

## About The Blue Racer

[#blue racer snake](#) [#eastern blue racer](#) [#coluber constrictor foxii](#) [#blue racer habitat](#) [#non-venomous snakes](#)

The Blue Racer, scientifically known as *Coluber constrictor foxii*, is a non-venomous, agile snake native to North America. Recognized for its sleek blue-gray to greenish-blue coloration, this fast-moving reptile primarily inhabits open woodlands, fields, and prairies, where it actively hunts a diet of rodents, birds, and insects. Its impressive speed and keen eyesight make it an efficient predator and a fascinating species to observe in its natural environment.

## 1,000 Facts about the Bible

"Inside this book, you'll find 1,000 facts about specific passages or text in the Bible as well as facts about things that happened during biblical times. The translation ... used to compile the content ... is the New Revised Standard Version of the Bible (NRSV)"--Foreword.

## Scientific Facts in the Bible

An elderly lady once left 20,000 dollar and 'my Bible and all it contains' to her nephew. The young man knew what the Bible contained so he didn't bother to open it. He merely picked it up and put it on a high shelf in his house, and headed for Las Vegas. It wasn't long until all his money was gone. He lived the next 60 years as a pauper, scraping for every meal and barely having the clothes on his back. As he was moving to a convalescent home he reached up to grab that old Bible and accidentally dropped it from his trembling hands. It fell to the floor and opened, revealing a 100 dollar bill between every page. That man lived his life as a pauper when he could have lived in luxury, simply because of his prejudice. He thought he knew what the Bible contained. Most people don't know that the Bible contains a wealth of incredible scientific, medical and prophetic facts. The implications are mind boggling...

## Strange Facts about the Bible

The Bible is filled with stories: of faithful—and unfaithful—men and women; of great battles, and quiet failures. The vast amount of information in this book reveals more about the Old and the New Testaments than is commonly known, on such diverse subjects as law, crime, love, folktales, superstitions, customs, and cultures.

## 101 Awesome Bible Facts for Kids

This fact book is as entertaining as it is informative. Each page includes an interesting statistic, a helpful definition, or some other noteworthy morsel of data from the Old or New Testament as well as a playful cartoon illustration. The tidbits of information are organized in the order they appear in the Bible, giving young readers a feel for the story line of Scripture. How tall was the Tower of Babel? Can the City of David really fit inside the Superdome? What cool things could Jesus do after the resurrection? Answers to these questions and 98 other interesting facts will whet young readers' appetites and help them become Bible experts in no time.

## The Ultimate Bible Fact and Quiz Book

The Ultimate Bible Fact & Quiz Book is a new and exciting way to discover the Bible. It can be used in community and church groups, Sunday School classes, family games and devotions, or simply for entertaining reading. What's unique about this collection of quizzes and facts is its variety. Topics covered include Jesus Christ, important Bible characters, significant events, geography, music, food, love, war, money, gardening, animals, crime, punishment, miracles, angels, dreams... the list is virtually endless! Some questions may seem easy, such as, 'In which town was Jesus born?' or 'Who was said to be the wisest King in the Bible?' Others may be a bit more challenging, like, 'How old was Joash when he began to reign in Judah?' or 'What was the name of King David's third son?' With over 5000 facts and questions, this book will be sure to test your knowledge and make learning about the Bible fun.

### 101 Surprising Facts about the Bible

The Bible is the Word of God, but even on a human level it stands apart. No other book has sold so many copies; been translated into so many languages; been so often adapted, recited, and performed; or took so many years (centuries!) to write.

