Le aventure di Philo Vance

A murder in the mountains is the latest case for the Manhattan detective famed for his "highbrow manner and parade of encyclopedic learning" (The New York Times). Wealthy and worldly-wise detective Philo Vance has been asked to keep watch at a house party in the snowy Berkshires of western Massachusetts, where he encounters an assortment of guests ranging from a treasure hunter to a race car driver. The owner of the house doesn't quite trust his son's friends—and is worried about the security of his precious emeralds. Sure enough, a guard is soon killed, the jewels are stolen, and then another guest dies, leaving Vance to make some cold calculations about who turned this gathering from festive to fatal . . . "Mr. Van Dine's amateur detective is the most gentlemanly, and probably the most scholarly snooper in literature." —Chicago Daily Tribune "The best of the American mystery men." —The Globe

The Winter Murder Case

Quando il procuratore distrettuale Markham invita Philo Vance a trascorrere con lui un periodo di vacanza nella splendida tenuta del vecchio Carrington Raxon, Vance sospetta subito che quello sia un invito interessato: forse il vecchio Raxon si trova in una situazione difficile, e desidera avere presso di sé un buon investigatore. Vance non s'inganna: come Markham sa bene, la splendida collezione di smeraldi di Raxon è in grave pericolo... Naturalmente Vance accetta l'invito, e presto si trova a dover risolvere uno dei casi più intricati della sua lunga carriera. È questo l'ultimo romanzo scritto da Van Dine, ed è considerato uno dei più impeccabili. S.S. Van Dine pseudonimo di Willard Huntington Wright, nacque a Charlottesville (Virginia), nel 1888. Studiò in California e si specializzò all'Università di Harvard. Fu poi a Monaco e a Parigi per studiare arte. Nel 1907 iniziò l'attività di critico letterario e d'arte. Nel 1925 cominciò a scrivere romanzi polizieschi ed ebbe subito un successo straordinario. Il creatore del detective Philo Vance morì a New York nel 1939.

Le nuove avventure di Philo Vance

"The Winter Murder Case" by Willard Huntington Wright. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Altre avventure di Philo Vance

Il procuratore distrettuale Markham invita Philo Vance a trascorrere con lui un periodo di vacanza nella splendida tenuta del vecchio Raxon. La splendida collezione di smeraldi di Raxon è in grave pericolo. Vance presto si trova a dover risolvere uno dei casi più intricati della sua lunga carriera. È questo l'ultimo romanzo scritto da Van Dine.

L'ultima avventura di Philo Vance

The detective story is a kind of intellectual game. It is more-it is a sporting event. And the author must play fair with the reader. He can no more resort to trickeries and deceptions and still retain his honesty than if he cheated in a bridge game. He must outwit the reader, and hold the reader's interest, through sheer ingenuity. For the writing of detective stories there are very definite laws-unwritten, perhaps, but none the less binding: and every respectable and self-respecting concocter of literary mysteries lives up to them. American art critic Willard Huntington Wright, under the pseudonym of Dine when he wrote detective novels, was an important figure in avant-garde cultural circles in pre-WWI New York, and under the pseudonym (which he originally used to conceal his identity) he created the once immensely popular fictional detective Philo Vance, a sleuth and aesthete who first appeared in books in the 1920s, then in movies and on the radio.

The Winter Murder Case

The detective story is a kind of intellectual game. It is more-it is a sporting event. And the author must play fair with the reader. He can no more resort to trickeries and deceptions and still retain his honesty than if he cheated in a bridge game. He must outwit the reader, and hold the reader's interest, through sheer ingenuity. For the writing of detective stories there are very definite laws-unwritten, perhaps, but none the less binding: and every respectable and self-respecting concocter of literary mysteries lives up to them. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

He must outwit the reader, and hold the reader's interest, through sheer ingenuity. For the writing of detective stories there are very definite laws--unwritten, perhaps, but none the less binding: and every respectable and self-respecting concocter of literary mysteries lives up to them.

