

Father You Are Bad

[#toxic father](#) [#difficult parent child relationships](#) [#childhood emotional neglect](#) [#negative father influence](#) [#family conflict issues](#)

The raw sentiment of "Father You Are Bad" encapsulates profound emotional distress, often signaling deep-seated issues within a family. This powerful statement can emerge from various experiences, including perceived neglect, harsh discipline, or emotional distance that impacts a child's development. Understanding the complexities of such strained parental relationships is vital for processing personal well-being and navigating paths toward healing or improved family dynamics.

I'am a Dad and a Doctor Nothing Scares Me

The perfect guy for her and her baby girl...? Kind-hearted nurse Sasha Wilson can't wait to be a mother! And, with her unborn little girl almost here, the last thing she needs is to meet handsome doctor Grady O'Neil...again! The former love of her life walked out on her eleven years ago, taking her heart with him.

A Father For Her Baby (Mills & Boon Medical) (Doctors to Daddies, Book 1)

'All hail the Guru of Fatherhood' - Dermot O'Leary - The first doctor-written guide to becoming a dad - Combines the medical knowledge of a healthcare professional with real-life experience - Step-by-step - from conception to caring for your newborn baby - Honest, humorous and engaging, this book answers

the questions you've been too afraid to ask At this crucial life-moment, knowledge is power, but you probably know less than you think: What's a cervix? Can we still have sex? Why's the midwife doing that? How do I make up a bottle and is that poo normal? Dad's role is more important than you might ever have imagined, so what can you do to help? 'I hope that as a doctor and a new dad, I will go some way towards answering those "man questions" that never quite make it to the pub, locker-room, water cooler or any other locations where men might find themselves having meaningful chats with another guy. Think of this as a papery man hug in what is a potentially treacherous world of terminology, hormones, social change, sleep deprivation and finally dirty nappies with tiny feet attached.'

How to Be a Dad

A practicing physician sings about patients, his infant son, the city of his origin, firefighters, and a beloved Sheltie and Border Collie. In *Father, Doctor and the Great City*, Schneiderman is influenced by the Ancient Greek lyricists and other poets, from 16th Century British to contemporary anthologies of poems about dogs and baseball to Billy Collins. He follows his son's growth to manhood with love and humor, laments lost friends, and celebrates the African, Jewish-Polish, Italian (Calabrese and Napolitan) and Irish individuals of his family. He ranges from Elizabeth, NJ, to the South Bronx, to a bird refuge in Oregon, to a Desert Botanical Garden in Phoenix. These poems celebrate birds, the good fight against cancer, architecture, dogs, people, art, and, everywhere, his wife.

Father, Doctor, and the Great City

The Best Doctor And Even Better Father

This collection contains nine most important works written and performed between 1973 and 1989. Three of the plays won first positions in national drama competitions (*The Cell*, *the Family Question*, and *the Headmaster and the Rascals*). Subsequently, *the Family Question* was performed in Detroit and published in Chicago by Bedford publishers. *the Cell* has been reviewed in various journals and books, *Father Kalo* commissioned by the Ministry of Health and John Hopkins School of Medicine was a campaign play against the spread of HIV and AIDS. Themes that preoccupy the author include alienation for returnees from the diaspora in Europe and the USA, power and its corrupting influences, ethnicity and with its offshoots of overdependence and nepotism, and intricate relationship encompassing HIV/AIDS, love and marriage. They are multilayered plays variously classified as tragic comedies, allegories, satires, characterised by high sense of humour.

The Family Question and Other Plays

'I love her.' The Doctor said. 'Of course you do, she's your daughter.' Earth in the nineteen-eighties is a battleground. Rival alien factions have travelled from the far future to pursue their vendetta. With UFOs filling the skies, a giant robot stalking the Derbyshire hills, and alien hunters searching for the mysterious Last One, the Doctor is the only man who can protect the innocents caught in the crossfire. But old scores are being settled, the fate of a Galactic Empire is at stake and, against his will, the Doctor is drawn into a decade-long war that will strike at those he holds most dear. The Doctor has lost his memory, his friends, his past and his TARDIS. All he has now is the love of his daughter. But will even that be taken from him? A Classic Doctor Who Adventure featuring the Eighth Doctor as played by Paul McGann.

Galway Election

Widower Tobias Cole has done a decent job raising his daughter Lindsey. Until now. On the cusp of adolescence, Lindsey is a bubbling cauldron of emotion—moody, dreamy, and rebellious. Toby feels guilt not only over his inadequacy in guiding his daughter through puberty but also over his wife's death from cancer. He's a medical doctor, and medicine failed to keep his wife alive. His quiet life in Arlington, Connecticut takes a dramatic turn when Susannah Dawson moves into the house next door. Susannah isn't a doctor, but she played one on TV, starring in a popular television drama set in a hospital. Susannah has turned her back on Hollywood and stardom, and only wants peace and anonymity. But Lindsey and her friends have other ideas. Toby has other ideas, too. Susannah is smart, beautiful, strong, and determined. And she's compassionate toward his difficult daughter. He needs more than Susannah's help with Lindsey, though. He needs the Daddy School, which can teach him not only how to be a better father but also how to find the courage to open his heart to love.

Great Doctor But Awesome Dad

I'm A Dad And A Doctor Nothing Scares Me

e-artnow presents the Christmas Specials Series. We have selected the greatest Christmas novels, short stories and fairy tales for this joyful and charming holiday season, for all those who want to keep the spirit of Christmas alive with a heartwarming tale. The Doctor's Christmas Eve is a tale of a country doctor from Kentucky who sits the night before Christmas and recollects his various strange cases over the past year and intensely interconnected relationships between his local patients and neighbors.

My Favorite Doctor Calls Me Dad

The Sleeping Father begins with a divorced dad who inadvertently combines two incompatible anti-depressant medications, goes into a coma, has a stroke, and emerges with brain damage. His teenage son—the protagonist of the book, Chris—and his teenage daughter—Cathy—inherit money from their grandfather and decide to rehabilitate him on their own. decide to make one. Absent an adequate father, the children decide to make one, bringing with it a host of difficulties and opportunities. Chris tries everything from sex to capitalism in his search for guidance on the path to adulthood and Cathy, believing her secular Jewishness inadequate in the provision of a benign & divine Father, looks to Catholicism for solace and meaning. The Sleeping Father explores the shift in the way Americans think about mental health: away from regarding ourselves as being shaped by our upbringings and toward regarding ourselves as being shaped by the chemicals in our bloodstreams. The American family, in this novel, emerges as a microcosm of larger social institutions; Moms and Dads as in-home teachers, priests, presidents, and CEOs. In focusing on the Schwartz family in crisis, Sharpe addresses the larger crisis in faith and authority in contemporary American life.

I'm Not Perfect But I'm A Doctor So Pretty Close

Little attention is given by police detectives when the body of a hooker is found murdered in a run-down motel in Detroit. After the victim's sister, a news anchor, starts threatening to release a series of reports highlighting the police's inadequacies, the mayor orders immediate action. Corrupt homicide detective Roman Stefan has crossed the line more than once. When his ailing father, a hero to the community, asks him to change his ways, Stefan reluctantly agrees. Assigned to a new case, he must come to grips with his evil nature and take on the broken justice system he was once a part of. Each step takes him down a shaky path that forces him to struggle with his inner demons and the promise he made to his father.

The Promise

The story of two doctors, a father and son, who practiced in very different times and the evolution of the ethics that profoundly influence health care As a practicing physician and longtime member of his hospital's ethics committee, Dr. Barron Lerner thought he had heard it all. But in the mid-1990s, his father, an infectious diseases physician, told him a stunning story: he had physically placed his body over an end-stage patient who had stopped breathing, preventing his colleagues from performing cardiopulmonary resuscitation, even though CPR was the ethically and legally accepted thing to do. Over the next few years, the senior Dr. Lerner tried to speed the deaths of his seriously ill mother and mother-in-law to spare them further suffering. These stories angered and alarmed the younger Dr. Lerner—an internist, historian of medicine, and bioethicist—who had rejected physician-based paternalism in favor of informed consent and patient autonomy. The Good Doctor is a fascinating and moving account of how Dr. Lerner came to terms with two very different images of his father: a revered clinician, teacher, and researcher who always put his patients first, but also a physician willing to “play God,” opposing the very revolution in patients' rights that his son was studying and teaching to his own medical students. But the elder Dr. Lerner's journals, which he had kept for decades, showed the son how the father's outdated paternalism had grown out of a fierce devotion to patient-centered medicine, which was rapidly disappearing. And they raised questions: Are paternalistic doctors just relics, or should their expertise be used to overrule patients and families that make ill-advised choices? Does the growing use of personalized medicine—in which specific interventions may be best for specific patients—change the calculus between autonomy and paternalism? And how can we best use technologies that were invented to save lives but now too often prolong death? In an era of high-technology medicine, spiraling costs, and health-care reform, these questions could not be more relevant. As his father slowly died of Parkinson's disease, Barron Lerner faced these questions both personally and professionally. He found himself being pulled into his dad's medical care, even though he had criticized his father for making medical decisions for his relatives. Did playing God—at least in some situations—actually make sense? Did doctors sometimes “know best”? A timely and compelling

story of one family's engagement with medicine over the last half century, *The Good Doctor* is an important book for those who treat illness—and those who struggle to overcome it.

