Entertainment Weekly: 100 Greatest Entertainers

Examines the careers of the 100 greatest entertainers of all time.

Great Entertainers

Gottfried's salute to the great performers begins with an overview of 17th century commedia dell'arte and the rise of comedic performances, minstrel shows, pantomime and acrobatics. He then describes popular entertainment of the 19th and 20th centuries, including the age of vaudeville and burlesque. Going back to the days of vaudeville, the era of the Palace Theatre and the Roxy, Gottfried recaptures with photographs, the great acts of early times--the comic dialogues of Weber and Fields or Smith and Dale, lyrics made famous by Sophie Tucker or Rudy Vallee, Flo Ziegfeld's "Follies," and the feats of Harry Houdini and Doug Henning. He also covers international stars such as Maurice Chevalier and Noel Coward, and the emergence of Las Vegas and Atlantic City as nightclub cities. ISBN 0-8109-1613-4: \$49.50 (For use only in the library).

The Great Entertainers

BackStage is a raucously funny, narrative non-fiction compilation of stories, tales, and gems from the Golden Era of entertainment circa 1960 - 1980. The stories are told by the bass trombonist who played in the Tommy Dorsey band, with Frank Sinatra and later toured with Elvis' Orchestra into the Rock & Roll era and to his end. Marty Harrell was also the best friend and roommate of Frank Sinatra Jr. through their Tommy Dorsey years. The book is filled with tales of the brightest stars of the greatest era of music entertainment during the nascent days of television and new media, and provides a personal perspective of this behind the scenes character - who unknowingly bears witness to the most beloved of the era. These great little gems that have never been told before, range from when Dean Martin called the police on his own party, and when Marty stuffed a potato into the exhaust pipe of Liberace's mini-Roll Royce on live television. Another favorite is the story of when Elvis kicked a girl out of his hotel room during a Winter storm. This band member also tells stories of the raw talent that could only be appreciated up close and personal, like when Frank Sinatra sight read and sang the song "My Kind of Town Chicago is" perfectly, without ever hearing the melody, or when Elvis, on his last tour, surprised the band by sitting at the piano, and belting out the most amazing performance of "Unchained Melody" without ever rehearsing it with the band. The narrative non-fiction highlights the innocence and nostalgia of the time, while providing a glimpse behind the curtains, and giving personal perspectives of these truly talented and beloved entertainers and how they interacted with the crowds and their talented backup.

In Person

The diminutive performer with the unique magical effect on audiences remains the stuff of legend more than twenty years after her death. Her magic is captured in this magnificent book, graced with 600 photographs, many never before seen.

Backstage

The first complete biography of singing legend Tony Bennett Among America's greatest entertainers such as Frank Sinatra, Judy Garland, Ray Charles, and Sammy Davis Jr., Tony Bennett alone is still here and at the top of his game. For the first time, All the Things You Are tells the incredible story of Bennett's life and sixty-year career, from his impoverished New York City childhood through his first chart-topping hits, from liberating a concentration camp to his civil rights struggles, from his devastating personal and career battles and addiction in the 1970's to his stunning comeback and emergence as a musical statesman, America's troubadour, role model and mentor, and unmatched interpreter of the American songbook. Takes a candid, unvarnished look at the amazing life of one of America's most enduring musical icons Based on dozens of author interviews with Bennett's family members, agents, musicians, composers and managers, and experts on the last fifty years of popular music Filled with stories involving leading figures and entertainers of the twentieth-century, including Cary Grant, Frank Sinatra, Duke Ellington, Count Basie, Fiorello LaGuardia, Martin Luther King, Jr., Ray Charles, Dean Martin, Billie Holliday, and more Whether you've been a Tony Bennett fan for decades or are just discovering him, this book will deepen your understanding of this hugely gifted entertainer and his music.

Judy Garland

An all-new edition of the popular regional cookbook, The Great Entertainer features over 500 recipes in fourteen sections, from hors d'oeuvres to desserts. Three unique sections, "Camp Cooking," "Game Dishes," and "Cooking for a Crowd," focus specifically on recipes from the American West, honoring traditions established around campfires and chuck wagons long ago. Beautifully illustrated

with magnificent art and artifacts from the Buffalo Bill Historical Center, The Great Entertainer will not only round out any cook's library of American regional cookbooks, but will also be a valuable keepsake from one of the country's finest museums.