The Winter Murder Case

Carrington Rexton is a bit nervous. His son Richard has just returned from medical studies in Europe and there's a house party going on to hail the conquering hero...so to speak. So, what's making Papa Rexton nervous? Well...he doesn't quite get these young folks and there's a fellow that Richard has brought back with him who seems a bit suspicious. And...oh yeah...Rexton has a bunch of

sparkly emeralds and a rare necklace that aren't exactly as secure as they ought to be. Rexton arranges (through District Attorney Markham) to have his old friend Philo Vance on the premises to look everything (and everybody) over and see if his fears are groundless. Vance meets the guests and inhabitants of the Rexton manor--from son of the house and the invalid daughter Joan to Ella Gunther, companion to Joan and a secret ice skating star; from Carlotta Naesmith, society girl and Richard's intended--at least intended by Papa Rexton--to Stanley Sydes, man about town and avid treasure-hunter. in ideal surroundings--winter sports, pleasing company, and a veritable mansion in which to relax? I have just such an invitation for you, Vance."

The Winter Murder Case

Philo Vance entra in scena quando il playboy Kaspar Kenting scompare dalla splendida casa di Manhattan della sua famiglia. Una finestra aperta, una scala, una richiesta di riscatto... tutti gli indizi sembrano indicare che si tratta di un caso di rapimento: solo l'astuzia di Vance riuscirà a risolvere la situazione, e a salvare la vittima predestinata. S.S. Van Dine pseudonimo di Willard Huntington Wright, nacque a Charlottesville (Virginia), nel 1888. Studiò in California e si specializzò all'Università di Harvard. Fu poi a Monaco e a Parigi per studiare arte. Nel 1907 iniziò l'attività di critico letterario e d'arte. Nel 1925 cominciò a scrivere romanzi polizieschi ed ebbe subito un successo straordinario. Il creatore del detective Philo Vance morì a New York nel 1939.

The Winter Murder Case

"Brutto affare: la gente si fa ammazzare! Ma è inevitabile. Il genere umano è maledettamente assetato di sangue".

Gli inediti

Viene trovato ucciso Philip Allen, un lavapiatti del caffè Domdaniel. Cosa si nasconde dietro la sua misteriosa e crudele morte? Toccherà al brillante investigatore Philo Vance utilizzare al meglio l'aiuto fornito dall'ingenua Gracie Allen, sorella di Philip, e mettere insieme i pezzi del complicato mosaico.

The Winter Murder Case

Le indagini dell'investigatore Philo Vance Philo Vance, l'investigatore creato da Van Dine, è senz'altro il più raffinato tra quelli che videro la luce negli anni Venti. Colto e affascinante, ha una sola, grande passione: l'arte. Possiede una collezione, nel suo appartamento sulla Trentottesima Est a New York, pieno di esemplari di arte orientale e occidentale. La sua figura aitante è impreziosita da un accessorio, il monocolo, che non è un semplice capriccio un po' snob: gli serve per lavorare, per osservare tutti i possibili particolari di una "scena del crimine". A Vance, il giornalista Van Dine arrivò costretto da una malattia che lo obbligò al riposo assoluto, durante il quale naturalmente non fece altro che leggere, appassionandosi soprattutto ai polizieschi, da Poe a Conan Doyle a Leblanc. Alla fine era diventato un esperto, un "teorico" del giallo: a lui si deve infatti il famoso canone delle Venti regole per il delitto d'autore apparso nel 1928 su «American Magazine» («1. Il lettore deve avere le stesse possibilità di risolvere il mistero che ha l'investigatore. Ogni indizio e ogni traccia debbono essere accuratamente descritti e annotati; 2. Il lettore non deve essere oggetto di trucchi e raggiri diversi da quelli che il criminale usa legittimamente nei riguardi dell'investigatore...» e via dicendo). Poi decise di buttarsi e si mise a scrivere di uno strano omicidio avvenuto a Wall Street risolto da un detective con il monocolo. Philo Vance piacque subito, e visto il grande successo del primo libro, Van Dine ne scrisse altri undici, fino alla morte, giunta al termine di una vita tormentata ma da nababbo: grazie all'amico Vance, aveva conquistato fama e dollari a milioni. S.S. Van Dine pseudonimo di Willard Huntington Wright, nacque a Charlottesville (Virginia), nel 1888. Studiò in California e si specializzò all'Università di Harvard. Fu poi a Monaco e a Parigi per studiare arte. Nel 1907 iniziò l'attività di critico letterario e d'arte. Nel 1925 cominciò a scrivere romanzi polizieschi ed ebbe subito un successo straordinario. Il creatore del detective Philo Vance morì a New York nel 1939.

The Winter Murder Case

"A parte il brutale omicidio, quel pomeriggio rimase nella mia memoria perché segnò il primo episodio sentimentale della vita di Vance che io abbia mai visto..."