### The Third Epistle of John

Shocked by the Bible sets the record straight with well-researched, controversial, myth-breaking assertions about what the Bible really does—and doesn't—say. And guess on which day the Bible says Jesus died. Believe it or not, the Good Book doesn't mention Friday, and even more surprisingly, while the Bible says Jesus rose from the grave, it does not say it occurred Sunday morning. Remember, Jesus' followers found an empty tomb then. But don't feel bad if you've always assumed otherwise. Like countless millions of people, you've just been misinformed, misled or even (dare we say) lied to about what the Bible actually says. In a stunning investigation, news veteran Joe Kovacs goes on a mission to help both Christians and non-Christians alike find out what the Bible really contains, and what it doesn't. "Shocked by the Bible: The Most Astonishing Facts You've Never Been Told" is an educational juggernaut that relies solely on the Holy Bible to reveal hundreds of Scriptural facts that many people of all persuasions simply don't know. The book instantly skyrocketed to the No. 1 position in three Bible-related categories on Amazon.com. "I'm among the biggest fans of the Bible of all time," says Kovacs. "My goal is to educate people about the solid truth of Scripture and to stop the spread of erroneous information. I want people to crack open their Bibles and see with their own eyes what's actually printed on the pages, and what's not. It's shocking!" According to Scripture, you won't find "Three Wise Men" mentioned anywhere in the story of Jesus' birth. For that matter, none are said to have shown up at the manger in Bethlehem. The truth straight from your own Bible is that an unspecified number of wise men first met Jesus as a "young child" in a "house," not a babe in a manger, and it might have been more than a year after He was born. Go ahead, look it up for yourself. Also, according to Scripture, you won't find a single mention of Easter eggs, but you will find God warning His people not to have anything to do with a pagan fertility goddess, whose name is synonymous with "Easter." "Yes, I'm a Bible-believing Christian," says Kovacs. "But I'm not here to convert anyone. People are free to believe whatever they wish and can come to their own conclusions. I just want to show them the biblical record is often very different from what many assume. Not only will Christians love this book, but I think Jews, Muslims and even agnostics and atheists will get a kick out of it as well."

### Shocked by the Bible

The Facts On series has sold more than 1.9 million copies and continues to provide information, facts, and foundational truths to help Christians understand their faith and their world. How can Christians be sure that the Bible is the Word of God and a trustworthy foundation for their faith? John Ankerberg and John Weldon, the respected coauthors of many popular apologetics books, examine the Bible from various angles--history, archaeology, science, and logic--as they explore of the accuracy of the biblical text expose current critical fallacies demonstrate that the Bible is supremely reliable show how fulfilled prophecy is the result of divine inspiration encourage readers to confidently share God's message This confidence-building resource affirms the uniqueness and inerrancy of the Christian Scriptures and provides a quick, updated reference for students, pastors, teachers, and all believers. Rerelease with new cover and minor revisions.

### Fascinating Bible Facts

To your avail, I have this fascinating book here that holds unique facts about Jesus Christ. It is mightily condensed with particulars that you cannot find inside of any other book unless you read the Holy Bible. The Holy Bible is my go-to Book for everything! That is why I thoroughly researched over 500 hours within the Bible to bring you accurate and distinct facts about our Loving Lord for this particular book. It is rooted in Biblical principles, genuine truths, and values that we should all be applying to our lives daily. I am vehemently convinced that after you accomplish reading these written works, chances are, you will know more about Jesus than anyone you know! You will securely grow in Christ and add to your Christian armor with every devoted page. Everything in parenthesis has been added for your enjoyment. The Glorious details that are provided for you will build your Faith and strengthen your living soul. There's not one thirsty life that will not have a grandiose impact of well-being and confidence about our Savior following the veracity of effects at the rewarding close of portions.

### The Facts on the Bible

Help students investigate and explore earth's most amazing book—the Bible! It's an ideal supplement to any Sunday School curriculum and great for Christian schools or homeschooling. • Includes a complete index so it's easy to find information about a Bible person or event • Reproducible, so you can photocopy whatever information you want to share

### 100 Bible Facts About Jesus

The ultimate one-volume Bible encyclopedia loaded with charts, information and over 100,000 Bible facts

### Big Book of Bible Facts and Fun

"Inside this book, you'll find 1,000 facts about specific passages or text in the Bible as well as facts about things that happened during biblical times. The translation ... used to compile the content ... is the New Revised Standard Version of the Bible (NRSV)"--Foreword.

### AMG's Encyclopedia of Bible Facts

his book contains the very best of the questions and answers from Pastor Doug's international radio program Bible Answers Live. Each answer has been expanded and revised with more Bible verses, insightful commentary, and spiritual nourishment. If you love Bible Answers Live, you'll love this book! Critical questions asked by real people, answered by Pastor Doug himself. Each answer backed with Scripture and insightful commentary. Here's just a sample of the more than 100 Q&As!

- Who created God? - Which day is the Sabbath? - What about music in church? - Does hell burn forever? - Is the Bible the only source of truth?

### 1,000 Facts about the Bible

Discover hundreds of amazing facts about the people, places, and things in the Bible! Which was taller, the Tower of Babel or the Empire State Building? What was slime used for? What well-known Bible city could fit inside the Superdome? Which cost more, Joseph or one of Solomon's chariots? Fabulous, funny illustrations show how a slingshot works, what a Roman soldier wore, what a house in Bible times looked like, how to make a rainbow, and a whole lot more! The Awesome Book of Bible Facts—almost too fun to be good for you—(but it is!)

