Intimate Strangers

Nicholas Benteen, ex-mercenary and former CIA covert operative, will fight to the death to protect the sanctuary he has created for himself and those from his past he has vowed to safeguard. Even as school teacher Hannah Cassidy penetrates Nicholas's isolation and melts the ice that encases his weary heart, she is seduced by the sensual, battle scarred veteran and the dark secrets of his past.

Intimate Strangers

"While covering a gruesome murder, Chicago Tribune crime photographer Cole Evans finds herself strongly attracted to the victim's niece, Tray Roberts. Disabled by an auto accident that ended her medical career, the financially-strapped Tray is trying to start her life over by launching a small business. Although Cole has yet to resolve her feeling for her ex-lover and best friend, interior designed Jan Hart, she and Tray begin a heated flirtation that quickly ignites into blazing passion. But by ignoring her own nagging questions about Tray's mysterious past, could Cole be playing with fire?"--Page 4 of cover.

Deadly Addiction

"A proud people. A nation divided. Rémi Whitedeer, police officer turned substance-abuse counselor, dreams of restoring order to his tribe. Violence and crime are rampant throughout the unpoliced Iroquois reserve, and a civil war is brewing between the Guardians, a militant traditionalist group, and other tribal factions. As the mixed-race cousin of the Guardians' leader, Rémi is caught in a no-man's land--several groups lay claim to him, but all want him to deny his white blood. A maverick cop on an anti-drug crusade. When she infiltrated the Vipers to take down the leader of the outlaw biker gang responsible for her brother's death, police sergeant Alyssa Morgan got her man. But her superiors think she went too far. Her disregard for protocol and her ends-justify-the-means ethics have branded her an unreliable maverick. To salvage her career, she accepts an assignment to set up a squad of native provincial officers on a reserve. A radical sovereigntist bent on freeing a nation. Decades of government oppression threaten the existence of the Iroquois Nation. But one man, Chaz Whitedeer, is determined to save his people no matter what the price, even if it means delving into the shadowy world of organized crime. When Rémi and Alyssa uncover the Guardians' drug-fueled scheme to fund their fight for true autonomy--a scheme involving the Vipers--Rémi must choose between loyalty to family and tribe or his growing love for Alyssa. Can Rémi and Alyssa leave everything behind--even their very identities--for a future together?"--Page 4 of cover.

Featuring a new introduction by Caldecott Medalist Jerry Pinkney, this much-beloved classic has been carefully restored for a new generation. One of TIME's 100 Best Children's Books of All Time! My House goes walking every day... and rain makes applesauce. Oh, you're just talking silly talk! So begins this award-winning collection of nonsense verse and images. A story-hour favorite since it was first published in 1964, this beloved read-aloud has been carefully remastered to bring back the rich, vivid details of its Caldecott Honor-winning artwork. Featuring an introduction by Caldecott Medalist Jerry Pinkney, Rain Makes Applesauce is popular both as a bedtime story and as a go-to title for elementary teachers of creative writing. Created by the unique team of legendary NASA publicist Julian Scheer and illustration master Marvin Bileck, this influential picture book has inspired artists and writers, as well as young children creating their own nonsense stories, for more than 50 years.

Life In New York

Laura Pedersen, author of bestseller Play Money and award-winning Buffalo Gal, serves up a hilarious memoir about three decades of city life. Originally from Buffalo, NY, friends thought the seventeen year old was suffering from blizzard delirious when she left Buffalo for Manhattan. Pedersen experiences her adopted city in the best and worst of times while becoming the youngest person to have a seat on the stock exchange, performing stand up comedy, and writing a column in the New York Times. Neighborhoods that feature chai bars, Pilates studios, and Gymboree were once drug dens, ganglands, and shantytowns. A trip to Central park often ended in central booking, identifying a perp in a lineup. New Yorkers are as diverse as the city they so colorfully inhabit, cautious but generous, brash but welcoming. Both are captured through the comedic eye of Pedersen. Enjoy an uproarious romp down memory lane as the city emerges as the modern metropolis we know today.

