Poetry and Art of the Love Witch/La Bruja Del Amor

Presents the love poems of the 17th century Mexican nun and author, in the original Spanish and in English translation.

Sor Juana's Love Poems

This stunning bilingual collection contains poems of passion, longing, and wonder by some of the greatest poets ever to write in the Spanish language, including Pablo Neruda, Josefina de la Torre, Gaston Baquero, Luis Cernuda, Jorge Carrera Andrade, Mario Benedetti, Angela Figura Ayamerich, Jose Maria Zonta, and many others. The poems bristle with images of extraordinary power and invention, captured perfectly with the lush darkness and verbal acceleration at the center of the Spanish literary tradition.

Poems of Love and Madness / Poemas de Amor Y Locura

Cuba's cultural influence throughout the Western Hemisphere, and especially in the United States, has been disproportionately large for so small a country. This landmark volume is the first comprehensive overview of poetry written over the past sixty years. Presented in a beautiful Spanish-English en face edition, The Whole Island makes available the astonishing achievement of a wide range of Cuban poets, including such well-known figures as Nicolás Guillén, José Lezama Lima, and Nancy Morejón, but also poets widely read in Spanish who remain almost unknown to the English-speaking world—among them Fina García Marruz, José Kozler, Raúl Hernández Novás, and Ángel Escobar—and poets born since the Revolution, like Rogelio Saunders, Omar Pérez, Alessandra Molina, and Javier Marimón. The translations, almost all of them new, convey the intensity and beauty of the accompanying Spanish originals. With their work deeply rooted in Cuban culture, many of these poets—both on and off the island—have been at the center of the political and social changes of this tempestuous period. The poems offered here constitute an essential source for understanding the literature and culture of Cuba, its diaspora, and the Caribbean at large, and provide an unparalleled perspective on what it means to be Cuban.

Mexican Ballads, Chicano Poems combines literary theory with the personal engagement of a prominent Chicano scholar. Recalling his experiences as a student in Texas, José Limón examines the politically motivated Chicano poetry of the 60s and 70s. He bases his analyses on Harold Bloom's theories of literary influence but takes Bloom into the socio-political realm. Limón shows how Chicano poetry is nourished by the oral tradition of the Mexican corrido, or master ballad, which was a vital part of artistic and political life along the Mexican-U.S. border from 1890 to 1930. Limón's use of Bloom, as well as of Marxist critics Raymond Williams and Fredric Jameson, brings Chicano literature into the arena of contemporary literary theory. By focusing on an important but little-studied poetic tradition, his book challenges our ideas of the American canon and extends the reach of Hispanists and folklorists as well.

Shrek!

"Multilayered narratives come together as an exploration of femininity, identity, mortality, and folklore's wondrous powers." —Booklist According to Slavic myth, Baba Yaga is a witch who lives in a house built on chicken legs and kidnaps small children. In *Baba Yaga Laid an Egg*, internationally acclaimed writer Dubravka Ugresic takes the timeless legend and spins it into a fresh and distinctly modern tale of femininity, aging, identity, and love. With barbed wisdom and razor-sharp wit, Ugresic weaves together the stories of four women in contemporary Eastern Europe: a writer who grants her dying mother's final wish by traveling to her hometown in Bulgaria, an elderly woman who wakes up every day hoping to die, a buxom blonde hospital worker who's given up on love, and a serial widow who harbors a secret talent for writing. Through the women's fears and desires, and their struggles against invisibility, Ugresic presents a brilliantly postmodern retelling of an ancient myth that is infused with humanity and the joy of storytelling. "Ugresic's postmodern take on myth, femininity, and aging provides a beautifully written window into Slavic literature." —Publishers Weekly

Hispanic Literature Criticism: Aguilera Malta-Guillén

The mythological, folkloric, and religious beliefs of Western culture have resulted in a long and ongoing history of esoteric themes in theatre from the Middle Ages to the present in Spain and the America. Now Robert Lima, a noted comparatist, brings to bear on this material his wide knowledge of the world of the occult. Lima defines the terms "occult" and "occultism" broadly to embrace the many ways in which humans have sought to fathom a secret knowledge held to be accessible only through such supernatural agencies as alchemy, angelology, asceticism, astrology, demonolatry, divination, ecstasy, magic, necromancy, possession, Santeria, séances, voodoo, and witchcraft. The dramatic works covered range from medieval materializations of Hell to the Golden Age plays of Lope de Vega, Tirso de Molina, and Calderón de la Barca, to modern stage works by Valle-Inclán, García Lorca, Casona, Miras, and a number of significant Afro-Brazilian and Caribbean dramatists. The concluding comprehensive bibliography of the drama of the occult is invaluable.