All the Things You Are

This book presents biographies of 100 of the most influential entertainers of all time. It includes the best-known actors, comedians, directors, and musicians who have kept audiences tuned in and have constantly pushed the limits of entertainment.

The Great Entertainer Cookbook

JIMMY GREAVES was a great entertainer and a national hero as a footballer, and is held in equal affection as a television pundit and performer. Now Greavsie reveals the footballers and managers who have given him most entertainment and are his biggest heroes. Greavsie has confined his star-studded assembly to players and managers of his lifetime -- dipping fondly back into the days of Stanley Matthews, Tom Finney and Len Shackleton and coming up to date with in-depth analysis of modern masters like Thierry Henry, Steven Gerrard and Wayne Rooney. Along the way he nods in the direction of his good pals Bobby Moore, Dave Mackay, Billy Wright and, of course, George Best. Footballing gods of the calibre of Pele, di Stefano, Puskas and Maradona naturally win a place in the personal Greaves Hall of Fame. You may not agree with all his selections, but if you are a true football fan you will agree that this is a book that makes you laugh and grips your attention as you take a look at some of FOOTBALL's GREAT HEROES AND ENTERTAINERS.

The 100 Most Influential Entertainers of Stage and Screen

Bruce Forsyth, the consummate performer and much-loved face of British entertainment, shares his story of a remarkable life lived to the full. A dancer, comedian, singer, actor, musician and all-round entertainer, Bruce achieved national recognition as the host of Sunday Night at the London Palladium in the 1950s. With his classic one-man shows, appearances alongside some of the world's greatest performers, and hugely popular TV shows ranging from The Generation Game to Strictly Come Dancing, he was a household name renowned for putting a smile on the nation's face. Charting his life story from talented young lad growing up in north London to achieving national treasure status, Strictly Bruce is full of warm anecdotes spanning over eight decades of Bruce's life, man and boy. It's a chance to take a trip down memory lane, celebrate the golden age of British showbiz and step behind the scenes of Bruce's personal life, meeting the people he loved and learning what made him tick.

Football's Great Heroes and Entertainers

With a fondness for spoonerisms and double entendres, Ronnie Barker is one of the nation's greatest comics. Gathered together in this second 'best of' volume is a cocktail of his sketches and monologues from every strand of his long and brilliant career.

Strictly Bruce

Treasure State stars Gary Cooper and Myrna Loy found unparalleled success during the Golden Age of Hollywood. For more than a century, Montana has supplied a rich vein of entertainment and personality--from daredevils to dancers and even mimes. Born in Miles City in 1895, comedian Gilbert "Pee Wee" Holmes played sidekick to such stars as Tom Mix. One-time Butte resident Julian Eltinge went on to become America's first famous female impersonator. There was Taylor Gordon, whose golden voice propelled the son of a slave from White Sulphur Springs to Harlem Renaissance fame. From the little-known Robyn Adair to the ever-popular Michelle Williams, author Brian D'Ambrosio marks Big Sky Country's long-standing connections with America's performing arts.

The Great Entertainer Cookbook from the Buffalo Bill Historical Center in Cody Wyoming

"The first book to trace the recording careers of the great entertainers: singers, comics, actors and actresses, vocal groups, show-business personalities."--Book jacket.

A Few Well-Frozen Worms

The Jewish entertainer has a huge role in the story of show business - right from the times of a group of entertainers who dominated their world and must now be remembered as the Incredible Generation. Names like Sophie Tucker, Eddie Cantor, Fanny Brice, Jack Benny, George Burns and, towering above them all, the man who called himself - and was never contradicted - the world's greatest entertainer - Al Jolson. And then came a phenomenon called Danny Kaye, and the music makers like Gershwin, Berlin, Kern, and Rodgers and Hammerstein. This book is the story of this phenomenon - the Jewish contribution to show business. It contains twenty-five pen portraits of artists whom Michael Freedland regards as some of the most important. Try this list for size: Al Jolson, the Marx Brothers, Sophie Tucker, Eddie Cantor, Edward G. Robinson, Jack Benny, Irving Berlin, George Burns, George Jessel, Fanny Brice, Danny Kaye, Sammy Cahn, Walter Matthau, Barbra Streisand, Joel Grey, Larry Adler, Ron Moody, Frankie Vaughan, Bud Flanagan, Steven Spielberg, Zero Mostel, Mel Brooks, Bob Dylan, Woody Allen - and Topol, who has illustrated this book.