### The Amazing Facts Book of Bible Answers

Dear reader, if you love the Lord Jesus, if you have trusted Him as Savior and Lord, then one glad day I will meet you in the homeland, Heaven, in the Father's house of many mansions, and there together we will sing redemption songs and worship Him forever who died for sinners and prepared us a place. - p. 8.

### The Awesome Book of Bible Facts

1-Minute Summaries for Each & Every book in The Bible Let's face it: the Bible can be intimidating. With roughly 1200 pages, spread over 73 books, written by over 40 different authors. It's long, dense, and often full of words that are unfamiliar. It's hard to know even where to start. As part of our 'Made Amazingly Simple' series, we've simplified all 73 Books of The Bible, into enjoyable 'cliff-notes' style

summaries. This isn't a substitute for reading The Bible, but it will give you a head start into uncovering what The Bible is trying to teach us. Each book in The Bible is laid out in beautifully designed, single page cheat-sheets, so you can: # Discover who authored the book and when it was written # Learn the significance behind each book # Master the notable verses you need to know # Easily understand the key lessons each book is trying to teach us # Enjoy the most popular stories from each chapter

### The International Standard Bible Encyclopaedia

During forty years of caring for districts of churches and isolated believers, besides raising up new churches by evangelistic effort, the author of this work became greatly impressed with the need of educating the people in the fundamental doctrines of the Holy Scriptures. He has found very few who could give from the word of God an intelligent reason for even its most prominent and important truths. This spiritual poverty any minister will discover by personal investigation. When we add to this condition the fact that during the past thirty years new errors have been stealthily introduced among Christians generally--errors which undermine the very foundations of Bible truth and Christianity--it becomes evident that even professing Christians are unprepared for the crises they will be obliged to meet in the near future.

### Bible Facts about Heaven

Even though the Bible wasn't written as a scientific book, it contains amazing scientific facts that were penned thousands of years before man discovered them facts regarding the earth being round, its free float in space, laws of quarantine, the existence of the dinosaur, and many others. Although Christians don't need convincing that the Bible is the Word of God (because they have met the Author), such gems in Scripture tend to warm the heart and solidify our faith. While this publication is written primarily for Christians, unbelievers who are perhaps interested in the Bible's immutable promise of everlasting life may like to examine the undeniable evidence, and consider the implications if its offer of Heaven and warning of Hell are indeed true.

### Books of the Bible

"This book is a miscellany of interesting information and fascinating facts. ... The version of the Bible which I have used for quotation is the King James or Authorized Version"--Page 7.

### Facts of Faith

This quick-reference will increase readers' knowledge of the Bible and End Times and will empower them with a deeper understanding of God's plan for the future. An excellent resource for individual or group study. This was formerly titled "Fast Facts on Bible Prophecy."

### Undeniable Evidence

This new volume combines Joel Meredith's two books of Bible lists for a total of 375 lists! Includes easy access to lists like the Ten Commandments, the gifts of the Spirit, and the Beatitudes. But it doesn't stop with the expected. It also offers lists of people raised from the dead and people who were struck blind. Readers will also discover surprising Bible facts, like animals God used miraculously, bald men in the Bible, and nine of the earliest recorded inventors. Lists are organized into 39 categories. A great resource for students, families, or anyone wanting to learn more about the Bible.

### Why Are There No Cats in the Bible?

The market is chock-full of books and Bible studies for well-seasoned believers, but what about the woman who longs to know God but has never cracked open a Bible? Seek is a refreshingly real look at the fundamentals of the Christian faith, written for the woman who doesn't know Jacob from Job. Readers will discover answers to essential questions like Who is God the Father, Son, and Holy Spirit?, What does it mean to be a Christian?, and What is the Bible? in language they understand. Seek combines solid biblical teaching with engaging explanations to guide the spiritually curious woman on her journey to meet God.