I Prescribe Coffee

Only The Strongest Father Become Doctor Notebook Journal is a lined notebook journal to show Others how you are in love with your Job. Awesome Christmas Gift for Father who work as Doctor.it's a 120 Lined pages, Dimensions: 6" x 9" on a Matte finish cover.Amazing gift for Doctors.

The Good Doctor

It was just supposed to be one time. So why can't she stop thinking about him? Opal Whittaker had an itch, and she thought Archer Crawford was just the man to scratch it. No strings. No expectations. He was going to help her take her mind off things for a little while. Only problem is, she can't get him out of her head. Archer is used to making questionable decisions. In a family of overachievers, he's an average guy and nobody expects too much of him. Why shouldn't the new gal in town come looking to him when she wanted to knock boots? Even after a rendezvous with skunk, a grouchy cat with a soft spot for scruffy men, and a dramatic family Christmas, Archer is bound and determined to win Opal's heart. Can Archer ever earn Opal's trust? Will she ever think of him as anything more than a fling? *The Midwife and the Money* is book 3 of the series following the Crawford family through the quirky town of Oak Creek. If you like nosy neighbors, hilarious antics, and scorching hot love scenes, then you'll devour this sizzling romance by Lainey Davis. ÿSearch Terms: ebooks, romance books, romance novels, romance, contemporary romance , contemporary romance books, romance , romance series, new adult romance, contemporary romance, beach reads, romance novels , romance books, alpha male, romance novels full book, grumpy hero, grumpy sunshine, sports romance, small-town romance, small town romance, smalltown, rom com, romantic comedy, chicklit, forced proximity romance, neighbors to lovers, big family books, enemies to lovers romance, hometown romance, romantic comedy books, romance books, books like movies, summer romance, funny books, the love quotient, romantic comedy series, smart romance, something funny to read, lighthearted romance, light romance, hot romance, witty banter, sexy books, billionaire, groveling hero, STEM heroine, women in stem, strong heroine, Lainey Davis romance, Lainey Davis books For Fans Of: Lucy Score, Claire Kingsley, Pippa Grant, Meghan Quinn, Kate Canterbury

The Midwife and the Money

'A beautiful book.' Zoë Ball Be it as Nicky Hutchinson in *Our Friends In The North*, Maurice in *The A Word*, or his reinvention of Doctor Who, one man, in life and death, has accompanied Christopher Eccleston every step of the way – his father Ronnie. In *I Love The Bones Of You*, Eccleston unveils a vivid portrait of a relationship that has shaped his entire career trajectory, mirroring and defining his own highs and lows, from stage and screen triumph to breakdown, anorexia, self-doubt, and a deep belief in the basic principles of access and equality denied to generations. The actor reveals how his background in Salford, and vision of a person, like millions, denied their true potential, shaped his desire to make drama forever entwined with the marginalised, the oppressed, and the outsider. Movingly, and in scenes sadly familiar to increasing numbers, Eccleston also describes how the tightening grip of dementia on his father slowly blinded him to his son's existence, forcing a new and final chapter in their connection, and how 'Ronnie Ecc' still walks alongside him today. Told with trademark honesty and openness, *I Love The Bones Of You* is a celebration of those on whom the spotlight so rarely shines, as told by a man who found his voice in its glare. A love letter to one man, and a paean to many. 'My father was an "ordinary man", which of course means he was extraordinary. I aim to capture him and his impact on my life and career.' - Christopher Eccleston

My Favorite Doctor Calls Me Dad - Gratitude Journal

In 1415, two noble Kentish families, the Wallers and the Hollands, were united by the courage of their sons in triumphant battle against the French at Agincourt. Five hundred years later, their descendants found themselves fighting shoulder-to-shoulder in France once again, this time united with the French against a new enemy in the First World War. Edward Tovey has built on centuries of history to weave a romantic and moving story of peace and war, love and courage, set against the backdrop of northern France and the battlefields of the Somme. Carefully researched and imaginatively written, *The Five Hundred Year War* tells the story of a brave young English officer who is determined to serve his country on the front line, and the conflict of loyalties he faces when he falls for a stunningly beautiful French girl.

I Love the Bones of You

A must read for every family! My book helps explain the many stages, experiences, loss, strength, overcoming, and moving forward after losing our son to suicide. Through my personal day to day life, I have tried to help myself and others move forward and ease the pain of losing a loved one to suicide. I only hope after reading this book, you will have a deeper understanding of suicide and the ripple affect it has on survivors. You will find answers to questions and the feelings you are and will be experiencing. I have also tried to explain the lack of medical practice and experts in the psychological field. Everyone knows the word and meaning of suicide, but it's simply just a common word until it happens in your family.

The Temperance Mirror ...

Surgeon Yannis Karavolis dedicates his life to his patients—since he lost his wife, romance isn't something this gorgeous doctor cares about. But when vulnerable Cathy Meredith and her lovable infant daughter Rose arrive at his Greek island hospital, Yannis begins to wonder whether fatherhood, marriage and happiness could be his once more...

The 500 Year War

Story of Chester Lawrence is the story of a lonesome man on a long journey by ship to find his destiny. Excerpt: "It was nothing, sir. I, too, was just bidding farewell to the Land of Joseph, and I fear my sight was also rather dim." Chester paused and looked at the man who had heard and repeated his remark. No one but a Latter-day Saint would call America the Land of Joseph. He was a pleasant-looking man, with hair and beard tinged with gray, clear blue eyes, a firm mouth, about which at that moment there played a faint smile. He wished to make further acquaintance with Chester, for he asked: "How far west were you looking just now?"

My Name is Dad

Reproduction of the original: *The Sorceress* by Margaret Oliphant

A Father for Baby Rose (Mills & Boon Medical)

Time to say 'I do'?

Story of Chester Lawrence

Very freely adapting Professor Bernhardt by Arthur Schnitzler, Robert Icke has written a gripping moral thriller that uses the lens of medical ethics to examine urgent questions of faith, belief, and scientific rationality. How do we defend the "truth" when no one agrees what it is and many have reason to undermine it?

The Sorceress

"When the Chief of Neurosurgery at Johns Hopkins Hospital, Dr. Clayton Hallam, collapses in mid-sentence during his retirement ceremony, preliminary evidence points to a stroke. But Jim Gallier, an intern about to be assigned as Dr. Hallam's physician, will soon arrive at a different diagnosis. The encounter changes the lives of both men, as the young doctor who secretly doubts his fitness for medicine comes to know the eminent surgeon whose brilliant professional successes mask deep personal failings." "In *My Father's House* is the story behind one man's rise to the top of his profession at one of the world's

leading medical institutions. As a patient in the hospital he once helped administer, Dr. Hallam looks back on a life rich in professional accomplishment and personal tragedy. The story he recalls - and relates, in part, to the young doctor who knew him first as a paragon and now as a patient - takes Clay Hallam from Johns Hopkins Medical School in the 1930s to a military field hospital in Burma during World War II, from an exclusive private clinic serving Richmond's social elite to the execution cell of a Saudi prison in the hands of Islamic fundamentalists." "Reliving these distant events raises questions Dr. Hallam finds himself still unable to answer - or even to confront. Who really wrote the anonymous letter that nearly ended his marriage and career? What secret lies behind the puzzling symptoms that accompanied his apparent stroke? Why did his surgical skills permit him to save the only man he ever wished to kill - and fail him when he needed them most desperately?" "Dr. Hallam's gradual recovery is a process of healing not only for himself but also for his wife and daughter, each of whom has paid a price for his outward success. It also brings forgiveness, for others as well as for himself, and a new understanding of what defines a successful life. And when Jim Gallier must finally decide whether to leave his career in medicine, only Clayton Hallam knows why he should not - and why he can never be told."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Cassell's Family Magazine

Three little miracles! Dr Gabe Lewis is a single dad...to triplets! But Gabe's adorable tots are triple the trouble – when it comes to simple things like babies' bathtime this brilliant doctor meets his match. He knows someone who could help – someone really special who has recently re-entered his life.

Sielanka

'The Doctor's Dilemma' is a play by George Bernard Shaw. It is a problem play about the moral dilemmas created by limited medical resources, and the conflicts between the demands of private medicine as a business and a vocation. The eponymous dilemma of the play is that of the newly honored doctor Sir Colenso Ridgeon, who has developed a revolutionary new cure for tuberculosis. However, his private medical practice, with limited staff and resources, can only treat ten patients at a time. From a group of fifty patients he has selected ten he believes he can cure and who, he believes, are most worthy of being saved. However, when he is approached by a young woman, Jennifer Dubedat, with a deadly ill husband, Louis Dubedat, he admits he can, at a stretch, save one more patient, but that the individual in question must be shown to be most worthy of being saved. However, the situation is complicated when an old friend and colleague reveals that he, too, needs treatment.

