Brie's Submission Books, Brie Collection Box Set, Erotic Romance Novels, Contemporary Romance Books, Adult Fiction Series

Dive into the captivating world of Brie's Submission with this complete collection box set, encompassing Books 1-3. Experience a thrilling journey filled with passionate romance, complex characters, and intriguing plot twists that will keep you turning the pages. Perfect for fans of erotic romance and contemporary adult fiction, this series explores themes of submission, control, and the power of love.

The Deadliest Sin Series Collection Books 1-3

Can you survive wrath? His first mistake is taking her. His second mistake is thinking I won't come for her. Mine is letting wrath consume me and believing I won't have to pay for my sins. This three-book collection includes Wrath, After Wrath, and Surviving Wrath. Dive into the world of the Albanian mob in this dark mafia romantic suspense collection. "I am done [with the series] and I have to tell you that after reading Surviving Wrath: it's like I was sucker-punched, left raw and bewildered. However, the ending put me back together. One of the best stories that I have read!!!" - 5-star review

Current Catalog

First multi-year cumulation covers six years: 1965-70.

Complete preludes, books 1 and 2

These 24 works reveal the extraordinary expressiveness of Debussy's genius: "La Cathédrale en-gloutie," "Ondine," "La fille aux cheveux de lin," "Feuilles mortes," "Ce qu'a vu le Vent d'Ouest," "Feux d'artifice," "Danseuses de Delphes," "La fille aux cheveux de lin," and many more. Includes a helpful glossary of French terms.

East European Accessions List

The Gunpowder Epic is one of three planned publications on military technology within Dr Needham's immense undertaking. The discovery of gunpowder in China by the 9th century AD was followed by its rapid applications. It is now clear that the whole development from bombs and grenades to the invention of the metal-barrel hand gun took place in the Chinese culture area before Europeans had any knowledge of the mixture itself. Uses in civil engineering and mechanical engineering were equally important, before the knowledge of gunpowder spread to Europe in the thirteenth and fourteenth centuries. Dr Needham's new work continues to demonstrate the major importance of Chinese science and technology to world history and maintains the tradition of one of the great scholarly works of the twentieth century.

National Library of Medicine Current Catalog

Part 1, Books, Group 1, v. 21 : Nos. 1 - 135 (Issued March, 1924 - April, 1925)

Science and Civilisation in China, Part 7, Military Technology: The Gunpowder Epic

Following the wildly popular BBC America adaption of Codename Villanelle, a high-stakes, addictive installment of Jennings's acclaimed Killing Eve series. Though the cat and mouse chase between these two lethal adversaries has seemingly ended, the sophisticated, deadly thrill of Eve and Villanelle's relationship is far from over. Told in Jennings's stylish prose, Killing Eve: Endgame is another page-turning chapter in the espionage exploits of Eve and Villanelle.

Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v

Eve and Villanelle plan for a high-stakes showdown in this sophisticated follow-up to the spy thriller that inspired the hit TV series Killing Eve. "If you want us to remain silent -- if you want to retain your freedom, your job, and your reputation -- you need to tell us everything, and I mean everything. . ." We last saw Eve and Villanelle in a spy vs. spy race around the world, crossing powerful criminal organizations and dangerous governments, each trying to come out on top. But they aren't finished yet. In this sequel to Killing Eve: Codename Villanelle, former M16 operative Eve reveals a new side to her strengths, while coming ever closer to a confrontation with Villanelle, the evasive and skilled assassin.

Discover one of Twentieth-Century Russia's most lauded lost classics, now in a remarkable new translation. 'Outstanding... A sparkling, supremely precious literary achievement' Telegraph 'One of the great Russian autobiographies, as fresh now as the day it was written - and the day it was lived' Julian Barnes In 1943, Konstantin Paustovsky, the Soviet Union's most revered author, started out on his masterwork - The Story of a Life; a grand, novelistic memoir of a life lived on the fast-unfurling frontiers of Russian history. Eventually published over six volumes, it would cement Paustovsky's reputation as the voice of Russia around the world, and see him nominated for the Nobel Prize in Literature. Taking its reader from Paustovsky's Ukrainian youth, struggling with a family on the verge of collapse and the first flourishes of creative ambition, to his experiences working as a paramedic on Russia's frontlines and then as a journalist covering the country's violent spiral into revolution, The Story of a Life offers a portrait of an artistic journey like no other.

Book Catalog of the Library and Information Services Division: Author-title-series indexes

Containing more than 48000 titles, of which approximately 4000 have a 2001 imprint, the author and title index is extensively cross-referenced. It offers a complete directory of Canadian publishers available, listing the names and ISBN prefixes, as well as the street, e-mail and web addresses.

Catalog of Copyright Entries. Third Series

She thought she was prepared for the end of the world... until it actually came. Alex Duncan is a mother, a sister- and the daughter of a doomsday prepper. She always thought her father was insane, raving about an apocalypse she never believed in, but when a plague hits the United States and the dead no longer stay dead, Alex discovers heeding her deceased father's advice is what will keep her family alive. Before he died, Alex's father created a compound in Montana just in case situations like this arose. Hell has arrived on earth. The dead walk, hungry for human flesh. Living in a highly populated city like Las Vegas makes the reality of the plague imminent to Alex. With little time to spare, Alex must make split-second decisions to prevent her family from being devoured. Facing the end, Alex has three goals. Escape Las Vegas. Get to the compound. Survive. As the outside world crumbles and grows darker, Alex faces adversity from not just the infected, but the uninfected as well. Government assistance is nowhere in sight, and rumors fly that the nation's only solution to the growing plague is execution. Not everyone will outlast the plague. Doomsday is here. Will Alex be up to the challenge, or fall, and rise again as one of the undead?
