The Pastor's Voice

Today's pastors often expected to be multitasking marvels who can make their churches "successful" are understandably confused about their role. Craig Barnes contends that the true calling of a pastor is to assist others in becoming fully alive in Christ to be a "minor poet." The pastor absorbs the wisdom of major poets the biblical poets as well as the church's theological poets and distills its essence for parishioners. / The Pastor as Minor Poet calls pastors to continually search for a deeper, truer understanding of what they see both in the text of Scripture and in the text of their parishioners' lives. Discerning the subtexts beneath these texts reveals the core truths that allow pastors to preach the heart of the Word and to understand the hearts of the people to whom they minister. Written with a seasoned pastor's depth of understanding and a poet's sensibility and sensitivity, this book will minister to and inspire pastors everywhere.

Poems, Lyric and Pastoral

Bishop Jakes, the "New York Times"-bestselling author of "Reposition Yourself," returns with a thorough examination of the power of forgiveness.

The Pastor as Minor Poet

Provides up-to-date profiles on the careers of leading and emerging poets.

Books in Print

The Encyclopedia of Northern Kentucky is the authoritative reference on the people, places, history, and rich heritage of the Northern Kentucky region. The encyclopedia defines an overlooked region of more than 450,000 residents and celebrates its contributions to agriculture, art, architecture, commerce, education, entertainment, literature, medicine, military, science, and sports. Often referred to as one of the points of the "Golden Triangle" because of its proximity to Lexington and Louisville, Northern Kentucky is made up of eleven counties along the Ohio River: Boone, Bracken, Campbell, Carroll,

Gallatin, Grant, Kenton, Mason, Owen, Pendleton, and Robertson. With more than 2,000 entries, 170 images, and 13 maps, this encyclopedia will help readers appreciate the region's unique history and culture, as well as the role of Northern Kentucky in the larger history of the Commonwealth of Kentucky and the nation. • Describes the "Golden Triangle" of Kentucky, an economically prosperous area with high employment, investment, and job-creation rates • Contains entries on institutions of higher learning, including Northern Kentucky University, Thomas More College, and three community and technical colleges • Details the historic cities of Covington, Newport, Bellevue, Dayton, and Ludlow and their renaissance along the shore of the Ohio River • Illustrates the importance of the Cincinnati / Northern Kentucky International Airport as well as major corporations such as Ashland, Fidelity Investments, Omnicare, Toyota North America, and United States Playing Card

Meet Aunt Molly Jackson (1880-1960), one of American folklore's most fascinating characters. A coal miner's daughter, she grew up in eastern Kentucky, married a miner, and became a midwife, labor activist, and songwriter. Fusing hard experience with rich Appalachian musical tradition, her songs became weapons of struggle. In 1931, at age fifty, she was "discovered" and brought north, sponsored and befriended by an illustrious circle of left-wing intellectuals and musicians, including Theodore Dreiser, Alan Lomax, and Charles Seeger and his son Pete. Along with Sarah Ogan Gunning, Jim Garland (two of Aunt Molly's half-siblings), Woody Guthrie, Leadbelly, and other folk musicians, she served as a cultural broker, linking the rural working poor to big-city left-wing activism. Shelly Romalis draws upon interviews and archival materials to construct this portrait of an Appalachian woman who remained radical, raucous, proud, poetic, offensive, self-involved, and in spirit the "real" pistol packin' mama of the song. "Mr. Coal operator call me anything you please, blue, green, or red, I aim to see to it that these Kentucky coalminers will not dig your coal while their little children are crying and dying for milk and bread." -- Aunt Molly Jackson

Let It Go

A dignified man with a Ph. D. from Johns Hopkins University, Brough was also known as a brilliant orator, a college professor with a photographic memory, an enthusiastic Baptist, yet a confirmed racist, unable to leave parts of the Old South behind.

The Light Bearers

The story of African Americans in Kentucky is as diverse and vibrant as the state's general history. The work of more than 150 writers, The Kentucky African American Encyclopedia is an essential guide to the black experience in the Commonwealth. The encyclopedia includes biographical sketches of politicians and community leaders as well as pioneers in art, science, and industry. Kentucky's impact on the national scene is registered in an array of notable figures, such as writers William Wells Brown and bell hooks, reformers Bessie Lucas Allen and Shelby Lanier Jr., sports icons Muhammad Ali and Isaac Murphy, civil rights leaders Whitney Young Jr. and Georgia Powers, and entertainers Ernest Hogan, Helen Humes, and the Nappy Roots. Featuring entries on the individuals, events, places, organizations, movements, and institutions that have shaped the state's history since its origins, the volume also includes topical essays on the civil rights movement, Eastern Kentucky coalfields, business, education, and women. For researchers, students, and all who cherish local history, The Kentucky African American Encyclopedia is an indispensable reference that highlights the diversity of the state's culture and history.

International Who's Who in Poetry 2004

Includes music.

The Encyclopedia of Northern Kentucky

Farmer, poet, essayist, and environmental writer Wendell Berry is acclaimed for his ideas regarding the values inherent in an agricultural society. Place, community, good work, and simple pleasures are but a few of the values that form the bedrock of Berry's thought. While the notion of reverence is central to Berry, he is not widely known as a religious writer. However, the moral underpinnings of his work are rooted in Christian tradition, articulating the tenet that faith and stewardship of the land are not mutually exclusive. In *Wendell Berry and Religion*, editors Joel J. Shuman and L. Roger Owens probe

the moral and spiritual implications of Berry's work. Chief among them are the notions that the earth is God's provisional gift to mankind and that studying how we engage material creation reflects important truths. This collection reveals deep, thoughtful, and provocative conversations within Berry's writings, illuminating the theological inspirations inherent in his work.

The Publishers' Trade List Annual

Identify with Tom Conley's delightful look at memories, ways of knowing, and verses to heal, as he presents a common-based book of poetry that touches your soul.

Pistol Packin' Mama

Reprint of the original, first published in 1857. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

Western Christian Advocate

Political Poetry as Discourse examines the works of the political poets John Greenleaf Whittier and Ebenezer Elliott, drawing comparisons to contemporary hip hoppers who take their words from local newspapers and other discursive sources that they read, hear, and observe. Local presses and news vehicles stand as cultural material forms that supply poets with words, particularly words that congeal into patterns of language, allowing the creation of a poetic discourse. As readers of these poets apply techniques and theories of discourse analysis, they reveal how poets borrow, lift, hijack, or resituate words from one or more different genres to use as tools of political change. Leonard engages with the critical toolboxes of content analysis, semiosis, and deconstruction to demonstrate how to critically investigate and interrogate the images, sounds and words not just of politically engaged poets, but also of any disseminator of culture and news. Moving beyond theory into praxis, this book becomes a model of its own transgressive premise by thinking, analyzing, writing, and teaching against the grain. Its focus on language as unbounded discourse makes this book a relevant and insightful demonstration in democratic pedagogy and in teaching for transformation.
