Surrender

Thrill-seeking Victoria Huntington finds an exciting companion in the mysterious Earl of Stonevale and is happy to marry him after a whirlwind courtship, until she finds herself a prisoner in a crumbling Yorkshire mansion.

Surrender/Seduction

New York Times bestselling author Amanda Quick's first two romance novels, *Seduction* and *Surrender*. *Seduction* Townsfolk called him devil. For dark and enigmatic Julian, Earl of Ravenwood, was a man with a legendary temper and a first wife whose mysterious death would not be forgotten. Some said the beautiful Lady Ravenwood had drowned herself in the black, murky waters of Ravenwood Pond. Others whispered of foul play and the devil's wrath. Now country-bred Sophy Dorrington is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny-haired lass had her own reasons for agreeing to a marriage of convenience. One was vengeance, and in its pursuit she would entangle Julian in a blackmail plot, a duel at dawn, and a dangerous masquerade. The other reason was dearer to her heart, but just as wild a quest: Sophy Dorrington intended to teach the devil to love again. *Surrender* From the dazzling ballrooms of glittering London society to magnificent, cursed estate in the distant wilds of Yorkshire, comes the deliciously wicked story of a thoroughly unconventional courtship -- and a thrilling midnight rendezvous that could only lead to love... At four and twenty Victoria Huntington thought herself quite adept at fending off fortune hunters... until she came under siege from Lucas Colebrook, the darkly disturbing new Earl of Stonevale. Amidst the brightly plumed birds of the town, Lucas was a hawk. And when he held out the lure of moonlit rides and wild, reckless midnight escapades, Victoria found herself powerless to resist. But becoming Stonevale's companion in adventure was far more dangerous undertaking than Victoria could ever imagine. For the attractive Earl would use her every weakness to woo her, to win her, and ultimately to wed her. And soon the amber-eyed lady would find herself ensconced in a crumbling mansion deep in the English countryside... where the real reason for her hasty marriage becomes all too apparent...and where the ghosts of her dark-stained past are waiting to rise up in a terrifying plot that will threaten her life, her honor, and the only man she could ever love.

Surrender

From the dazzling ballrooms of glittering London society to magnificent, cursed estate in the distant wilds of Yorkshire, comes the deliciously wicked story of a thoroughly unconventional courtship—and a thrilling midnight rendezvous that could only lead to love. . . . At four and twenty Victoria Huntington thought herself quite adept at fending off fortune hunters . . . until she came under siege from Lucas Colebrook, the darkly disturbing new Earl of Stonevale. Amidst the brightly plumed birds of the town, Lucas was a hawk. And when he held out the lure of moonlit rides and wild, reckless midnight escapades, Victoria found herself powerless to resist. But becoming Stonevale's companion in adventure was far more dangerous undertaking than Victoria could ever imagine. For the attractive Earl would use her every weakness to woo her, to win her, and ultimately to wed her. And soon the amber-eyed lady would find herself ensconced in a crumbling mansion deep in the English countryside . . . where the real reason for her hasty marriage becomes all too apparent . . . and where the ghosts of her dark-stained past are waiting to rise up in a terrifying plot that will threaten her life, her honor, and the only man she could ever love.

The Paid Companion

The Earl of St. Merryn needs a woman. His intentions are purely practical - he simply wants someone sensible and suitably lovely to pose as his betrothed for a few weeks among polite society. He has his own agenda to pursue, and a false fiancée will keep the husband-hunters at bay while he goes about his business. The simplest solution is to hire a paid companion. Finding the right candidate proves more of a challenge than he expected. But when he encounters Miss Elenora Lodge, her feisty manner and golden eyes sway him to make a generous offer. Elenora's sorry financial circumstances - and dreams of a life of independence - leave her little choice but to accept. But St. Merryn appears to be hiding a secret or two, and things seem oddly amiss in his gloomy London home. Elenora soon discovers that this lark will be a far more dangerous adventure than she'd been led to believe. And the Earl of St. Merryn will find that the meek and mild companion he'd initially envisioned has become a partner in his quest to catch a killer - and an outspoken belle of the ball who stirs a bothersome passion in his practical heart.

