The Hope

Uses the story of three fictional families to trace the history of Israel.

The Hope

Like no other novelist at work today, Herman Wouk has managed to capture the sweep of history in novels rich in character and alive with drama. In "The Hope," which opens in 1948 and culminates in the miraculous triumph of 1967's Six-Day War, Wouk plunges the reader into the story of a nation struggling for its birth and then its survival. As the tale resumes in "The Glory," Wouk portrays the young nation once again pushed to the brink of annihilation -- and sets the stage for today's ongoing struggle for peace. Taking us from the Sinai to Jerusalem, from dust-choking battles to the Entebbe raid, from Camp David to the inner lives of such historical figures as Golda Meir, Moshe Dayan, and Anwar Sadat, these extraordinary novels have the authenticity and authority of Wouk's finest fiction -- and together strike a resounding chord of hope for all humanity. Hope

Hope is a gripping historical novel from the acclaimed Lesley Pearse. Her existence would be the ruin of her mother . . . Baby Hope, the unfortunate proof of Lady Harvey's adultery, is smuggled out of a privileged aristocratic household to a nearby village. There, her true identity a secret, she grows up in the arms of the poor, but loving, Renton family. But the day comes when Hope must pay her way. What could be more natural than being taken into service by the Harveys? However when she sees something she should not, she is threatened and blackmailed into leaving her beloved Rentons forever. Destitute on the streets of an unfriendly city, Hope's courage and kindness are recognized by a doctor. A talent for healing sees her taken on as nurse and destined for the horrific battlefields of the Crimea. But will Hope ever come home and uncover the true story of her birth? Hope by Lesley Pearse - author of bestsellers Gypsy and Remember Me - is a historical novel of past scandal and its consequences in a compelling nineteenth century setting. Fans of Susan Lewis will love the twists and turns of Lesley Pearse's work. Praise for Lesley Pearse: 'With characters it is impossible not to care about ... this is storytelling at its very best' Daily Mail 'Lose yourself in this epic saga' Bella 'An emotional and moving epic you won't forget in a hurry' Woman's Weekly Find Lesley on Twitter @LesleyPearse or find out more on her website, www.lesleypearse.co.uk.

Hope

In 1869, Tom Walsh and his young sister are forced to emigrate from Ireland to America. Tom vows to make his fortune before ever returning to his homeland. He sets his sights on Colorado---and gold. Eventually, after much struggle and suffering, Tom strikes one of the biggest lodes of gold in American mining history. His mine produces \$5,000 of gold bullion a day, and thirty years after emigrating, Tom is one of the world's richest men. A friend of presidents and royalty, the American commissioner to the

1900 World Fair, and a lavish host in one of Washington D.C.'s most stunning mansions, he still returns to visit Ireland in homage to his past. Fortune, however, has her price. Tom's strong-willed, beloved daughter, Evalyn's life is as marred by tragedy as it was by riches. Wife of the heir to the Washington Post, Evalyn persuades her father to buy her the notorious Hope Diamond---rumored to be cursed by the Indian goddess, Sita. It is then that Tom and Evalyn learn that tragedy and sorrow serve a master far greater than money or stature. In this extraordinary novel, Irish bestselling author Mary Ryan has brought to life the lives of these two remarkable people, and the bygone worlds that surround them, with stunning detail. A captivating story of the American dream, from the Western prairies to the high society of the capitol, Hope is filled with misfortune and heartache, great love and financial ruin. Based on a true story, Hope is a haunting, extraordinary saga of impressive intensity.

The Hope Factory

Anand, the proud owner of a small factory, finds his future uncertain when it collides with urban forces out of his control and a woman named Kamala who is determined to make a better life for her son.

