

Italian Journey Johann Wolfgang Von Goethe

[#Italian Journey](#) [#Johann Wolfgang Von Goethe](#) [#Goethe travelogue](#) [#Italy travel book](#) [#18th century literature](#)

Italian Journey by Johann Wolfgang Von Goethe chronicles his transformative travels through Italy from 1786 to 1788. This seminal work offers a deeply personal and philosophical account of his observations on Italian art, culture, and landscapes, profoundly influencing his later literary and scientific endeavors and remaining a cornerstone of travel literature.

The Canti

A comprehensive translation of the *Canti*, together with extracts from Leopardi's prose. In this book, a selection of passages from his prose, keyed to the poems, suggests their context and the ideas which underlie them. The volume concludes with a biography, woven out of Leopardi's own words.

The Cambridge Companion to Sappho

A detailed up-to-date survey of the most important woman writer from Greco-Roman antiquity. Examines the nature and context of her poetic achievement, the transmission, loss and rediscovery of her poetry, and the reception of that poetry in cultures far removed from ancient Greece, including Latin America, India, China, and Japan.

Italy in the Age of the Risorgimento 1790 - 1870

Established as a standard work - covers the whole of Italy not just the Risorgimento itself.

The Academy

Narrasi che tutti gli uomini che da principio popolarono la terra, fossero creati per ogni dove a un medesimo tempo, e tutti bambini, e fossero nutriti dalle api, dalle capre e dalle colombe nel modo che i poeti favoleggiarono dell'educazione di Giove. E che la terra fosse molto più piccola che ora non è, quasi tutti i paesi piani, il cielo senza stelle, non fosse creato il mare, e apparisse nel mondo molto minore varietà e magnificenza che oggi non vi si scuopre. Ma nondimeno gli uomini compiacendosi insaziabilmente di riguardare e di considerare il cielo e la terra, maravigliandosene sopra modo e riputando l'uno e l'altra bellissimi e, non che vasti, ma infiniti, così di grandezza com...

The Academy and Literature

A groundbreaking translation of the epic work of one of the great minds of the nineteenth century Giacomo Leopardi was the greatest Italian poet of the nineteenth century and was recognized by readers from Nietzsche to Beckett as one of the towering literary figures in Italian history. To many, he is the finest Italian poet after Dante. (Jonathan Galassi's translation of Leopardi's *Canti* was published by FSG in 2010.) He was also a prodigious scholar of classical literature and philosophy, and a voracious reader in numerous ancient and modern languages. For most of his writing career, he kept an immense notebook, known as the *Zibaldone*, or "hodge-podge," as Harold Bloom has called it, in which Leopardi put down his original, wide-ranging, radically modern responses to his reading. His comments about religion, philosophy, language, history, anthropology, astronomy, literature, poetry, and love are unprecedented in their brilliance and suggestiveness, and the *Zibaldone*, which was only published at the turn of the twentieth century, has been recognized as one of the foundational books of modern culture. Its 4,500-plus pages have never been fully translated into English until now, when a team under the auspices of Michael Caesar and Franco D'Intino of the Leopardi Centre in Birmingham, England, have spent years producing a lively, accurate version. This essential book will change our understanding of nineteenth-century culture. This is an extraordinary, epochal publication.

Academy and Literature

"Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English, and published between 1929 and 2008. It lists works from all genres and subjects, and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors - Dante Alighieri, [Niccol  ] Machiavelli, and [Giovanni] Boccaccio - and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's *Twentieth-Century Italian Literature in English Translation*, this volume makes comprehensive information on translations accessible for schools, libraries, and those interested in comparative literature."--Pub. desc.

Operette morali

Giacomo Leopardi (1798-1837) and Percy Bysshe Shelley (1792-1822) crossed paths during their lifetimes, and though they never met, the legacy of their work betrays a shared destiny. As prominent figures who challenged and contributed to the Romantic debate, Leopardi and Shelley hold important roles in the history of their respective national literatures, but paradoxically experienced a controversial and delayed reception outside their native lands. Cerimonia's wide-ranging study brings together these two poets for the first time for an exploration of their afterlives, through a close reading of hitherto unstudied translations. This intriguing journey tells the story, from its origins, of the two poets' critical fortune, and examines their position in the cultural debates of the nineteenth century; in disputes regarding translation theories and practices; and shows the configuration of their identities as we understand their legacy today.

