St. Joseph, Fatima and Fatherhood: Reflections on the Miracle of the Sun

On October 13, 1917, just before the great "Miracle of the Sun" was manifested to some 70,000 spectators at Fatima, Portugal, there appeared to the three child-visionaries an unusual scene. To the right of the sun, they saw the Blessed Virgin Mary robed in white with a blue mantle. Standing to the left of the sun was St. Joseph holding the Child Jesus, both blessing the world. Msgr. Joseph A. Cirricione, a 40-year student of the Fatima apparitions, appears to be the first writer to study and analyze for Catholic readers the significance and message of this singular apparition, especially with regard to what it says about St. Joseph. In the process, he arrives at some profound and sobering conclusions, both for the Church and the world. He also contributes several original and extremely germane ideas to the general study of St. Joseph, such that the contents of this little booklet must become universally known among all Catholics.

A Manual of Practical Devotion to St. Joseph

In Saint Joseph Leonardo Boff seeks to provide a vigorous critique and theological analysis of Saint Joseph and in so doing attempts to undo historical misconceptions, misunderstandings, and clichés that surround the figure of Joseph. The book provides a comprehensive view of the topic as it takes into account biblical references, including the apocrypha, church tradition, papal edicts, liturgical expressions, and various viewpoints proposed by theologians. Boff is also concerned with updating the figure of Saint Joseph; his first step in this direction is to provide a clear understanding of the life of Joseph as an artisan, husband, father, and educator. He then deals with the issue of the importance of Saint Joseph for current issues concerning family and fatherhood. Lastly, Boff argues that Saint Joseph helps us to understand new facets of the mystery of God, and the author does this through his argument concerning the order of hypostatic union, where, according to his argument, there is a relation between Jesus and the Son, Mary and the Holy Spirit, and Joseph and the Father. Boff seeks here to fill a gap in the theological literature, given that theologians have concentrated their efforts on Jesus and the Son and Christology, and Mary and the Holy Spirit and Mariology; but these same theologians have, by and large, given very little time to the figure of Saint Joseph and the Father and Josephology.

Known as the most humble of men; St. Joseph received from Almighty God the authority to command both Our Lady and the Son of God Himself; and in Heaven he continues to have great intercessory power with God. The Divine Favors Granted to St. Joseph shows how this greatest of the Patriarchs is the patron of all Christians and how wonderfully he answers prayers; plus; it gives many of the ways of honoring him and many prayers to request his intercession. One of the finest books on St. Joseph; it will surely inspire the reader with a profound devotion to this great "Patron of the Universal Church."

Saint Joseph

Lucid and inspiring, Behold the Man is a unique exploration of Catholic spirituality for men. Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality. While this book does not exclude these subjects, it is the first to present a comprehensive picture of Catholic male spirituality. What is authentic male Catholic spirituality? What distinguishes it from Protestant male spirituality? How does masculine spirituality complement feminine spirituality? These questions and many more are answered in this book. Drawing from Scripture and Church teaching, the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ. He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be. Behold the Man can deepen a man's experience of Christ and help him to know the Lord more intimately.

The authors offer here reflections on this prayer, resulting in a work of popular theology and spiritual writing.

edition. Excerpt: ...Jesus was born miraculously from the virginal espousals of Joseph and of his true and legitimate spouse. He was born in Joseph's house, not by a legal fiction, but by a divine ordinance. Joseph, therefore, is more than the putative or reputed father of Jesus; and, if the Church calls him so, it is, says the learned Estius, to exclude the idea of natural generation.¹ On the night of the Nativity he entered practically on all the essential prerogatives and attributes of paternity imparted to him by God, which, as the Blessed Canisius, a profound theologian who was at the Council of Trent, observes, are chiefly three: affection, care, and authority.² He had paternal affection; for, as the Abbot Eupert assures us, the Holy Spirit, who formed the members of Jesus of Mary's blood, infused into Joseph's heart the most tender love for the 1 Lib. iv. Sent. dist. xxx. sect. x. 2 Tract, de B. V. Deipara, lib. ii. cap. xiii. Divine Infant who was about to be born.¹ Also the Eternal Father, who begets His Son from all eternity, willing, in a certain sense, to share with Joseph His paternity of Jesus born in the fulness of time, caused, as it were, a spark of the infinite love which He bears to His Divine Son to descend into the bosom of Joseph; and this new paternal affection, joined to his already boundless charity, began from this moment to kindle in his heart such a flame of love towards Jesus that, next to that of Mary, its like was never found among men, nor ever shall be, not even among the angels themselves. His solicitude and care for this Divine Son were inexpressible; for no father ever did so much or endured so much for his children as did Joseph for Jesus. And, finally, he had paternal authority. This is why Jesus was always submissive and...