The Doomsday Prophecy

Designed for second grade learning success by experts in elementary education, Complete Early Skills for grade 2 features four core subjects in a single volume. This workbook provides in-depth practice in early learning skills required for school success. Thorough grade-specific instruction designed for Canadian school children introduces, practises, and reviews: *Reading (consonants, vowels, blends, compound words, contractions, suffixes, and prefixes) *Reading Comprehension (following directions, sequencing, similes, fact and opinion, making inferences, deducing, fiction and nonfiction) *English (synonyms, antonyms, homophones, nouns, verbs, adjectives, sentences, ownership, tenses, and dictionary skills) *Spelling (family, animals, opposites, time, and joining words) *Math (addition, subtraction, place value, fractions, money, time, graphs, measurement, geometry, and patterns) Step-by-step instructions and straightforward and easy-to-understand directions support independent learning and thinking. Complete Early Skills also features fun, interactive games and activities for parents to provide young learners with the key to total school success! 352 full-colour perforated pages and an answer key.

The Glory

Committed to fight in the air and on the ground against the monumental resources of the Soviet Union, The Glory charts Israel's successes over Egypt and the commando raid on Fatah HQ in Beirut, the first missile-to-sea fight in history, which helped tip the balance in the Yom Kippur War, and the famous counter-terrorism raid on Entebbe. Shifting between Jerusalem and Washington, Los Angeles and Paris, this is the story of a beleaguered country and the men and women who fought for Israeli Independence and triumphed in the Six-Day War but know their fragile nationhood still hangs by a thread as their own children go into battle.

Hope: A Tragedy

A New York Times Notable Book 2012 The rural town of Stockton, New York, is famous for nothing: no one was born there, no one died there, nothing of any historical import at all has ever happened there, which is why Solomon Kugel, like other urbanites fleeing their pasts and histories, decided to move his wife and young son there. To begin again. To start anew. But it isn't quite working out that way for Kugel... His ailing mother stubbornly holds on to life, and won't stop reminiscing about the Nazi concentration camps she never actually suffered through. To complicate matters further, some lunatic is burning down farmhouses just like the one Kugel bought, and when, one night, he discovers history—a living, breathing, thought-to-be-dead specimen of history—hiding upstairs in his attic, bad quickly becomes worse. Hope: A Tragedy is a hilarious and haunting examination of the burdens and abuse of history, propelled with unstoppable rhythm and filled with existential musings and mordant wit. It is a comic and compelling story of the hopeless longing to be free of those pasts that haunt our every present.

The Son & His Hope

A Sweeping Standalone from New York Times Bestseller Pepper Winters. "Things you should know about me from the very beginning: I was born to true love, witnessed the destruction it causes, and

vowed never to let such agony happen to me. I am not a story-teller like my father. I am not a writer like my mother. I am just a son—their son. I am happy being alone. And that is all I ever want to be.”

JACOB The day he was born, Jacob learned his hardest and longest lesson. It wasn't a lesson a boy should learn so young, but from his earliest memories he knew where happiness lives, so does tragedy. Where love exists, so does heartbreak. And where hope resides, so does sorrow. That lesson carved him from the kid to the teen to the man. And nothing and no one could change his mind. HOPE I first met him when he was fourteen at a movie premiere of all places. A movie based on his parent's life. He was stoic, strong, suspicious, and secretive. I was only ten, but I felt something for him. A strange kind of heartbreak that made me want to hug and heal him. I was the daughter of the actor hired to play his father. We shared similarities. I recognised parts of him because they were parts of me. But no matter how many times we met. No matter how many times I tried. He stayed true to his vow to never fall. 5 Stars The Son & His Hope will ruin you in the best possible way. -- The Romance Rebels 5 Stars You need to experience this amazing, powerful, once in a lifetime series. --Heather, Goodreads 5 Stars Epically beautiful and unforgettable. This story is beyond anything you'll ever read. --Melissa, Goodreads

Expectation

In this sharply observed novel set in and around London, three college friends, now in their thirties, must come to terms with the gap between the lives they imagined for themselves and reality in the face of marriage, fertility struggles, and loss. In her first year of motherhood after an unplanned pregnancy, Cate is constantly exhausted, spiraling into self-doubt and postpartum anxiety. Her husband Sam seems oblivious, but maybe she'd prefer he remain in the dark. How can she admit the unthinkable—that she misses her freedom? In contrast, Hannah continues to endure round after round of unsuccessful IVF treatments. The process is taking its toll on her physically and emotionally—and, she worries, creating distance between her and her husband Nathan. She is godmother to Cate's son, but every time they get together, it's a trigger. Beautiful and unattached, Lissa is re-evaluating what it means to be an actress in her thirties. While she fiercely resists convention, she's also lonely. A chance encounter in the British Library with Nathan has her wondering if she missed her best chance at love when she introduced him to Hannah. As each woman longs for what the others seemingly possess, will their bonds of friendship sustain them in this liminal phase of their lives—or will their envy and desire tear them apart?

