The Life of John Marshall, Vol. 1 (Classic Reprint)

Excerpt from The Life of John Marshall, Vol. 1 Vitally important in their effect upon the conduct and attitude of Marshall and of the leading characters of his time were the state of the country, the condition of the people, and the tendency of popular thought. Some reconstruction of the period has, therefore,

been attempted. Without a background, the picture and the figures in it lose much of their significance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Life of John Marshall; V. 1

The remarkable story of John Marshall who, as chief justice, statesman, and diplomat, played a pivotal role in the founding of the United States. No member of America's Founding Generation had a greater impact on the Constitution and the Supreme Court than John Marshall, and no one did more to preserve the delicate unity of the fledgling United States. From the nation's founding in 1776 and for the next forty years, Marshall was at the center of every political battle. As Chief Justice of the United States - the longest-serving in history - he established the independence of the judiciary and the supremacy of the federal Constitution and courts. As the leading Federalist in Virginia, he rivaled his cousin Thomas Jefferson in influence. As a diplomat and secretary of state, he defended American sovereignty against France and Britain, counseled President John Adams, and supervised the construction of the city of Washington. D.C. This is the astonishing true story of how a rough-cut frontiersman - born in Virginia in 1755 and with little formal education - invented himself as one of the nation's preeminent lawyers and politicians who then reinvented the Constitution to forge a stronger nation. Without Precedent is the engrossing account of the life and times of this exceptional man, who with cunning, imagination, and grace shaped America's future as he held together the Supreme Court, the Constitution, and the country itself.

Without Precedent

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1919 edition. Excerpt: ... CHAPTER XI INDEPENDENCE IN CONGRESS The Constitution is not designed to secure the rights of the people of Europe or Asia or to direct proceedings against criminals throughout the universe. (Marshall.) The whole world is in arms and no rights are respected but those that are maintained by force. (Marshall.) Marshall is disposed to express great respect for the sovereign people and to quote their expressions as evidence of truth. (Theodore Sedgwick.) "I Have been much in Company with General Marshall since we arrived in this City. He possesses great powers and has much dexterity in the application of them. He is highly & deservedly respected by the friends of Government [Federalists] from the South. In short, we can do nothing without him. I believe his intentions are perfectly honorable, & yet I do believe he would have been a more decided man had his education been on the other side of the Delaware, and he the immediate representative of that country." 1 So wrote the Speaker of the House of Representatives after three weeks of association with the Virginia member whom he had been carefully studying. After another month of Federalist scrutiny, Cabot agreed with Speaker Sedgwick as to Marshall's qualities. "In Congress, you see Genl. M.[arshall] is a leader. He is I think a virtuous & certainly an able man; but you see in him the faults of a Virginian. He thinks too much of that State, & he expects the 1 Sedgwick to King, Dec. 29, 1799; King, iii, 163. world will be governed according to the Rules of Logic. I have seen such men often become excellent legislators after experience has cured their errors. I hope it will prove so with Genl. M.farshall], who seems calculated to act a great part." 1 The first session of the Sixth Congress...

The Life of John Marshall Volume 4

"The Life of George Washington - Volume I" from John Marshall. Fourth Chief Justice of the United States (1755-1835).

The Life of John Marshall Volume 4 of 4

Illustrated. This is Volume 1 of 5. The Life Of George Washington; From original papers bequeathed to him by his deceased relative, and now in possession of the author. To which is prefixed, an introduction, containing a compendious view of the colonies planted by the English on the continent of north America, from their settlement to the commencement of that war which terminated in their independence.

The Life of John Marshall

John Marshall (1755--1835) was arguably the most important judicial figure in American history. As the fourth chief justice of the United States Supreme Court, serving from 1801 to 1835, he helped move the Court from the fringes of power to the epicenter of constitutional government. His great opinions in cases like *Marbury v. Madison* and *McCulloch v. Maryland* are still part of the working discourse of constitutional law in America. Drawing on a new and definitive edition of Marshall's papers, R. Kent Newmyer combines engaging narrative with new historiographical insights in a fresh interpretation of John Marshall's life in the law. More than the summation of Marshall's legal and institutional accomplishments, Newmyer's impressive study captures the nuanced texture of the justice's reasoning, the complexity of his mature jurisprudence, and the affinities and tensions between his system of law and the transformative age in which he lived. It substantiates Oliver Wendell Holmes Jr.'s view of Marshall as the most representative figure in American law.

The Life of George Washington - Volume I

This is Volume 1 of 5. The Life Of George Washington; From original papers bequeathed to him by his deceased relative, and now in possession of the author. To which is prefixed, an introduction, containing a compendious view of the colonies planted by the English on the continent of north America, from their settlement to the commencement of that war which terminated in their independence.