Dangerous Surrender

A cold-blooded killer wants her dead. After her friend is murdered right before her eyes, Taylor uses her wits to escape with just a bullet wound, thankful to be alive. But now the killer isn't the only one after her—the cops are, too, and Taylor's not sure she can trust them—or anybody else in her life in California. She decides to turn to her old friend in Vegas, racing there with just the clothes on her back, only to arrive and realize he's off on his honeymoon. Desperate, she breaks in and crashes. A former Marine is determined to protect her. When former Marine Roman MacNeil finds a gorgeous stranger unconscious and bleeding in his friend's shower, his first thought is to help her . . . until she tries to knock him out with a vodka bottle. Lucky for Taylor, Roman isn't a man who goes down easily. When he realizes the trouble she's in, he's determined to protect her—whatever it takes. As they're thrust into a deadly situation they discover an attraction they never bargained for. But a determined killer is closing in, and time may be running out. The Last Thing He Told Me

In the days when hunger could be cultivated and practiced as an art form, the individuals who practiced it were often put on show for all to see. One man who was so devout in his pursuit of hunger pushed against the boundaries set by the circus that housed him and strived to go longer than forty days without food. As interest in his art began to fade, he pushed the boundaries even further. In this short story about one man's plight to prove his worth, Franz Kafka illustrates the themes of self-hatred, dedication, and spiritual yearning. As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the amazing works of long dead and truly talented authors.

"Funny, tender, edgy. I wanted the love story to go on forever."—Joan Johnston, bestselling author of *No Longer a Stranger* Written in the wonderfully honest, edgy, and hilarious voice she perfected in *God-Shaped Hole*, Tiffanie DeBartolo shines in a passionate new story of music, love, and sacrifice. Eliza Caelum, a young music journalist, is finally getting her footing in New York when she meets Paul Hudson, a talented songwriter and lead singer of the band Bananafish. They soon realize they share more than a reverence for rock music and plunge headlong into love. When Bananafish is signed by a big corporate label, and Paul is on his way to becoming a major rock star, Eliza's past forces her to make a heartbreaking decision that might be the key to Paul's sudden disappearance. A layered and emotional look into the world of music, this raw summer read will resonate with readers who loved *Daisy Jones & the Six* by Taylor Jenkins Reid. Praise for Tiffanie DeBartolo's *God-Shaped Hole*: "From highs to heartbreak, DeBartolo conjures an affair to remember."—People "Honest, raw, and engaging."—Booklist "This generation's Love Story."—Kirkus Reviews

What Happens in Scotland

From a rare map of yellow fever in eighteenth-century New York, to Charles Booth's famous maps of poverty in nineteenth-century London, an Italian racial zoning map of early twentieth-century Asmara, to a map of wealth disparities in the banlieues of twenty-first-century Paris, Mapping Society traces the evolution of social cartography over the past two centuries. In this richly illustrated book, Laura Vaughan examines maps of ethnic or religious difference, poverty, and health inequalities, demonstrating how they not only serve as historical records of social enquiry, but also constitute inscriptions of social patterns that have been etched deeply on the surface of cities. The book covers themes such as the use of visual rhetoric to change public opinion, the evolution of sociology as an academic practice, changing attitudes to physical disorder, and the complexity of segregation as an urban phenomenon. While the focus is on historical maps, the narrative carries the discussion of the spatial dimensions of social cartography forward to the present day, showing how disciplines such as public health, crime science, and urban planning, chart spatial data in their current practice. Containing examples of space syntax analysis alongside full colour maps and photographs, this volume will appeal to all those interested in the long-term forces that shape how people live in cities.

How to Kill a Rock Star

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Queen of the Sea

Her car disabled during a tropical storm, Jessica Randall discovers the isolated house where she's sheltering is a private bondage club. At first shocked, she soon becomes aroused watching the interactions between the Doms and their subs. But she's a professional woman—an accountant—and surely isn't a submissive . . . is she? Master Z hasn't been so attracted to a woman in years. But the little sub who has wandered into his club intrigues him. She's intelligent. Reserved. Conservative. After he discovers her interest in BDSM, he can't resist tying her up and unleashing the passion she hides within.

Wicked Beat

The second tantalizing novel in Tara Sue Me's New York Times bestselling *Submissive* series... Nathaniel West doesn't lose control. As the playboy CEO of West Industries, he governs the boardroom during the day; as a strict dominant with exacting rules, he commands the bedroom at night. He never takes on inexperienced submissives, but when Abigail King's application comes across his desk,

he breaks his own restrictions and decides to test her limits. Abby's combination of innocence and willingness is intoxicating, and Nathaniel is soon determined to collar her as his own. As long as she follows his orders and surrenders herself fully to him, no one will get hurt. But when Nathaniel begins falling for Abby on a deeper level, he realizes that the trust must go both ways—and he has secrets which could bring the foundations of their entire relationship crashing down...