St. Joseph, Tender Father

Comprising 54 pages, the book examines the relatively unknown life of St Joseph. It offers insights into his role as the father of Jesus.

LIFE AND GLORIES OF ST. JOSEPH

Saint Joseph is a powerful intercessor with God because he is both the father of Jesus and the spouse of the Madonna. As St Teresa of Avila said, Jesus does not deny anything to those who pray to St Joseph, because as on earth he was subjected to him because he was his father, so even in Heaven he refuses nothing to what Saint Joseph asks of him. Let us imitate St. Theresa of Avila, and as we ask for intercession with the God of St. Joseph, let us pray with belief and devotion. In this book you will find some original prayers to St. Joseph, which were composed by author.

Our Father in Gethsemane

Pope Francis gives a very personal reflection on the importance of St Joseph as the husband of Mary, the father of Our Saviour and protector of the Church. Announcing a year dedicated to St Joseph the Holy Father presents St Joseph as an example of the type of tender, loving and courageous father so sorely needed in the world and in the Church. In St Joseph we find a sure intercessor in the most difficult moments and impossible situations. "We need only ask Saint Joseph for the grace of graces: our conversion." This volume includes the decree from the Apostolic Penitentiary detailing the conditions for the Special Indulgence available during the Jubilee Year in Honour of St Joseph.

Through the Heart of St. Joseph

"Spend your life in honouring St. Joseph, and your love and homage will never equal the love and homage paid to him by Mary; it will approach never so distantly to the obedience, the love, the homage paid to him for thirty years on earth by the Son of God. But in proportion as your heart grows towards him in the reverence and unbounded confidence of a son will you trace in your soul a more faithful copy of the Incarnate Word." -Letter on Devotion to St. Joseph, by Herbert, Bishop of Salford, 1877. Passages from the visions and revelations of saints and holy contemplatives-St. Bridget, Sister Maria of Agreda, and others-have been interwoven with the narrative, simply in the way of illustration, and not as being invested with authority, except in the sense in which, after due examination, they have been favoured with ecclesiastical approval: namely, as containing nothing contrary to faith. and morals, and affording pious and profitable helps to meditation. Finally, observations and reflections have been introduced as occasion offered which were suggested by various authors whose works have been consulted, or which occurred to the writer's own mind from consideration of the materials before him. It is no uncommon idea, even among Catholics, that the devotion paid to St. Joseph and the lofty estimate of his prerogatives now prevailing in the Church are innovations of comparatively modern date, and that they have no precedent or sanction in antiquity. But this is far from being the case. In the writings of the ancient Fathers are to be found, not only what may be called prolific germs, but also positive and

explicit statements of doctrine, which sufficiently show how deep in the consciousness of the Church lay the belief of Joseph's exalted dignity and sanctity, and how definite a shape it had assumed even in the early ages. The devotion paid to him has, it is true, been much more distinctly formulated in later centuries, when his place in the celestial hierarchy came to be more fully recognised; but from the first this great Saint had a peculiar attraction for many holy and gifted souls, who regarded him with singular veneration and affection, as the citations given abundantly testify.

Now for the first time the complete story of Blessed Francisco and Jacinta Marto has been revealed in a full-length book by Leo Madigan. Marked by poignant, intimate details, and a captivating writing style, this moving biography of two extraordinary children is sure to become an instant classic.