### Fast Facts on Bible Prophecy from A to Z

These days fact-checking can seem like a lost art. The Fact Checker's Bible arrives not a moment too soon: it is the first—and essential—guide to the important but increasingly neglected task of checking facts, whatever their source. We are all overwhelmed with information that claims to be factual, but even the most punctilious researcher, writer, and journalist can sometimes get it wrong, so checking facts has become a more pressing task. Now Sarah Harrison Smith, former New Yorker fact checker and currently head of checking for The New York Times Magazine explains exactly how to: \*Reading for accuracy \*Determine what to check \*Research the facts \*Assess sources: people, newspapers and magazines, books, the Internet, etc. \*Check quotations \*Understand the legal liabilities \*Look out for and avoid the dangers of plagiarism For everyone from students to journalists to editors, the methods and practices outlined in The Fact Checker's Bible provide both a standard and a working manual for how to get the facts right.

### Meredith's Complete Book of Bible Lists

I know one thing for sure, and I mean this in the nicest possible way, most people are Bible illiterate. People forget that Luke and Mark were not apostles or eyewitnesses to Jesus. The Bible you read, and what you may have been taught in church, may not be the facts. To really understand the Bible, you must do research of the Bible, and we must go back to the way the Bible was originally written, which was in Hebrew because once the Bible was translated, the true meaning was changed. The words set down in the Bible have been translated from Hebrew to Greek and then into English. Example: Hell If darkness is Hell, along with the Hebrew word Sheol, meaning grave or pit, then Hell may be the sleep of death until judgment day. What will happen after we die? FACT: Matthew 22:29 So why did I not write the answer? Because I believe it is more satisfying finding the answer for one's own self. The basic facts of the Bible are, for the most part, true. Everyday more and more important evidence is being found proving the Bible is correct but what you may have learned, what you may know, may be incorrect. You can keep up with new Biblical finds at [www.biblicalarchaeology.org](http://www.biblicalarchaeology.org) I highly recommend this site and their extensive library. A lot of things written in the Bible are not what we were led to believe.

### Amazing Facts from the Bible

This exploration of the life of Christ as a grass-roots reformer draws on new evidence from historical and archeological records, in addition to close readings of the canonical and Gnostic Gospels.

### Seek

From Steve and Jackie Green, founders and curators of the Museum of the Bible--a fascinating exploration of the history, authenticity, and power of the Bible, the book that has changed people and nations throughout the centuries. It is the top selling book in history. It brings social upheaval, international arguments, and political controversy. It has been used to justify both love and war. And for generations, it has found its way into the hearts of millions, offering comfort, direction, and life-changing truths. How could one book have such power? In This Dangerous Book, Steve and Jackie Green explore the incredible history and impact of the Bible. As the founders and visionaries of the Museum of the Bible in Washington D.C., the Greens have a unique perspective on the Bible's journey--from its ancient beginnings, to its effect on the moral fiber of nations, to its transformative influence in individual hearts. The Greens share the challenges they have faced in acquiring biblical artifacts from around the world and why generations--in every time period and in every geographical location--have risked their lives to preserve this precious book. Exploring ancient tablets, medieval commentaries, and modern translations, This Dangerous Book offers fascinating insight into the miracles and martyrdoms that have led to the Scriptures we read today. The Greens explore how cutting-edge technology gives new insight into the authenticity of the Bible, including the work of fifty scholars who recently uncovered hidden details about thirteen unpublished Dead Sea Scroll fragments. This Dangerous Book also looks at the link between the Hebrew Bible and the New Testament, what we can learn from how the Bible was passed down to us, and why God's Word is foundational to America's past and crucial for its future. The Bible is a world-changer and a heart-changer. Whether you have read the Bible for years or are simply curious about its influence, This Dangerous Book could change your heart as well.

## The Fact Checker's Bible

Each daily devotion is based on a historical happening, intriguing invention, or offbeat holiday associated with that calendar day. Special activities, Bible verses, and additional fun facts help to give every day of the year its own unique trivia twist.