A Wedding For The Single Dad (Mills & Boon Medical)

The Doctor (unaware of his true identity) is playing tutor and father to the gifted Miranda - a refugee from the planet Klade. Five years after her escape, some Klade soldiers come to Earth in search of her. What lengths will the disorientated Doctor go to in order to prevent Miranda's capture?

Star Wars I Am Your Father

Acknowledge the father figure or Star Wars fan in your life with this collection of lessons in parenting from a galaxy far, far away. Families can be complicated and messy, and can take many forms-from the Skywalkers to the Fetts, the found family of the Ghost crew from Star Wars Rebels, and mentor relationships such as Qui-Gon Jinn and Obi-Wan Kenobi. This ebook shares some wise advice for parenting, mentoring, and families of all shapes and sizes, from fan-favourite Star Wars characters such as Luke Skywalker and Darth Vader, Hondo Ohnaka and Boba Fett, and the Mandalorian and Grogu. The perfect Father's Day or new-parent gift for your long-lost father, adoptive family, or Jedi Master, Star Wars: I Am Your Father is a light-hearted guide to parenting, featuring quotes, classic moments, and characters from the Star Wars galaxy. © & TM 2022 Lucasfilm Ltd.

I am Your Father

We live in an increasingly fatherless society. Fatherless children are far more likely to be criminals or victims. In January 2009 Mark quit as the senior leader of a successful and progressive Anglican congregation, to found a ministry called The Father's House, dedicated to taking the Father's love to the fatherless. 'The task of the family of God is to take the Father's love to the fatherless. To do this, those who are already members of God's family need to have their father wounds healed. This book will help those with hearts broken by their earthly fathers to find in their Heavenly Father the love of all loves.' In Part 1, Mark describes the different ways in which fathers can hurt their children. In Part 2, he goes deeper, defining the wound as 'the orphan heart' and describing the main symptoms of this condition

in peoples' lives. In Part 3, he shows how Christians can find true healing through experiencing the Spirit of adoption.

Darth Vader and Son

What if Darth Vader took an active role in raising his son? What if "Luke, I am your father" was just a stern admonishment from an annoyed dad? In this hilarious and sweet comic reimagining, Darth Vader is a dad like any other—except with all the baggage of being the Dark Lord of the Sith. Celebrated artist Jeffrey Brown's delightful illustrations give classic Star Wars® moments a fresh twist, presenting the trials and joys of parenting through the lens of a galaxy far, far away. Life lessons include lightsaber batting practice, using the Force to raid the cookie jar, Take Your Child to Work Day on the Death Star ("Er, he looks just like you, Lord Vader!"), and the special bond shared between any father and son. Plus, this is the fixed-format version, which looks almost identical to the print edition.

I Am Your Father's Brother

George "Yoye" Lopez grew up in a distinctive area of Tampa, Florida known as Roberts City. Named for the Roberts Cigar Company, the borders of the neighborhood were on the north and east by the Hillsborough River, on the west by North Boulevard and on the south by Green Street. He and members of his family persevered through the Depression years and emerged with a deep appreciation for their neighbors and their experiences in a multi-ethnic community. Eventually, Roberts City was leveled by "progress" in the form of Interstate 75 and urban renewal

Gerald Barkley Rocks

If your life was a song, what would it sound like? In the case of Gerald Barkley, it would be an elevator jingle. Barkley's never been the most memorable guy. Even as a longtime Los Angeles homicide detective, people tend to forget him. And when his death draws near in the form of a rare blood disease, he has to wonder...will anyone notice when he's gone? Add to that Barkley's latest case: The mysterious death of Julian Strange, a rock-and-roll icon with an obsession for cats. Renowned as a wild performer and a dabbler in the odd, Strange procured a copy of the world's oldest song. What does it have to do with his death? And what will Gerald Barkley learn from it all? The debut novel from speculative fiction author Kyle A. Massa, "Gerald Barkley Rocks" examines music, fame, mortality, and the strangeness that composes them all. One part detective story, one part rock-and-roll elegy, and one part supernatural comedy, this book might just change your outlook on life—and death.

Dad, How Do I?

"Like the YouTube channel, this is a touching yet informative guide for those seeking fatherly advice, or even a few good dad jokes." — Library Journal

You Can't Fire Me, I'm Your Father

Publisher Fact Sheet Addresses issues--both at home & work--that matter most to families in business together.

The Cinema of George Lucas

Destined to be the classic illustrated survey of Lucas's career, the book is sure to fascinate not only die-hard fans but also general film and popular culture enthusiasts.

Star Wars®: The Empire Strikes Back

Darth Vader vs. Luke Skywalker. Father vs. son. An amazing all-new novelization that will tie in with the blockbuster classic Star Wars DVD release. Darth Vader vs. Luke Skywalker. Father vs. son. An amazing all-new novelization that will tie in with the blockbuster classic Star Wars DVD release.

You Are My Father, I Am Your Son

This book entails how the kingdom of God is expanding through covenantal relationships between the heavenly father and His earthly children. Sonship is not about gender but about a partnership of love between God the father and His children. God's children must grow from spiritual infancy into adulthood in faith principles; to assume responsibilities as mature sons in managing the earth and its resources through the Holy Spirit. It is a must read for all persons who want to live in the abundant life as an heir to a King and Kingdom.

Father's Love Letter

Father's Love Letter by Barry Adams is a series of paraphrased Scriptures that take on the form of a love letter from God and will impact your heart, soul and spirit. Experience the love you have been looking for all your life. This gift book contains beautiful full-color photographs and fifty-seven powerful devotional thoughts. A prayer that will help you put into words your response to God follows each devotional thought.

Star Wars: Brotherhood

The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy-and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone-and his former master's insistence that he listen this time-Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal-but uncertain-footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together-and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

Star Wars I Love You. I Know.

Say "I love you" to the Star Wars fan in your life with this collection of lessons in love and friendship from a galaxy far, far away. Relationships can be complex - your dad could have turned to the dark side, your partner could be a princess, or your best friend might speak in more than 7 million forms of communication and never stop talking! This ebook shares some wise advice for romances, friendships, and family relationships from fan-favourite Star Wars characters such as Han and Leia, Rey and Kylo Ren, and Finn and Poe. The perfect Valentine's Day or anniversary gift for your scruffy-looking nerf herder, best friend or long-lost sibling, Star Wars: I Love You. I Know is a light-hearted guide to relationships, featuring quotes, classic moments and characters from the Star Wars galaxy. © and TM 2020 Lucasfilm LTD.

I Am My Father's Son

In this deeply moving memoir, one of Canada's most respected singer-songwriters traces his difficult, often tumultuous relationship with his father. From the time Dan Hill picked up a guitar at age 11, he tried to win the approval of Daniel Hill Sr., a man who has been called Canada's father of human rights. But Hill Sr. set impossibly high standards for himself and his family, especially for his eldest son, leading to conflict and alienation even as young Dan achieved international fame and success. Through vivid family stories, letters, memories and his own award-winning lyrics, Dan Hill tells the story of two parallel

lives—his father's in mid-20th-century America and his own as a young black man coming of age in suburban Canada—and the stormy but ultimately loving way each of those lives affected the other.

Vader Dad I Am Your Father

Do you struggle as a father raising your own children? Do your rights as a father seem to be less and less on a daily basis? Are you dealing with another fellow or stepdad that you do not approve of, tucking your child in at night? Do they seem to pull all the punches? Does the mother have, (Malicious Parent Syndrome?) Did you go too far with the abuse and anger and pushed the mother over the edge causing her for some payback...punishing you forever and using your children to do it? You have trouble keeping up with your child support, because it feels like you are renting a kid for a couple of hours a week while they like you less and less for what they are being taught about you. If you could take the abuse back, you would! If you could take back the anger and breaking things in the house, you would! For just once more to hear your son or daughter say, "You're my dad, and I love you for that!" "You are far from perfect... but still my dad!" "You might be an idiot, but you gave me life!" You might just be a, Vader Dad! Even when they cannot forgive you from all of the abuse... there is another... God can forgive the broken soul and heal you! Vader Dad can help! There is a hope... even your tombstone can say, "I loved my children!" No one can steal that from you... nor the love you have for your children! No one! Let Heaven see your hurting heart!