The Literary World

This book, written by a team of experts from many countries, provides a comprehensive account of the ways in which translation has brought the major literatures of the world into English-speaking culture. Part I discusses theoretical issues and gives an overview of the history of translation into English. Part II, the bulk of the work, arranged by language of origin, offers critical discussions, with bibliographies, of the translation history of specific texts (e.g. the Koran, the Kalevala), authors (e.g. Lucretius, Dostoevsky), genres (e.g. Chinese poetry, twentieth-century Italian prose) and national literatures (e.g. Hungarian, Afrikaans).

Directory of American Scholars

Presents literary criticism on the works of nineteenth-century writers of all genres, nations, and cultures. Critical essays are selected from leading sources, including published journals, magazines, books, reviews, diaries, broadsheets, pamphlets, and scholarly papers. Criticism includes early views from the author's lifetime as well as later views, including extensive collections of contemporary analysis.

The Athenaeum

Building on Calvino's observations on Exactitude in *Six Memos for the Next Millennium*, the present book elucidates on the possible definitions of exactitude, the endeavor of reaching exactitude, and the undeniable limits to the achievement of this ambitious milestone. The eighteen essays in this interdisciplinary volume show how ancient and medieval authors have been dealing with the problem of exactitude vs. inexactitude and have been able to exploit the ambiguities related to these two concepts to various ends. The articles focus on rhetoric and historiography (section I), exact sciences and technical disciplines (II), the peculiarity of quotations (III), cases of programmatic inexactitude (IV) and textual transmission (V). Several interconnected questions weave a net across the volume: to what extent is exactitude the goal in ancient and medieval texts? How can the concepts of accuracy and inaccuracy aid the reinterpretation of an already known text or fact? To what extent can certain definitions of exactitude be stretched, without turning into inexactitude? The volume presents an extensive study capable of highlighting the shrewdness and aptness of the concepts introduced by Calvino more than thirty years ago.

Athenaeum and Literary Chronicle

This history of Latin literature offers a comprehensive survey of the 1000 year period from the origins of Latin as a written language to the early Middle Ages. It offers a wide-ranging panorama of all major Latin authors.

The Athenæum

A stark departure from traditional philology, *What is Authorial Philology?* is the first comprehensive treatment of authorial philology as a discipline in its own right. It provides readers with an excellent introduction to the theory and practice of editing 'authorial texts' alongside an exploration of authorial philology in its cultural and conceptual architecture. The originality and distinction of this work lies in its clear systematization of a discipline whose autonomous status has only recently been recognised (at least in Italy), though its roots may extend back as far as Giorgio Pasquali. This pioneering volume offers both a methodical set of instructions on how to read critical editions, and a wide range of practical examples, expanding upon the conceptual and methodological apparatus laid out in the first two chapters. By presenting a thorough account of the historical and theoretical framework through

which authorial philology developed, Paola Italia and Giulia Raboni successfully reconceptualize the authorial text as an ever-changing organism, subject to alteration and modification. What is Authorial Philology? will be of great didactic value to students and researchers alike, providing readers with a fuller understanding of the rationale behind different editing practices, and addressing both traditional and newer methods such as the use of the digital medium and its implications. Spanning the whole Italian tradition from Petrarch to Carlo Emilio Gadda, this ground-breaking volume provokes us to consider important questions concerning a text's dynamism, the extent to which an author is 'agentive', and, most crucially, about the very nature of what we read.

We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Renaissance in Italy, Volume 1 (of 7) the Age of the Despots

This book (hardcover) is part of the TREDITION CLASSICS. It contains classical literature works from over two thousand years. Most of these titles have been out of print and off the bookstore shelves for decades. The book series is intended to preserve the cultural legacy and to promote the timeless works of classical literature. Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion. With this series, tredition intends to make thousands of international literature classics available in printed format again - worldwide.