## The Bible Facts Not Fiction and Possibilities

The biblical figure of Moses has been the center of fascination for over 2,000 years, but what do we actually know about him? Was he a real person? Did the Exodus truly happen? Or is the story in the Pentateuch a mythical account written centuries after the alleged events? Why does Moses's story resemble that of other, older lawgivers and legendary predecessors? Why are there so many elements of sun and wine god myths in the tale of Moses? What does the focus on the serpent in his story signify? Who were Yahweh and the Elohim? Did Moses Exist? includes: Maps and 126 illustrations Extensive bibliography, table of contents and index Hundreds of footnotes and citations from primary sources in multiple languages Best modern scholarship from credentialed authorities Did Moses Exist? provides a massive amount of information from antiquity about the world's religious traditions and mythology, including how solar myths, wine cultivation and fertility cults have shaped the Bible and Judaism. This book may be the most comprehensive study to date, using the best scholarship and state-of-the-art research methods. "The existence of Moses as well as the veracity of the Exodus story is disputed amongst archaeologists and Egyptologists, with experts in the field of biblical criticism citing logical inconsistencies, new archaeological evidence, historical evidence and related origin myths in Canaanite culture." --"Moses," Wikipedia "There is no historical evidence outside of the Bible, no mention of Moses outside the Bible, and no independent confirmation that Moses ever existed." --Dr. Michael D. Coogan, lecturer on the Old Testament at Harvard Divinity School "We cannot be sure that Moses ever lived because there are no traces of his earthly existence outside of tradition." --Egyptologist Dr. Jan Assmann, *Moses the Egyptian* "The life of Moses contains elements--canonical and apocryphal--that mark him as a true mythic hero, and certainly he is Judaism's greatest hero and the central figure in Hebrew mythology." --Dr. David Leeming, *The Oxford Companion to World Mythology* "...the stories of the creation, of the flood, of Abraham, of Jacob, of the descent into and the exodus from Egypt, of the career of Moses and the Jews in the desert, of Joshua and his soldiers, of the judges and their clients, are all apocryphal, and were fabricated at a late period of Jewish history." --Dr. Thomas Inman, *Ancient Faiths and Modern* Table of Contents List of Illustrations Preface Introduction Who Wrote the Pentateuch? Was Moses an Egyptian Pharaoh or Priest? The Exodus as History? The Exodus in Ancient Literature Hyksos and Lepers Who Were the Israelites? The Exodus as Myth The Lawgiver Archetype The Dionysus Connection The Life of Dionysus The Vine and Wine The Great God Sun Yahweh and the Sun Moses as Solar Hero Conclusion Bibliography Index

## Young Jesus

Improve your knowledge of the Bible with this handy pocket reference book. "Bible Facts Made Easy" includes lesser known and interesting facts about the Bible; important people and events in the Bible; major themes and doctrines of the Bible; and a seven-page pull-out chart of six Bible promises.

## This Dangerous Book

The Bible is full of interesting stories, surprising facts, and intriguing details. This book brings hundreds of these to you, complete with almost 400 colorful illustrations and photographs. It will make the Bible come alive for readers of all ages.

## 365 Trivia Twist Devotions

Everything you need to effectively defend the truths of the Bible and the beliefs of the Christian faith. Winner of the 2018 ECPA Christian Book award for Bible Reference Works. The truth of the Bible doesn't change, but its critics do. Now with his son, Sean McDowell, speaker and author Josh McDowell has updated and expanded the modern apologetics classic for a new generation. *Evidence That Demands a Verdict* provides an expansive defense of Christianity's core truths, rebuttals to some recent and popular forms of skepticism, and insightful responses to the Bible's most difficult and misused passages. It invites readers to bring their doubts and doesn't shy away from the tough questions. Topics and questions are covered in four main parts: Evidence for the Bible Evidence for Jesus Evidence for the Old Testament Evidence for Truth Also included, you'll find: An introduction about the biblical

mandate to defend one's faith and why our faith is built on facts. A prologue describing why we live in a theistic universe. A closing response to the specific challenges of atheist New Testament scholar Bart Ehrman. Two reflections: "How to Know God Personally" and "He Changed My Life." Serving as a go-to reference for even the toughest questions, Evidence that Demands a Verdict continues to encourage and strengthen millions by providing Christians the answers they need to defend their faith against the harshest critics and skeptics. "Here's a treasure trove of apologetic gems! This is an indispensable book that all Christians should keep within reach." —Lee Strobel, bestselling author of The Case for Christ

### Did Moses Exist?

For more than thirty years, hundreds of thousands of people from all walks of life have turned to Willmington's Guide to the Bible to help them navigate God's Word. In this book, Willmington provides a concise and exhaustive summary of basic Bible information in one volume. It's a complete Bible education in one book--an essential book for everyone's library. Dr. Willmington has updated this classic with twenty-five percent new content, including new sections on all the people of the Bible, the miracles and parables of the Bible, and a panoramic overview of the Bible's events. The theology section has been rewritten in an easy-to-use, question-and-answer format. This is a classic, completely revised, updated, and expanded for the twenty-first century.

### Bible Facts Made Easy

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

### Bible Facts

Contains games, word searches, quizzes, and fill-in-the-blanks, with hundreds of questions to test the trivial tastes of Bible pros.

### Fascinating Bible Facts for Children