Implicit Memory and Metacognition

Metacognition is a term that spans many sub-areas in psychology and means different things to different people. A dominant view has been that metacognition involves the monitoring of performance in order to control cognition; however, it seems reasonable that much of this control runs implicitly (i.e., without awareness). Newer still is the field of implicit memory, and it has different connotations to different sub-groups as well. The editor of this volume takes it to mean that a prior experience affects behavior without the individual's appreciation (ability to report) of this influence. Implicit memory and metacognition seem to be at two opposite ends of the spectrum -- one seemingly conscious and control-oriented, the other occurring without subjects' awareness. Do these processes relate to each other in interesting ways, or do they operate independently without reference to each other? The relatively novel conjecture that much of the control of cognition operates at an implicit level sparked Reder's desire to explore the interrelationship between the two fields. Developed within the last two decades, both fields are very new and generate a great deal of excitement and research interest. Hundreds of articles have been written about metacognition and about implicit memory, but little if any material has been published about the two areas in combination. In other words, Metacognition and Implicit Memory is the first book attempting to integrate what should be closely linked efforts in the study of cognitive science.

Vader's Little Princess

In this irresistibly funny follow-up to the breakout bestseller *Darth Vader and Son*, Vader—Sith Lord and leader of the Galactic Empire—now faces the trials, joys, and mood swings of raising his daughter Leia as she grows from a sweet little girl into a rebellious teenager. Smart and funny illustrations by artist Jeffrey Brown give classic Star Wars moments a twist by bringing these iconic family relations together under one roof. From tea parties to teaching Leia how to fly a TIE fighter, regulating the time she spends talking with friends via R2-D2's hologram, and making sure Leia doesn't leave the house wearing only the a skirted metal bikini, Vader's parenting skills are put hilariously to the test. Plus, this is the fixed-format version, which looks almost identical to the print edition.

When Your Father Dies

Whether his passing was sudden or gradual, regardless of the health of the father-son relationship . . . when the man who gave you life dies, a part of you dies as well. It is an emotional rite of passage that affects who you are, how you relate to others, how you deal with your past, and how you face your future. You will find study questions at the end of each chapter in this book as authors Dave Veerman and Bruce Barton share their own emotional journeys, along with the insights and practical advice of professional counselors. Each chapter of *When Your Father Dies* also focuses on a specific life experience with personal accounts of men – some famous and some not – who have lost their fathers: "My father's death changed my relationship with God. I learned that He's in charge, not me." "When I realized how young my dad had died [at 59], I knew that I had no time to waste if I was going

to make something of my life." More than a book about grief, *When your Father Dies* is a map through the complex emotions and changes a man goes through following the loss of his father.

The Secret History of Star Wars

In this thorough account of one of cinema's most lasting works, Kaminski presents the true history of how "Star Wars" was written. For this unauthorized account, he has pored through more than 400 sources.

Notes on Grief

A personal and powerful essay on loss from Chimamanda Ngozi Adichie, the bestselling author of *Americanah* and *Half of a Yellow Sun*.

I Am Your Father

A man's swears, hilarious, irritating and sometimes tragic (in the comical sense) journey to Fatherhood. 'I am your Father' paints a picture of the journey to parenthood through a Father's eyes in the form of conversations to his unborn child. Sex, drugs, tears, love and compassion are all considered as the unborn child has a remarkable effect on the Father-to-be. If you are a Father you will surely see your reflection in many of the stories. If you are a Mother you may appreciate the man's perspective on the path to parenthood or you may just have a good f**king chuckle at his expense. 'I am your Father Vol. 2. Every family has a beginning...' coming soon. Well, in about a year to be exact.

About Your Father and Other Celebrities I Have Known

Peggy Rowe is at it again—this time giving a hilarious inside look at growing up Rowe, both before and after Mike's rise to fame. Since the day they said, "I do," Peggy's previous "doting" lifestyle met with her husband John's minimalist ways and became the backdrop for years of adventure and a quirky sense of humor because of their differences. From thoughts of wearing headlamps in the house to save energy, to squeezing out the last drop of toothpaste with a workbench vise, Peggy learned to pick her battles and celebrate the hilarity in each situation. Once their boys were born, woodstove mishaps and garbage dumping tales were the seed for Mike's obsession with doing dirty jobs and the comical presence he is known for today. As Mike rose to fame, Peggy was his biggest fan—who gave motherly advice and constructive criticism, of course. She baked cookies for Mike to take to Joan Rivers for a Christmas party hostess gift, and even wrote fan letters under faux names and mailed them from different cities to Mike's producer. By the time Mike hits it big, Peggy and John retire to face more adventures, with a lightning strike in their condo, an elderly friend who ate marijuana leaves, and entering into celebrity status by making Viva paper towel and Lee jeans commercials, plus so much more. Peggy's stories relive the details that intrigue and entertain old and new fans alike. So if you want a bigger, even funnier take on the Rowe family, *About Your Father and Other Celebrities I Have Known* delivers.

Papa, Please Get the Moon for Me

In a book with foldout pages, Monica's father fulfills her request for the moon by taking it down after it is small enough to carry, but it continues to change in size.

Holy Bible (NIV)

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

And When Did You Last See Your Father?

First published in 1993, Blake Morrison's *And When Did You Last See Your Father?* is an extraordinary portrait of family life, father-son relationships and bereavement. It became a best-seller and inspired a whole genre of confessional memoirs, winning the Waterstone's/Volvo/Esquire Award for Non-Fiction and the J. R. Ackerley Prize for Autobiography. This edition includes a new afterword by the author.

I Am a Girl

A poetic story that emphasizes the impact of the father/daughter relationship on girls, families, and communities.

Honour Thy Father

A remote, crumbling house; four sisters; and the secrets that imprison them... 'Before Gillian Flynn, there was Lesley Glaister' Harper's Bazaar 'Frightening yet eerily beautiful ... Lesley Glaister is adept, original and mature' Hilary Mantel In a remote, crumbling house in the Fens live four sisters - Agatha, Milly, and Ellen and Esther - identical twins so closely linked as to be almost one person. They have lived there all their lives, trapped still by the fear of their dead father, who governs his daughters' lives from beyond the grave. And then there is George, another inhabitant, imprisoned in the cellar. Little by little, macabre events come to light: events that transform an idyllic country childhood into a world of eccentric isolation. 'Eerie and satisfying - a horror story told with tenderness' Sunday Times

I Am Not a Number

When eight-year-old Irene is removed from her First Nations family to live in a residential school she is confused, frightened, and terribly homesick. She tries to remember who she is and where she came from, despite the efforts of the nuns who are in charge at the school and who tell her that she is not to use her own name but instead use the number they have assigned to her. When she goes home for summer holidays, Irene's parents decide never to send her and her brothers away again. But where will they hide? And what will happen when her parents disobey the law? Based on the life of co-author Jenny Kay Dupuis' grandmother, I Am Not a Number is a hugely necessary book that brings a terrible part of Canada's history to light in a way that children can learn from and relate to.

A New Hope

"This is the legendary story of Luke Skywalker, from his childhood on Tatooine to his fierce battle with his toughest enemy--himself"--Publisher.

The Curious Incident of the Dog in the Night-time

Winner of the Whitbread Book of the Year 'Outstanding...a stunningly good read' Observer 'Mark Haddon's portrayal of an emotionally dissociated mind is a superb achievement... Wise and bleakly funny' Ian McEwan The Curious Incident of the Dog in the Night-Time is a murder mystery novel like no other. The detective, and narrator, is Christopher Boone. Christopher is fifteen and has Asperger's Syndrome. He knows a very great deal about maths and very little about human beings. He loves lists, patterns and the truth. He hates the colours yellow and brown and being touched. He has never gone further than the end of the road on his own, but when he finds a neighbour's dog murdered he sets out on a terrifying journey which will turn his whole world upside down.

Jesus and the Old Testament Roots of the Priesthood

Is there anything in the New Testament about the need for priests in the Church? Many Protestants would argue no. And if you point out that there is a priesthood in the Old Testament, they are likely to say it was a feature of the Old Covenant that was undone by Christ. How should a Catholic respond? In Jesus and the Old Testament Roots of the Priesthood, biblical scholar John Bergsma convinces readers that Jesus did, in fact, intend for a ministerial priesthood to be a key feature of the New Covenant. Bergsma shows how the priesthood is a major thread holding together the biblical story line—beginning with Adam's loss of the gift of priesthood in the Fall and the long process of restoring his descendants to a priestly status over the centuries, culminating with Christ. With chapter summaries and discussion questions included, Jesus and the Old Testament Roots of the Priesthood can readily be adapted into a four-part study for personal or small group use.

Father Therapy

Wounds from primal relationships, such as those with mothers and fathers, run very deep. If your childhood involved an absent, addicted, or abusive father, you may have these "emotional ghosts": -Low self-esteem -People-pleasing, approval-seeking, neediness, and co-dependency -Wishing and praying that your dad would change into the father you believe he should be -Feeling frequently angry, including repressed anger -Choosing romantic partners who remind you of your dad -Intimidation surrounding male authority figures In this insightful and compassionate book, former psychotherapist Doreen Virtue

and practicing clinical social worker Andrew Karpenko present a range of self-healing techniques to empower you to counsel your inner wounded child so that you can deal with men as a healthy functioning adult. Whether you are a man or a woman, they help you to choose thriving, balanced relationships with the males in your life; open your heart to feeling safe receiving love; and reconnect with both divine feminine and masculine energies. All of your painful experiences have happened for a reason. There are parts of your psyche calling out for attention. Healing your father wounds will free you from lingering feelings of emptiness and patterns of dysfunction with men--to pursue your passion and life purpose unfettered by the past.