Hope

The summer between school and sixth-form. When Hope doesn't get into drama college, and her friends do, all her plans fall apart. She's struggling with anger, grief for her father and a sense that her own body is against her. She meets Riley on the ferry and his texts give her someone to talk to. But this isn't a story about a boy fixing everything. It's about trying new things and having the courage to ask for help.

Hope

For anyone who's dreamed of immortality comes a twice-in-a-lifetime love story by Marc Levy, the phenomenal, internationally bestselling French author of P.S. from Paris and The Last of the Stanfields. In Massachusetts, neuroscience students Luke, Josh, and Hope have formed an unbreakable and unconditional friendship. Bound by their wit, brilliance, and curiosity, they throw themselves heart and soul into their research and are on the verge of a revolution, pushing the limits of what's possible. Their new computer program can capture a person's entire consciousness, memory, and personality--a digital map of the brain's connections that promises to bridge the relationship between human and machine, between the past and the future. When Hope is diagnosed with a fatal and aggressive illness, their work takes on a new significance and urgency. Everything that defines who Hope is, and everything Luke and Josh love about her, will not be lost. Memory by memory, they're going to make sure of it. Hope is a heartwarming story about the boundaries of love, life, and death--and what will endure with us forever.

City of Hope

An uplifting, inspiring and heart-warming story of a woman truly ahead of her time. Of loves lost and found, of courage and determination. It is the 1930s and when her beloved husband, John, suddenly dies, young Ellie Hogan decides to leave Ireland and return to New York. She hopes that the city's vibrancy will distract her from her grief. But the Depression has rendered the city unrecognisable – gone is the energy and party atmosphere that Ellie once fell in love with, ten years before. Ellie plunges headfirst into a new life pouring all her passion and energy into running a home and refuge for the homeless. In return they give her the kind of love, support and friendship she needs to try and overcome her grief. Until, one day, someone she thought she'd never see again steps through her door. It seems that even the Atlantic isn't big enough to prevent the tragedies of the past catching up with her . . . The heart-rending but inspiring follow-up to TV Book Club bestseller ELLIS ISLAND.

The Other Half of Augusta Hope

Shortlisted for the Authors' Club Best First Novel Award 'A therapeutic dose of high-strength emotion' GUARDIAN

Time of Hope

Iris's family—her ex-husband with his new wife and baby; her son, and her best friend's daughter—gather to pack up their holiday house. They are there for one last time, one last weekend, and one last party—but in the course of this weekend, their connections will be affirmed, and their frailties and secrets revealed—to the reader at least, if not to each other. The Hope Fault is a novel about extended family: about steps and exes and fairy godmothers; about parents and partners who are missing, and the people who replace them.

Hope Fault

Lydia Claver will always remember the week of her 50th birthday. First, she loses her teaching job. Then she learns her husband of 30 years is having an affair. But all that pales next to the discovery that she is not, as she thought, menopausal, but instead in the third trimester of pregnancy.

Hoping for Hope

"We fix our eyes not on what is seen, but on what is unseen." (2 Corinthians 4:18) In a season of loss and change, Wren Crawford and her great-aunt, Katherine Rhodes, share the journey as companions in sorrow and hope. As Katherine prepares to retire as the director of the New Hope Retreat Center, she faces both personal and professional challenges—especially after the arrival of the board's candidate to replace her. Not only must she confront more unresolved grief from her past, but she's invited to embrace painful and unsettling insights about her own blind spots. How might disruption become a gift that opens the way to new growth? Wren's world is shifting and expanding as she presses forward in recovery from a period of deep depression. Still processing open questions around the death of her best friend, Casey, Wren stewards her grief by offering compassionate care to the residents of the nursing home where she now works. But the shedding of her old life is exhausting—especially as she doesn't yet see what new life will emerge. How might art continue to provide a pathway for deepening her awareness of God's presence with her? In this sequel to *Shades of Light* and *Remember Me*, fans of the *Sensible Shoes* series will not only be able to attend Katherine's final retreat sessions at New Hope but also encounter old and new friends along the way. Also available: *Feathers of Hope Study Guide*