Montana Entertainers: Famous and Almost Forgotten

This book includes many hitherto unpublished photographs depicting all aspects of this versatile star and the home-loving family man. It is a heart-warming and uplifting portrait, a fitting tribute to a great showman and wonderful personality.

The Complete Entertainment Discography, from the Mid-1890s to 1942

Detailed authentic depictions of 10 great stars, Bert Williams to Louis Armstrong, in celebrated roles, concert performances. Hattie McDaniel, Paul Robeson, Billie Holiday, Bill Robinson, more. Biographies.

So Let's Hear the Applause

As a widely respected cricket historian, with an encyclopaedic knowledge of the game, and also a writer with a great sense of fun, Henry Blofeld is the ideal man to select the great characters of cricket who have livened up the sport. We learn of the exploits of the legendary Ian Botham, a man who made up his own rules and has been at the centre of controversy on countless occasions; Garry Sobers, an immensely popular all-round great; and Dennis Lillee, the temperamental fast bowler who once held up a game with a tantrum when ordered to change his aluminium bat. Henry Blofeld regales us with marvellous - sometimes mischievous - stories to add to the "Boy's Own" nature of the book, and highlights those players who would make cricket lovers cancel their appointments to see them, even on a cold April day.

Roy Castle Remembered

Draws on exclusive reporting to honor Bob Hope's top-rated successes while discussing such topics as his secret first marriage, stint in reform school and ambivalent relationships with fellow stars.

Great Black Entertainers Paper Dolls in Full Color

When you visit Las Vegas, you expect to get the best entertainment in the world. Well, why not. You are in "The Entertainment Capitol of The World." Well, do I have news for you! Las Vegas casinos not only want to take your cash, they are also ripping you off when it comes to music entertainment. This town has more corn in it than Iowa. Could you please pass the salt and butter? You will understand the meaning of this joke as you continue reading. In the good old days, Vegas entertainment was at its best. Who can forget the indelible Frank Sinatra and his Rat Pack? The majestic King of Rock and Roll, Elvis Presley crowned the viva into "Viva Las Vegas." Today, we still have the impressionable Mr. Las Vegas, Wayne Newton. Back in the old days, Entertainment Directors were privy to good music. The Entertainment Directors today, for lack of better words, are incompetent. They have zero knowledge of the entertainment business. Most of these people are in charge of the Food and Beverage Department of the casinos. How in the heck can they distinguish a "bottle of beer" from a great "entertainment act"? Entertainment Directors have a business scam of accepting kick back money. The stone cold truth of Las Vegas is politics and money. Forget sleeping with the right person to get a job. It is not applicable in this city. It's all about kissing ass and "SHOW ME THE MONEY!" So who finds the entertainment acts that are in casino lounges? We can thank those wonderful people who call themselves "agents." I call a majority of them thieves. They are in the same category as used car salespersons. They sell lemons. They are laughing all the way to the bank. This is when the amusement park fun begins for me. Bette Davis once recited in a movie, "Fasten your seat belts, it's going to be a bumpy ride." You might think

I am vindictive and bitter towards agents and entertainment directors. I have been a victim of these vultures along with many other musicians. It is an insult to my musical intelligence. Unfortunately, I can not reveal names of casinos, Entertainment Directors, agents, sex and ethnicity of musicians. I do not want to end up in a court of law down the road. I will get satisfaction exposing their scams. It's a dirty job, but someone has to clean the scum off the toilet.

Cricket's Great Entertainers

From the best-selling Little People, BIG DREAMS series, this book profiles the life of Harry Houdini, from his humble beginnings as a child living in poverty, to his transformation into history's most famous magician and escape artist

Hope

For fans of musicals, singing, Hollywood history, and the lives of stars, no other work equals this new three-volume reference to the on- and off-camera careers of more than 100 performers who made major contributions to the American screen musical. From June Allyson to Mae West, Hollywood Songsters provides a detailed narrative-ranging from 2,000 to 5000 words each-of the lives and careers of stars forever etched in our memories. Each entry includes a filmography, discography (of both albums and CDs), Broadway appearances, radio work, television appearances and series, and a full-page photo of the subject. This is the ideal reference work for everyone one from the mildly curious to the devoted fan.