Mistress

After a year of grand adventures touring the classical ruins of Italy and Greece, Iphiginia Bright returned to England to discover that the real excitement was at home. It seems that her Aunt Zoe has fallen victim to a sinister blackmailer and only Iphiginia can hope to stop the culprit before he can do more harm. Her plan is inspired: Imitating history's most legendary beauties--Cleopatra, Helen of Troy, Aphrodite--the former schoolmistress will remake herself, and descend upon London Society as the dazzling mistress of Marcus Valerius Cloud, the infamous Earl of Masters. Rumors hint that the Earl has disappeared at the blackmailer's hands, and by posing as his unknown mistress, Iphiginia is convinced she can ferret out the villain. Overnight, Iphiginia is transformed into a vision with a host of eager admirers, including one she does not expect -- the Earl of Masters himself, who strides into a shimmering ballroom one evening to coolly reclaim his "mistress". He is everything they say he is... arrogant, attractive, devastatingly seductive, and Iphiginia can't help but be enthralled. But when Marcus agrees to play along with her charade, she doesn't know that the determined earl has plans of his own: to tease and tempt her, until the beautiful deceiver becomes more than his mistress in name only.

Wait Until Midnight

Adam Hardesty has a serious problem. The secrets of his past are in danger of being exposed, and in the course of investigating his would-be blackmailer, he discovers the dead body of a prominent psychic. To make matters worse, her house has been torn apart, and the diary containing Adam's secrets is missing. His only lead is a list of the psychic's last visitors. The most likely suspect is a woman named Mrs. Caroline Fordyce, whom he confronts in her parlour, only to discover an inconvenient attraction to the beautiful young widow. Alarmed by Adam's insinuations and questions, Caroline concludes that she must conduct her own investigation- if she can discover the true killer, Adam will have no reason to expose her connection to the dead psychic, which would cause a scandal she and her aunts could ill-afford. Besides, her life has been boringly uncomplicated for too long, and the exciting tension she feels around Adam presents a welcome alternative to her mundane daily routine. But as Caroline and Adam journey deeper into the shadowy world of psychics, mediums and con artists, they find that the only ones they can count on are each other.

Seduction

Townsfolk called him devil. For dark and enigmatic Julian, Earl of Ravenwood, was a man with a legendary temper and a first wife whose mysterious death would not be forgotten. Some said the beautiful Lady Ravenwood had drowned herself in the black, murky waters of Ravenwood Pond. Others whispered of foul play and the devil's wrath. Now country-bred Sophy Dorrington is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny-haired lass had her own reasons for agreeing to a marriage of convenience. One was vengeance, and in its pursuit she would entangle Julian in a blackmail plot, a duel at dawn, and a dangerous masquerade. The other reason was dearer to her heart, but just as wild a quest: Sophy Dorrington intended to teach the devil to love again.

Deception

She was an innocent beauty seduced by a pirate's kisses—and a gentleman's lies . . . “[Amanda] Quick has provided an inviting little world of warmth, adventure, mystery, bouncy sex, and a (never oppressive) Regency setting.”—Kirkus Reviews From *Seduction to Surrender* and *Reckless to Ravished*, New York Times bestselling author Amanda Quick has spun one thrilling love story after another. Now, in her long-awaited hardcover debut, she introduces her most endearing heroine and compelling hero, in a dazzling, daring tale of lost pirate gold and legendary love. . . . *Deception*.

Ravished

From the cozy confines of a tiny seaside village to the glittering crush of the a fashionable London soiree comes an enthralling tale of a thoroughly mismatched couple . . . poised to discover the rapture of love. There was no doubt about it. What Miss Harriet Pomeroy needed was a man. Someone powerful and clever who could help her rout the unscrupulous thieves who were using her beloved caves to hide their loot. But when Harriet summoned Gideon Westbrook, Viscount St. Justin, to her aid, she could not know that she was summoning the devil himself. . . . Dubbed the Beast of Blackthorne Hall for his scarred face and lecherous past, Gideon was strong and fierce and notoriously menacing. Yet Harriet could not find it in her heart to fear him. For in his tawny gaze she sensed a savage pain she longed to soothe . . . and a searing passion she yearned to answer. Now, caught up in the Beast's clutches, Harriet must find a way to win his heart—and evade the deadly trap of a scheming villain who would see them parted for all time.