Feathers of Hope

A NEW YORK TIMES EDITORS' CHOICE "Riotous. . . . Hilarious . . . impeccably written Intelligent, bighearted, spew-your-gefilte-fish-funny." —The New York Times Book Review "A writer with this much talent can take his readers anywhere." —The Washington Post "Painfully funny. . . . This rivals Taffy Brodesser-Akner's *Fleishman is in Trouble* in its pitch-perfect portrayal of Jewish American life." —Publishers Weekly (starred review) "A comedy of (bad) manners. . . . Engaging." —The Boston Globe A hilarious and heartfelt novel about a seemingly perfect family in an era of waning American optimism, from the acclaimed author of *The Altruists* The year is 2013 and the Greenspans are the envy of Brookline, Massachusetts, an idyllic (and idealistic) suburb west of Boston. Scott Greenspan is a successful physician with his own cardiology practice. His wife, Deb, is a pillar of the community who spends her free time helping resettle refugees. Their daughter, Maya, works at a distinguished New York publishing house and their son, Gideon, is preparing to follow in his father's footsteps. They are an exceptional family from an exceptional place, living in exceptional times. But when Scott is caught falsifying blood samples at work, he sets in motion a series of scandals that threatens to shatter his family. Deb leaves him for a female power broker; Maya rekindles a hazardous affair from her youth; and Gideon drops out of college to go on a dangerous journey that will put his principles to the test. From Brookline to Berlin to the battlefields of Syria, *Hope* follows the Greenspans over the course of one tumultuous year as they question, and compromise, the values that have shaped their lives. But in the midst of their disillusionment, they'll discover their own capacity for resilience, connection, and, ultimately, hope.

Hope

Readers fell in love with teenage waitress Hope Yancey when Joan Bauer's Newbery Honor-winning novel was published ten years ago. Now, with a terrific new jacket and note from the author, *Hope's* story will inspire a new group of teen readers.

Hope Was Here

A dazzling debut novel about love, loss, and the courage it takes to start over. It's 1994 and Adam, a drug addict from New York City, arrives at a kibbutz in Israel with a medieval sapphire brooch. To redress a past crime, he must give the priceless heirloom to a woman his grandfather loved when he was a Holocaust refugee on the kibbutz fifty years earlier. But first, he has to track this mystery woman down—a task that proves more complicated than expected. On the kibbutz Adam joins other lost souls: Ulya, the ambitious and beautiful Soviet émigrée; Farid, the lovelorn Palestinian farmhand; Claudette, the French Canadian Catholic with OCD; Ofir, the Israeli teenager wounded in a bus bombing; and Ziva, the old Socialist Zionist firebrand who founded the kibbutz. Driven together by love, hostility, hope, and fear, their fates become forever entangled as they each get one last shot at redemption. In the middle of that fateful summer glows the magnificent brooch with its perilous history spanning three continents and seven centuries. With insight and beauty, *Safekeeping* tackles that most human of questions: How can we expect to find meaning and happiness when we know that nothing lasts?

Safekeeping

#1 Sunday Times bestselling author of *It Ends with Us* held readers spellbound with her novel *Hopeless*, the story of what happened when a troubled girl named Sky encountered a long-lost childhood friend, Dean. Now, in *Losing Hope*, we finally learn the truth about Dean Holder. Haunted by the little girl he couldn't save from imminent danger, Holder's life has been overshadowed by feelings of guilt and remorse. He has never stopped searching for her, believing that finding her would bring him the peace he needs to move on. However, Holder could not have anticipated that he would be faced with even greater pain the moment they reconnected. In *Losing Hope*, Holder reveals the way in which the events of Sky's youth affected him and his family, leading him to seek his own redemption in the act of saving her. But it is only in loving Sky that he can finally begin to heal himself.