The Implosion of Las Vegas Entertainers

Michael Jackson was not just a singer; he was a multi faceted artist. He had shown his expertise as a song writer, dancer and actor. Jackson's music had something that would electrify the listener's mind irrespective of age. He dedicated his life to the world of music. Michael Jackson used music as a medium to speak against racism. His life was more thrilling than his music. Michael Jackson is one of the most famous entertainers in the world and is certainly the "king of pop". Here we have the best collection of electrifying words from this ever memorable music maestro.

Harry Houdini

The book is the autobiography of a famous 20th-century comedian. The author shares the ups and downs of show business' journey, from a failed cruise ship performance to a very dramatic appearance. . His national television success in the mid-1990s, from his first concert, work in 1981 until 2010 when he began to experience a sense of comedy. The author shares the often humorous and sometimes bitter perspective of an entertainer who has never reached the top of his game with you.

Hollywood Songsters: Garland to O'Connor

Bill McLaren's career as a rugby commentator spanned 50 years and earned him enormous respect. He is therefore well placed to choose his all-time favourites from the world of rugby in this collection. His powers of description and huge depth of knowledge ensure that this is a comprehensive insight into rugby's most memorable moments and characters, including Jonny Wilkinson, Colin Meads, David Campese and Jean-Paul Rives.

Monumental Words of King Of Pop

Different from other works devoted to Judy Garland to date in that it is not a traditional birth-to-death biography, award-winning music producer, critic, and translator Lawrence Schulman's long-awaited 2-volume look at the legendary singer, Garland – That's Beyond Entertainment – Reflections on Judy Garland, aims to remove her from the simplistic realm of such epithets as "world's greatest entertainer" and "Miss Show Business" and reconsider her as one of the greatest singers of the 20th century's Great American Songbook, one who took us beyond entertainment to a level of artistry unique in classic American popular music. The importance of Judy Garland is amply highlighted in this detailed, richly-illustrated study that covers Schulman's writings on Garland between 1993 and 2023 that concentrate on her recordings, and not all the hoopla, hagiography, and tragedy usually attached to her short 47-year life. Utilizing published articles, reviews, liner notes, interviews, program notes, talks, and prefaces, the Schulman opus, which includes a Foreword by John H. Haley and an Afterword by James Fisher, took thirty years to write, and revolutionizes the trite take on Garland as

having had just “a talent to amuse.” A read which meticulously includes all the facts but does not exclude amusing anecdotes and unsettling stories that shed light on this complicated artist, Garland – That’s Beyond Entertainment – Reflections on Judy Garland resembles Garland in that it is indeed entertaining, but also spotlights an artist whose frightening talent takes us over the rainbow to a reality in song that is devoid of complaisance or artifice. “Few figures in twentieth-century American popular culture continue to fascinate audiences with such verve as Judy Garland. Compiling a robust archive of writing that showcases the author's breathtaking encyclopaedic knowledge on all things Judy, Lawrence Schulman's *Garland - That's Beyond Entertainment - Reflections on Judy Garland* proves to be a must-read tome for anyone keen to understand (or be reminded of) the thrall this electric and eternal performer elicits still. A gargantuan effort as attentive to minute recording details as to broad cultural readings of the artist (not to mention fascinating and juicy anecdotal tidbits sprinkled throughout), Schulman's body of work here all but anoints him as the preeminent expert of a figure who has no shortage of them.” — MANUEL BETANCOURT, film critic, culture writer and author of *33 1/3: Judy at Carnegie Hall, and others* “Schulman’s highly readable and deeply researched and analyzed collection of his varied essays and reviews provides a feast for even the most informed of Garland admirers and, at the same time, an indispensable guide for those who have just caught Garland fever.” — JAMES FISHER, Professor Emeritus at the School of Theatre at the University of North Carolina at Greensboro, and author of *The Theater of Tony Kushner, Al Jolson: A Bio-Bibliography, and others* “Lawrence Schulman's book is a deep dive into the lore, the legacy, and the legend of one of the world's greatest and most iconic entertainers. It's absolutely essential for Judy Garland fans - and who isn't a Judy Garland fan?” — WILL FRIEDWALD, journalist and author of *Sinatra! The Song Is You – A Singer's Art, A Biographical Guide to the Great Jazz and Pop Singers, and others*

Biographies of Famous Entertainers: How to Become a Famous Comedian

This book posits that Generation X is the first to be defined by its relationship with entertainment. This relationship, the author argues, is reciprocal: for the first time, entertainment is created with adolescent consumers in mind who in turn develop a new mode of subjectivity that is informed by the popular culture they consume.