'Freeman's pleasure in the food of literature ... is infectious. The Reading Cure will speak to anyone who has ever felt pain and found solace in a book' Bee Wilson At the age of fourteen, Laura Freeman was diagnosed with anorexia. But even when recovery seemed impossible, the one appetite she never lost was her love of reading. Slowly, book by book, Laura re-discovered how to enjoy food - and life - through literature.

The Dominant

In this enticing read from New York Times bestselling author Tara Sue Me's Submissive Series, the submissive and her dominant explore just how long they can make the pleasure last... It started with a hidden desire. Millionaire CEO Nathaniel West has always played by his own strict set of rules, ones he expects everyone to follow—especially the women he's dominated in his bedroom. But his newest lover is breaking down all his boundaries and rewriting his rule book. Abby King never imagined that she would capture the heart of Nathaniel West, one of New York City's most eligible bachelors—and its most desirable dominant. What began as a weekend arrangement of pleasure has become a passionate romance with a man who knows every inch of her body and her soul—yet remains an enigmatic lover. Though he is tender and caring, his painful past remains a wall between them. Abby knows the only way to truly earn his trust is to submit to him fully and let go of all of her lingering inhibitions. Because to lead Nathaniel on a path to greater intimacy, she must first let him deeper into her world than anyone has ever gone before...

The Reading Cure

Every cell in my body is filled with the code of generations of trauma, of death, of birth, of migration, of history that I cannot understand. . . . I want to have words for what my bones know. By the age of thirty, Stephanie Foo was successful on paper: she had her dream job as an award-winning radio producer at This American Life and a loving boyfriend. But behind her office door, she was having panic attacks and sobbing at her desk every morning. After years of questioning what was wrong with herself, she was diagnosed with complex PTSD - a condition that occurs when trauma happens continuously, over the course of years. Both of Foo's parents abandoned her when she was a teenager, after years of physical and verbal abuse and neglect. She thought she'd moved on, but her new diagnosis illuminated the way her past continued to threaten her health, relationships, and career. She found limited resources to help her, so Foo set out to heal herself, and to map her experiences onto the scarce literature about C-PTSD. In this deeply personal and thoroughly researched account, Foo interviews scientists and psychologists and tries a variety of innovative therapies. She returns to her hometown in California to investigate the effects of immigrant trauma on the community, and she uncovers family secrets in the country of her birth, Malaysia, to learn how trauma can be inherited through generations. Ultimately, she discovers that you don't move on from trauma - but you can learn to move with it. Powerful, enlightening and hopeful, What My Bones Know is a brave narrative that reckons with the hold of the past over the present, the mind over the body - and examines one woman's ability to reclaim agency from her trauma.

The Training

"The Unraveling of Cassidy Holmes is a page-turning peek inside the glamour and brutality of life as a pop star. Sloan takes us on a wild ride through the world of music video shoots, expensive hotels, and arena tours—showing us the darkness that threatens just below the surface." —Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones and The Six "I didn't know I was waiting for a smart, literary writer to craft a novel about the rise and fall of a teen star akin to Britney Spears until I discovered The Unraveling of Cassidy Holmes. A witty, bright, hilarious—and at times devastating—read. I loved it." —Amanda Eyre Ward, New York Times bestselling author of The Jetsetters Cassidy Holmes isn't just a celebrity. She is "Sassy Gloss," the fourth member of the hottest pop group America has ever seen. Hotter than Britney dancing with a snake, hotter than Christina getting dirty, Gloss was the pop act that everyone idolized. Fans couldn't get enough of them, their music, and the drama that followed

them like moths to a flame—until the group's sudden implosion in 2002. And at the center of it all was Sassy Cassidy, the Texan with a signature smirk that had everyone falling for her. But now she's dead. Suicide. The world is reeling from this unexpected news, but no one is more shocked than the three remaining Glossies. Fifteen years ago, Rose, Merry, and Yumi had been the closest to Cassidy, and this loss is hitting them hard. Before the group split, they each had a special bond with Cassidy—truths they told, secrets they shared. But after years apart, each of them is wondering: what could they have done? Told in multiple perspectives—including Cassidy herself—and different timelines, this is a behind-the-scenes look into the rise and fall of a pop icon, and a penetrating examination of the dark side of celebrity and the industry that profits from it.