Star Wars®: Episode III: Revenge of the Sith

Award-winning author Patricia C. Wrede tells the final chapter of the Star Wars saga, in this incredible novel based on one of the most eagerly awaited movies of all time. The circle will now be complete: the final installment of the Star Wars saga, showing the emergence of Darth Vader, the downfall of the Jedi, and the revenge of the Sith.

Dearest Father

Hi! I'm HelloGreedo. I started a Star Wars YouTube channel in 2011, and now I wrote a book. Writing Sorry About The Mess was a happy accident. In 2016, I enrolled in two college classes that had a four hour break between them. My goal was to use those four hours to work on scripts and videos for my YouTube channel. While I did hash out a lot of videos during that break, I also began typing random thoughts, chronicling some life experiences, and cataloging opinions on various subjects. Over the past three years, whenever I felt like it, I would add to the book. Slowly but surely those random thoughts formed into (semi) cohesive chapters, and those chapters became this book. Sorry About The Mess is a lot like my live streams; random and all over the place. I have a habit of ping-ponging from topic to topic. This book ended up being more personal than I originally anticipated. If you're looking for 200 pages of nothing but a Star Wars discussion, you might want to look elsewhere! In Sorry About The Mess, you'll follow me on a journey through fandom, fatherhood, the United States Navy, clickbait, social media, and much more! I named it Sorry About The Mess for a reason. I should have hired an editor... Chapters: The Origin Story Why Star Wars? Clickbait & Social Media YouTube My Top Ten Movies The United States Navy Video Games Being a Dad Supporter Q&A In Closing

I Am Your Father

This deluxe, 244-page edition includes 5 hand-signed, archival-quality giclée prints by Howard Chaykin, Tom Jung, Roger Kastel, Drew Struzan, and Boris Vallejo, as well as 40 exclusive artworks. Featuring foil-stamped, real-cloth binding and housed in a lush clamshell case, this edition is limited to 325 copies. Few pieces of artwork distill the passion for Star Wars as do posters. From Tom Jung's iconic one-sheet for Episode IV to Roger Kastel's Gone with the Wind-inspired painting for Episode V and beyond, Star Wars has enjoyed nearly four decades of poster art from some of the most renowned artists working in movies. The fifth book in the George Lucas-curated Star Wars Art series, Posters collects the best artwork from all six Star Wars films, the Star Wars: The Clone Wars animated television series, and limited-edition prints. This collection unites all of the action, artistry, and drama of a galaxy far, far away into one lavishly produced tome.

Sorry About the Mess

Jack Kyle was the rugby giant of his time, but he was also so much more than a sporting legend. Whilst he was winning a Grand Slam and touring with the Lions, Jack Kyle was also studying to be a doctor. When he retired from playing rugby - as the world's most-capped player - his sense of adventure and medical ambition led him to settle in Chingola, Zambia, where he spent the next thirty-four years of his life. For many years, he was the only medically trained surgeon in the town and so faced many challenges, not least the appearance of and devastation caused by AIDS. Written as a series of conversations with his daughter, Justine, Conversations with My Father reveals Jack Kyle as a supremely gifted rugby player, a dedicated surgeon and a gentle family man.

Star Wars Art: Posters (Limited Edition)

Why do most people know what an Ewok is, even if they haven't seen Return of the Jedi? How have Star Wars action figures come to outnumber human beings? How did 'Jedi' become an officially recognised

religion? When did the films' merchandising revenue manage to rival the GDP of a small country? Tracing the birth, death and rebirth of the epic universe built by George Lucas and hundreds of writers, artists, producers, and marketers, Chris Taylor jousts with modern-day Jedi, tinkers with droid builders, and gets inside Boba Fett's helmet, all to find out how STAR WARS has attracted and inspired so many fans for so long. 'It's impossible to imagine a Star Wars fan who wouldn't love this book. There are plenty of books about Star Wars, but very few of them are essential reading. This one goes directly to the top of the pile' Booklist (starred review).

Conversations with My Father: Jack Kyle

How Star Wars Conquered the Universe

You are the Best Wife

Ajay believes in living for himself; Bhavna teaches him to live for others. Ajay is a planner for life; Bhavna makes him live in every moment. *You are the Best Wife* is a story of two people with contradictory ideologies who fall in love. It changes them for good. It changes the way they look at the world and the way the world looks at them. Until destiny reveals its plans. This is a true inspiring story of the author and his struggle with life, after his beloved wife left him halfway through their journey. But her last words, 'you are the best husband' gave him the strength to live on, and fulfil his promise of love. Told with frankness and doses of humor, this heartwarming tale of a boy and a girl who never gave up on their love in face of adversities, ends on a bittersweet and poignant note as Ajay comes to terms with the biggest lesson life has to offer.

I Wish You All the Best

'A soft, sweet, and incredibly important story about a nonbinary teen finding their voice. This book is going to be so important to so many people.' - Alice Oseman, author of *Heartstopper* It's just three words: I am nonbinary. But that's all it takes to change everything. When Ben De Backer comes out as nonbinary, it doesn't go down as planned: they are thrown out of their house and forced to move in with their estranged older sister. All Ben can do is try to keep a low profile in a new school. But Ben's attempts to go unnoticed are thwarted when Nathan Allan, a funny and charismatic student, decides to take Ben under his wing. As Ben and Nathan's friendship grows, their feelings begin to change, and what started as a disastrous turn of events looks like it might just be a chance to start a happier, new life. At turns heartbreaking and joyous, *I Wish You All the Best* by Mason Deaver is both a celebration of life, friendship, and love, and a shining example of hope in the face of adversity. 'Heartfelt, romantic, and quietly groundbreaking. This book will save lives.' - Becky Albertalli, New York Times bestselling author of *Simon vs. the Homo Sapiens Agenda*

I'm the Best

"A joyous spirit pervades this picture book and its fallible yet lovable protagonist." — Booklist (starred review) "I win! I'm the best!" Dog boasts. He can run faster than Mole, dig better than Goose, swim faster than Donkey, and he's much bigger than Ladybug. He wins! Unfortunately, Dog's nonstop bragging is starting to make his friends feel kind of sad. But what if they mixed things up and looked at them differently? Could they teach Dog a lesson — and remind him of what it means to be a best friend?

You Are Your Best Thing

Tarana Burke and Dr. Brené Brown bring together a dynamic group of Black writers, organisers, artists, academics and cultural figures to discuss the topics the two have dedicated their lives to understanding and teaching: vulnerability and shame resilience. Contributions by Kiese Laymon, Imani Perry, Laverne Cox, Jason Reynolds, Austin Channing Brown, and more. It started as a text between two friends. Tarana Burke, founder of the 'me too.' Movement, texted researcher and writer Brené Brown to see if she was free to jump on a call. Brené assumed that Tarana wanted to talk about wallpaper. They had been trading home decorating inspiration boards in their last text conversation so Brené started scrolling to find her latest Pinterest pictures when the phone rang. But it was immediately clear to Brené that the conversation wasn't going to be about wallpaper. Tarana's hello was serious and she hesitated for a bit before saying, "Brené, you know your work affected me so deeply, but as a Black woman, I've sometimes had to feel like I have to contort myself to fit into some of your words. The core of it rings so

true for me, but the application has been harder." Brené replied, "I'm so glad we're talking about this. It makes sense to me. Especially in terms of vulnerability. How do you take the armour off in a country where you're not physically or emotionally safe?" Long pause. "That's why I'm calling," said Tarana. "What do you think about working together on a book about the Black experience with vulnerability and shame resilience?" There was no hesitation. Burke and Brown are the perfect pair to usher in this stark, potent collection of essays on Black shame and healing. Along with the anthology contributors, they create a space to recognise and process the trauma of white supremacy, a space to be vulnerable and affirm the fullness of Black love and Black life.

Mommy, You're the Best!

Celebrate Mom by sending a Special Delivery book and card! What better way to celebrate the mother(s) in your life than with a keepsake book? With adorable illustrations and sweet text, this story is perfect for Mother's Day...or just because! Packaged with a pull-out card to sign, and an envelope for mailing, this gift set is the perfect alternative to traditional cards!