The Renaissance in Italy (Complete 7 Volumes)

Excerpt from Renaissance in Italy, Vol. 1: The Catholic Reaction At the end of the second volume of my 'Renaissance in Italy' I indulged the hope that I might live to describe the phase of culture which closed that brilliant epoch. It was in truth demanded that a work pretending to display the manifold activity of the Italian genius during the 15th century and the first quarter of the 16th, should also deal with the causes which interrupted its further development upon the same lines. This study, forming a logically-necessitated supplement to the five former volumes of 'Renaissance in Italy, ' I have been permitted to complete. The results are now offered to the public in these two parts. So far as it was possible, I have conducted my treatment of the Catholic Revival on a method analogous to that adopted for the Renaissance. I found it, however, needful to enter more minutely into details regarding facts and institutions connected with the main theme of national culture. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Civilization of the Renaissance in Italy

This pioneering study approaches the new printed-book industry in Renaissance Italy from the perspective of its publishers and booksellers, analyzing their responses to the challenges of production and their creative approaches to the distribution and sale of their merchandise.

Renaissance in Italy: Italian Literature;

A new edition--now in two volumes--of the largest and most comprehensive textbook about Italian Renaissance art. Now in its second edition, Italian Renaissance Art presents an updated and even more accessible history. The book has been split into two volumes: the first, covering the period 1300 to 1510; the second, 1490 to 1600. The volumes retain the same innovative decade-by-decade structure as the first edition, and a number of chapters have been revised by the authors to reflect the latest scholarship. The coverage of the Trecento has been expanded, and a new appendix section explains all the key Renaissance art-making techniques, with illustrations and step-by-steps for such processes as lost-wax casting. This book tells the story of art in the great cities of Rome, Florence, and Venice while profiling a range of other centers throughout Italy--including in this edition art from Naples, Padua, and Palermo.

Renaissance in Italy, Vol. 1

Excerpt from Renaissance in Italy, Vol. 1 of 2: Italian Literature Of these disadvantages I have been rendered sensible during the progress of publication through the last six years. Yet I have gained some compensation in the fact that the demand for a second edition of the first volume has enabled me to make that portion of the work more adequate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Book Trade in the Italian Renaissance

About the Book Books about the Renaissance describe European history in the 14th and 17th centuries, when humanism, and classical Greek philosophy were rediscovered, prompting a revival of intellectual pursuits in art, and literature, and advances in the sciences, engineering and architecture. Titles include: A Short History of the Renaissance in Italy, Die italienische Renaissance, ein Grundriss der Geschichte ihrer Kultur, Der Gartenbau im Mittelalter und Während der Periode der Renaissance: Dargestellt in fünf Vorträgen, Source-Books of the Renaissance in Italy and Germany, Part I: A Literary Source-Book of the Italian Renaissance; Part II, pp. 1-110: The Renaissance in Germany, and The Renaissance: The Revival of Learning and Art in the Fourteenth and Fifteenth Centuries. About us Trieste Publishing's aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. Our titles are produced from scans of the original books and as a result may sometimes have imperfections. To ensure a high-quality product we have: thoroughly reviewed every page of all the books in the catalog repaired some of the text in some cases, and rejected titles that are not of the highest quality. You can look up "Trieste Publishing" in categories that interest you to find other titles in our large collection. Come home to the books that made a difference!

Italian Renaissance Art

This book offers a rich and exciting new way of thinking about the Italian Renaissance as both a historical period and a historical movement. Guido Ruggiero's work is based on archival research and new insights of social and cultural history and literary criticism, with a special emphasis on everyday culture, gender, violence, and sexuality. The book offers a vibrant and relevant critical study of a period too long burdened by anachronistic and outdated ways of thinking about the past. Familiar, yet alien; pre-modern, but suggestively post-modern; attractive and troubling, this book returns the Italian Renaissance to center stage in our past and in our historical analysis.

Renaissance in Italy, Vol. 1 of 2

The Civilization of the Renaissance in Italy

Biondo Flavio was a pioneering figure in the Renaissance discovery of antiquity and popularized the term Middle Age to describe the period between the fall of the Roman Empire and the revival of antiquity in his own time. Italy Illuminated is a topographical work exploring the Roman roots of Italy.