What My Bones Know

Sixteen-year-old Lucy Szabo is Undead -- at least according to her own theories about vampirism. Lucy believes that the first vampires -- with their pale skin, long teeth, and uncontrollable thirst -- were dying diabetics. And she should know. She's a diabetic herself. When Lucy becomes involved with Draco -- a self-proclaimed "real" vampire she meets in the Transylvania Internet chat room -- her world begins crashing down around her. Caught up in late-night parties and Goth culture, she begins to lose control of her grades, relationships, and health. Lucy realizes she needs to make some important choices, and fast. But it may already be too late.

Sweetblood

Winner of the International Lannan Literary Award for Nonfiction *Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patterns) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In The Spell of the Sensuous David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which--even at its most abstract--echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.*

Living Alone

In the spirit of Oliver Sacks and the inspiration for the NBC drama *New Amsterdam*, this intensely involving memoir from a Medical Director of Bellevue Hospital looks poignantly at patients' lives and highlights the complex mind-body connection. Using the plights of twelve very different patients--from dignitaries at the nearby UN, to supermax prisoners at Riker's Island, to illegal immigrants, and Wall Street tycoons--Dr. Eric Manheimer "offers far more than remarkable medical dramas: he blends each patient's personal experiences with their social implications" (*Publishers Weekly*). Manheimer is not only the medical director of the country's oldest public hospital, but he is also a patient. As the book unfolds, the narrator is diagnosed with cancer, and he is forced to wrestle with the end of his own life even as he struggles to save the lives of others.

The Spell of the Sensuous

What would you do to save someone you love? In a world where layers of magic create worlds on top of our own, a girl desperately searches for a cure for death. From the hallowed halls of the magic world's most elite institution to the criminal underworld seething beneath it--where art comes alive and unimaginable power waits to be claimed--Ren will find the answer to who and what she is.

The Awakening of Ren Crown

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of “friend” gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

A Taxonomy of Love

“Elegant, propulsive, and utterly unputdownable... The work of one of our most talented thriller writers at the very top of her game.” —Lisa Unger, New York Times bestselling author of Confessions on the 7:45 Fast-paced and brilliantly unpredictable, J.T. Ellison's breathtaking novel invites you to a wedding none will forget—and some won't survive. Jutting from sparkling turquoise waters off the Italian coast, Isle Isola is an idyllic setting for a wedding. In the majestic cliff-top villa owned by the wealthy Compton family, up-and-coming artist Claire Hunter will marry handsome, charming Jack Compton, surrounded by close family, intimate friends...and a host of dark secrets. From the moment Claire sets foot on the island, something seems amiss. Skeletal remains have just been found. There are other, newer disturbances, too. Menacing texts. A ruined wedding dress. And one troubling shadow hanging over Claire's otherwise blissful relationship—the strange mystery surrounding Jack's first wife. Then a raging storm descends, the power goes out—and the real terror begins... Don't miss J.T. Ellison's next thriller, IT'S ONE OF US, coming February 2023!

Berlin Childhood Around 1900

In Miel Moreland's heartfelt young adult debut, It Goes Like This, four queer teens realize that sometimes you have to risk hitting repeat on heartbreak. Eva, Celeste, Gina, and Steph used to think their friendship was unbreakable. After all, they've been though a lot together, including the astronomical rise of Moonlight Overthrow, the world-famous queer pop band they formed in middle school, never expecting to headline anything bigger than the county fair. But after a sudden falling out leads to the dissolution of the teens' band, their friendship, and Eva and Celeste's starry-eyed romance, nothing is the same. Gina and Celeste step further into the spotlight, Steph disappears completely, and Eva, heartbroken, takes refuge as a songwriter and secret online fangirl...of her own band. That is, until a storm devastates their hometown, bringing the four ex-best-friends back together. As they prepare for one last show, they'll discover whether growing up always means growing apart. "It Goes Like

This was everything my music nerd heart needed AND wanted. Lyrical and heart-wrenching...beautiful representation, sweetest longing and the pop-star romance of my dreams; Swifties will swoon happily with this story tattooed on their hearts." —Erin Hahn, author of *You'd Be Mine* and *More Than Maybe*

Her Dark Lies

While staying with her aunt at a fashionable spa, Else receives an unexpected telegram from her mother, begging her to save her father from debtor's jail. The only way out, it seems, is to approach an elderly acquaintance in order to borrow money from him. Through this telegram, Else is forced into the reality of a world entirely at odds with her romantic imagination - with horrific consequences.