Losing Hope

Sam Gardner has been pastor of Hope Friends Meeting for just four months when ninety-eight-year-old member Olive Charles passes away. What's more shocking news is that Olive has left her entire estate--worth nearly one million dollars--to the meeting. At first the gift sounds to Sam like a like a godsend. Yet as word of the unexpected windfall spreads, it stirs up a storm of conflicting opinions amongst the church members as to how the money would best be used. And before the estate is even released to the meeting, Olive's estranged niece, Regina Charles, turns up tipsy and furious in *Hope*

and threatens a lawsuit over what she believes is rightfully hers. Although it may be an opportune time to ask for a raise, Sam finds himself questioning his future in Hope while trying to guide his lively congregation and find a peaceful way to deal with Regina.

A Lesson in Hope

Bestselling author Rebecca Solnit reminds us that activism has changed the world in remarkable ways.

Hope in the Dark

In this “heady tale of romance, intrigue, and empowerment” (Pam Jenoff, New York Times bestselling author) during the Gilded Age, a determined and remarkable female journalist is determined to uncover the truth of the legendary Hope Diamond—from the New York Times bestselling author of *Tiffany Blues*. New York, 1910: A city of extravagant balls in Fifth Avenue mansions and poor immigrants crammed into crumbling Lower East Side tenements. A city where the suffrage movement is growing stronger every day, but most women reporters are still delegated to the fashion and lifestyle pages. But Vera Garland is set on making her mark in a man’s world of serious journalism. Shortly after the world-famous Hope Diamond is acquired for a record sum, Vera begins investigating rumors about schemes by its new owner, jeweler Pierre Cartier, to manipulate its value. Vera is determined to find the truth behind the notorious diamond and its mysterious curses, especially when her reporting puts her in the same orbit as a magazine publisher whose blackmailing schemes led to the death of her beloved father. Appealing to a young Russian jeweler for help, Vera is unprepared when she begins falling in love with him...and even more unprepared when she gets caught up in his deceptions and finds herself at risk of losing all she has worked so hard to achieve. “Vivid...[and] memorable” (Publishers Weekly), Cartier’s Hope is “a twisting tale of greed, revenge, and masked identities that put love and lives at risk. A fast-paced historical novel that shines with as much intrigue and mystery as the Hope Diamond itself” (Beatriz Williams, New York Times bestselling author).

The Uncertainty of Hope

On the edge, the author hoped for HOPE, even though he could not observe or even feel it. He wondered if it was there, at all, and so, he asked... "What if hope existed, only I could not see it?"

Hope the Hermit

One quiet afternoon in 2037, Joyce Denzell hears a thud in her family’s home library and finds a book lying in the middle of the room, seemingly waiting for her—a book whose copyright page says it was published in the year 2200. Over the next twenty-four hours, each of the Denzell family members discovers and reads from this mystical history book from the future, nudged along by their cat, Plato. As the various family members take turns reading, they gradually uncover the story of Gabe, Mia, and Ruth—a saga of adventure, endurance, romance, mystery, and hope that touches them all deeply. Along the way, the Denzells all begin to believe that this book that has seemingly fallen out of time and space and into their midst might actually be from the future—and that it might have something vitally important to teach them. Engaging, playful, and thought-provoking, Hope is a seven-generation-spanning vision of the future as it could be—based on scientific projections, as well as historical and legal precedence—that will leave readers grappling with questions of destiny, responsibility, and the possibility for hope in a future world.

