This is a book for college composition instructors who want to devote one part of their course to English sentence structure and style. This handbook teaches traditional English syntax and immediately shows students how to apply that knowledge. Full of stimulating, college-level exercises, this text is user-friendly and empowers students with conscious knowledge of the tools at their disposal when writing.

The Writer's Options

The Writer's Options encourages readers to investigate their writing options through sentence-combining and rearrangement to create more sophisticated, more effective compositions. The text contains ample practice with arranging and rearranging sentences, paragraphs, and essays as a means of strengthening prose and conveying a more effective message.
