This Progress with Oxford Shape and Measuring Age 6-7 workbook will help your child to progress with shape and measures while having fun. Each Progress with Oxford book is focused on the skills your child will need to master at each stage of the school curriculum. The books are precisely matched to your child's age to make sure they are aligned with school expectations for their year, helping children to fully achieve their potential. The series has been created to help every child develop these essential skills at home, with minimal help and support, with Picture clues used to show very young children how to complete activities and reminder boxes, tips and advice to support older children to become self-sufficient learners. A lively character accompanies your child through all the colourful and engaging activities, and fun stickers are included to reward their work. A handy progress chart at the end of each book captures their achievements, so you both know what to do next. Find further support on the Oxford Owl at Home website, on oxfordowl.co.uk, which provides specific advice on helping your child learn about shapes and measuring, and fun activities to extend their skills.

Business Result Second Edition offers business professionals more communication and language practice than ever before, so they develop business English skills to use immediately. Relevant, personalized practice for people at work. With Business Result Second Edition, students practise language that is relevant to their work context, so they can use what they learn in real work situations. NEW Talking Point discussion lessons are based on an interesting business concept, process or approach that is relatable for any student in any business profession. The personalized Talking Point tasks allow students to apply the concept to their own working contexts, and provide the opportunity to use language from the unit. NEW Viewpoints integrate video into the lesson to bring business English to life - and build communication skills for business. Each video lesson relates to content in the units and builds up to a communicative task. NEW Language Points provide explicit focus on the meaning and form of the target language applied in a business context. EXTENDED Practically Speaking sections help students put language to use immediately. In every unit, Practically Speaking relates clearly to the unit content, and includes input, analysis and practice. Easily adapt Business Result Second Edition to fit your teaching context. The IMPROVED modular structure of Business Result Second Edition means it can be easily adapted to fit your teaching context. Each section within a unit works in a modular way - they can be completed as standalone activities according to your needs. You can choose lessons that are most relevant for your students. The Teacher's Book provides support for using the course flexibly in 1 to 1 lessons and with pre-work students. For those working through the book in order, continuity is maintained throughout the book to provide natural progression. Enrich your lessons with ready-to-go resources to pick up and teach in class. NEW photocopiable worksheets for each unit provide more practice for the main sections of each unit: Working with Words, Language at Work and Business Communication. NEW online resources for teachers include Viewpoint video files to stream or download, audio files to stream or download, sample emails for each unit, downloadable business cards, and progress tests. Help students advance their career through progress tracking and assessment support. Clear Outcomes - 'you can' statements help students monitor their own progress, and downloadable progress tests enable you to track students' progress in language skills and speaking skills. NEW Online Practice provides extra interactive practice activities with instant feedback on answers and automatic grading, allowing students to independently review their learning. Online Practice allows you to easily track and report on your students' progress, keeping you up-to-date with your students' learning. Downloadable progress tests for every unit enable you to assess students' progress, and identify student weaknesses and strengths.

In the Writing & Speaking Assessment Booklet there are 12 sample answers for the Writing paper (one to correspond to each unit of the Student's Book), written by real FCE students. For each sample answer, there are notes that explain what students need to do in the task, and how the answer would be assessed by a Cambridge ESOL examiner. This booklet also includes a DVD of real FCE students taking the Speaking test, with comments from experienced examiners, so you can see exactly how this part of the test works, and understand how to accurately assess your students. The material on the DVD is supported with photocopiable worksheets, useful phrases, tips and examiner's questions in the booklet. The Using a dictionary for exams booklet is full of ideas for using dictionaries to improve your students' language skills and performance in the exam. These ideas are followed by photocopiable worksheets so your students can put what they've learnt into practice. This booklet has been updated to reflect changes in the new Student's Book. In the Teacher's Book, there are 12 Unit and four Progress Tests, all with answer keys. The tests are photocopiable for use in class.

Develop your students' skills with Oxford Online Skills Program. This online program supports and develops all four language skills using a step-by-step process, encouraging students to explore, practise and reflect on their learning. The step-by-step sequenced activities combined with instant access to support are what make this online program different. Students improve their language skills independently while you can track their progress, communicate with them outside of class, and improve their learning. The program uses media rich activities, with video, audio and interactive infographics, to engage students. Students are encouraged to broaden and reflect on their learning with Can do statements, space for making notes, tips, cultural glossaries and more. Teacher tools allow you to monitor progress for individual students, groups or the whole class. There are easy-to-view overviews, as well as more in-depth reports. You can also adapt the content to meet your students' needs, whether simply by hiding and revealing activities, or using more sophisticated tools for assigning different activities to different groups, and uploading or creating your own content.