The Renaissance in Italy

Excerpt from Renaissance in Italy: The Age of the Despots History. With regard to the alterations introduced into the substance of the book in this edition, it will be enough to say that I have endeavored to bring each chapter up to the level of present knowledge. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Italy Illuminated, Volume 2

Spanning an age that witnessed great achievements in the arts and sciences, this definitive overview of the Italian Renaissance will both captivate ordinary readers and challenge specialists. Dr. Plumb's impressive and provocative narrative is accompanied by contributions from leading historians, including Morris Bishop, J. Bronowski, Maria Bellonci, and many more, who have further illuminated the lives of some of the era's most unforgettable personalities, from Petrarch to Pope Pius II, Michelangelo to Isabella d'Este, Machiavelli to Leonardo. A highly readable and engaging volume, THE ITALIAN RENAISSANCE is a perfect introduction to the movement that shaped the Western world.

Renaissance in Italy

A rich and multi-faceted aspect of the Italian Renaissance, the comedy has been largely overlooked as a cultural force during the period. In Renaissance Comedy, editor Donald Beecher corrects this oversight with a collection of eleven comedies representative of the principal styles of writing that define the genre. Proceeding from early, 'erudite' imitations of Plautus and Terence to satires, sentimental plays of the middle years, and later, more experimental works, the development of Italian Renaissance comedy is here dissected in a fascinating and vivid light. This first of two volumes boasts five of the best-known plays of the period, each with its own historical and critical introduction. Also included is a general introduction by the editor, which discusses the features of Italian Renaissance comedy, as well as examines the stage histories of the plays and what little is known, in many cases, of the circumstances surrounding their original performances. The introduction raises questions concerning the nature of audiences, the festival occasions during which the plays were performed, and the academies which sponsored many of their creations. As a much-needed reappraisal of these comedic plays, Renaissance Comedy is an invaluable look at the performance history of the Renaissance and Italian culture in general.

Italy illuminated. 1. Books I - IV

"This beautifully illustrated book is the first to look at the role of the urban Italian house in the development of Renaissance art and culture. "The Renaissance Home" brings together a wide range of objects, from furniture and kitchen utensils to popular prints, jewellery and everyday dress, to reveal how the homes of the upper- and middle-classes made a crucial contribution to the flowering of the visual arts in 15th- and 16th-century Italy. Drawing on a wide array of sources including inventories, account-books, letters, treatises, and archaeological and conservation reports, it offers a completely fresh exploration of the fascinating domestic world of Renaissance Italy."

Renaissance Comedy

A rich and multi-faceted aspect of the Italian Renaissance, the comedy has been largely overlooked as a cultural force during the period. In *Renaissance Comedy*, editor Donald Beecher corrects this oversight with a collection of eleven comedies representative of the principal styles of writing that define the genre. Proceeding from early, ?erudite? imitations of Plautus and Terence to satires, sentimental plays of the middle years, and later, more experimental works, the development of Italian Renaissance comedy is here dissected in a fascinating and vivid light. This first of two volumes boasts five of the best-known plays of the period, each with its own historical and critical introduction. Also included is a general introduction by the editor, which discusses the features of Italian Renaissance comedy, as well as examines the stage histories of the plays and what little is known, in many cases, of the circumstances surrounding their original performances. The introduction raises questions concerning the nature of audiences, the festival occasions during which the plays were performed, and the academies which sponsored many of their creations. As a much-needed reappraisal of these comedic plays, *Renaissance Comedy* is an invaluable look at the performance history of the Renaissance and Italian culture in general.

At Home in Renaissance Italy

Jacob Burckhardt was born in 1818 in Basel, Switzerland. He studied history at the University of Berlin and taught art history and the Italian Renaissance in Berlin and Basel. His essay, as he called *The Civilization of the Renaissance in Italy*, was first published in 1860. Rich in its detailed account of the arts, fashions, manners, and thought of one of the most innovative eras in human history, this brilliant panorama of Renaissance life is also a thorough examination of the nature of civilization and of our place within it. Burckhardt's encyclopedic knowledge, his mastery of style, and his genius for synthesis make this one of the few classics of history and the prototype for cultural history. Burckhardt's *The Age of Constantine the Great* and *Cicerone* were published in his lifetime, and *The History of Greek Civilization and Reflections on World History* after his death in 1897.