Wicked Widow

Madeline Deveridge is aware of the whispers behind her back, the rumors that she dispatched her husband to the next world and concealed her crime. But she has a far more pressing problem than her reputation as the Wicked Widow. It's impossible to believe that her late husband is haunting her and her aunt, but something odd is happening, and Madeline doesn't dare take chances. Summoning the brilliant, reclusive Artemas Hunt, secret owner of London's favorite pleasure pavilions and master of arcane talents, she blackmails him into providing help. As soon as the bargain is struck, Artemas and Madeline find their arrangement complicated by searing desire, and the frightening recognition that the ghost poses a very real danger. A Negotiated Surrender

From the elegantly appointed drawing rooms of London's most exclusive clubs to an imposing country estate in the heart of Dorset, comes a provocative tale of a free-thinking beauty, a dignified lord, and a mad impetuous love that defied all logic . . . Augusta Ballinger was quite sure that it was all a dreadful mistake. The chillingly pompous and dangerous Earl of Graystone could not possibly wish to marry her. Why, it was rumored that his chosen bride must be a veritable model of virtue. And everyone knew that Augusta, as the last of the wild, reckless Northumberland Ballingers, was a woman who could not be bothered by society's rules. That was why the spirited beauty had planned a midnight encounter to warn the earl off, to convince him that she would make him a very poor wife indeed. But when she crawled in through his darkened study window, Augusta only succeeded in strengthening Harry's resolve: to kiss the laughter from those honeyed lips and teach this maddening miss to behave! How could he possibly know that it was he who was in for a lesson . . . as his brazen fiancée set out to win his heart—and an old and clever enemy stepped in to threaten their love, their honor, and their very lives?

Rendezvous

New York Times bestselling author Amanda Quick returns with a thrilling new venture into romance and mystery, featuring the most unusual, highly compatible--undeniably combustible--pairing of Tobias March and his mesmerizing partner, Lavinia Lake. An invitation to a country house party at Beaumont Castle provides a perfect solution to Tobias and Lavinia's most exasperating challenge: how to escape the chaos of London for a remote, relaxing--and above all romantic--retreat from prying eyes and wagging tongues. But the lovers' plans are foiled when their first cozy interlude of the weekend is disrupted by the appearance of a stunning woman from Tobias's past. Aspasia Gray's beauty is as haunting as her connection to Tobias. Her long-deceased fiancé was a friend of his--in addition to being an eccentric assassin. The mysterious nature of the bond between Tobias and Aspasia makes Lavinia more than a little uncomfortable. Especially as her first encounter with Aspasia occurs when she finds her in Tobias's bedchamber... It seems Aspasia is seeking protection--and solace--after receiving an ominous message that eerily recalls the past. Suddenly the obstacles standing between Tobias and Lavinia appear greater than just a little London gossip--and far more deadly. When events at the castle suggest someone is imitating the dead killer's methods, the team of Lake and March fervently pursue the investigation--and each other--as their leads take them from Society's most elegant haunts--and most discreet hideaways--to London's shadiest backstreets. As their relationship heats up, so does the intrigue. Soon Lavinia will have to employ all her talents to flummox the scoundrel who so rudely interrupted her rendezvous. And then she and Tobias can get back to more pleasurable affairs.

Reckless

Charlotte Arkendale knew all there was to know about men. After all, she'd made a career out of steering marriage-minded women away from untrustworthy members of the opposite sex. Yet nothing could have prepared her for Baxter St. Ives - an arresting stranger too daring, too determined, too dangerous to be her new man-of-affairs. Still, perhaps he was the perfect person to help Charlotte investigate the recent murder of one of her clients. So she gave him a chance, never realising that Baxter, a gifted scientist, would soon conduct a risky exploration into the alchemy of desire, with Charlotte as his subject. But even as he sets out to seduce Charlotte, a twisted killer lies in wait, ready to part the lovers ...or see them joined together forever - in death.

Affair

From the moment the stranger burst into her antiques shop in Rome, Lavinia Lake knew he was nothing but trouble. He said he was in pursuit of a killer and swore he was only trying to save her. Yet Lavinia was convinced that Mr. Tobias March was bent instead on destroying her. When the self-professed spy hustled her all the way back to England, Lavinia vowed she would find a way to repay him in full. She never dreamed that Mr. March had in fact been telling the truth, that he had been hired to track down a powerful villain. And just as his investigation was heating up, he found it complicated by the most ungovernable, exasperating - and ever so slightly shady - woman he had ever met. Lavinia most certainly never dreamed they would meet again, forced into partnership under shocking circumstances - or that their fiery disputes would spark a sizzling desire as overwhelming as the danger they faced....