Baba Yaga Laid an Egg

Francisco Goya y Lucientes (1746-1828) created magnificent paintings, tapestry designs, prints, and drawings over the course of his long and productive career. Women frequently appeared as the subjects of Goya's works, from his brilliantly painted cartoons for the Royal Tapestry Factory to his stunning portraits of some of the most powerful women in Madrid. This groundbreaking book is the first to examine the representations of women within Goya's multifaceted art, and in so doing, it sheds new light on the evolution of his artistic creativity as well as on the roles assumed by women in late eighteenth- and early nineteenth-century Spain. Many of Goya's most famous works are featured and explicated in this beautifully designed and produced book. The artist's famous tapestry cartoons are included, along with the tapestries woven after them for the royal palaces of the Prado and the Escorial. Goya's infamous Naked Maja and Clothed Maja are also highlighted, with a discussion on whether these works were painted at the same time and how they might have originally hung in relation to one another. Focus is also placed on Goya's more experimental prints and drawings, in which the artist depicted women alternatively as targets of satire, of sympathy, or of admiration. Essays by eminent authorities provide a historical and cultural context for Goya's work, including a discussion on the significance of fashion and dress during the period. The resultant volume is surely to be treasured by all who admire Goya's art and by those who are interested in women's issues of his time.

Heart of Thorns

This carefully crafted ebook: "The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)" is formatted for your eReader with a functional and detailed table of contents. The book is a classic satire in the form of a dictionary on which Bierce worked for decades. It was originally published in 1906 as The Cynic's Word Book before being retitled in 1911. A number of the definitions are accompanied by satiric verses, many of which are signed with comic pseudonyms. It offers reinterpretations of terms in the English language which lampoon cant and political double-talk as well as other aspects of human foolishness and frailty. The definitions provide satirical, witty and often politically pointed representations of the words that it seeks to "define". The Devil's Dictionary has inspired many imitations both in its day and more recently. Ambrose Gwinnett Bierce (1842 – 1914?) was an American satirist, critic, poet, editor and journalist. Bierce became a prolific author of short stories often humorous and sometimes bitter or macabre. His dark, sardonic views and vehemence as a critic earned him the nickname, "Bitter Bierce".

Mapping literature from Spanish-speaking sub-Saharan African and Afro-Latinx Caribbean diasporas, *Decolonizing Diasporas* argues that the works of diasporic writers and artists from Equatorial Guinea, Puerto Rico, the Dominican Republic, and Cuba offer new worldviews that unsettle and dismantle the logics of colonial modernity. With women of color feminisms and decolonial theory as frameworks, Yomaira C. Figueroa-Vásquez juxtaposes Afro-Latinx and Afro-Hispanic diasporic artists, analyzing work by Nelly Rosario, Juan Tomás Ávila Laurel, Trifonia Melibea Obono, Donato Ndongo, Junot Díaz, Aracelis Girmay, Loida Maritza Pérez, Ernesto Quiñonez, Christina Olivares, Joaquín Mbomio Bacheng, Ibeyi, Daniel José Older, and María Magdalena Campos-Pons. Figueroa-Vásquez's study reveals the thematic, conceptual, and liberatory tools these artists offer when read in relation to one another. *Decolonizing Diasporas* examines how themes of intimacy, witnessing, dispossession, reparations, and futurities are remapped in these works by tracing interlocking structures of oppression, including public and intimate forms of domination, sexual and structural violence, sociopolitical and racial exclusion, and the haunting remnants of colonial intervention. Figueroa-Vásquez contends that these diasporic literatures reveal violence but also forms of resistance and the radical potential of Afro-futurities. This study centers the cultural productions of peoples of African descent as Afro-diasporic imaginaries that subvert coloniality and offer new ways to approach questions of home, location, belonging, and justice.

You Are (Not) Small

If we could only put aside our civil pose and say what we really thought, the world would be a lot like the one alluded to in *The Unabridged Devil's Dictionary*. There, a bore is "a person who talks when you wish him to listen," and happiness is "an agreeable sensation arising from contemplating the misery of another." This is the most comprehensive, authoritative edition ever of Ambrose Bierce's satiric masterpiece. It renders obsolete all other versions that have appeared in the book's ninety-year history. A virtual onslaught of acerbic, confrontational wordplay, *The Unabridged Devil's Dictionary* offers some 1,600 wickedly clever definitions to the vocabulary of everyday life. Little is sacred and few are safe, for Bierce targets just about any pursuit, from matrimony to immortality, that allows our willful failings and excesses to shine forth. This new edition is based on David E. Schultz and S. T. Joshi's exhaustive investigation into the book's writing and publishing history. All of Bierce's known satiric definitions are here, including previously uncollected, unpublished, and alternative entries. Definitions dropped from previous editions have been restored while nearly two hundred wrongly attributed to Bierce have been excised. For dedicated Bierce readers, an introduction and notes are also included. Ambrose Bierce's *Devil's Dictionary* is a classic that stands alongside the best work of satirists such as Twain, Mencken, and Thurber. This unabridged edition will be celebrated by humor fans and word lovers everywhere.