The Winter Murder Case

“Perché diavolo non hanno scelto qualcun'altra, al posto della Canarina, per le loro luride faccende? Ma no: loro dovevano proprio scegliere la regina di Saba!”

Sequestro di persona

La sontuosa dimora che si erge all'estremità orientale della 53rd Street di Manhattan appartiene ai Greene, una delle più importanti famiglie della città. In base alle disposizioni testamentarie del vecchio Tobias, il patriarca deceduto da una dozzina d'anni, tutti i membri della famiglia devono restare sotto quello stesso tetto per almeno venticinque anni dopo la sua morte, pena la perdita dell'eredità. Così nel palazzo vivono ancora la vedova, costretta su una sedia a rotelle, e i cinque figli: Julia, Chester, Sybella, Rex e la giovane Ada, l'unica a essere stata adottata. La storia inizia all'indomani di una notte drammatica in cui un ladro è penetrato nella casa e, forse preso dal panico, ha sparato a due delle sorelle. Julia, la più grande, è stata uccisa, mentre Ada ha riportato una brutta ferita. Ma la tesi del tentativo di furto finito in tragedia non convince Philo Vance, il raffinato investigatore, che ha notato una stranezza: perché il ladro, anziché rubare gli argenti esposti nella sala al pianterreno, è salito di sopra e ha fatto fuoco sulle due donne? Proponendo una nuova ricostruzione dei fatti, Vance riuscirà a dimostrare che si tratta di omicidio intenzionale e a individuare il colpevole. Con *La fine dei Greene* (1928) Van Dine supera se stesso ideando uno dei più ingegnosi delitti della storia del giallo.

Una rivista, una vita

• Il candore di Padre Brown • La saggezza di Padre Brown • L'incredulità di Padre Brown • Il segreto di Padre Brown • Lo scandalo di Padre Brown
Introduzione di Masolino d'Amico
Edizione integrale
Chi è Padre Brown? Secondo il suo inventore è «un prete che sembra ignaro di tutto e poi in realtà in fatto di delitti la sa più lunga dei criminali veri». Ciò che colpisce è innanzitutto il contrasto fra il suo aspetto di ometto mite e inerme e un contesto di delitti e violenze di ogni genere. La genialità di Chesterton nella creazione di questa fortunatissima figura di sacerdote-investigatore – già interpretato in una popolarissima serie televisiva del 1970 da Renato Rascel – consiste nella tecnica di soluzione dei casi conferita a Padre Brown: il prete, infatti, si immedesima nella mente criminale e cerca di agire, prima ancora di pensare, come il criminale. Precursore di molti detective letterari e cinematografici dei nostri tempi, Padre Brown, con il suo acume e la sua bonarietà, è il protagonista di questa raccolta che permette di centellinare, una storia dopo l'altra, il gusto della suspense, della ricerca, della scoperta. Gilbert Keith Chesterton nacque a Kensington nel 1874. Fu tra i primi grandi letterati inglesi a prendere posizione in favore del romanzo poliziesco. Si convertì dal protestantesimo al cattolicesimo diversi anni dopo aver creato Padre Brown, al quale aveva attribuito le sembianze del prete cattolico inglese John O'Connor. Morì a Londra nel 1936.

La strana morte del Sig. Benson

“Questa faccenda non è uno scherzo. È dannatamente seria, e a quanto pare causerà uno scandalo infernale.”

Il caso Gracie Allen

“È troppo fantasioso, troppo diabolico, troppo contorto. È inconcepibile, senza senso, come la magia nera, la stregoneria e la taumaturgia. È pura follia...”

Print

In casa Coe è in corso una terribile tragedia: Archer, collezionista d'arte orientale, viene trovato morto nella propria stanza ermeticamente chiusa dall'interno. Per il medico legale Emanuel Doremus non ci sono dubbi: si tratta di suicidio. Eppure non pochi, tra conoscenti, amici e servitù, nutrono dubbi in proposito. C'è qualcosa di strano, ma per fortuna Philo Vance è amico dei Coe.

Tutti i romanzi gialli

“Quando un qualsiasi pericolo minaccia la mia famiglia, il drago si leva in tutta la sua collera...”

Mistero in casa Garden

Un avvelenatore è il peggior fra tutti i criminali: non si può sapere fin dove possa arrivare...
