

Social Order And The Fear Of Crime In Contemporary Times Clarendon Studies In Criminology

[#social order](#) [#fear of crime](#) [#criminology studies](#) [#contemporary crime](#) [#public safety](#)

Explore the complex interplay between maintaining social order and the pervasive fear of crime in today's contemporary society. This study, part of the Clarendon Criminology series, delves into various criminological perspectives, examining how societal structures influence public perception of safety and the profound impact of crime on community well-being, offering critical insights into modern challenges.

All journals are formatted for readability and citation convenience.

Open Letter to Quiet Light

"[Francesca Lia Block] is the sorceress of iridescent language."—Kirkus Reviews Open Letter to Quiet Light will make readers feel as if they are peering at secret writings meant for the eyes of a lover alone, but these carefully crafted lines somehow transcend the personal to touch everyone who has experienced this kind of consuming, wrenching love. In these fiercely passionate, devastatingly revealing, sometimes spiritual, and often painful poems, Francesca Lia Block describes in fiery detail the rise and demise of a year-long love affair. Her rich use of language infused with the power of sex and spirit finally paint a transcendent, almost mythic portrait of the way two wounded people—both searching for connection—find each other, collide, and eventually separate. The words seem to bleed onto the page and even the most graphic moments have a devotional quality filled with nuanced expression and unbridled intimacy. Francesca Lia Block is renowned for her groundbreaking literary works, including the best-selling Weetzie Bat. Her writing transports readers through the harsh landscapes of contemporary life to realms of the senses where love is a saving grace. She lives in Los Angeles.

Nymph

"Open Letter" takes you through self-discovery, self-acceptance and learning to submit to love without losing yourself in the process. It is a poetry book that is meant to encourage and inspire. It is a collection of "love letters" that will take you through a roller coaster of emotions. At one moment you may laugh, the next you may be grabbing for a tissue. "Open Letter" is book that all can relate to because essentially, it's about love.

Library Journal

Although the paintings of Jan Vermeer continue to be celebrated, very little is known about the painter himself--and still less about the women he painted. Who were they? This elegant volume teases out intriguing possibilities in 20 poems arranged side by side with color reproductions of the paintings that inspired them.

Open Letter

From a star YA author Francesca Lia Block—an adult novel about a student, haunted by the disappearance of a friend, who must face the truth *The Elementals* is on one level an intriguing coming-of-age novel about a young woman, Ariel Silverman, facing the challenges of her first years away at college in Berkeley, California, while her mother battles cancer at home in Los Angeles. But the book takes on deeper, stranger meanings when we realize that Ariel is haunted by the disappearance of her best friend, Jeni, who vanished without a trace a few years before, closing Ariel's heart and changing her forever. Ariel wonders if she will ever be fully alive, until she meets three mysterious, beautiful and seductive young people living in a strange old house in the Berkeley hills. Through them Ariel will unravel the mystery of her best friend's disappearance and face a chilling choice.

In Quiet Light

Maternal, sexy Catt and her beautiful, daring best friend Bree are hairdressers at an L.A. salon called Head Hunter, and work out at a gym called Body Farm. They have over a decade of sobriety behind them and are getting close to living the lives they've always wanted. But when Catt's husband, Dash, leaves her, and then her neighbor is brutally murdered, possibly by a man being called the Hollywood Serial Killer, Catt's world begins to come crashing down. The murdered victims all seem to bear a chilling resemblance to Bree. Catt suspects that Bree is the next target of the Hollywood Serial Killer...is she losing touch with reality or simply coming to terms with the truth? In *Beyond the Pale Motel*, a terrifying and intensely erotic novel, Francesca Lia Block explores the dangers of modern living, loving and dying with lyrical edge and sensational attitude.

The Elementals

Open Letter

'Pamela under the Notion of being a Virtuous Modest Girl will be introduced into all Familes, and when she gets there, what Scenes does she represent? Why a fine young Gentleman endeavouring to debauch a beautiful young Girl of Sixteen.' (Pamela Censured, 1741) One of the most spectacular successes of the burgeoning literary marketplace of eighteenth-century London, Pamela also marked a defining moment in the emergence of the modern novel. In the words of one contemporary, it divided the world 'into two different Parties, Pamelists and Antipamelists', even eclipsing the sensational factional politics of the day. Preached up for its morality, and denounced as pornography in disguise, it vividly describes a young servant's long resistance to the attempts of her predatory master to seduce her. Written in the voice of its low-born heroine, but by a printer who fifteen years earlier had narrowly escaped imprisonment for the seditious output of his press, Pamela is not only a work of pioneering psychological complexity, but also a compelling and provocative study of power and its abuse. Based on the original text of 1740, from which Richardson later retreated in a series of defensive revisions, this edition makes available the version of Pamela that aroused such widespread controversy on its first

appearance. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Run to earth, by the author of 'Lady Audley's secret'.

A classic Victorian sensation novel which concerns a disinherited scoundrel and his mercenary friend, and their plot to take over the family fortune.

Poets on Paintings
