The Fairfield Haunting

July 1-3, 1863. Two mighty armies clash outside the small town of Gettysburg, Pennsylvania. In the aftermath, tens of thousands lay dead or wounded, many of the poor souls left abandoned on the battlefield for weeks or days. The Battle of Fairfield, a short but brutal cavalry engagement, is fought nearby. The victims are brought to the Fairfield Inn, now hastily pressed into service as a field hospital, where the surgeons ply their bloody trade. The Army of Northern Virginia then retreats through this small town southwest of Gettysburg, where Generals Robert E. Lee and Jeb Stuart also stop at the Fairfield Inn. Originally built circa 1757, the Fairfield Inn was also a stop on the Underground Railroad, used to hide runaway slaves who were fleeing to freedom in the North. Little wonder that it developed a reputation for being haunted that persists to this very day. Shadow figures and apparitions roam the hallways. Footsteps and disembodied voices disturb the sleeping guests late at night. Doors open and close of their own accord. Cold spots abound and objects are moved by invisible hands. Join author Richard Estep ("The Haunting of Asylum 49," "The World's Most Haunted Hospitals") as he and a small team of paranormal investigators move into the Fairfield Inn and work to uncover its many secrets. Accompany them on a tour of the most haunted parts of the Gettysburg Battlefield, from Devil's Den and Little Round Top to the Slaughter Pen, the Valley of Death, and finally to Pickett's Charge, where the ghosts of long-dead Civil War soldiers are said to still march, eternal spirit guardians of America's most hallowed ground.

The Farnsworth House Haunting

July, 1863. The small Pennsylvania town of Gettysburg is torn apart when two armies collide. Over the next three days, more than 50,000 men will become casualties, while the residents of Gettysburg take shelter in their cellars. On the southern edge of town, a brick house, owned by one Harvey Sweney, is taken over by Confederate skirmishers. From upstairs in the attic, snipers pour a withering hail of fire down on the Union position at Cemetery Hill. The Union soldiers fight back, peppering the south wall of the Sweney House with hundreds of bullet holes. The numbers of dead begin to mount on both

sides, until General Lee finally withdraws his forces. Now, more than 150 years later, the Sweney House has become the Farnsworth House Inn. Echoes of those bloody days still linger. Phantom boots thud across the attic floor. Apparitions and shadow figures haunt the guest rooms and prowl the hallways. Join TV's Richard Estep (Haunted Case Files, Haunted Hospitals, Paranormal 911) as he learns why the Farnsworth House is rightly regarded as one of Gettysburg's most haunted places.

Curse of the Fairfield Witch

T.J. Jackson just wants to be a normal high school kid. Unfortunately, his paranormal ability -- and the responsibility that goes with it -- won't let him. He and fellow ghost hunters Bortnick and LouAnne have made a name for themselves as reality TV stars, but now the stakes are higher. A witch from the 1600s has returned to avenge her death, and the Junior Gonzo Ghost Chasers must stop her. It sounds like great TV, but this time adventure and fame aren't what's important. This time, the fate of T.J.'s home town hangs in the balance...and the clock is ticking.

Warnings to leave pepper the comments from locals, but others gleefully urge them to stay. As the days go on, and the ghost becomes more vengeful, Amy's fear grows. She wants to leave, but with millions of eyes on his nightly YouTube updates, Dylan is certain that this will make his career. He's staying, no matter what.

The Haunting of Sharon Rectory: Our Truth, Our Horror And Heartbreak

London, 1926: Henry Twist's heavily pregnant wife leaves home to meet a friend. On the way, she is hit by a bus and killed, though miraculously the baby survives. Henry is left with nothing but his new daughter - a single father in a world without single fathers. He hurries the baby home, terrified that she'll be taken from him. Racked with guilt and fear, he stays away from prying eyes, walking her through the streets at night, under cover of darkness. But one evening, a strange man steps out of the shadows and addresses Henry by name. The man says that he has lost his memory, but that his name is Jack. Henry is both afraid of and drawn to Jack, and the more time they spend together, the more Henry sees that this man has echoes of his dead wife. His mannerisms, some things he says ... And so Henry wonders, has his wife returned to him? Has he conjured Jack himself from thin air? Or is he in the grip of a sophisticated con man? Who really sent him? Set in a postwar London where the Bright Young Things dance into dawn at garden parties hosted by generous old Monty, The Haunting of Henry Twist is a novel about the limits and potential of love and of grief. It is about the lengths we will go to hold on to what is precious to us, what we will forgive of those we love, and what we will sacrifice for the sake of our own happiness.

