Your Own Ongoing Love Story

The Work of Your Foundation

I Moved to His House without an Invitation and Then I Forced Him into Marriage because I Needed

a Visa No Not Only for Myself I Needed To Sponsor My Kids and His Life Was a Mess a Total Mess His House Was Just Incredibly Messy He Had Three Biological Children the Three of Them Drug-Addicted so You Can Imagine What that Household Was like and There Was no Place for Me There Was no Room of My Own Where I Could Work the Only Advantage of Short Stories Is that You Can Write Them in a Brief

So You Can Imagine What that Household Was like and There Was no Place for Me There Was no Room of My Own Where I Could Work the Only Advantage of Short Stories Is that You Can Write Them in a Brief in a Week or Two or Maybe Three but It's a Brief Time Not like a Novel That Needs this Expansive Time and a Place Where You Have To Write It So I Wrote the Stories because the Only Advantage of Short Stories Is this the Short Story Is Much More Difficult To Write than a Novel because a Short Story Needs Precision Direction Speed Tension You Have To Know from the Very Beginning How It Ends It Has To Have a Punchline

Not like a Novel That Needs this Expansive Time and a Place Where You Have To Write It So I Wrote the Stories because the Only Advantage of Short Stories Is this the Short Story Is Much More Difficult To Write than a Novel because a Short Story Needs Precision Direction Speed Tension You Have To Know from the Very Beginning How It Ends It Has To Have a Punchline It's More It's Closer to Poetry than to Prose and in a Novel It's like a Tapestry You Can Make Many Mistakes and People Don't Even Notice because It's Yeah They Are Distracted whether with a Drama and They They Don't Notice Not in a Short Story

It's More It's Closer to Poetry than to Prose and in a Novel It's like a Tapestry You Can Make Many Mistakes and People Don't Even Notice because It's Yeah They Are Distracted whether with a Drama and They They Don't Notice Not in a Short Story but I Could Write those Short Stories Sitting in a Car in a Parking Lot in a Coffee Shop in a Park There Was no Other Place and so that's How I Wrote those Stories and They're all in One Way or another Love Stories because I Was in Love Why I Have I'M Getting Too Much Input about a Book That I Want To Write about Women and I'M So Confused that I Can't Write Anything Probably I Will Not Write the Book because of the Input So Don't Share It Just Be Quiet Work as the Best You Can and Then When You Are You Think You Have a Final Almost Perfect Manuscript You Find the Right Editor or Agent To Work with How Many Drafts of this Book Did You Go through Only One because this Book Was Very Easy To Write Very Easy I Didn't I Really I Didn't Have To I Just Had To Type the Story That's like Taking Dictation for Your Care Yeah I Mean if the Story Was There and When You're in that Mode Where the Characters Are Sort Of Talking through You Do You Then Sort Of Avoid Socializing a Lot or Yes

But as I Was Telling You Before because I Have the Whole Book in My Head I Need Silence and Many Hours Solitude Is Important What Do You Hope Readers Get out of Your Books Whatever They Want because I'M Not Trying To Deliver a Message I Want To Tell a Story To Share a Story That I Think that At Least for Me Is Important and some Readers Might Find One Thing in a Book or or Nothing and some Others Might Find Something Different Depending On on the Readers Experience and and Their Own Sentiments Their Own Feelings Their Own Past They Might Find Things That I Didn't Even Want Intended To Put in There They Just Happen To Be between the Lines and I Think this Happens to every Writer

So One of the Things I Hope Comes from It Is that It Returns this Incredible Story to some Prominence among People's Consciousness because It's Such an Incredible Story I Was Surprised that I Hadn't Heard of It and I Think It Will Do that So Thank You for that I Think We Have To Kind Of Close Up Now I Only Have I Only Have One Complaint about the Book Actually Which Is that One of the Characters Says that all Babies of a Certain Age Look like Winston Churchill Yours Is Not Having a Baby of a Certain Age I've Been Having Trouble Getting that that out of My Head

And So She Tried To Create a Maternity in a House in the Book Is She's Still Working in a House but Later She Got Hold of a Facade It's Called Axle but It Wasn't a Castle It's a It's a Large Mansion Let's Say that Was Abandoned in Elba Elba and this Woman Illness Sorry this Woman Created this Maternity and Would Breathe Take the Women Who Were Pregnant or Had Just Given Birth out of the Concentration Camps the French Concentration Camps and Give Them a Safety Place To Give Birth this Is Historical Then the Second World War Began