It Goes Like This

The classic children's story about a young boy, his toy castle, and a magical adventure that reveals the true meaning of courage When his beloved caretaker Mrs. Phillips tells him she's leaving, William is devastated. Not even her farewell gift of a model medieval castle helps him feel better—though he has to admit it's fascinating. From the working drawbridge and portcullis to the fully-furnished rooms, it's perfect in every detail. It almost seems magical. And when William looks at the silver knight, the tiny figure comes to life in his hand—and tells him a tale of a wicked sorcerer, a vicious dragon, and a kingdom in need of a hero. Hoping the castle's magic will help him find a way to make his friend stay, William embarks on a daring quest with Sir Simon, the Silver Knight—but he will have to face his own doubts and regrets if he's going to succeed. William's story continues in *The Battle for the Castle*, available as a redesigned companion edition. An IRA-CBC Children's Choice A California Young Reader Medal Winner A Dorothy Canfield Fisher Children's Book Award Winner Nominated for 23 State Book Awards

Fräulein Else

The Stanislaski dynasty lives on as the next generation looks for love Waiting for Nick Frederica Kimball has had a crush on Nicholas LeBeck since they were kids. Once a reckless teenager, Nick has cleaned up his act and is now one of the most sought-after composers on Broadway. So when Freddie is offered the opportunity to work on a musical with Nick, she wastes no time. She moves to New York City to be closer to Nick...and to be independent for once. Freddie is tired of being looked at like a helpless child and determined to prove she's not a little girl anymore. If only Nick would see things that way, too... Considering Kate Kate Stanislaski Kimball is ready for change. After years in the spotlight, Kate retires from her job as a prima ballerina and decides to open a dance studio in her small hometown. She finally owns the historic building she admired as a kid but needs help fixing it up--which comes in the form of handsome contractor Brody O'Connell. Kate is attracted to Brody the first time she sees him, though Brody insists he's not interested. But no matter how professional Brody tries to keep their relationship, there's no denying the connection he feels with Kate.

The Castle in the Attic

NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your hand.”—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn’t hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn’t happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames’s boss and lover, Katrina, reveals that she’s pregnant with his baby—and that she’s not sure whether she wants to keep it—Ames wonders if this is the chance he’s been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional,

messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel.

A Forever Kind of Love

Bestselling author Suzanne Selfors brings heart and humor to this middle grade novel about a group of misfits who find true friendship where they least expect it. Five misfits. One magical wish. Leilani dreams of being friends with the most popular girls in her class—the Haileys—who are always throwing awesome themed sleepovers. She devises a master plan: throw her own sleepover of the century and invite them! When Tutu, her grandmother, accidentally mails Leilani's invitations to the DO NOT INVITE list, the best sleepover in the history of the world becomes the worst. Instead of the Haileys, the only guests are the three kids Leilani definitely did not want to show up: the neighbor who never speaks, the girl who draws mean pictures of her, and her farting older cousin. At least her best friend August will be there. Leilani and her guests decide to make Tutu's recipe for Sleepover Soup, which requires each of them to collect one ingredient that has significant meaning in their lives. They embark on a scavenger hunt that reveals unexpected surprises. What Leilani finds is not what she wanted, but it might just be even better. An Imprint Book "Big-hearted, fast-paced, and funny." —Kim Baker, author of Pickle "Equal parts heartbreaking, hopeful and hilarious. It's impossible not to cheer for these unlikely heroes" —Sara Nickerson, author of The Secrets of Blueberries, Brothers, Moose & Me "Anyone who's ever felt different from the crowd will relish this story of kids who find the magic of being their own unique selves—together." —Sundee T. Frazier, author of the Coretta Scott King Award-winner Brendan Buckley's Universe and Everything In It and the Cleo Edison Oliver series "Huzzah for Suzanne Selfors! By turns humorous and poignant, this terrific book was impossible to put down." —Suzanne Williams, coauthor of the Goddess

No Longer Human

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage.