Rugby's Great Heroes and Entertainers

At the start of February, 1992, Newcastle United were facing relegation to the third tier of English football for the first time in their history. They were also facing bankruptcy. St James' Park had been neglected, the club's best players had been sold. In a daring move, Newcastle appointed Kevin Keegan as manager. Keegan, the two-time European Footballer of the Year, had played for the club between 1982 and 1984. He had been out of football since. His appointment as manager was as big a shock as when he arrived as a player. Exactly four years after Keegan's return to the North east of England, Newcastle were top of the Premiership, nine points clear of Manchester United, having played a game less. It would turn out to be one of the most memorable seasons in the modern history of English football. Keegan's side would play a unique brand of football and become known as the Entertainers. They would take part in a game at Anfield that became widely recognised as the best the Premier League has ever seen. Keegan would also famously square up to Sir Alex Ferguson. *Touching Distance* tells the story of that remarkable season, through the highs and the lows of a truly dramatic campaign. It also traces the seeds of the revival back to Keegan's first spell as a player, to his return and the dramatic impact he had on a football club, its supporters and an entire region. *Touching Distance* talks to the people who made it happen, the players, the coaching staff and the board and relives a truly momentous period for the club. It is a story of hopes and dreams and when, for Newcastle United, anything seemed possible.

Garland – That's Beyond Entertainment – Reflections on Judy Garland

Bill McLaren's career as a rugby commentator spanned fifty years and earned him enormous respect. He is therefore well placed to choose his all-time favourites from the world of rugby in this entertaining collection. His marvellous powers of description and huge depth of knowledge ensure that this is a comprehensive insight into rugby's most memorable moments and characters, including Jonny Wilkinson, Colin Meads, David Campese and Jean-Paul Rives.

Generation X and the Rise of the Entertainment Subject

"Between 1900 and 1920 Harry Houdini toured Great Britain, extensively visiting many of its major towns and cities. Whilst there, he escaped from jails, jumped from bridges into rivers whilst bound up in chains, performed amazing escapades, tricks and illusions, and delighted everyone who came to see him. Everywhere he performed, he issued challenges to local workers to either make a chest, box or other contraption from which he wouldn't be able to escape. He was always triumphant and his feats amazed his audiences. Many of his shows have long since been forgotten and many towns and cities have no knowledge that he once appeared there this compelling book seeks to remedy that. Houdini was, and remains, the best-known escapologist of all time. At the height of his career, he was the highest paid entertainer in the world. *The Great Houdini: His British Tours* successfully pieces together Houdini's appearances using archive material, old newspaper clippings and extensive research. His friendship with Sir Arthur Conan Doyle is also documented, along with his involvement with seances and spiritualism. The book gives the most comprehensive account of his time within the UK and brings to life the excitement and thrills of many of his appearances. It contains many photos and adverts from his shows, some of which have not been seen since they were originally published over 100 years ago, and offers an insight into the life of one of the world's greatest entertainers."--

Great Entertainers

Jeff Duff is arguably the most flamboyant, creative and controversial entertainer Australia has produced. His musical gifts and fantastical androgynous performances parallel the artistry of David Bowie. While Duff's career kicked off in the 1970s, he continues to grow as an artist, creating new music and performing sell-out concerts to this day. In his tell-all memoir, dedicated to Bowie, Duff shares his tales of life, love and rock'n'roll, in what is a rollicking, entertaining read. From his childhood desire to wear a dress, to performing before violent London punk crowds, to being banned and arrested, and even his journey into the depths of despair, Duff recalls all with flair and style.

Touching Distance

A moving tribute to the greatest generation of entertainers.