Cartier's Hope

In a way that only the medium of comics can, *The Book of Hope* slows the reader down to the rhythms of the life of a retired couple living in a rural countryside. Behind the static, routine moments of everyday life something bigger takes shape. Encroaching

The Hope Book

"Saugatuck, MI, springs to life in this nostalgic, gentle story of lifelong love along with the emotional support and care that families and friends can provide. " —Library Journal The discovery of one woman’s heirloom hope chest unveils precious memories and helps three people who have each lost a part of themselves find joy once again. Ever since she was diagnosed with ALS, fiercely independent Mattie doesn’t feel like herself. She can’t navigate her beloved home, she can’t go for a boat ride, and she can barely even feed herself. Her devoted husband, Don, doesn’t want to imagine life without his

wife of nearly fifty years, but Mattie isn't likely to make it past their anniversary. But when Rose, Mattie's new caretaker, and her young daughter, Jeri, enter the couple's life, happiness and the possibility for new memories return. Together they form a family, and Mattie is finally able to pass on her memories from the hope chest she received from her mother. With each item—including a favorite doll, family dishes, an embroidered apron, and an antique Christmas ornament—the hope chest connects Mattie, Don and Rose to each other and helps them find hope again in the face of overwhelming life challenges. A beautiful story about the unconditional love and support of family, *The Hope Chest* by Viola Shipman will remind you that hope can be found where and when you least expect it.

Hope, a History of the Future

The USA TODAY bestseller—based on the new Star Trek TV series! “Fifteen years ago...you led us out of the darkness. You commanded the greatest rescue armada in history. Then...the unimaginable. What did that cost you? Your faith. Your faith in us. Your faith in yourself. Tell us, why did you leave Starfleet, Admiral?” Every end has a beginning...and this electrifying novel details the events leading into the new Star Trek TV series, introducing you to brand-new characters featured in the life of Jean-Luc Picard—widely considered to be one of the most popular and recognizable characters in all of science fiction.

The Book of Hope

An unexpected letter. An unlikely friendship. A chance to start again. Ever since she first picked up a violin, Hope Sullivan dreamed of going to music college, joining an orchestra and travelling the world with her best friend Janey. But when her parents were killed in a car accident on the way to one of her recitals, she gave it all up to look after her younger sister, Autumn. Ten years later, Janey is living their dream on her own, Autumn is flourishing as a doctor and Hope's life is smaller and less musical than ever. Arnold Quince had the happiest of lives - until he lost his beloved wife Marion. Once the life and soul of the village, he withdrew into his grief and pushed all his friends away. Now, five years on, he is sick, lonely and just counting down the years until he can be with Marion again. When Hope and Arnold are pushed into writing to one another, neither has any idea how much their life is about to change.

***** Readers love Juliet Ann Conlin! 'The engaging characters that I've come to expect from this talented author. Highly recommend.' - 5 STARS 'This book drew me in. Insightful and compelling.' - 5 STARS 'A moving and gripping novel.' - 5 STARS 'Beautifully written, heartwarming, heartbreaking and a great story' - 5 STARS 'I didn't want this book to end' - 5 STARS

The Hope Chest

A cheerful giver is twice blessed in this first novel in an Amish series by Kristen McKanagh. Hope Beiler needs Aaron Kanagy's help. She is determined to give her sister a beautiful new bed frame as a wedding present, and Aaron is the best carpenter in Charity Creek. Unfortunately, she can't move past something he said last year...and there's unexplained animosity between their fathers that makes interacting difficult. Aaron wishes he could spend more time honing his woodworking craft, but his parents need help running their gift shop. When Hope approaches him with a solution that will allow them both to achieve their goals, he accepts. As they work together, Aaron finds himself captivated by Hope, and it becomes easy to picture a lifetime partnership together. Unfortunately, Hope's already wounded pride means she doesn't give Aaron the answer he expects. At the same time, her father discovers what they've been doing and forbids Hope from seeing the Kanagys anymore. As secrets from the past come to light, will these two strong-willed souls—and their families—learn that pride comes before every fall, but hope helps us rise again?