The Things We Leave Unfinished

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

The Football Girl

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

Love, Lucas

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can

she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Heir to the Sky

"As heir to a kingdom of floating continents, Kali has spent her life bound by limits: by her duties as a member of the royal family, by a forced betrothal to the son of a nobleman, and by the edge of the only world she's ever known a small island hovering above a monster-ridden earth, long since uninhabited by humans. When Kali falls off the edge of her kingdom and miraculously survives, she is shocked to discover there are still humans on the earth. Determined to get home, Kali entrusts a rugged monster-hunter named Griffin to guide her across a world overrun by chimera, storm dragons, basilisks and other terrifying creatures. But the more time she spends on earth, the more dark truths she begins to uncover about her home in the sky, and the more resolute she is to start burning for herself."--Page [4] of cover.

Daughters of the Witching Hill

From the author of *The Dark Lady*, a novel of England's trial of the Pendle witches of 1612 and a family struggling to survive the hysteria. Bess Southern, an impoverished widow living in Pendle Forest, is haunted by visions and gains a reputation as a cunning woman. Drawing on the Catholic folk magic of her youth, Bess heals the sick and foretells the future. As she ages, she instructs her granddaughter, Alizon, in her craft, as well as her best friend, who ultimately turns to dark magic. When a peddler suffers a stroke after exchanging harsh words with Alizon, a local magistrate, eager to make his name as a witch finder, plays neighbors and family members against one another until suspicion and paranoia reach frenzied heights. This e-book includes a sample chapter of *Illuminations*. "Daughters of the Witching Hill offers a fresh approach with witches who believe in their own power and yet, in many ways, are still innocent. Sharratt's readers—like the magistrate who took the women's confessions—are likely to be spellbound by their stories."—*San Francisco Chronicle* "Full of the reality of the day, this story is stark and real, but Sharratt's descriptions of landscape and the daily life of the poor at the time are rich enough to feed the senses. The author weaves this vast canvas of changing culture into the personal stories of these women, and in the process transports us to a distant land, a distant time—and deep into the story of people we sympathize with and care about."—*Minneapolis Star-Tribune*

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty

system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

A Taxonomy of Love

The Unhoneymooners meets The Hating Game in this breezy debut romantic comedy about life--and love--30,000 feet above the ground. After ten years as a flight attendant, Ava Greene is poised to hang up her wings and finally put down roots. She's got one trip left before she bids her old life farewell, and she plans to enjoy every second of it. But then she discovers that former pilot Jack Stone--the absurdly gorgeous, ridiculously cocky man she's held a secret grudge against for years--is on her flight. And he has the nerve to flirt with her, as if he doesn't remember the role he played in the most humiliating night of her life. Good thing she never has to see him again after they land.... But when their plane encounters mechanical problems, what should have been a quick stop at the Belize airport suddenly becomes a weekend layover. Getting stuck on a three-hour flight with her nemesis was bad enough. Being stranded with him at a luxury resort in paradise? Even with the sultry breeze and white sand to distract her, it will take all the rum punch in the country to drown out his larger-than-life presence. Yet the more time Ava spends with him under the hot Caribbean sun, the more she begins to second-guess everything she thought she knew about him...and everything she thought she wanted from her life. And all too soon, she might have to choose between keeping her feet on the ground and her head in the clouds....

The Layover

When Miranda Sun returns to Marin on the eve of her eighteenth birthday, this time of her own free will, she quickly learns that her worst fears have been realised. The glittering underwater city is not as she had left it, nor too is Marko, the young king who has dominated her thoughts and heart for the last twelve months since leaving Marin. Miranda, however, has not made the journey to Marin alone, and now must contend with not only Marko's evil brother Damir but more surprisingly her sister Lauren who has an agenda of her own. The Intern (The Intern, #1)