Best Class You Never Had

History teacher Kevin Lee is retiring from Seneca Falls High School, where he has worked for the past forty years. He decides to use the freedom of his pending exit to toss the state curriculum and teach the U.S. survey as the story of the alluring, inspiring, murderous concept we know as the American Dream—which, he understands, his students regard with justified, if instinctive, skepticism. Lee discusses the rise, fall, and legacy of the Dream with these smart, funny, and irreverent eleventh graders, in a narrative peppered with memos, email exchanges, text messages, student journalism, and other documents from beyond the walls of his classroom. The result is the best history class you never had. A chronological history of the United States, this compelling novel also offers a snapshot of American education, written by a veteran teacher who slices through the arid literature of pedagogy to vividly depict the life of the classroom. Finally, it offers a deeply affectionate and patriotic vision of American life—one fully aware of the nation's limits and failures while honoring the longings so many of us have to believe in our country, even as we harbor deepening doubts about our nation.

9 Ways To Bring Out The Best In You And Your Child

Many parents are waking up to the fact that parenting is not about controlling their children, but about empowering themselves and their children. *9 Ways to Bring Out the Best in You and Your Child* is about turning power struggles into powerful relationships. It is about raising children who are full of spirit and life, and about teaching them to be caring human beings. Maggie Reigh teaches that parenting is a matter of the heart. Combining profound insights with practical ideas, Reigh shows parents how to raise respectful, responsible, and resilient children, and at the same time, add more life and laughter to their children's lives and their own. This is a book about raising children full of spirit and life, and teaching them to be caring human beings.

So Good They Can't Ignore You

Cal Newport's clearly-written manifesto flies in the face of conventional wisdom by suggesting that it should be a person's talent and skill - and not necessarily their passion - that determines their career path. Newport, who graduated from Dartmouth College (Phi Beta Kappa) and earned a PhD. from MIT, contends that trying to find what drives us, instead of focusing on areas in which we naturally excel, is ultimately harmful and frustrating to job seekers. The title is a direct quote from comedian Steve Martin who, when once asked why he was successful in his career, immediately replied: "Be so good they can't ignore you" and that's the main basis for Newport's book. Skill and ability trump passion. Inspired by former Apple CEO Steve Jobs' famous Stanford University commencement speech in which Jobs urges idealistic grads to chase their dreams, Newport takes issue with that advice, claiming that not only is this advice Pollyannish, but that Jobs himself never followed his own advice. From there, Newport presents compelling scientific and contemporary case study evidence that the key to one's career success is to find out what you do well, where you have built up your 'career capital,' and then to put all of your efforts into that direction.

You are the Best

Perfect gift for someone you admire, like, adore or love. Give it away for Birthday, Wedding or boost Yourself! Get Your Copy of, You Are The Best, Today!

Why Don't We Listen Better?

With a light touch and sensible techniques, Dr. Jim Petersen distills years of counseling and pastoral ministry into an informal volume loaded with practical tips, examples and techniques to practice. His book highlights our culture's courtroom-like communication that often puts people at odds with each other. Most people think they listen well but don't and folks walk away unheard, misunderstood and disconnected. Readers will chuckle in recognition at the tongue-in-cheek but spot-on "flat-brain" theory of emotions. It shows how and why we get upset and confused in tense situations and what to do about it. It lays the practical groundwork to better manage emotionally loaded situations. This book shows communication that works and is equally appropriate for professionals, such as pastors and therapists and for the general public. The ingenious Talker-Listener Card gives a taking-turn method to end arguing as we know it. It works for couples, business relationships, church listening programs, counselors, group discussions and the family dinner table listening game. Thirty listening techniques will help the reader immediately begin to turn enemies into friends, poor relationships into decent ones and good relationships into better ones. These accessible skills are being used in pastoral counseling classes, counseling offices, church staffs, professional offices, on dates, in corporate board rooms and at kitchen tables around the country .

It's Not How Good You Are, It's How Good You Want to Be

" It's Not How Good You Are, It's How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world's top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity – all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom – all packed into easy-to-digest, bite-sized spreads. If you want to succeed in life or business, this book is a must. "

You're Only as Good as Your Next One

"An under-read and engaging show-biz memoir." –The New Yorker "If I had a talent for anything, it was a talent for knowing who was talented." Mike Medavoy is a Hollywood rarity: a studio executive who, though never far from controversy, has remained well loved and respected through four decades of moviemaking. What further sets him apart is his role in bringing to the screen some of the most acclaimed Oscar-winning films of our time: *Apocalypse Now*, *One Flew Over the Cuckoo's Nest*, *Amadeus*, *The Silence of the Lambs*, *Philadelphia*, and *Sleepless in Seattle* are just some of the projects he green-lighted at United Artists, Orion, TriStar, his own Phoenix Pictures. "The ultimate lose-lose situation for a studio executive: to wind up with a commercial bomb and a bad movie." Of course, there are the box office disasters, and the films, as Medavoy says, "for which I should be shot." They, too, have a place in his fascinating memoir -- a pull-no-punches account of financial and political maneuvering, and of working with the industry's brightest star power, including Steven Spielberg, Martin Scorsese, Francis Ford Coppola, Kevin Costner, Robert De Niro, Jodie Foster, Sharon Stone, Michael Douglas, Meg Ryan, and countless others. "Putting together the elements of a film is a succession of best guesses." Medavoy speaks out on how movie studio buyouts have stymied the creative process and brought an end to the "hands-off" golden age of filmmaking. An eyewitness to Hollywood history in the making, he gives a powerful and poignant view of the past and future of a world he knows intimately.

The Best Possible You

A practical nutritional and lifestyle guide to improving your health and healing your body. The human body is an amazing and resilient system, and the food we eat, the way we move, and the way we chose to live our lives can all help to keep it in balance and improve our health. Leading nutrition and lifestyle coach Hannah Richards takes us step-by-step through how to listen to our bodies and take our health into our own hands, by getting back to the basics and building a relationship with every part of our bodies. Each chapter covers an organ of the body and features: What it does How to keep it healthy What it may look or feel like when the organ is out of balance Healing foods including recipes and

herbal supplements and remedies It is also full of useful tips for improving our mental wellbeing, and provides a truly holistic approach to living - and feeling - well.

The Secret To You, A Better Life, And Better Workouts

The Secret To You, A Better Life, And Better Workouts focuses on the mindset used by some of the most successful people that have ever lived, and the tools they used to create the things they wanted to create. This eBook provides you with the Natural Laws of the Universe, and if used properly, these laws will help you create the life you want. The truth is you can do, be, or have anything and any other type of thinking is just bad conditioning. You are not only given the tools to create the life you want, but also given the tools to get the most out of your workouts. This book will recondition the way you think to make you successful. It will guide you and give you what you need to know in a precise and concise, easy to understand way, so you can become the best version of yourself, and get the most out of your workouts. Enjoy!

A Better You Experience

Entering adulthood without a blueprint can prompt uncertainty. Adulthood comes at us fast and lacking a strategic plan can lead to poor decision making, countless mistakes, and spending years trying to recover. Unfortunately, we don't just inherently know the right plan for our future. "For we live by faith, not by sight." ??2 Corinthians? ?5?:?? ?NIV?? A Better You Experience will provide you with the necessary steps to thrive in those initial years of adulthood, leading to a life of fulfillment. This life changing approach to taking on adulthood will provide you with the tools to:

- Realize with God you can become the best version of yourself
- Understand success is in your hands, no matter your life's circumstances
- Lean on God, trust God and know that things will work out according to God's plan

If you are already experiencing consequences from the fumbles of your past, you don't need to spend another moment dwelling and looking in the rear view. This book will put you on the path of recovery to walk in your purpose and be a better you. The choice is yours!

Learn You Some Erlang for Great Good!

Erlang is the language of choice for programmers who want to write robust, concurrent applications, but its strange syntax and functional design can intimidate the uninitiated. Luckily, there's a new weapon in the battle against Erlang-phobia: Learn You Some Erlang for Great Good! Erlang maestro Fred Hébert starts slow and eases you into the basics: You'll learn about Erlang's unorthodox syntax, its data structures, its type system (or lack thereof!), and basic functional programming techniques. Once you've wrapped your head around the simple stuff, you'll tackle the real meat-and-potatoes of the language: concurrency, distributed computing, hot code loading, and all the other dark magic that makes Erlang such a hot topic among today's savvy developers. As you dive into Erlang's functional fantasy world, you'll learn about:

- Testing your applications with EUnit and Common Test
- Building and releasing your applications with the OTP framework
- Passing messages, raising errors, and starting/stopping processes over many nodes
- Storing and retrieving data using Mnesia and ETS
- Network programming with TCP, UDP, and the inet module
- The simple joys and potential pitfalls of writing distributed, concurrent applications

Packed with lighthearted illustrations and just the right mix of offbeat and practical example programs, Learn You Some Erlang for Great Good! is the perfect entry point into the sometimes-crazy, always-thrilling world of Erlang.

Top Five Regrets of the Dying

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, The Top Five Regrets of the Dying, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these

regrets are and how we can positively address these issues while we still have the time. The Top Five Regrets of the Dying gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Good Luck Sir...Sorry You Lose!

