Whether facing family crises, medical diagnoses, relationship troubles, doubts, or fears, participants will receive encouragement for living the Christian life now and hope for when Christ returns. "You are children of the light and children of the day. We do not belong to the night or to the darkness." 1 Thessalonians 5:5 Features: Step-by-step instructions for facilitating the group sessions using the Bible Study Book and DVD video sessions Answers to the viewing guide for the DVD sessions Leader material to accompany the 9 sessions of small group time Benefits: Leaders can be assured of a trusted teacher in every group as participants view the video Biblical truth that's reliable Leader Guide contributes to leader's confidence and preparation, but also contributes to leader training Provocative questions; scriptural support; and text, application, and preparation In-depth study for women that will challenge them in the discipline of daily Bible study Challenges women to complete in-depth study of two books of the Bible, chapter by chapter Can be adapted to create a semester Bible study by breaking sessions into more than one week Author: Beth Moore is an author and Bible teacher of best-selling Bible studies and books for women. She is the founder of Living Proof Ministries and speaker at Living Proof Live women's events across the US. Beth's mission is to guide women everywhere into a richer, more fulfilling relationship with the Father.

Living Beyond Yourself

Look at the supernatural aspects of the fruit of the Spirit and that you cannot grow, learn, or produce the fruit on your own. Beth challenges you to develop the fruit by maintaining an intimate relationship with the Spirit of God.

Entrusted

We were never meant to take this journey of faith alone or in secret. God has entrusted us with the great and mighty gift of the gospel, something too precious and life-giving to keep to ourselves. In this 6-session Bible study, Beth will encourage you to guard what God has entrusted to you, further His kingdom by sharing Christ with others, and pour into future generations just as Paul once mentored Timothy. Because in this journey of joy and hardship, we need each other to stay the course and live a life of faithfulness.

James - Leader Guide

8-session women's Bible study leader guide on the Book of James.

Jesus, the One and Only

Based on the book of Luke, presents an in-depth look at the life of Jesus Christ that considers his ministry, miracles, and confrontation of corrupt religious leaders.

Mercy Triumphs - Booklet

64-page booklet that contains daily inspiration taken from Beth Moore's women's Bible study on the book of James.

Believing God

"Is it working? Your belief system, that is. Is it really working? God's intention all along has been for the believer's life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to

impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I'm convinced it's real. My concern is whether or not we have the fruit to suggest it works."—Beth Moore; Believing God

A Woman's Heart

Bible Study Book by Beth Moore provides a personal study experience five days a week plus viewer guides for the group video sessions of this in-depth women's Bible study.

The Patriarchs

Leader kit includes 11 DVD sessions, one copy of the music CD that accompanies the study, one member book, and one leader guide.

Breaking Free: Making Liberty in Christ a Reality in Life

Breaking Free: The Journey, The Stories leads you through a study of the Scriptures to discover the transforming power of Christian freedom. Based on Isaiah 61:1-4, this in-depth Bible study draws parallels between the captive Israelites. Teacher Beth Moore uses Scripture to help identify spiritual strongholds in your life, no matter how big or small. She explains that anything that hinders us from the benefits of knowing God is bondage. Breaking Free is Beth's life message that she wants to share with you. First released in 1996, this updated version of Breaking Free includes 11 new video teaching messages taped live at Franklin Avenue Baptist Church in New Orleans, along with reedited Bible study content and testimonies of how women like you have found freedom and been delivered from their personal captivity. No matter what life stage you're in or struggles you're going through, Breaking Free is the essential study for you. Sessions: 11 video sessions with 10 weeks of print study; Product Description (chapters, topics, etc): Week 1: Untying the Cords of the Yoke, Week 2: That You May Know, Week 3: Removing the Obstacles, Week 4: Rebuilding the Ancient Ruins, Week 5: Binding Up the Brokenhearted, Week 6: Beauty from Ashes, Week 7: The Potter and the Clay, Week 8: God's Unfailing Love, Week 9: The Steadfast Mind, Week 10: The Display of His Splendor;

A Heart Like His

El discípulo amado

Do you want to know God and really believe Him? Do you want to find satisfaction in God, experience His peace, and enjoy His presence? Do you want to make the freedom Christ promised a reality in your daily life?

TV Guide

Beth Moore offers biblical insight in this vineyard analogy showing how God helps each of us find life purpose and meaning in the hard and the beautiful.

Breaking Free

"When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him." Are you longing to hear God's voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few "spiritual elite." Priscilla Shirer looks at God's call to Samuel and uncovers six characteristics essential for hearing from God: A simple RELATIONSHIP, unfettered by sin or pride A single-minded WORSHIP, focused on God and His glory A set-apart HOLINESS, determined to live a life that honors Him A still ATTENTIVENESS, willing to be silent before Him A sold-out HUNGER, passionately pursuing God's presence A servant SPIRIT, submitted to God's call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these

traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear His voice more clearly.

Chasing Vines

Based on her experiences and studies, Moore reveals the common denominator of those who are in danger of being seduced by Satan, and presents a guide to authentic repentance and restoration.

He Speaks to Me

Beth Moore, Kay Arthur, and Priscilla Shirer in a women's Bible study recorded live at the Orlando Deeper Still conference. Member book includes: 6 Weeks of Guided Study, Retreat Plan & Group Leader Helps.

Taped at the 2007 Deeper Still event, three women explored their lives and the life of David. Anointed, Transformed, Redeemed: A Study of David contains the audio and video portions of the Deeper Still conference featuring Beth Moore, Priscilla Shirer, and Kay Arthur. You'll laugh with them, cry with them, and learn to love God with them. These authors' messages are divided into three segments, two lessons each. Each segment focuses on the life of David at a different stage of his life: as a young man (by Priscilla Shirer), as a middle-aged man (by Beth Moore), and as a man facing the final third of his life (by Kay Arthur). Member Book provides six weeks of interactive, in-depth Bible study and group leader helps.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.