Renaissance in Italy

This is the first book which gives a general overview of women as subject-matter in Italian Renaissance painting. It presents a view of the interaction between artist and patron, and also of the function of these paintings in Italian society of the fifteenth and sixteenth centuries. Using letters, poems, and treatises, it examines through the eyes of the contemporary viewer the way women were represented in paintings.

Renaissance in Italy

This volume celebrates John M. Najemy and his contributions to the study of Florentine and Italian Renaissance history. Over the last three decades, his books and articles on Florentine politics and political thought have substantially revised the narratives and contours of these fields. They have also provided a framework into which he has woven innovative new threads that have emerged in Renaissance social and cultural history. Presented by his many students and friends, the essays aim to highlight his varied interests and to suggest where they may point for future studies of Florence and, indeed, beyond. -- Amazon.com.

secular-commedia-comic-mimesis-18th-century-music

ernest-bloch-lectures-secular-commedia-music

late-18th-century-music-secular-commedia-analysis

Secular Commedia, Comic Mimesis, 18th Century Music, Ernest Bloch Lectures, Late Eighteenth Century Music

This explores the concept of Secular Commedia and its application of Comic Mimesis within the context of Late Eighteenth Century music, likely drawing upon insights from the Ernest Bloch Lectures to analyze how comedic and theatrical elements were incorporated into musical compositions of the period. It delves into the performance practices and aesthetic sensibilities surrounding secular comedic expressions in music during the late 1700s, offering a fascinating perspective on the intersection of theater and musical form.

Wreck of the Medusa

In 1816, a fleet of ships left France to accept the British hand-over of the port of Saint-Louis in Senegal. Among them was the frigate Medusa. A month after it set sail, she shank miles off of Africa's west coast, leaving the passengers to flee on lifeboats and a raft cobbled together from parts of the sinking ship. After a failed attempt by those in the lifeboats to tow the raft, it—and the more than 150 people aboard—were abandoned. This is the horrific tale, filled with suicide, murder, and cannibalism, of those left behind.

In the Wake of the Dhow

A product of over two hundred interviews with shipwrights and seamen in the Arabian Gulf and Oman over a period of nine years, this book compares information given firsthand with the literature already written on the dhow and on Arab seafaring in the past seventy years. Documenting the dhow as an important element in the prosperity of the area before the discovery of oil, the book discusses the geographical conditions and the historical-linguistic background of each dhow-type, the life-pattern in its role as cargo, pearl-diving, and also how the seafaring communities interacted with the dhow world.

Working on Labor

Using comparative and long-term perspectives the seventeen essays in this collection discuss the development of labor relations and labor migrations in Europe, Asia and the US from the thirteenth century to the present.

Duty and Desire Book Club Edition

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

I am 9 & Magical Unicorn Journal Happy Birthday 9 Years Old - Unicorn interior journal for kids- 9 Year Old Christmas birthday gift for Girls

I Am 9 and Magical

In a time when the Industrial Revolution has become an all-out war, mad science rules the world—with mixed success. In Agatha H and the Siege of Mechanicsburg, Agatha Heterodyne, the last of the Heterodyne family, has returned to her family's hereditary town with the might of the Wulfenbach Empire hot on her heels. The only thing holding off an outright attack is Gilgamesh Wulfenbach, the heir to the Empire, who has joined Agatha and her friends inside the great artificially intelligent fortress of Castle Heterodyne. Now they must race to repair the mechanisms that once allowed the Castle to defend Mechanicsburg, before the rest of Europa shows up to take all the revenge the mad Heterodynes of the past so richly earned. From the Hugo Award-winning Girl Genius online comics comes this fourth book in the Agatha H. series, and like the previous three books, it will engage you in a unique world of adventure, romance, and mad science!

Agatha H. and the Siege of Mechanicsburg