Good Luck Sir... Sorry You Lose! is a lighthearted, sometimes quirky, look at the Las Vegas gaming business, through the eyes of a casino dealer. It follows the author's dealing career, told in chronological order, from 1980 until his retirement in 2018. During that time, he experienced lessons that were never taught in dealer's school, such as staying composed while encountering irate and contemptible personalities. And those were just the other dealers. Our author also delves into the mind-set of the true gambler. From the desperation of the local player trying to parlay his meager buy-in into the two-week late rent on his apartment, to the high-rolling whale who thinks nothing of continuing to wager two hundred thousand dollars per hand in baccarat. Throughout this book, there is some laughter and there is tragedy, but in the end, one comes to realize that this truly is a study in humanity.

Rugby! Be the Best 'You' You Can Be!

'Rugby! Be the best `You` you can be!', is about personal and professional improvement through the mindset of the Rugby player. We are all very different, but we all want to succeed and ultimately be happy. This book is a philosophy of improvement using Rugby Union as the mentor. When we want to improve ourselves on a personal level, we think about getting a `life coach`, and when we want to improve ourselves on a professional level, we think about getting a `mentor`. When we are looking to improve ourselves as a team, we go on `teambuilding exercises`. Rugby is all about personal and professional improvement and above all, teamwork! Life is the ultimate team sport! No matter who we are, we all have people we rely on, or that rely on us. Whether we have friends, family, students, teachers, clients, suppliers, employers and employees, we are all working together for success and happiness. I realised, after listening to many different specialists and studying many different techniques in business leadership, management, emotional intelligence and motivation, that there were many analogies and phrases from the world of sports but that was where it stopped. Understanding that a company is only as good as its team, why was I not learning from the greatest teams? Rugby is all about how to work effectively as a team and how to get the best from yourself and your teammates. There are also lessons in leadership, motivation, work ethic, self-awareness, positive mental attitude, self-control, discipline, patience, emotional intelligence, personal growth, responsibility, fulfilment, respect and, above all, happiness! A Rugby player cannot win on their own, therefore there is no success without a team. Simply put, we all understand sport and the sports team mentality, so we already understand how to succeed, personally and professionally. Studying leadership, motivation and teamwork is as complicated as watching the game at the weekend. This book shows how easy it is to create a winning mindset that will help you be more successful, positive and happy! Become the best `You` you can be with a sport team mentality. Grab life with both hands and win!

Women Don't Owe You Pretty

'THE BEAUTY MYTH' FOR THE INSTAGRAM GENERATION Women Don't Owe You Pretty is the ultimate book for anyone who wants to challenge the out-dated narratives supplied to us by the patriarchy. Through Florence's story you will learn how to protect your energy, discover that you are the love of your own life, and realise that today is a wonderful day to dump them. Florence Given is here to remind you that you owe men nothing, least of all pretty. WARNING: CONTAINS EXPLICIT CONTENT (AND A LOAD OF UNCOMFORTABLE TRUTHS). THE FEMINIST BOOK EVERYONE IS TALKING ABOUT. 'An incredible mouthpiece for modern intersectional feminism.' - Glamour 'A fearless book.' - Cosmopolitan 'A hugely influential young woman.' - Woman's Hour 'Rallying, radical and pitched perfectly for her generation.' - Evening Standard

Get inspired by movies: Life lessons from movies for a better YOU

The history of cinema is short, just over one hundred years old. But, in these hundred-odd years, movies have influenced life in a big way. Movies make you laugh, cry, shout, and dance. But, • Are movies all about entertainment? • Can movies be a source of inspiration? • What are the lessons you can learn from movies? • How can you use the medium of movies to become a better you? You will find answers to these questions in this book.

How Much Do You Love Me? Forbidden love is the greatest love of all

On December 7, 1941, Keiko Tanaka finds her whole world affected by the Pearl Harbor bombings. Normally friendly neighbors are suddenly suspicious of her Japanese ancestry, and her engagement to James Armstrong—a Caucasian—becomes a crisis rather than a celebration. Despite their parents' protests, Keiko and James decide to marry before she is sent to the internment camps and he to the war. Nearly sixty years later, Keiko's daughter, Kazuko—born in the camps—attends to Keiko on her deathbed. However, a chance incident makes her suspect that her mother is harboring a secret. The truths she is about to uncover might unravel the family . . . and change her very perception of abiding love.

Buffalo Medical Journal and Monthly Review of Medical and Surgical Science

I want to show you how you can be a champion in almost anything you put your mind to. Marcus Rashford MBE is famous worldwide for his skills both on and off the pitch – but before he was a Manchester United and England footballer, and long before he started his inspiring campaign to end child food poverty, he was just an ordinary kid from Wythenshawe, South Manchester. Now the nation's favourite footballer wants to show YOU how to achieve your dreams, in this positive and inspiring guide for life. Written with journalist Carl Anka, *You Are a Champion* is packed full of stories from Marcus's own life, brilliant advice and top-tips from performance psychologist Katie Warriner. It will show you how to be the very BEST that you can be. It shows kids how to: - Be comfortable with who you are – you can't be a champion until you're happy being you! - Dream big - Practise like a champion - Get out of your comfort zone and learn from your mistakes - Navigate adversity in a positive way - Find your team - Use your voice and stand up for others - Never stop learning With an afterword by Tim S. Grover. A book that unlocks the joy of reading: From parents on social media: 'My 8 year old decided to finally read a book that wasn't school related.' 'Thank you for inspiring young readers.' 'Hates reading but bought his first book today.'

You Are a Champion

As indigenous populations are invited to participate in cultural heritage identification, research, interpretation, management, and preservation, they are faced with a variety of challenges, questions that are difficult to answer, and demands that must be carefully navigated. *We Come for Good* describes the development and operations of the Tribal Historic Preservation Office (THPO) of the Seminole Tribe of Florida as an example of how tribes can successfully manage and retain authority over the heritage of their respective cultures. With Native voices front and center, this book demonstrates ways THPOs can work within federal and tribal governments to build capacity and uphold tribal values--core principles of a strong tribal historic preservation program. The authors also offer readers one of the first attempts to document Native perspectives on the archaeology of native populations.

We Come for Good

Based on Mike Bayer's New York Times bestseller *Best Self*, a motivational, do-it-yourself workbook teaching you how to reinvent your life and live every day as your Best Self. In *Best Self*, Mike Bayer, known to his fans and followers as Coach Mike, empowered his readers to embrace authenticity, break through obstacles, and discover the freedom to be their best selves. By working through each of the Seven SPHERES of life—Social, Personal, Health, Education, Relationships, Employment, and Spiritual Development—Coach Mike distilled his wisdom into a focused guide to get real results. Now, Coach Mike, a regular on The Dr. Phil Show, expands upon his tried-and-true strategy for igniting change and shows you how to design a life that is deeply fulfilling. In this fully interactive workbook, Coach Mike builds on the revealing quizzes, provocative questionnaires, and paradigm-shifting prompts he introduced in *Best Self*. Using his important but tough questions and exercises, he can help anyone see what their Best Selves and Anti-Selves really look like. The truth is, we all show up in slightly different ways within each of our seven SPHERES. We behave differently when we are in “parenting” mode, versus “career” mode, and so on. That's to be expected to a degree, but where we run into trouble is when we aren't always acting as our Best Self within all of our SPHERES. This workbook helps the reader discover personalized strategies for consistently staying connected to and behaving authentically within each SPHERE, because if we aren't, then we run the risk of getting way out of balance in some areas of our lives. As a mental health specialist, a personal development coach, and an all-around change agent, Coach Mike understands our struggles intimately, because he's faced—and

overcome—his own. With this essential handbook, he makes you see that change is possible. *Be Your Best Self* will give readers the tools to build a better life, in real-time.

Be Your Best Self

In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

The Ideal Team Player

The Rough Guide to the Best Music You've Never Heard is a winning collection of amazing stories of tragic mavericks and unlucky contenders, with hundreds of lost classics and hidden gems. The guide traces the musicians that fell by the wayside from the bands that could have been The Beatles to the acts that were better than the acts that made it. Find out why David Ackles is the Elton John that never was (and why Elton John agrees). Whether they were psychedelic hippies, lost soul divas, geeky prog-rockers, hell-raising rockers or pop-star wannabes, they are all in this book for one reason- they made truly fantastic music. Frank and opinionated, the guide is packed with playlists, includes stylish archive photos as well as contributions from music industry insiders including Bat for Lashes. Clue-up on the infamous lost albums from some of rock's biggest stars and discover the tails of the famous-name side-projects that got away, not forgetting the cult albums reviled at the time. . . that are actually really good. If you're looking for great new music, this book will show it to you. If you think you've heard it all, it'll put you to the test. With the finest tunes that time forgot, this guide could feed your iPod for life.