A Scot's Surrender

In this most entrancing tale of mystery and romance by the New York Times bestselling author AMANDA QUICK, lovers and partners-in-crime investigators Lavinia Lake and Tobias March continue their exciting newfound relationship, with its delicious mix of risky business, rising passion, and now--murder. As if a head for business and a nose for trouble aren't enough to distinguish fiercely independent Lavinia Lake from the other women of London's fashionable Claremont Lane, there is one more feature to set her apart. Lavinia is also well versed in the practice of mesmerism, an extraordinary gift that far surpasses mere charm and physical appeal. Nobody knows this better than the usually coolheaded Tobias March, who seems to have fallen hopelessly under her spell. Fortunately for all, however, Lavinia uses her powers for good. And ever since a tragedy involving one of her subjects, she has even retired them in favor of her work with Lake and March, a joint venture providing "discreet private inquiries for individuals of quality." Celeste Hudson, the stunningly beautiful young wife of a family friend and fellow mesmerist, would surely count herself among such individuals--were she still alive, that is. While mythology's Medusa could turn men to stone, lovely Celeste was more accustomed to turning them to jelly. In fact, unbeknownst to her husband, Howard, the ambitious Celeste was planning to use her talents to forge a new future in Society--one that would not include him. Sadly, her plans were cut short when she was murdered. Only a gentleman's cravat wound around her lovely neck remained for evidence--small compensation for the strange and priceless bracelet that may have been snatched from her wrist as she drew her last breath. As a result, Lake and March are soon in Howard Hudson's employ on the trail of the killer. But Tobias is convinced the dashing widower is more interested in tracking down the missing relic. If so, Howard is not alone. Any number of ruthless types are after the very same antiquity, whose centerpiece is an unusual blue cameo of inestimable value and supposed legendary powers--powers of immeasurable worth to anyone in Howard's line of work. Together, Lake and March undertake a tantalizing investigation that leads them from the glittering ballrooms of the ton to London's seediest taverns to a mesmerist whose therapies include treating ladies suffering from "hysteria" is a most unconventional method--and, not least of all, to the darkest reaches of men's psyches. Along the way, *Don't Look Back* becomes a completely mesmerizing read as the irrepressible Lavinia and Tobias mix business with pleasure....

Faced with a tangled web of deceit and danger, Tobias had no choice but to form a partnership with Lavinia, a lady whose past could only be described as slightly shady. O Love! O Fire!

Murders, riots and rescues are only part of the unique memoirs shared by retired Station Officer Colin Kirkham. Destined to be an arsonist or firefighter he took the legal route to fulfil his passion to 'Dance with the Angels', collecting a lifetime of memories along the way. For the Love of Fire follows his journey from probation to retirement, where he 'battles the beast' in two entirely different fire services, whilst attending some exceptional incidents not normally encountered by firefighters. Adding an extra dimension to his career, he also spent time as a Police Constable on the idyllic Isle of Man, where his physical size came in handy in the fight to maintain law and order. Recollecting notable fire and police incidents, including a serial killer loose in the community and a devastating motorcycle crash during the world-famous Isle of Man TT races, the stories are told with honesty, emotion and a good dose of humour, giving the reader a true reflection of what life is like serving in both the Police and Fire Services.

For the Love of Fire

Based on live talks and meetings with Llewellyn Vaughan-Lee, this is an introduction to the passion and wisdom of the Sufi path of love. The call of the heart and how it draws us back to divine union is one of mankind's greatest secrets, and for the Sufi, this love is a fire that burns away all traces of separation. Vaughan-Lee teaches how to live this burning and describes stages of the path of love on the soul's journey home. Love Is a Fire includes descriptions of the "friends of God," early Sufi saints who burned with the fire of divine love, including Rumi, Ibn 'Arabi, and Rabi'a. It also introduces elements of the path and important tools that purify the wayfarer: tauba, the moment of the turning of the heart when the soul remembers its divine origin; dhikr, the central Sufi practice of remembrance of God through repetition of the name of God or a sacred phrase; meditation, a way of drowning thoughts in the fire of love; and dreamwork, a way of listening and attuning to the mystery of what is hidden within us—the stories of our deeper selves. This book is also available as an audio recording, Love is a Fire and I am Wood, published by Sounds True. "... forged in the fire of the heart, this is a book for all those who are looking for the direct way to connection with the Eternal Now. Simply to read this fine expression of a lifetime's longing is to feel aligned with the Divine Ground." —Anne Baring, coauthor, The Divine Feminine "... a gift to all seekers, whatever path they are on." —Andrew Harvey, author, Light Upon Light: A Celebration of Rumi