William Faulkner occupied a unique position as a modern writer. Although famous for his modernist novels and their notorious difficulty, he also wrote extensively for the "culture industry," and the works he produced for it—including short stories, adaptations, and screenplays—bore many of the hallmarks of consumer art. His experiences as a Hollywood screenwriter influenced him in a number of ways, many of them negative, while the films turned out by the "dream factories" in which he labored sporadically inspired both his interest and his contempt. Faulkner also disparaged the popular magazines—though

he frequently sold short stories to them. To what extent was Faulkner's deeply ambivalent relationship to—and involvement with—American popular culture reflected in his modernist or "art" fiction? Peter Lurie finds convincing evidence that Faulkner was keenly aware of commercial culture and adapted its formulae, strategies, and in particular, its visual techniques into the language of his novels of the 1930s. Lurie contends that Faulkner's modernism can be best understood in light of his reaction to the popular culture of his day. Using Theodor Adorno's theory about modern cultural production as a framework, Lurie's close readings of *Sanctuary*, *Light in August*, *Absalom! Absalom!*, and *If I Forget Thee, Jerusalem* uncover the cultural history that surrounded and influenced the development of Faulkner's art. Lurie is particularly interested in the influence of cinema on Faulkner's fiction and especially the visual strategies he both deployed and critiqued. These include the suggestion of cinematic viewing on the part of readers and of characters in each of the novels; the collective and individual acts of voyeurism in *Sanctuary* and *Light in August*; the exposing in *Absalom! Absalom!* and *Light in August* of stereotypical and cinematic patterns of thought about history and race; and the evocation of popular forms like melodrama and the movie screen in *If I Forget Thee, Jerusalem*. Offering innovative readings of these canonical works, this study sheds new light on Faulkner's uniquely American modernism.

Vision's Immanence

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

The Girl Who Wrote in Silk

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Girl Last Seen

Debutante Alice Knight has a plan: have her first social Season in London, meet her husband, and marry him. As the Season begins, Alice's feelings and common sense both begin to undermine her goals. But she must stick to her plan - and everyone, including God, had best stay out of it. The plan looks even less appealing when a childhood friend reappears, an American author shows her a different kind of faith, and a charming gentleman is not all he should be. The Conspiracy of Us

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

The Never Hero

In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

9 Days and 9 Nights

From New York Times bestselling author Donna Grant comes another gripping story in her Reaper series featuring a brotherhood of elite assassins who wage war on the Fae at Death's behest—and the women who dare to love them. There is no escaping a Reaper. They are elite assassins, part of a brotherhood that only answers to Death. And when Death says a Fae's time is up, they are who she sends... The Fae Others think they have me in their grip, but little do they know that I'm working as a double agent. My alliance now lies with the Reapers and Death, and it is my mission and duty to destroy the malignant organization before their rot spreads. Unfortunately, a surprise splits my focus—a more than welcome one. I never thought to reunite with my lost true love. And now that I have, I must find a way to shelter her from the evil Six and convince my new friends that she's not a threat. Admittedly, there is some doubt. How can there not be? But I trust her. And I haven't seen her, held her, kissed her for centuries. I loved her then, will love her always, and will do whatever it takes to keep her by my side for as long as we have. Her cunning and courage hold me captive, and our passion knows no bounds. If only the timing were better—and the world safer.

Marie and Laurent, a young, affluent couple, have settled into their large Paris apartment and decide to start trying for a baby. This picture-perfect existence is shattered when Marie is assaulted by her new boss. Deeply shaken by the attack, she discovers she is pregnant, and is convinced her rapist is the father. Marie closes herself off in a destructive silence, ultimately leading her to commit an irreparable act. In a first novel of extraordinary power and depth, Inès Bayard exposes disturbing truths about how society sees women and how women see themselves in turn.

This Little Family

#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most

closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

A Shadow in the Ember

Three wonderful holiday romances by three of America's bestselling authors, including John Green - author of the multi-million bestseller *The Fault in Our Stars*. An ill-timed storm on Christmas Eve buries the residents of Gracetown under multiple feet of snow and causes quite a bit of chaos. One brave soul ventures out into the storm from her stranded train and sets off a chain of events that will change quite a few lives. Over the next three days one girl takes a risky shortcut with an adorable stranger, three friends set out to win a race to the Waffle House (and the hash brown spoils), and the fate of a teacup pig falls into the hands of a lovesick barista. A trio of today's bestselling authors - John Green, Maureen Johnson, and Lauren Myracle - brings all the magic of holidays to life in three hilarious and charming interconnected tales of love, romance, and kisses that will steal your breath away. 'A comedy as DELICIOUS as any whipped up by the Bard.' - Washington Post Book World

Let It Snow

Sydney Taylor Award-winning novel *Berlin Boxing Club* is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.