The Rough Guide to the Best Music You've Never Heard

THE SUNDAY TIMES BESTSELLER Sometimes it feels so hard to love yourself. We worry that we're not good enough or we're being selfish if we take time to prioritise what we need. But self-love is so important and even if we're our own biggest critic, it can be done! You deserve better xxx Hands up if you're fed up with being told you need to go on this diet, you need to behave this way, or you probably shouldn't wear this outfit...the list goes oooooon. Anne-Marie's been told these things her whole life too and they didn't make her feel any better. But now, she's discovered the simple tools that mean she treats herself with the love and respect she needs and this, in turn, means she's able to go out into the world and be as strong, confident and true to herself as she can be. And she wants YOU to be able to do the same. *You Deserve Better* is the must-read book from singer-songwriter Anne-Marie that doesn't give you fluffy promises about self-care but speaks honestly about body image, mental health, being successful at work and more. It's the real advice that every person needs to hear to be happier in themselves and in the world. Cause you know what? **YOU DESERVE BETTER.**

You Deserve Better

This explosive, intersectional collection of essays, fiction, poems, plays, and more, explores the universality of human reproductive experiences, as well as their distinct individuality. Twenty-eight contributors examine issues both timely and, somehow, timeless: policing of women's bodies, the choice to live child-free lives, the lack of access to reproductive health, the misogyny, racism, and other forms of bigotry inherent throughout in the medical system, and the fear of what the future might hold. A naval officer must choose between her military career or keeping an unexpected pregnancy. A mother of three decides to become a surrogate, but is unprepared for everything that happens next. A trans man's pregnancy forces them to approach their key relationships in a new way. A woman's choice to live a child-free life is put to the test when her husband's dying wish is for them to become parents. Forced sterilization camps line the borders of America in a dystopian future that may not be far off. In their own unique and unforgettable way, each storyteller examines our crisis of access to care in ways that are at turns haunting, heartbreaking, and outright funny. This collection is a collaboration with the

Brigid Alliance, a nationwide service that arranges and funds confidential and personal travel support to those seeking abortion care.

I Know What's Best for You

What does teaching look like at its very best? How are great teachers able to ignite a love of learning and change students' lives? In this book you'll learn from seven remarkable teachers who stretch beyond the conventional foundations of good teaching to transform their classrooms into exciting, dynamic places where teachers and students cocreate the learning experience. Based on six years of extensive work, the book outlines a framework that identifies four dimensions of effective teaching and learning that are integrated in these highly effective teachers' classrooms—and that all teachers can use to recognize and release the potential in themselves and their students.

The Best Teacher in You

The Best Version of You is a self-help book designed to introduce new skills and concepts for anyone to use when they're facing adversity, feeling lost and out of focus, wanting to make changes in their lives, or simply wanting to update themselves. We update our phones, our computers, and our software, but honestly, when was the last time we updated ourselves?

The Best Version of You

Milton : My Brother You Are the Best - Notebook/Journal with Design and Personalized Name Milton - (Milton Notebook)

There are a lot of personality and intelligence tests out there designed to label you and put you in a particular box. But Dr. Caroline Leaf says there's much more to you than a personality profile can capture. In fact, you cannot be categorized! In this fascinating book, she takes readers through seven steps to rediscover and unlock their unique design--the brilliantly original way each person thinks, feels, relates, and makes choices--freeing them from comparison, envy, and jealousy, which destroy brain tissue. Readers learn to be aware of what's going on in their own minds and bodies, to lean in to their own experience rather than trying to forcefully change it, and to redefine what success means to them. Released from the suffocating box of expectations, they'll embrace their true identity and develop a clear sense of divine purpose in their lives. Knowing and understanding our identity empowers our choices. Unlocking one's you quotient is not optional--it is essential.

The Perfect You

NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, Thank You for My Service gives

readers who love America and love the good guys fresh insight into what it's really like inside the minds of the men and women on the front lines. It's also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, Thank You for My Service will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's Deadpool meets Captain America, except one went to business school and one went to therapy, and it's anyone's guess which is which.

Thank You for My Service

Wise words from great minds: "Revisit this colorful read whenever you need a pick-me-up—or a push—to get out there and make the most of your day." —Real Simple A quote book like no other, this thought-provoking collection compiles the timeless wisdom of great original minds— from Marie Curie to Stephen King, Joan of Arc to Jack Kerouac, Oscar Wilde to Harriet Tubman—brilliantly hand-lettered by beloved indie artist Lisa Congdon. You'll find enlightening insights ("Wisdom begins in wonder"—Socrates), stirring calls to action ("Leap and the net will appear"—John Burroughs), and stimulating encouragements ("Be curious, not judgmental"—Walt Whitman) beautifully illuminated on every page. A delightful reminder to make the most of life, Whatever You Are, Be a Good One is perfect for recent graduates, creative thinkers, and anyone looking for a little inspiration. "An impossibly charming compendium . . . The common thread underpinning these quotes—which include such beloved luminaries as Albert Camus, Simone de Beauvoir, Henry James, Anne Lamott, Soren Kierkegaard, and Leo Tolstoy—is Congdon's own sensibility about what it means to live with kindness and integrity, to cherish beauty and the creative spirit, and ultimately to be a good human being." —Brain Pickings

Whatever You Are, Be a Good One

Learn the Words. Get the blood. Rule the world. The Ustari Cycle starts here. From the "exhilarating, powerful, and entertaining" (Guardian) storyteller of the Avery Cates series comes a gritty supernatural thriller featuring a pair of unlikely heroes caught up in the underground world of blood magic. Magicians: they are not good people. The ethics in a world of blood are gray—and an underground strata of blood magicians has been engineering disasters for centuries in order to acquire enough fuel for their spells. Although in the modern world these mages stay in the shadows, their exploits have become no less bloody. Still, some practitioners use the Words and a swipe of the blade to cast simpler spells, such as Charms and Cantrips to gas up \$1 bills so they appear to be \$20s. Lem Vonnegan and his sidekick Mags fall into this level of mage, hustlers and con men all. Lem tries to be ethical by using only his own blood, by not using Bleeders or "volunteers." But it makes life hard. Soon they might have to get honest work. When the pair encounter a girl who's been kidnapped and marked up with magic runes for a ritual spell, it's clear they're in over their heads. Turning to Lem's estranged Master for help, they are told that not only is the girl's life all but forfeit, but that the world's preeminent mage, Mika Renar, has earth-shattering plans for her—and Lem just got in the way. With the fate of the world on the line, and Lem both spooked and intrigued by the mysterious girl, the other nominate him to become the huckleberry who'll take down Renar. But even if he, Mags, and the simpletons who follow him prevail, they're dealing with the kind of power that doesn't understand defeat, or mercy. (The first portion of We Are Not Good People was originally published in an altered form as Trickster by Pocket Books).

We Are Not Good People

Author Boye Lafayette De Mente identifies and describes the six overlapping elements in life--the physical, emotional, sexual, intellectual, spiritual and philosophical--that determine the quality of life, and provides specific and provocative guidelines for understanding, coping with, and making the best use of these elements. De Mente is internationally known for his 60-plus books on business ethics, culture, the influence of language on human behavior and the role of sex in human affairs. He has received numerous accolades for the clarity and impact of his writing style.

The 6 Keys to a Good Life - What You Must Know & Do to Live a Full Life

Are you too busy to pay much attention to your money? Do you worry that maybe you haven't been doing the right things? This book is for you, from Jane Bryant Quinn, the most trusted voice in personal

finance today. Her classic bestseller, *Making the Most of Your Money*, guided a generation toward smart and sensible financial choices. Here she strips away the extras, choosing the best financial ideas and products available today. They're all you need to create a successful and long-lasting financial plan. It's money management the No Worry way. To start with, she tells you to forget all the complicated stuff the financial industry sells. You don't need it, it costs too much, and some of it is downright bad. It's designed to make the banks, brokers, and insurance companies rich, not you. The best ideas (a super-short list!) are simple, low in cost, and easy to use. They're also sophisticated and smart. The strategies shown here are followed by some of the most successful planners and money managers around today, yet they're something everyone can understand. They'll give you what you need from your money -- regular savings, financial security, long-term investment growth, personal control, and best of all, peace of mind. Once you've set up a No Worry plan, you won't have to pay much attention to it. The choices you'll find here are all good ones. All you have to do is arrange for automatic payments and contributions and then get on with the rest of your busy life. You can focus your energies on your job, family, leisure, and friends, secure in the knowledge that your finances are okay. Here's what you'll do on the No Worry plan: Save more money without feeling pinched Get rid of debt the automatic way Keep yourself safe, with the right amount of insurance at the lowest cost Zero in on the right mortgage, every time Pick the best college savings plan for your kids Understand your finances, in ways you never did before Find the smartest and simplest ways of investing money, to earn superior returns over the long run The investment ideas alone will open your eyes to the newest strategies for accumulating wealth (without making big mistakes!). Jane Bryant Quinn will change the way you think about money. She has the answers busy people need.

Smart and Simple Financial Strategies for Busy People