Love Goes to Buildings on Fire by Will Hermes - Five Years in New York that Changed Music Forever 'A must-read for any music fan' (Boston Globe) Crime was everywhere, the government was broke and the city's infrastructure was collapsing, but between 1974 and 1978 virtually all forms of music were being recreated in New York City: disco and salsa, the loft jazz scene and the Minimalist classical composers, hip hop and punk. Bruce Springsteen and Patti Smith arrived from New Jersey; Grandmaster Flash transformed the turntable into a musical instrument; Steve Reich and Philip Glass shared an apartment as they experimented with composition; the New York Dolls and Talking Heads blew away the grungy clubs; Weather Report and Herbie Hancock created jazz-rock; and Bob Dylan returned with Blood on the Tracks. Recommended by Nick Hornby, this fascinating and hugely inspiring book will be loved by readers of Just Kids by Patti Smith, Chronicles by Bob Dylan, How Music Works by David Byrne and The Rest is Noise by Alex Ross. 'Can literature change your life? Yes ... along came Will Hermes, who cost me several hundred pounds on iTunes and ruptured my relationship with guitars' Nick Hornby, Believer magazine Will Hermes was born in Queens, in the city of which he writes. He is a senior critic for Rolling Stone, and also writes for the New York Times and the Village Voice. He was co-editor of SPIN: 20 Years of Alternative Music.

As Vanity, co-owner of a multi-million dollar marketing firm, approached "middle age" she was feeling the tension from all angles. Vanity viewed herself as an overweight woman with a marriage slowly...OK, let's stop kidding, a marriage crumbling like a cookie under her feet and her nest was empty. Her life was again empty. From Dexter's first touch, came an awakening of Vanity's mind, body and soul. There was no going back! Was this a deep need for lust or love, was it a desire that only Dexter could satisfy? The flame lit, Vanity intended for it to burn...and burn it did..

True Love Is Friendship Set on Fire

Comedy and tragedy collide in stories of family life in Soviet Russia and the complexities of the immigrant experience "We can't stop turning the pages of this book." —Ilya Kaminsky, New York Times Book Review From the moment of its founding, the USSR was reviled and admired, demonized and idealized. Many Jews saw the new society ushered in by the Russian Revolution as their salvation from shtetl life with its deprivations and deadly pogroms. But Soviet Russia was rife with antisemitism, and a Jewish boy growing up in Leningrad learned early, harsh, and enduring lessons. Unsparing and poignant, Mikhail Jossel's twenty stories of Soviet childhood and adulthood, dissidence and subsequent immigration, are filled with wit and humor even as they describe the daily absurdities of a fickle and often perilous reality.

Forbidden Love

Love is the Fire is a fiction based in history of a time when people were prepared to die for their faith. It was a time when young men travelled to the Continent to study with passionate teachers before returning to England to work undercover. It follows the life of the Southwells to Robert's martyrdom. Stolen by Gypsies as a baby and rescued by his loyal nurse, Robert Southwell lived in an age when it was illegal to train as a Catholic Priest and return to England. Having left his family to study in France, he returned to England. Moving in darkness from house to house, living in priest-holes, constantly hunted, he managed to evade the authorities - until he was betrayed by a young Catholic woman to the dreaded priest hunter, Richard Topcliffe. He was accused of treason, hounded down, tortured, then hung, drawn and quartered at Tyburn in 1595. A kinsman of Shakespeare and fine poet, Robert Southwell was Canonised by Pope Paul VI in 1970

Love is the Fire

JAMIE Parker Hoffstraeder is gorgeous, cocky, and totally irrational. He also broke my heart when he left town eleven years, four months, and twenty-eight days ago. Not that I'm counting. I don't mind admitting it: I was young. I got burned. I learned my lesson. But the guy swaggers back into O'Leary like he owns the damn place and suddenly I'm expected to welcome him to my town - to my life - like nothing's changed? Yeah, that I mind. It's only a matter of time until he's gone again. And there's no way I'll give him a chance to take another piece of me when he goes. PARKER Jameson Burke is the most arrogant, infuriating human on the planet. He's also taller, broader, and impossibly hotter than he was before I left town. But, whatever. It's fine. I can handle it. Coming back to O'Leary was supposed to be like coming home. I hadn't realized that there's no statute of limitations on how long your first love and former best friend is allowed to hate your guts, or how much bad luck can befall a person in a short time. But, I can handle that, too... or at least pretend to. When Jamie and I are thrown together in a blizzard, though, everything changes in the space of one single, scorching night. Suddenly, I'm dreaming of a future I can't have, and he's stuck in a past he can't let go. It feels like we're playing with fire... And this time I'm the one who's gonna burn.