Rugby's Great Heroes and Entertainers

Different from other works devoted to Judy Garland to date in that it is not a traditional birth-to-death biography, award-winning music producer, critic, and translator Lawrence Schulman's long-awaited 2-volume look at the legendary singer, Garland – *That's Beyond Entertainment – Reflections on Judy Garland*, aims to remove her from the simplistic realm of such epithets as "world's greatest entertainer" and "Miss Show Business" and reconsider her as one of the greatest singers of the 20th century's Great American Songbook, one who took us beyond entertainment to a level of artistry unique in classic American popular music. Duty, Honor, Applause

On April 2nd, 1986, comedian Tommy Moore was told he might never stand onstage again. Since then, he's done over 3,500 shows, speeches, and seminars at Comedy Clubs, Casinos, Cruise Ships, Colleges, Corporations, Churches, Synagogues, Resort Hotels, and on Radio and TV. A true survivor and maybe the real last comic standing, this book tells the story of how advice from comedy giants nursed him back to physical and emotional health. Look what the media has said about comedian Tommy Moore: "Pennsylvania's Premiere Comedy Performer." – Larry Wilde, Bantam Press "The man knows his craft, and it shows!" – Gail Shister, *The Philadelphia Inquirer* "A Million Dollar Comic, with an act suitable for the whole family, a flair for the off-beat, and a habit of involving the audience." – Jack Lloyd, *The Philadelphia Inquirer* "A loveable comic" – Jim Knight, *Philadelphia Daily News* "Tommy has a suitcase full of material" – Stu Bykofsky, *Philadelphia Daily News* "Tommy Moore puts the FUN back in FUNNY" – Beth D'Adonno, *The Times* "Moore's humor is upbeat and optimistic." – Linda Riley, *Delaware County Times* "A performer who knows no bounds in his outlook." – Fran Carpentier, *Parade Magazine* Learn more at www.profcomedy.com

Garland – That's Beyond Entertainment – Reflections on Judy Garland Volume 2

*Includes pictures of Ginger and important people, places, and scenes. *Comprehensively analyzes her relationship with Fred Astaire and their films together. *Includes a Bibliography for further reading. "I adored Fred. We were good friends. Our only problem is that we never aspired to be any kind of a team. We didn't want to be Abbott and Costello. We thought of ourselves as individuals. We didn't intend to be another Frick and Frack. But it happened anyway, didn't it? And I'll be forever grateful it did." - Ginger Rogers A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. There is no denying that the career of Ginger Rogers cannot be entirely divorced from that of Fred Astaire. The unlikely pairing - Rogers was a statuesque blonde while Astaire fell well short of the masculine ideal expected of male movie stars - only made their screen romance more dreamlike, even as the physical contrasts between them melted away during their protracted dance numbers. Not only were Astaire and Rogers the preeminent box office attraction of the time period, but they remain the most recognizable faces of the musical genre as a whole. It is telling that, as Edward Gallafent notes, the duo are identified simply as Fred and Ginger, with no need to even provide their last names. Moreover, not only are films such as *Top Hat* (1935) and *Shall We Dance* (1937) cornerstones of the musical, but one of the great achievements of the Fred and Ginger team is that they never fell out of public favor. Indeed, the completeness of the Fred and Ginger pairing was punctuated by the fact that there was no bitter

breakup between them, making it so that audiences are left only with the seamless screen romances between them. Considering the immense success of their films together, it is entirely understandable that Astaire and Rogers are joined at the hip in the eyes of the public. However, an appreciation for the Fred and Ginger musicals is only enhanced by knowledge of the personal backgrounds of the two stars. After all, the fact remains that Astaire and Rogers came from vastly different cultural backgrounds, and at the time that they met, their careers had unfolded in dissimilar ways. Astaire was a national celebrity for his skills as a stage performer (mainly with his sister Adele), while Rogers was raised in a more archetypal Midwestern setting and her professional success was reached entirely through cinema. While Astaire made a name for himself through his dancing, Rogers was more recognized for her singing talents. Clearly, it is still possible to discern fundamental differences between their professional talents, contrasts that would become more distinguishable once they ceased making films together. American Legends: The Life of Ginger Rogers profiles the life and career of one of America's most famous entertainers. Along with pictures of important people, places, and events, you will learn about Ginger Rogers like you never have before, in no time at all.

How Woody Allen Became a Great Director

Early, funny, lazy.

"Gordon knew it all".

Walk to Walk and Talk... and Away.

And apartments are flats.

With all this use of space...

Blocking king of New York City.

I forgot my mantra.