Star Trek: Picard: The Last Best Hope

One of the year's most anticipated by Marie Claire, Essence, Debutiful, & Goodreads A brilliant debut by a British-Nigerian author--a heartfelt family drama that will delight book club readers and fans of books like *The Girl with the Louding Voice* and *Erotic Stories for Punjabi Widows*. "Jendella Benson has drawn such a compelling world. The book and the characters stayed with me long after I'd turned the final pages!" --Candice Carty-Williams, bestselling author of *Queenie* Glory Akindede returns to London from her seemingly glamorous life in LA to mourn the sudden death of her father, only to find her previously close family has fallen apart in her absence. Her brother, Victor, is in jail and won't speak to her because she didn't come home for his trial. Her older sister, Faith, once a busy career woman, appears to have lost her independence and ambition, and is instead channeling her energies into holding together a

perfect suburban family. Worst of all, their mother, Celeste, is headed toward a breakdown after the death of her husband and the shame of her son's incarceration. Rather than returning to America, Glory decides to stay and try to bring them all together again. It's a tall order given that Glory's life isn't exactly working out according to plan either, and she's acutely aware that she's not so sure who she is and what she wants. A chance reunion with a man she'd known in her teens--the perceptive but elusive Julian--gives her the courage to start questioning why her respectable but obsessively private Nigerian immigrant family is the way it is. But then Glory's questioning unearths a massive secret that shatters the family's fragile peace--and she risks losing everyone she deeply cares about in her pursuit of the truth and a reunited family. "Filled with unexpected, but earned, twists, Hope and Glory balances moments of rich humor and devastating profundity...deeply authentic." --Kirkus Reviews "A sumptuous and satisfying meditation on family and the meaning of home." --Publishers Weekly

Love, Hope

"And the naive, gullible boy wore his big, baggy, fancy, red underwear before jumping in the car with the love of his life who looked like a Victoria Secret Model..." that is how most stories end, well, without the underwear description part. Happy endings have become a custom in almost every book on Earth and are expanding to the space stations as well. But that tyrannical cliché is not present in this book. *Hope Will Kill You* is an anthology of 5 different tales that set ablaze the delusional inferno of hope created by these fantastical, humbug tales all around the vast sea of literature. A book that is not perfect nor does it provide lenity and promises to destroy all your hope. For better or worse, it depends on how quickly one picks up this splendiferous read from the shelves.

The Gift of Hope

"This book comes at just the right moment. It is NOT too late if we get together and take action, NOW." —Jane Goodall Fears about climate change are fueling an epidemic of despair across the world: adults worry about their children's future; thirty-somethings question whether they should have kids or not; and many young people honestly believe they have no future at all. In the face of extreme eco-anxiety, scholar and award-winning author Elin Kelsey argues that our hopelessness—while an understandable reaction—is hampering our ability to address the very real problems we face. Kelsey offers a powerful solution: hope itself. *Hope Matters* boldly breaks through the narrative of doom and gloom to show why evidence-based hope, not fear, is our most powerful tool for change. Kelsey shares real-life examples of positive climate news that reveal the power of our mindsets to shape reality, the resilience of nature, and the transformative possibilities of individual and collective action. And she demonstrates how we can build on positive trends to work toward a sustainable and just future, before it's too late. Praise for *Hope Matters* "Whether you consider yourself a passionate ally of nature, a busy bystander, or anything in between, this book will uplift your spirits, helping you find hope in the face of climate crisis." —Veronica Joyce Lin, North American Association for Environmental Education "30 Under 30" "A tonic in hard times." —Claudia Dreyguis, author of *Scientific Conversations: Interviews on Science from the New York Times* "Beautifully written and an effective antidote against apathy and inaction." —Christof Mauch, Director, Rachel Carson Center for the Environment and Society Published in Partnership with the David Suzuki Institute.

Hope and Glory

In the small town of Wharton, Connecticut, lives are beginning to unravel. A husband betrays his wife. A son struggles with addiction. A widow misses her late spouse. At the heart of these interlinking stories is one couple: Freddie and Greg Tyler. Greg has just been diagnosed with a brutal form of cancer. He intends to handle this the way he has faced everything else: through grit and determination. But can he successfully overcome his illness? How will the Freddie and their daughter cope if he doesn't? How do the other residents of Wharton learn to live with loss and find happiness again? Celebrating the grace in everyday life, this powerful debut immerses the reader in a community of friends, family, and neighbours and identifies the ways that love and forgiveness can help us survive even the most difficult of life's challenges.

Hope Will Kill You

Hope Matters
