprise and All Together and You Can't Trust Anyone because They're Always Lying about Everything and Your Job Is To Become the Best Liar You Possibly Can Become because that's the Way To Get to Where You Need To Get to and To Set the World Straight no One Ever Does that and So if They Don't Do that Which Would Be Belief in the Lie Then They Must Assume Something That's Approximately Opposite

Because We Won't Live the Full We Won't Live Out the Full Implications of that so the Third Part of Genesis That I'd Like To Concentrate on Very Briefly Is the Part That Makes the Declaration of Independence Self-Evident and that Is that Man and Woman Alike Are Made in the Image of God and that's a Very Mysterious Statement because Well First of all It Seems on the Face of It Absurd Partly because It Turns God into Something Approximating a Person because There's an Equation There and that It's Not Obvious What that Might Mean It's Also Not Clear What Being Made in the Image of God