Gabrielle has her own reasons for teaming up with Omar to investigate the suspicious blazes. But the seductive San Francisco firefighter is bringing her dangerously close to a flame that has burned her before. With each scorching kiss, Omar is branding her his woman. But when Gabrielle becomes a target, will she be able to trust her future to the man who has vowed to protect her at all costs?

The Fire of Love

The four great English mystics of the fourteenth century—Richard Rolle, Walter Hilton, Julian of Norwich and the anonymous author of “The Cloud of Unknowing”—though in doctrine as in time they are closely related to one another, yet exhibit in their surviving works strongly marked and deeply interesting

diversities of temperament. Rolle, the romantic and impassioned hermit; his great successor, that nameless contemplative, acute psychologist, and humorous critic of manners, who wrote "The Cloud of Unknowing" and its companion works; Hilton, the gentle and spiritual Canon of Throgmorton; and Julian, the exquisitely human yet profoundly meditative anchoress, whose "Revelations of Divine Love" are perhaps the finest flower of English religious literature—these form a singularly picturesque group in the history of European mysticism. Passion Ignited

After five years, Vanity Rodriguez, new restaurateur, was finally moving on with her life. The unexpected inheritance of St. Christopher's Italian Restaurant caused a dramatic change in her career but it made her one of the top up and coming restaurateurs in the country. Vanity relocated to California to put her divorce from Winston and the death of her soul mate, Dexter McKnight behind her. At her first grand opening of St. Christopher's in Los Angeles, she met Grant Parker, a coastal engineer from Rancho Cordova. Originally from Jamaica, he had a dark rough exterior but when put in a tailored suit, he was a clean cut Versace top model - definitely her style. Their attraction was almost instant and after a few months they were unquestionably an item. Life was good and normalcy was starting to be the norm for Vanity. The dreams she had at night of sexual encounters with Dexter were starting to subside and intimacy with her new boyfriend felt real. A year into the relationship with Grant, at the San Francisco opening, all of what she had come to know as life back to normal was over. Her dreams were no longer successions of images, ideas, emotions, and sensations that occurred involuntarily in her mind during sleep...they were real.

The Fire of Love

Reveals the influence of the Renaissance scholar-priest Marsilio Ficino on Shakespeare and how the Neoplatonic philosophy of love shaped the inner meaning of his work • Shows how Shakespeare's works offer a path back to the divine unity of all things • Explains the role of love in the Christian-Platonic concept of the three worlds In *Love's Labours Lost*, Shakespeare talks of the true Promethean fire that is lit by the doctrine he reads in women's eyes. What is this doctrine and what is this true Promethean fire to which it gives birth? In *Shakespeare and the Ideal of Love*, Jill Line shows that Shakespeare shared the perennial philosophy of a long line of teachers, including Hermes Trismegistus, Pythagoras, Plato, Plotinus, and especially the Florentine scholar and mystic Marsilio Ficino. The answer to these questions, Line claims, lies in Ficino's Christian-Platonic philosophy of love, from which all Shakespeare's plays have their genesis. Love, according to Ficino, is the force that inspired the creation of the worlds of the angelic mind, the soul, and the material, and it is through love that each of these worlds expands into the next. Love is also the vehicle that allows human beings to make the return journey to the source of their being, where they find unity in God. This is the path on which all of Shakespeare's lovers embark. Jill Line explains how Shakespeare's plays represent more than poetic literary constructs: They are mirrors of the progress of the soul, in many conditions and situations, as it returns to the divine unity of all things.

This Girl Is on Fire

Excerpt from *Love Under Fire* My heart beat rapidly as I stared blindly up into the black recess of that narrow defile, listening intently for the slightest unusual sound which would indicate the near presence of anything human. It was caution, not fear, however, which caused me to breathe quickly my sole, overpowering dread being that I might have to return, and face Sheridan with a report of failure. I preferred anything rather than that. I thought of his stern eyes as he looked me over in the late sunlight of the evening before; the sharp rasp in his voice, as he said, Geer, this is no boy's work, and the quiet, confident reply of my captain, Gales worth will do it for you, General, if any one can. The memory of that scene seemed to stillen my nerves; I had to make good here in the dark, alone, and so, on hands and knees, I began creeping slowly up under neath the tangle of bushes. The path was steep and stony, so densely overhung with branches as to appear like a tunnel. There were loose stones which I had to guard against dislodging, and the drier leaves rustled as I pressed them aside. This endeavor to avoid noise made progress slow.