The Ghost's Child

This innovative social and cultural history explores the daily lives of the lowest echelons in president Porfirio Díaz's army through the decades leading up to the 1910 Revolution. The author shows how life in the barracks—not just combat and drill but also leisure, vice, and intimacy—reveals the basic power relations that made Mexico into a modern society. The Porfirian regime sought to control and direct violence, to impose scientific hygiene and patriotic zeal, and to build an army to rival that of the European powers. The barracks community enacted these objectives in times of war or peace, but never perfectly, and never as expected. The fault lines within the process of creating the ideal army echoed the challenges of constructing an ideal society. This insightful history of life, love, and war in turn-of-the-century Mexico sheds useful light on the troubled state of the Mexican military more than a century later.

The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)

In this impressive 'verse legend' Espronceda creates an original interpretation of the famous Don Juan legend whereby he produces a Romantic 'counter-text' which gives voice to what we now recognise as a central part of the modern philosophical condition: the Romantic vision of an all-pervasive cosmic injustice.

Craft

Winner of the Montserrat Ordóñez Prize 2018 This book provides an original and exciting analysis of Colombian women's writing and its relationship to feminist history from the 1970s to the present. In a period in which questions surrounding women and gender are often sidelined in the academic arena, it argues that feminism has been an important and intrinsic part of contemporary Colombian history. Focusing on understudied literary and non-literary texts written by Colombian women, it traces the particularities of Colombian feminism, showing how it has been closely entwined with left-wing politics and the country's history of violence. This book therefore rethinks the place of feminism in Latin American history and its relationship to feminisms elsewhere, challenging many of the predominant critical paradigms used to understand Latin American literature and culture.

Decolonizing Diasporas

Constantly bickering, the pair are beset by worries about money, their writing, and their son (who may or may not be plying the oldest profession in Marrakesh). In the face of pitiless adversity, Julio's talent inexorably begins to fade. The garden next door, however, is also Gloria, who has been doing some creating of her own. It is this twist that transforms Donoso's brilliant satire of the writer's life into something even

greater: a carefully crafted and bitteily comic meditation on gardens, deceit, and the nature of a writer's muse.

Estudiante de Salamanca

Werner Herzog is one of our most revered contemporary filmmakers, a visionary director who ceaselessly tests the boundaries of art. *Fitzcarraldo*, his lavish 1982 film about a would-be rubber baron who pulls a steamship over a hill to access a rich rubber territory, was hailed by critics around the globe and won Herzog the 1982 Outstanding Director Prize at Cannes. The text of *Conquest of the Useless* emerged as if out of an Amazonian fever dream: the crew's camp in the heart of the jungle was attacked and burned to the ground; the production clashed with a border war; two planes crashed during filming; and Herzog had to unravel the logistics of moving a 320-ton steamship over a hill without the use of special effects. More than just a journal or diary of the shooting of *Fitzcarraldo*, *Conquest of the Useless* is a work of art unto itself, which charts the inner landscapes born of the delirium of the jungle and offers an extraordinary glimpse into the mind of a genius during the making of one of his greatest achievements.

The Book of Daniel

George MacDonald occupied a major position in the intellectual life of his Victorian contemporaries. This volume brings together all eleven of his shorter fairy stories as well as his essay "The Fantastic Imagination". The subjects are those of traditional fantasy: good and wicked fairies, children embarking on elaborate quests, and journeys into unsettling dreamworlds. Within this familiar imaginative landscape, his children's stories were profoundly experimental, questioning the association of childhood with purity and innocence, and the need to separate fairy tale wonder from adult scepticism and disbelief.

Conquest of the Useless

The book you hold in your hands is an interdisciplinary study on diaspora literacy in Afro-Central America. An exploration through various imaginings of times past, this study is concerned with how oxymoron, metonymy, and multilingualism deploy pluricentric belonging. By exploring the interlocking of multiple roots that have developed on account of routes, rhizomatic historical imaginations are unearthed here so as to imagine an other Costa Rica. A Black Costa Rica.

The Oxford Handbook of the Baroque

The Dissonant Legacy of Modernismo

"Everyone has an animal story--the pet they loved or hated, the wild animal that captured their childhood imagination, the nasty dog at the end of the street, the deer your uncle shot or your neighbor hit while driving. Telling stories about animals is part of how we tell the story of being human, but recent scientific breakthroughs in animal cognition, the exploding interdisciplinary field of animal studies, and global climate change have all complicated these stories. *Animal Acts* collects some of the most exciting, provocative, and moving solo performances on animals, grounded by commentaries that help put these engaging works in a larger context. *Animal Acts* includes the work of leading theater artists Holly Hughes, Rachel Rosenthal, Deke Weaver, Carmelita Tropicana, and others, along with commentary by major scholars including Donna Haraway, Jane Desmond, Jill Dolan, and Nigel Rothfels. A masterful introduction by Una Chaudhuri provides readers a useful foundation for understanding and appreciating the intersection of animal studies and performance. The anthology makes an important contribution to several fields as it foregrounds questions of race, gender, sexuality, class, nation, and other issues central to the human project within the discourse of the "post human." The collection will be of interest to those interested in solo performance, animal studies, gender studies, performance studies, and environmental studies"--