Haunted Long Beach 2

A ghost that haunts the human mind is the most terrifying of all. It's 1967 — the summer of love — sex, drugs and rock n' roll. Mary's sons are grown. Her husband has left her for a woman who is young, beautiful and unencumbered by children. He also left her with enough money to live comfortably in an ocean-front house on the edge of Rio Del Mar beach. It's a perfect house for parties. Mary is eager to inhale the music and freedom, the sex and altered states of consciousness that have permeated California. This might be her last chance to feel young, find love and regain her spirit. Home from college for the summer, Thomas is appalled by his mother's hippie houseguests. As he fights to put an end to Mary's decadent parties, he's forced to confront demons of his own. After witnessing a gruesome death, the summer of love grows cold and dark. Mary questions the circumstances of the death and wrestles with the ghost haunting the concrete ship. If you were there, or wish you were, you'll love the ghosts of the summer of love. Get this book for a gripping, haunting read, but don't turn out the lights.

The Ghost from the Sea

A compelling investigation into supernatural events and local lore on Vancouver Island. Vancouver Island is known worldwide for its arresting natural beauty, but those who live here know that it is also imbued with a palpable supernatural energy. Researcher Shanon Sinn found his curiosity piqued by stories of mysterious sightings on the island—ghosts, sasquatches, sea serpents—but he was disappointed in the sensational and sometimes disrespectful way they were being retold or revised. Acting on his desire to transform these stories from unsubstantiated gossip to thoroughly researched accounts, Sinn uncovered fascinating details, identified historical inconsistencies, and now retells these encounters as accurately as possible. Investigating 25 spellbinding tales that wind their way from the south end of the island to the north, Sinn explored hauntings in cities, in the forest, and on isolated logging roads. In addition to visiting castles, inns, and cemeteries, he followed the trail of spirits glimpsed on mountaintops, beaches, and water, and visited Heriot Bay Inn on Quadra Island and the Schooner Restaurant in Tofino to personally scrutinize reports of hauntings. Featuring First Nations stories from each of the three Indigenous groups who call Vancouver Island home—the Coast Salish, the Nuu-chah-nulth, and the Kwakwaka'wakw—the book includes an interview with Hereditary Chief James Swan of Ahousaht.

Parker and Claire's dream was to open a bed and breakfast on the beach in South Carolina. They stood holding their three-year-old son Mattie's hand outside a large empty house sitting high on the dunes overlooking the beach. "Perfect," Claire thought. The sale sign said four bedrooms upstairs, and two down. Nothing had been done to the house in several years, and it was in bad need of restoration to bring it up to date. However, this was not what the five resident ghosts wanted who lived in the house. They wanted their home to stay just the way it was when they were alive; and bound and determined that it would, they did everything they could think of to run the new owners out.

Howlers Beach, 1932 Butter O'Bryan lives in a Very Small Castle with his father and three aunts - Aunt Elephant, Aunt Cake and Aunt Peculiar. These aren't their real names, of course, just as Butter's father isn't really called 'Pongo'. And even though Butter is only twelve years old, and the grandson of one of Australia's most successful Jam Kings, he is very aware of the hardship many people are experiencing. Butter has been told there are ghosts at the nearby isolated Howlers Beach, but are there? And how can the children Butter plays cricket with on the beach simply vanish? Who are these children and why do they refuse his help? Butter is certain they're hiding a secret and he's determined to uncover it.

The Haunting of Vancouver Island

This fast-paced mystery is chock-full of coincidences and bizarre twists. When Colleen and Daryl get together to plan their wedding, they can't agree on anything. Colleen is at her wits' end. Best friend Katherine votes for a time-out and proposes a girls' retreat to a town named Seagull, which borders Lake Michigan and the famous Indiana dunes. Mum is adamant they stay in a rented cabin right on the beach. Against Katz's better judgment, she agrees with Mum's plan - only on one condition: she's bringing Scout and Abra, who become very upset when she's away from them. With the Siamese in tow, Katherine and Colleen head to the dunes to find that Mum's weekend retreat is far from ideal. The first night, they have a paranormal experience and learn that a ghost walks the beach when someone is going to be murdered. Meanwhile, ex-con Stevie has a date with a woman he met online. But this news doesn't prevent the town gossips from spreading a rumor that he's having an affair with a married woman. How does Abra finding a wallet lead to a mix-up with dangerous consequences? It's up to Katz and her extraordinary cats to unravel a deadly plot that ends in murder.

Legends of Long Beach Island

A Stranger on Ghost Beach By: Michelle Tangen Twelve years ago, Corey Banks lost his girlfriend and nine other classmates during their high school senior class field trip. Now a police detective in his Maine hometown, he is still haunted by his memories of Julie. When two high school girls fail to return home from a shopping trip, Corey and his partner are assigned to the case. With the anniversary of Julie's passing approaching, the disappearance weighs heavy on Corey's mind, bringing back painful

memories of that fateful day. But this new case might just hold a link to his past – and, quite possibly, the key to his future.