The Life of George Washington, Vol. 1

"John Marshall (1755-1835) was a good son, a kind older brother, a loving father and husband, and a dear friend to many. He was a soldier for the Revolutionary Army, a successful lawyer, a congressman,

and Secretary of State. Most importantly, he was Chief Justice of the United States. As Chief Justice, John Marshall made the Supreme Court the strong and powerful body it is today."--Back cover.

The life of John Marshall, v. 1

This collection of literature attempts to compile many classics that have stood the test of time and offer them at a reduced, affordable price in an attractive volume so that everyone can enjoy them.

John Marshall and the Heroic Age of the Supreme Court

"The definitive, sweeping biography of an American hero who stood against all the forces of Gilded Age America to fight for civil rights and economic freedom: Supreme Court Justice John Marshall Harlan"--

The Life of George Washington, Vol. 1

John Marshall (1755-1835) became the fourth chief justice of the U.S. Supreme Court despite having had almost no formal schooling and after having studied law for a mere six weeks. Nevertheless, Marshall remains the only judge in American history whose distinction derives almost entirely from his judicial career. During Marshall's nearly 35-year tenure as chief justice, he wielded the Constitution's awe-inspiring power aggressively and wisely, setting the Supreme Court on a course for the ages by ensuring its equal position in the triumvirate of the federal government of the United States and securing its role as interpreter and enforcer of the Constitution. Marshall's judicial energies were as unflagging as his vision was expansive. This four-volume life of Marshall received wide acclaim upon its initial publication in 1920, winning the Pulitzer Prize that year, and makes fascinating reading for the lawyer, historian, and legal scholar.

American Hero

The life of John Marshall, Founding Father and America's premier chief justice. In 1801, a genial and brilliant Revolutionary War veteran and politician became the fourth chief justice of the United States. He would hold the post for 34 years (still a record), expounding the Constitution he loved. Before he joined the Supreme Court, it was the weakling of the federal government, lacking in dignity and clout. After he died, it could never be ignored again. Through three decades of dramatic cases involving businessmen, scoundrels, Native Americans, and slaves, Marshall defended the federal government against unruly states, established the Supreme Court's right to rebuke Congress or the president, and unleashed the power of American commerce. For better and for worse, he made the Supreme Court a pillar of American life. In *John Marshall*, award-winning biographer Richard Brookhiser vividly chronicles America's greatest judge and the world he made.

The Life of John Marshall

A New York Times Notable Book of 1996 It was in tolling the death of Supreme Court Chief Justice John Marshall in 1835 that the Liberty Bell cracked, never to ring again. An apt symbol of the man who shaped both court and country, whose life "reads like an early history of the United States," as the Wall Street Journal noted, adding: Jean Edward Smith "does an excellent job of recounting the details of Marshall's life without missing the dramatic sweep of the history it encompassed." Working from primary sources, Jean Edward Smith has drawn an elegant portrait of a remarkable man. Lawyer, jurist, scholars; soldier, comrade, friend; and, most especially, lover of fine Madeira, good food, and animated table talk: the Marshall who emerges from these pages is noteworthy for his very human qualities as for his piercing intellect, and, perhaps most extraordinary, for his talents as a leader of men and a molder of consensus. A man of many parts, a true son of the Enlightenment, John Marshall did much for his country, and *John Marshall: Definer of a Nation* demonstrates this on every page.

The Great Dissenter

High quality reprint of *The Life of George Washington - Volume 1* by John Marshall.

The Life of George Washington -

Collected here are correspondence, papers, and legal documents--including selected judicial opinions--of American jurist John Marshall. Revolutionary officer, congressman, and secretary of state before his appointment to the Supreme Court, Marshall served as the Court's fourth Chief Justice. In this capacity, he helped define the role of the Court and elevate its status, as he interpreted the Constitution from the bench. The documents presented in these volumes--with introductory material and notes--shed light not only on Marshall's life and thought but on the evolution of American jurisprudence as well.

The Life of John Marshall

This is the second of five volumes written by John Marshall on George Washington and the early years of the colonies and the eventual United States.

The Life of John Marshall [Electronic Resource]

This book is an innovative combination of personal and judicial biography which illuminates and explains the contradictions and puzzles in Supreme Court Justice Harlan's judicial career.

The Papers of John Marshall

The Cinema of John Marshall explores the life and art of the pioneering ethnographic filmmaker. Its centerpiece is an autobiographical essay in which Marshall assesses his forty-year involvement with the San peoples (Bushmen) of South Africa and his films, from the 1957 award winning *The Hunters* to his current work in progress, *Death by Myth*. The book weaves together the political economy of San dispossession, history and ethnography, personal narratives of historical importance, and expositions of film techniques and film language. The first English language study of the man and his work, *The Cinema of John Marshall* conveys the complex unity of Marshall's life: the filmic, the intellectual, the political, and the human.