A Haunting at Ocean Winds

I lost my glasses in the sea. I came round shivering in a silver blanket on my way to the hospital. They took my wet clothes and stuffed them in a rubbish sack. They pushed a thermometer up my backside and said I could stay until the hypothermia was gone. A general hospital is no place for someone who tries to end his own life. You are not deserving of their care and they give you little sympathy. I tried to explain. 'I wanted to walk to Australia.' They said I needed psychiatric treatment. A tale of one man's struggle for sanity and survival. On the psychiatric ward, artist Richard is mis-diagnosed as a drug abuser and offered no treatment until he admits to a drug problem he doesn't have. This powerful book is bleak and disturbing yet tender with humour and compassion. It will captivate you from the start. It will allow you the privilege of inhabiting another person's mind. It will sadden you, frighten you, make you laugh. Most of all it will enrich you.

This collection is a companion to the middle grade graphic novel series, *Black Sand Beach*, and each story features a full-page black and white illustration.

A Stranger on Ghost Beach

For decades, the British ocean liner the *Queen Mary* sailed the seas, first as a luxurious playground for the world's rich and famous, then as transportation for thousands of soldiers who were ready to risk their lives during World War II. Today, the liner serves as a hotel in California, but there may be mysterious ghostly guests still onboard. Readers will learn about the *Queen Mary* and its phantom passengers, regaling its glory days as a liner to its time as the "Gray Ghost" of World War II. Detailed sidebars and fact boxes provide extra insight into the ship's storied history.

Haunted Beach

A revelation about how Dash may or may not have spent the summer before raises the stakes even higher in this second installment of the eerie and enthralling *Black Sand Beach* series, perfect for fans of *Gravity Falls*, *Rickety Stick*, and *Fake Blood*. Dash and his crew might have stumbled upon the source of the evil at *Black Sand Beach* when they stumbled into the abandoned and haunted lighthouse, but when Lily reveals that she found Dash's journal there, the news is anything but comforting. The book is full of Dash's reflections on his trip to *Black Sand Beach* the previous summer. Only Dash doesn't recognize the journal or have any memory of being there. As the friends read the entries aloud, through flashbacks Dash's unsettling encounter with two ghost girls, a truly terrifying monster, and a life changing event make one thing very clear: *Black Sand Beach* isn't done with them yet. Deliciously creepy and difficult to put down, *Do You Remember the Summer Before?* returns readers to a supernatural shore they'll never forget.

Black Sand Beach 1.5: Tales from Black Sand Beach

Synopsis: This book is a chilling paranormal / romance story for the lover of a ghost story that sets the mind to wondering. Could this really happen? Samantha Porter on vacation meets the ghost of Charles Mariner, a shrimp boat captain who disappeared in a violent storm at sea. Now as a wandering spirit, Charles is haunting his old seaside home that after his death, was sold, and remodeled into an inn. Samantha Porter rents a room there and wakes in the night to find the transparent figure of a man standing at the foot of her bed. When she demands to know what he wants, it's almost as if he's a puppet on a string, he's pulled away and disappears. After a few more visits, he finally speaks, and both Charles and Samantha become friends. They spend time together talking and walking the beach, her as a mortal, and Charles as a disembodied voice. They find they're falling in love but realize their love is impossible. They mourn the fact that if death hadn't taken Charles so soon, they would have made the perfect couple. About the Author: She says she didn't begin writing until she realized she was the last one in the family who still had memories of those who had passed away. Their stories would be lost forever if someone didn't capture them for the future. Saving the past began her writing career. After writing the family stories, she found she enjoyed it so much that she began to make up short stories. Then graduated to full-length books specializing in the paranormal/ romance. She writes about haunted houses, ghosts, and aliens from other worlds etc. She found she could weave a good story with a great plot that promised to keep the reader interested right up to the last page. So far, she says she hasn't run out of new book ideas.

The Ghost of Howlers Beach (Dyslexic Edition)

This is the first and only work written by a certified ghost hunter and certified paranormal investigator that documents the history and true haunts of the Daytona Beach area. Dusty Smith began researching the history of the haunts in the Daytona Beach area in 1997 after founding the Daytona Beach Paranormal Research Group, Inc. After three years of hard work and dedication, she began committing the stories to paper. As she researched, she found many local haunting tales to be true rather than mere folklore. Seeking to provide the public with the background history, the documented haunts and the photographic evidence, Smith is one of the first to create a collection that spans Daytona Beach and Volusia County.

The Queen Mary Is Haunted!

Rigby Literacy Collections Take-Home Library Upper Primary

With his cousin laid up from a broken ankle, Lee agrees to help him out and combine a beach vacation with a bit of legwork to scope out a haunted lighthouse. That his cousin agrees to pay for the vacation certainly makes a cheesy ghost tour bearable. Lee's plan is to get the work out of the way quickly, then spend the rest of his time on sun, sand, and all the blood and sex a vampire can stand. But the cute hotel clerk he picks out proves to be anything but an easy snack.
